If, based on the work we have performed on the Other Information that we obtained prior to the date of this Auditors' Report, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this matter.

When we read the Directors' Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

6. The Bank's Board of Directors is responsible with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India including the Accounting Standards

# Independent Auditors' Report

issued by ICAI to the extent applicable, and provisions of Section 29 of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and circulars and guidelines issued by RBI from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the above mentioned Acts for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, Board of Directors is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

## Auditors' Responsibilities for the Audit of the Standalone Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement whether due to fraud or error and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence

that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical

requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

8. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949; and these give information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations there under.

Subject to the limitations of the audit indicated in paragraphs 5 to 7 above and as required by the State Bank of India Act, 1955, and sub-section (3) of section 30 of the Banking Regulation Act, 1949, and subject also to the limitations of disclosure required therein we report that:

- a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
- b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
- c) The financial statement/ financial information received from the offices and branches of the Bank have been found adequate for the purposes of our audit

9. As required by letter No. DOS.ARG.No.6270/08.91.001/2019-20 dated 17<sup>th</sup> March, 2020 on "Appointment of Statutory Central Auditors (SCAs) in Public Sector Banks – Reporting obligations for SCAs from FY 2019-20", read with subsequent communication dated 19<sup>th</sup> May, 2020 issued by RBI, we further report on the matters specified in paragraph 2 of the aforesaid letter as under:

- a) In our opinion, the aforesaid Standalone Financial Statements comply with the applicable Accounting

Standards issued by ICAI, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.

- b) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the Bank.
- c) As the bank is not registered under the Companies Act, 2013 the disqualifications from being a director of the bank under sub-section (2) of Section 164 of the Companies Act, 2013 do not apply to the bank.
- d) There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.
- e) Our Audit report on the adequacy and operating effectiveness of the Bank's Internal Financial Controls Over Financial Reporting with reference to standalone financial statements is given in **Annexure – A** to this report expressing an unmodified opinion on the Bank's Internal Financial Control over Financial Reporting with reference to the Standalone Financial Statements as at 31<sup>st</sup> March, 2025.

10. We further report that:

- a) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and proper financial statement/financial information adequate for the purposes of our audit have been received from branches not visited by us;
- b) The Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account and with the financial statement/financial information received from the branches not visited by us;
- c) The reports on the accounts of the branch offices audited by branch auditors of the Bank as per the provisions of the section 29 of the Banking Regulation Act, 1949, and the State Bank of India Act, 1955 have been sent to us and have been properly dealt with by us in preparing this report; and
- d) in our opinion, the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement comply with the applicable accounting standards, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.

# Annexure “A” to the Independent Auditors’ Report

(Referred to in paragraph 9(e) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

**Report on the Internal Financial Controls Over Financial Reporting with reference to standalone financial statements as required by the Reserve Bank of India (the “RBI”) Letter DOS.ARG. No.6270/08.91.001/2019-20 dated March 17, 2020 (as amended) (the “RBI communication”)**

## Opinion

We have audited the internal financial controls over financial reporting with reference to standalone financial statements of **State Bank of India** (“the Bank”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Bank for the year ended on that date which includes internal financial controls over financial reporting with reference to standalone financial statements of the Bank’s branches.

In our opinion, and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the branch auditors referred to in the Other Matters paragraph below, the Bank has, in all material respects, adequate internal financial controls over financial reporting with reference to standalone financial statements and such internal financial controls over financial reporting with reference to standalone financial statements were operating effectively as at March 31, 2025, based on “the criteria for internal control over financial reporting established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI”.

## Management’s Responsibility for Internal Financial Controls

The Bank’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Banking Regulation Act, 1949 and the circulars and guidelines issued by the Reserve Bank of India.

## Auditors’ Responsibility

Our responsibility is to express an opinion on the Bank’s internal financial controls over financial reporting with reference to standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (the “ICAI”) and the Standards on Auditing (SAs) issued by the ICAI, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls Over Financial Reporting with reference to standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls over financial reporting with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls over financial reporting with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal financial controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the branch auditors, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Bank’s internal financial controls over financial reporting with reference to Standalone financial statements.

## Meaning of Internal Financial Controls Over Financial Reporting with reference to Standalone Financial Statements

A Bank’s internal financial controls over financial reporting with reference to Standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Bank’s internal financial controls over financial reporting with reference to Standalone Financial statements includes those policies and procedures that

## Annexure “A” to the Independent Auditors’ Report

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorisations of management and directors of the Bank; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Bank’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to Standalone Financial Statements**

Because of the inherent limitations of internal financial controls over financial reporting with reference to standalone Financial Statements, including the possibility of collusion or improper

management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to Standalone Financial statements to future periods are subject to the risk that the internal financial controls over financial reporting with reference to Standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Other Matters**

Our aforesaid report in so far as it relates to the operating effectiveness of internal financial controls over financial reporting with reference to Standalone financial statements of 1110 branches (inclusive 35 foreign branches) is based on the corresponding reports of the respective branch auditors of those branches/other units.

Our opinion is not modified in respect of this matter.

## SCHEDULE 17: SIGNIFICANT ACCOUNTING POLICIES

### A. Background:

State Bank of India ('SBI' or 'the Bank') is a banking and financial services statutory body engaged in providing a wide range of products and services to individuals, commercial enterprises, large corporates, public bodies, and institutional customers. The Bank is governed by the Banking Regulation Act, 1949 and the State Bank of India Act, 1955.

State Bank of India Group ('SBI Group' or 'the Group') consists of SBI, 27 Subsidiaries, 8 Joint ventures and 18 Associates.

Following are the Significant Accounting Policies of SBI Group i.e. the specific accounting principles and methods of applying these principles in the preparation and presentation of consolidated financial statements of SBI.

### B. Basis of Preparation:

The Bank's consolidated financial statements have been prepared under the historical cost convention, with fundamental accounting assumptions of going concern, consistency, and accrual, unless otherwise stated. They conform to Generally Accepted Accounting Principles in India (Indian GAAP), comprising of regulatory norms, directions & guidelines prescribed by the Reserve Bank of India (RBI), statutory guidelines of the State Bank of India Act, 1955, the Banking Regulations Act, 1949, Insurance Regulatory and Development Authority of India (IRDAI), Pension Fund Regulatory and Development Authority (PFRDA), SEBI (Mutual Funds) Regulations, 1996, Companies Act 2013, Accounting Standards issued by Institute of Chartered Accountants of India (ICAI) and the accounting practices prevalent in India.

In the case of foreign entities, Generally Accepted Accounting Principles as applicable to the foreign entities are followed.

These consolidated financial statements have been prepared in accordance with requirements under the Third Schedule of the Banking Regulation Act, 1949.

### C. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes

that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to the accounting estimates is recognised prospectively from the period of change unless otherwise stated.

### D. Basis of Consolidation:

#### 1. Consolidated financial statements of the SBI Group includes:

- a. Financial statements of State Bank of India (Parent).
- b. Line by line aggregation of each item of asset/liability/income/expense of the subsidiaries with the respective item of the Parent. Elimination of all material intra-group balances/transactions and resulting unrealised gains and adjustments required for non-uniform accounting policies as per AS 21 "Consolidated Financial Statements" issued by the ICAI.
- c. Proportionate share of asset/liability/income/expense of the joint venture entities are consolidated as per AS 27 "Financial Reporting of Interests in Joint Ventures" issued by the ICAI.
- d. Accounting for investment in 'Associates' under the 'Equity Method' as per AS 23 "Accounting for Investments in Associates in Consolidated Financial Statements" issued by the ICAI.

2. The difference between cost to the group of its investment in the subsidiary entities and the group's portion of the equity of the subsidiaries is recognised in the financial statements as goodwill / capital reserve.

3. Minority interest in the net assets of the consolidated subsidiaries consists of:

- a. The amount of equity attributable to the minority shareholders at the date on which the investment in the equity shares of the subsidiary is made, and
- b. The minority share of movements in revenue reserves/loss (equity) since the date the parent-subsidiary relationship came into existence.

### E. Significant Accounting Policies:

#### 1. Revenue recognition:

- 1.1 Income and expenditure are recognised in the Profit and Loss Account on accrual basis, unless otherwise stated.

- 1.2 Income from Non-Performing Assets (NPAs) including Non-Performing investments is recognised in the Profit and Loss Account on realisation basis.
- 1.3 All commission and fee income are recognised on realisation basis, except commission income from Letters of Credit (LC), Bank Guarantees (BG), Deferred Payment Guarantees, Government Business, incentive on UPI transactions, ATM interchange fees, and upfront fees on restructured accounts, which are recognised on an accrual basis (proportionately over the relevant period).
- 1.4 Income from units of mutual funds, alternative investment funds and other such pooled / collective investment funds is recognised in the Profit and Loss Account on realisation basis.
- 1.5 The discount or premium if any on acquisition of all debt securities, across all categories of investments i.e. HTM, AFS, HFT-FVTPL meeting Solely Payments of Principal and Interest" (SPPI) Criterion is amortised over the remaining life of the instrument using Constant Yield method.  
  
However, in case of overseas investments and investments in floating rate bond, the discount or premium if any on acquisition is amortised over the remaining life of the instrument using Straight Line method. The amortised amount is reflected under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'.
- 1.6 Dividend income is recognised when the right to receive the dividend is established.
- 1.7 The Bank derecognises its financial assets upon sale to Securitisation Company (SC)/ Reconstruction Company (RC), and accounts for the transaction as under:
  - i. If the sale is at a price below the Net Book Value (NBV) (i.e., book value less provisions held), the shortfall is debited to the Profit and Loss Account in the year of transfer /sale.
  - ii. If the sale is for a price higher than the NBV, the excess provision is written back in the year the amounts are received. In case, SRs guaranteed by the Government of India are received as a part of sale consideration the excess provision to the extent of Face Value of Security Receipts guaranteed by Government of India is written back in the year of transfer/sale.
- 1.8 Income on Rupee Derivatives designated as "Trading" income is recognised in the Profit and Loss Account on realisation basis.
- 1.9 Issue management fees and advisory fees, in case of Group's merchant banking business, are recognised as per the terms of the agreement with the customer/ client. The fee income is recognised only when the specific act / milestone defined in the agreement is executed/completed.
  - 1.9.1. Fees for private placement are recognised on completion of the assignments.
  - 1.9.2. Brokerage income in relation to stock broking activity is recognised on the trade date of transaction and includes stamp duty, transaction charges and is net of incentives paid on scheme.
  - 1.9.3. Commission relating to public issues is accounted for on finalisation of allotment of the public issue/receipt of information from intermediary.
  - 1.9.4. Brokerage income relating to public issues/ mutual fund/other securities is accounted for based on mobilisation and intimation received from clients/intermediaries.
  - 1.9.5. Depository income – Annual Maintenance Charges are recognised on accrual basis and transaction charges are recognised on trade date of transaction.
- 1.10 Management fee, in case of Group's asset management business, is charged as a percent of the Assets Under Management (AUM) and is recognised on accrual basis. The maximum amount of management fee that can be charged is subject to applicable SEBI regulations. In case of AIF Scheme, management fees is recognised as defined into offer document on accrual basis.
  - 1.10.1. Portfolio Management Fees and Advisory Fees are recognised on an accrual basis as per the terms of the contract with customers.  
  
These contracts include a single performance obligation (series of distinct services) that is satisfied over time and the management fees and/or advisory fees earned are considered as variable consideration.  
  
If the consideration promised in a contract includes a variable amount, the company

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.

1.10.2. Expenses of schemes in excess of the stipulated rates (if any) are required to be borne by the Company in accordance with the requirements of SEBI (Mutual Fund) Regulations, 1996 and as such, are charged to Profit and Loss Account. In case of PMS/AIF scheme, based on the contract, expenses if any, are charged to the Profit and Loss Account.

1.10.3. Brokerage paid by the Company in line with applicable regulations is being charged to Profit and Loss Account over the contractual period. In case of new fund offer, the expenses are charged to Profit and Loss Account in the year in which they are incurred in accordance with the requirements of SEBI (Mutual Fund) Regulations, 1996.

1.11 Income earned from provision of membership services, in case of Group's credit card business, is recognised as revenue over the membership period consisting of 12 months at fair value of consideration net of expected reversals / cancellations.

1.11.1. Other service revenue consists of value-add services provided to the card holders. Other service revenues are recognised in the same period in which related transactions occur or services rendered.

1.11.2. Interchange fees are collected from acquirers and paid to issuers by network partners to reimburse the issuers for portion of the costs incurred for providing services that benefit all participants in the system, including acquirers and merchants. Revenue from interchange income is recognised when related transaction occurs, or service is rendered.

1.11.3. The total unidentified receipts which could not be credited or adjusted in the customers' accounts for lack of complete & correct

information is considered as liability in Balance Sheet. The unresolved unidentified receipts aged more than three years are written back as other income on balance sheet date. The liability for stale cheques aged for more than three years is written back as income.

1.11.4. All other service income/fees are recorded at the time of occurrence of the respective events.

1.12 Factoring charges, in case of Group's factoring business, are accrued on factoring of debts at the applicable rates as decided by the company. Facility set-up fees are recognised as income only when there is reasonable certainty of its receipt after execution of documents. Facility Continuation fees (FCF) are calculated and charged in the month of May for the entire next financial year on all live standard accounts. 1<sup>st</sup> of May is deemed as date for accrual of the FCF.

1.13 Premium, in case of Group's life insurance business, of non-linked business is recognised as income (net of goods and service tax) when due from policyholders. In respect of linked business, premium income is recognised when the associated units are allotted. In case of variable insurance products (VIPs), premium income is recognised on the date when the Policy Account Value is credited. Uncollected premium from lapsed policies is not recognised as income until such policies are revived.

1.13.1. Top-up premiums are considered as single premium.

1.13.2. Income from linked funds which includes fund management charges, policy administration charges, mortality charges, etc. are recovered from linked fund in accordance with terms and conditions of policy and recognised when recovered.

1.13.3. Realised gains and losses in respect of equity securities, units of mutual funds, Equity Exchange Traded funds (ETFs), Infrastructure Investment Trusts (InvITs) and Real Estate Investments Trusts (REITs) are calculated as the difference between the net sales proceeds and their cost. In respect of debt securities, the realised gains and losses are calculated as the difference between net sale proceeds or redemption proceeds and weighted average amortised cost. Cost in respect of equity shares, units of mutual fund Equity Exchange Traded

funds (ETFs), Infrastructure Investment Trusts (InvITs) and Real Estate Investments Trusts (REITs) are computed using the weighted average method.

1.13.4. Fees received on lending of equity shares under Securities lending and borrowing scheme (SLB) is recognised as income over the period of the lending on straight-line basis.

1.13.5. Premium ceded on reinsurance is accounted in accordance with the terms of the re-insurance treaty or in-principle arrangement with the re-insurer.

1.13.6. Benefits paid:

- Claims cost consist of the policy benefit amounts and claims settlement costs, where applicable.
- Claims by death and rider are accounted when intimated. Intimations up to the end of the period are considered for accounting of such claims.
- Claims by maturity are accounted on the policy maturity date.
- Survival and Annuity benefits claims are accounted when due.
- Surrenders and withdrawals are accounted as and when intimated. Benefits paid also includes amount payable on lapsed policies which are accounted for as and when due. Surrenders, withdrawals and lapsation are disclosed at net of charges recoverable.
- Repudiated claims disputed before judicial authorities are provided for based on management prudence considering the facts and evidences available in respect of such claims.
- Amounts recoverable from re-insurers are accounted for in the same period as the related claims and are reduced from claims.

1.13.7. Acquisition costs such as commission, medical fees, etc. are costs that are primarily related to the acquisition of new and renewal insurance contracts. The same are expensed in the period in which they are incurred.

1.13.8. **Liability for life policies:** The actuarial liability of all the life insurance policies has been calculated by the Appointed Actuary in accordance with the Insurance Act 1938, and as per the rules and regulations and circulars issued by IRDAI from time to time and the relevant Guidance Notes and/or Actuarial Practice Standards (APS) issued by the Institute of Actuaries of India.

1.13.9. **Funds for future appropriation:**

Funds for future appropriation (FFA) represents funds, the allocation of which, either to policyholders or to shareholders, has not been determined at the Balance Sheet date.

1.14 Premium including reinsurance accepted (net of goods & service tax) , in case of Group's general insurance business, is recognised in the books at the commencement of risk over the contract period or the period of risk, whichever is appropriate. In case the premium is recovered in instalments, amount to the extent of instalment due is recorded on the due date of the instalment. Premium (net of goods & service tax), including reinstatement premium, on direct business and reinsurance accepted, is recognised as income over the contract period or the period of risk, whichever is appropriate, on a gross basis under 1/365 method. In case of long-term insurance policies premium is recognised on a yearly basis as mandated by IRDAI. Any subsequent revision to premium is recognised over the remaining period of risk or contract period. Adjustments to premium income arising on cancellation of policies are recognised in the period in which they are cancelled.

1.14.1. Commission on reinsurance ceded is recognised as income in the period in which reinsurance risk is ceded. Profit commission under re-insurance treaties, wherever applicable, after adjustment of commission accounted in earlier years, is recognised as income in the year of final determination of the profits as confirmed by Reinsurer and combined with commission on reinsurance ceded.

Sliding scale commission under reinsurance treaties, wherever applicable, is recognised as income as per the reinsurance treaty conditions as confirmed by reinsurers and combined with commission on reinsurance ceded.

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

1.14.2. In respect of proportional reinsurance ceded, the cost of reinsurance ceded is accrued at the commencement of risk over the contract period or the period of risk. Non-proportional reinsurance cost is recognised when due. Non-proportional reinsurance cost is accounted as per the terms of the reinsurance arrangements. Reinsurance premium ceded on unearned premium is carried forward to the period of risk and is set off against related unearned premium. Any subsequent revision to, refunds or cancellations of premiums is recognised in the period in which they occur.

1.14.3. Reinsurance inward acceptances are accounted for on the basis of returns, to the extent received, from the insurers.

1.14.4. Acquisition costs are expensed in the period in which they are incurred. Acquisition costs are defined as costs that vary with, and are primarily related to the acquisition of new and renewal insurance contracts viz. commission, policy issuance expense. The primary test for determination as acquisition cost is the obligatory relationship between the costs and the execution of the insurance contracts (i.e. commencement of risk). In case of long-term insurance policies commission is expensed at the applicable rates on the premium allocated for the year as mandated by IRDAI.

1.14.5. Premium Received in Advance which represents premium received prior to the commencement of the risk is shown separately under the head "Other Liabilities and Provision" in the financial statements and is recorded as income on the date of commencement of risk.

Reserve for Unexpired risk is that part of the net premium written (i.e., premium net of reinsurance ceded) that is attributable to, and to be allocated to succeeding accounting periods on contract period basis or risk period basis, whichever is appropriate. Such reserves are calculated on a pro-rata basis under 1/365 basis, subject to minimum reserve requirements as per Circular No. IRDA/F&A/CIR/CPM/056/03/2016 dated April 4, 2016.

1.14.6. If the ultimate amount of expected net claim costs (as calculated and certified by the Actuary), related expenses and maintenance

costs (related to claims handling) in respect of unexpired risks at the end of the accounting period exceeds the sum of related premium carried forward to the subsequent accounting period as the reserve for unexpired risk, the same is recognised as premium deficiency.

Premium deficiency is calculated on annual basis and at the company level.

1.14.7. Claim is recognised as and when a loss occurrence is reported. Claim is recognised by creation of provision for the amount of claim payable as estimated by the management based on available information and experience, on receipt of claim notification. Such provision is reviewed / modified as appropriate on the basis of additional information as and when available. Amounts received/receivable from the re-insurers/co-insurers, under the terms of the reinsurance and coinsurance arrangements respectively, is recognised together with the recognition of claim. Provision for claims outstanding payable as on the date of Balance Sheet is net of reinsurance, salvage value and other recoveries as estimated by the management. Claims paid (net of recoveries including value of salvage retained by the insured and interest, if any, paid on the claims) is charged to the Profit and Loss Account when approved for payment. Where salvage is taken over by the company, the recoveries from sale of salvage are recognised at the time of such sale.

1.14.8. Provision in respect of claim liabilities that may have been incurred before the end of the accounting year but are

- not yet reported or claimed (IBNR) or
- not enough reported i.e. reported with information insufficient for making a reasonable estimate of likely claim amount (IBNER).

The provision is made according to the amount determined by the Appointed Actuary based on actuarial principles in accordance with the Actuarial Practice Standards and Guidance Notes issued by the Institute of Actuaries of India and IRDAI regulations and guidelines.

1.15 The revenue (net of goods & service tax), in case of Group's custody & fund accounting services, is

recognised only when it can be reliably measured and it is probable that the economic benefits will flow to the company. Custody fees, fund accounting fees and business canvassing fees are accounted on accrual basis as per the agreed terms of agreement.

1.16 Management fee, in case of Group's pension fund business, is recognised at specific rates agreed with the relevant schemes, applied on daily net assets of each scheme, and is in conformity with the regulatory guidelines issued by Pension Fund Regulatory and Development Authority (PFRDA). Commission income from Point of Presence (POP) Business i.e. Account opening fees and contribution processing fees are recognised on the basis of contributions received from subscribers and generation of Permanent Retirement Account Number (PRAN). The Company presents revenues net of goods and service tax in profit and loss account.

1.17 Mutual Fund Trusteeship fee, in case of Group's trusteeship business, is recognised on accrual basis at specific rates agreed with the relevant schemes, applied on the percentage of daily net assets of each scheme and is in conformity with the limits specified under SEBI (Mutual Funds) Regulations, 1996.

1.17.1. Corporate Trusteeship Acceptance fees are recognised on execution of trusteeship agreement on a straight -line basis using time elapsed method over the contract term. Corporate Trusteeship service charges are recognised on execution of trusteeship agreement on a straight -line basis using time elapsed method over the contract term.

1.17.2. Income from "will" services is recognised at a point in time when these services are performed, customer is invoiced and right to receive fees is established.

1.18 The revenue, in case of Group's merchant acquiring business (MAB), is measured on basis of consideration received or receivable for the services provided, excluding discounts, GST and other applicable taxes and are recognised upon performance of services. Income on Rupee Derivatives designated as "Trading" income is recognised in the Profit and Loss Account on realisation basis.

1.18.1. The revenue from deployment of POS is recognised either over the period during which the service is rendered or on basis of

the number of transactions processed during the period in accordance with the rates and conditions specified in the agreements. Based on the contract terms, the merchant makes payment for merchant discount rate (MDR), monthly rental and commitment charges and the same is treated as revenue from operation.

1.18.2. Income received but not accrued on account of maintenance deployment contract are recognised as deferred revenue and included in liabilities until the revenue recognition criteria are met. Income accrued but not billed represents revenue recognised on work performed but billed in subsequent period, in accordance with terms of the contract.

1.18.3. Revenue is recognised to the extent it is probable that the economic benefits will flow, and the revenue can be reliably measured.

## 2. Investments:

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation, as given below :

### 2.1 Classification:

The group entities classifies the entire investment portfolio (except investments in their own Subsidiaries, Joint Ventures and Associates) under three categories viz., Held to Maturity (HTM), Available for Sale (AFS) and Fair Value through Profit and Loss (FVTPL) with a subcategory named Held for Trading (HFT).

For disclosure in Balance Sheet, the investments are classified as Investments in India and outside India. The investments in India are further classified as (i) Government Securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and/or Joint Ventures (including Associates) and (vi) Other Investments.

The investments outside India are further classified as (i) Government Securities (ii) Subsidiaries and/or Joint Ventures (including Associates) (iii) Other Investments.

### 2.2 Basis of classification:

i. **Held to Maturity (HTM):** The securities acquired with the intention of holding it to maturity to collect the contractual cash flows

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

and the contractual terms of the security give rise to cash flows that are Solely Payments of Principal and Interest (SPPI criterion) on specified date are categorised as Held to Maturity (HTM).

- ii. **Available for Sale (AFS):** The securities acquired with the objective that is achieved by both collecting contractual cash flows and selling securities before maturity; and the contractual terms of the security give rise to cash flows that are Solely Payments of Principal and Interest (SPPI criterion) is categorised as Available for Sale (AFS).

On initial recognition, the group entities make an irrevocable selection to classify an equity instrument, that is not held with the objective of trading, under AFS, in line with the RBI Guidelines.

- iii. **Fair Value through Profit and Loss (FVTPL):** Securities that do not qualify for inclusion in HTM or AFS are classified under Fair Value through Profit and Loss (FVTPL) with a subcategory named Held for Trading (HFT). Any instrument that is held for one or more of the following purposes is designated as a Held for Trading (HFT) instrument:
  - a. short-term resale;
  - b. profiting from short-term price movements;
  - c. locking in arbitrage profits; or
  - d. hedging risks that arise from instruments meeting (a), (b) or (c) above.

### 2.3 Initial Recognition of investments:

The transactions in all securities are measured at fair value on initial recognition with a presumption that acquisition cost is the fair value. This presumption is tested for transactions with related parties, transaction taking place in duress, transaction outside principal market and any other situation where facts and circumstances warrant testing of the presumption.

Fair value measurements are categorised into following 3 fair value hierarchy based on the degree to which the inputs to the fair value measurements are observable,

- (a) "Level 1" - wherein inputs used for valuation of a financial instrument are quoted prices (unadjusted) in active markets for identical instruments that the group entities can access at the measurement date;
- (b) "Level 2" - wherein inputs used for valuation of a financial instrument are inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly (such as yield curve, credit spread etc.);
- (c) "Level 3" - wherein valuation is based on unobservable inputs.

#### i. Recognition of Day 1 Gain/Loss:

- a. Day 1 gain / loss arising in initial recognition of Level 1 and Level 2 hierarchy, is recognised in the Profit and Loss Account, under item III-'Profit/Loss on revaluation of investments(net)' under Schedule 14: 'Other Income'.
- b. Any Day 1 loss arising from Level 3 investments is recognised immediately.
- c. Any Day 1 gains arising from Level 3 investments is deferred. In the case of debt instruments, the Day 1 gain is amortised on a straight-line basis up to the maturity date (or earliest call date for perpetual instruments), while for unquoted equity instruments, the gain is set aside as a liability until the security is listed or derecognised.
- ii. The transactions in all securities are recorded on a Settlement Date and the securities are held at weighted average cost method for all categories of investments.
- iii. Brokerage, Commission, Securities Transaction Tax (STT) etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.
- iv. Broken period interest paid/ received on debt instruments is treated as interest

expense/ income and is excluded from cost/ sale consideration.

## 2.4 Subsequent Measurement of investments:

- i. Securities held in HTM are carried at cost and are not marked to market (MTM) after initial recognition.
- ii. The securities held in AFS are fair valued at quarterly intervals. The valuation gains and losses across all performing investments held under AFS are aggregated. The net appreciation or depreciation is directly credited or debited to AFS-Reserve without routing through the Profit & Loss Account.
- iii. Securities that are classified under the HFT sub-category within FVTPL are fair valued on a daily basis, whereas other securities in FVTPL are fair valued at the end of every quarter. The net gain or loss arising on such valuation is credited or debited to the Profit and Loss Account.
- iv. Subsequent valuation of investment in subsidiaries, associates and joint ventures:
  - a. All investments (i.e., including debt and equity) in subsidiaries, associates and joint ventures are held at acquisition cost.
  - b. In case an existing investment becomes a Subsidiary, Associate or Joint Venture, the revised carrying value of the same on the date of change in classification is as determined as under:
    - For an investment held under HTM: the carrying value less the permanent impairment.
    - For an investment held under AFS: the Carrying value adjusted for cumulative gains and losses previously recognised in AFS Reserve along with the permanent diminution, if any.
    - For an investment held under FVTPL: the fair value on date of the change in the classification.
  - c. When an investment ceases to be a Subsidiary, Associate or Joint Venture, the

reclassification to respective category is made as under:

- For investment reclassified into HTM, there shall be no change in the carrying value.
  - For investment reclassified into AFS or FVTPL, the fair value on the date of reclassification is considered as carrying value by transferring the difference between the revised and the previous carrying values to AFS-Reserve and Profit and Loss account respectively.
- d. The group entities evaluates investments in subsidiaries, associates or joint ventures for impairment at quarterly intervals. When the need to determine whether the impairment has occurred arises in respect of a subsidiary, associate or joint venture, the same is made on the basis of the valuation of the investment by an independent registered valuer and diminution if any is recognised as an expense in the Profit and Loss Account. It is subsequently reversed through Profit and Loss Account, if there is a reversal of the diminution.
  - v. Valuation in the event of inter category transfer of investments:
 

The reclassification between the categories (viz. HTM, AFS and FVTPL) if any, is done with approval of the Board and prior approval of the RBI. The reclassification is applied prospectively from reclassification date and is accounted in compliance with RBI guidelines.
  - vi. Valuation of Security Receipts (SRs):
    - a) The SRs obtained by way of sale of NPA to Securitisation Company (SC) / Asset Reconstruction Company (ARC), is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the NPA; and (ii) Redemption value of SR.
    - b) Investments in Security Receipts are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.

- c) SRs guaranteed by the Government of India are valued at face value or Net Asset Value (NAV) declared by the ARC (based on the recovery ratings received for such instruments) whichever is lower. Any SRs outstanding after the final settlement of government guarantee or expiry of the guarantee period, whichever is earlier, are valued at ₹1.
- vii. Zero-coupon discounted instruments such as Treasury Bills, Commercial Paper, Certificate of Deposits and Zero-Coupon Bonds are held at carrying cost i.e. the acquisition cost adjusted for the discount accrued at the rate prevailing at the time of acquisition.

### 2.5 Non-performing Investments (NPI):

- i. In domestic offices / entities, the investments are classified as non-performing or upgraded to standard in terms of the criterion laid down in extant Prudential Norms on Income Recognition, Asset Classification and Provisioning (IRACP) pertaining to Advances.
  - a. Debt instruments such as bonds or debentures are recognised as NPIs where interest/instalment (including maturity proceeds) is due and remains unpaid for more than 90 days. It applies mutatis mutandis to preference shares where fixed dividend is not declared/paid in any year; and the date of Balance Sheet of the issuer for that particular year is reckoned as due date for asset classification.
  - b. In the event the investment in equity shares of any company is valued at ₹1 per company on account of non-availability of the latest balance sheet or the same is more than 18 months old, those equity shares would be reckoned as NPI.
  - c. The group entities also classifies an investment including preference shares

as a non-performing investment in case any credit facility availed by the same borrower has been classified as a non-performing asset and vice versa. However, this stipulation is not applicable in cases where only preference shares are classified as NPI. i.e. in such cases, neither the investment in any of the other performing securities issued by the same issuer is classified as NPI nor any performing credit facilities granted to that borrower is treated as NPA.

- d. In case of conversion of principal and / or interest into equity, debentures, bonds, etc., such instruments are classified under HTM, AFS or FVTPL (including HFT) with the same asset classification category as that of the loan and provision is made as per the norms.
- ii. Investment classified as an NPI is segregated from rest of the investments within the same category and not considered for netting valuation gains and losses. Income on non-performing investments is recognised only on realisation of the same. MTM appreciation if any in these NPI securities is ignored.
- iii. Irrespective of the category (i.e., HTM, AFS or FVTPL (including HFT)) in which the investment has been placed, the expense for the provision for impairment are recognised in the Profit and Loss Account. The provision to be held on an NPI is the higher of the amount of provision on the carrying value of the investment immediately before it was classified as NPI as per IRACP norms and the depreciation on the investment with reference to its carrying value on the date of classification as NPI.

Provided that in the case of an investment categorised under AFS against which there are cumulative gains in AFS-Reserve, the provision required is created by charging the same to AFS-Reserve to the extent of such available gains. Provided further that in the case of an investment categorised under AFS against which there are cumulative losses in AFS-Reserve, the cumulative losses are

transferred from AFS-Reserve to the Profit and Loss Account.

- iv. Upon upgradation of the investment, the provision recognised is reversed and recognition of MTM gains and losses is resumed.
- v. In respect of foreign offices / entities, classification and provisions for non-performing investments (NPIs) are made as per the local regulations or as per the norms of RBI, whichever are more prudent.

## 2.6 Accounting for Repo/ Reverse Repo transactions:

The Bank enters Repurchase and Reverse Repurchase Transactions with RBI under Liquidity Adjustment Facility (LAF) and with market participants. Repurchase Transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse Repo Transactions on the other hand, represent lending funds by purchasing the securities.

- a. Transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Collateralised Lending and Borrowing transactions.
- b. In Repo and Reverse Repo transaction, securities sold (purchased) and repurchased (resell) are accounted as normal outright sale (purchase) transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and contra entries. The above entries are reversed on the date of maturity.
- c. Balance in Repo Account is classified under Schedule 4 (Borrowings).
- d. All type of Reverse Repos with RBI including those under Liquidity Adjustment Facility are presented under sub item (ii) 'In Other Accounts' of item (II) Balances with RBI under Schedule 6 'Cash and balances with RBI'.
- e. Reverse Repos with banks and other institutions having original tenors up to and inclusive of 14 days are classified as 'Money at call and short notice' under Schedule 7 'Balance with Banks and Money at call & short notice'. Reverse Repos with original maturity more than 14 days but up to 1 year are classified as 'Cash Credits, overdrafts, and loans repayable on demand',

under Schedule 9 'Advances'. All other Reverse Repos are classified as 'Term Loans' under Schedule 9 'Advances'.

- f. Borrowing cost of repo transactions and revenue on reverse repo transactions, with RBI or others, is accounted for as interest expense and interest income, respectively.
- 2.7 In case of life and general insurance subsidiaries, investments are accounted in accordance with the Insurance Act, 1938 (as amended), the Insurance Regulatory and Development Authority of India (Actuarial, Finance and Investment Functions of Insurers) Regulations 2024, Master Circular on Actuarial, Finance and Investment Functions of Insurers, Investment policy of the company and various other circulars / notifications as issued by IRDAI from time to time.
- (i) Valuation of investment pertaining to non-linked life insurance business and general insurance business:
    - All debt securities, including government securities and money market securities are stated at historical cost subject to amortisation of premium or accretion of discount.
    - Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. National Stock Exchange of India Limited ('NSE') is considered. If NSE closing price is not available, then closing price of BSE Limited ('BSE') is considered.
    - Unlisted equity securities, equity related instruments and preference shares are measured at historical cost.
    - In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
    - Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from Credit Rating Information Services of India Limited (CRISIL).

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

- Investments in mutual fund units are valued at the Net Asset Value (NAV) of previous day in life insurance and of Balance Sheet date in general insurance.
- Investment in Alternative Investment Funds (AIFs) are valued at latest available NAV.
- The Investment in units of REITs/InvITs are valued at Market Value (last quoted price should not be later than 30 days). For the purpose of determining market value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available for any security, then BSE closing price is used for valuation. Where market quote is not available for the last 30 days, the units are valued as per the latest NAV (not more than 6 months old) of the units published by the trust.

Unrealised gains or losses arising due to change in the fair value of listed equity shares, mutual fund units, AIFs and units of REITs/InvITs pertaining to shareholders' investments and non-linked policyholders investments are taken to "Revenue & Other Reserves (Schedule 2)" and "Liabilities relating to Policyholders in Insurance Business (Schedule 5)" respectively, in the Balance Sheet.

(ii) Valuation of investment pertaining to linked business:

- Debt Securities including Government securities with remaining maturity of more than one year are valued at prices obtained from CRISIL. Debt securities including Government securities with remaining maturity of less than one year are valued on yield to maturity basis, where yield is derived using market price provided by CRISIL on the day when security is classified as short term. If security is purchased during its short term tenor, it is valued at amortised cost using yield to maturity method. In case of securities with options, earliest Call Option/Put Option date will be taken as maturity date for this purpose. Money market securities are valued at historical cost subject to amortisation of premium or accretion of discount on yield to maturity basis.

- Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available, closing price of the BSE is considered.
- Unlisted equity shares, equity related instruments and preference shares are measured at historical cost.
- In the case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
- Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from CRISIL.
- Investments in mutual fund units are valued at the previous day's Net Asset Value (NAV).
- The Investment in units of REITs / InvITs are valued at Market Value (last quoted price should not be later than 30 days). For the purpose of determining market value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available for any security, then BSE closing price is used for valuation. Where market quote is not available for the last 30 days, the units are valued as per the latest NAV (not more than 6 months old) of the units published by the trust.
- Unrealised gains or losses arising due to changes in the fair value are recognised in the Profit & Loss Account.

2.8 In Regional Rural Banks (RRBs), associates of SBI, investments are accounted in accordance with guidelines issued by the National Bank for Agriculture and Rural Development (NABARD)/RBI.

### 3. Loans /Advances and Provisions thereon:

3.1 Based on the guidelines / directives issued by the RBI, Loans and Advances in India are classified as performing and non-performing, as follows:

- i. A term loan is classified as a non-performing asset if interest and / or instalment of principal remains overdue for a period of more than 90 days.
  - ii. An Overdraft or Cash Credit is classified as a non-performing asset, if, the account remains "out of order", i.e. if the outstanding balance in the CC/OD account is less than the sanctioned limit/drawing power but there are no credits continuously for 90 days, or the credits are not enough to cover the interest debited during the previous 90 days period.
  - iii. The bills purchased / discounted are classified as non-performing Asset if the bill remains overdue for a period of more than 90 days.
  - iv. The agricultural advances are classified as a non-performing if,
    - a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and
    - b) for long duration crops, where the principal or interest remains overdue for one crop season.
- 3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:
- i. Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
  - ii. Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months or Sub-Standard Accounts where erosion in the value of security by more than 50 per cent of the value assessed by the bank or accepted by RBI at the time of last inspection, as the case may be.
  - iii. Loss: A loan asset where loss has been identified but the amount has not been fully written off or if the realisable value of the security as assessed by the Bank/approved valuers/RBI is less than 10 percent of the outstanding.

- 3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities:

|                            |                     |                                                                                                      |                       |      |
|----------------------------|---------------------|------------------------------------------------------------------------------------------------------|-----------------------|------|
| <b>Substandard Assets:</b> | i.                  | Secured                                                                                              | 15%                   |      |
|                            | ii.                 | unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio). | 25%                   |      |
|                            | iii.                | in respect of infrastructure advances where certain safeguards such as escrow accounts are available | 20%                   |      |
| <b>Doubtful Assets</b>     | Secured portion     | i.                                                                                                   | Up to one year        | 25%  |
|                            |                     | ii.                                                                                                  | One to three years    | 40%  |
|                            |                     | iii.                                                                                                 | More than three years | 100% |
|                            | Unsecured portion   |                                                                                                      |                       | 100% |
|                            | <b>Loss Assets:</b> |                                                                                                      |                       | 100% |

- 3.4 In respect of foreign offices / entities, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more stringent.
- 3.5 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.
- 3.6 For restructured/ rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loans/ advances before and after restructuring is provided for, in addition to provision for the respective loans/ advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.
- 3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulatory authorities.
- 3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

3.9 In addition to the provision on NPAs, provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.

3.10 The Bank also makes additional provisions on specific non-performing assets.

3.11 Recoveries from Non-Performing Assets (NPAs) are appropriated in the following order of priority:

- a. Charges, Costs, Commission etc.
- b. Unrealised Interest / Interest
- c. Principal

However, in Compromise and Resolution/ Settlement through National Company Law Tribunal (NCLT) cases, the recoveries are appropriated as per the terms of respective compromise/ resolution/ settlement. And in case of suit filed accounts, recovery is appropriated as per directives of respective courts.

#### 4. Floating Provisions & Countercyclical Provisioning Buffer:

The Bank has a policy for creation and utilisation of Countercyclical Provisioning Buffer in good times as well as for Floating Provisions separately for advances, investments and general purposes. The quantum of Floating Provisions and Countercyclical Provisioning Buffer to be created is assessed at the end of the financial year. These provisions are utilised only for contingencies under extra ordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

#### 5. Provision for Country Exposure for Banking Entities:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, Insignificant, Very Low, Low, Medium, High, Very High, Restricted and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others".

#### 6. Derivatives:

6.1 The Bank enter into Interest Rate derivatives (e.g. Interest Rate Swaps, Interest Rate Futures, Interest Rate Options, Interest Rate Caps and Floors, Forward Rate Agreements) and Foreign Currency Derivatives (e.g. Foreign Exchange Contracts, Currency/Cross Currency Swaps, Currency Options, Currency Futures) to hedge on-balance sheet/ off-balance sheet assets and liabilities or for trading purposes. Banks categorises the derivatives portfolio into three fair value hierarchies viz. Level 1, Level 2, and Level 3 as defined for investments.

6.2 The Bank follow the hedge accounting treatment stipulated in the Guidance Note on Accounting for Derivative Contracts (Revised 2021) issued by Institute of Chartered Accountants of India (ICAI), wherein:

- a. Under the Fair Value Hedge Accounting Model, the hedging instrument is measured at fair value with the change in fair value recognised in the Profit & Loss Account. The hedged item is re-measured at fair value in respect of the hedged risk and the resulting change is recognised in the Profit & Loss Account. Thus, the fair value changes of the hedged item and the hedging instrument offset and result in no net impact in the Profit & Loss Account except for the impact of Hedge Ineffectiveness.
- b. Under the Cash Flow Hedge, the hedging instrument is measured at fair value with the change in fair value of an effective hedge recognised in the Cash Flow Hedge Reserve and change in fair value of ineffective portion of gain or loss recognised in Profit & Loss Account. The changes in fair value of hedging instruments recognised in Cash Flow Reserve are recycled and recognised in Profit & Loss Account while the impact of the hedged item is recognised in the Profit & Loss Account.

6.3 Application of hedge accounting is stopped when the risk management objective as defined originally at the time of first applying hedge accounting principles is no longer met. The hedge relationship is discontinued if:

- The hedging instrument expires or is sold, terminated, or exercised.

- Hedge items mature or is sold/terminated or forecast transaction is no longer expected to occur.
- Hedging relationship (or a part of a hedging relationship) cease to meet the qualifying criteria for hedge accounting.

- 6.4 Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognised in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account - Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account – Positive MTM".
- 6.5 Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark to Market value for forex Over the Counter (OTC) options.
- 6.6 Exchange Traded Derivatives entered in for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognised in the Profit and Loss Account.

## 7. Fixed Assets Depreciation and Amortisation:

- 7.1 Fixed Assets are carried at cost less accumulated depreciation/ amortisation except for freehold premises carried at revalued amount, being fair value at the date of revaluation less accumulated depreciation, unless stated otherwise.
- 7.2 Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put to use. Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability. The fixed assets in

domestic offices/ entities are depreciated at straight line method based on useful life of the assets states as under:

| Sr. No. | Description of Fixed Assets                                                                                  | Useful Life for Depreciation |
|---------|--------------------------------------------------------------------------------------------------------------|------------------------------|
| 1       | Computers                                                                                                    | 3 Years                      |
| 2       | Computer Software forming an integral part of the computer hardware                                          | 3 Years                      |
| 3       | Computer Software which does not form an integral part of Computer hardware and cost of Software Development | 3 Years                      |
| 4       | Automated Teller Machine/ Cash Deposit Machine/Coin Dispenser/ Coin Vending Machine                          | 5 Years                      |
| 5       | Servers                                                                                                      | 4 Years                      |
| 6       | Network Equipment                                                                                            | 5 Years                      |
| 7       | Other major fixed assets                                                                                     |                              |
|         | Premises                                                                                                     | 60 Years                     |
|         | Safe Deposit Lockers                                                                                         | 20 Years                     |
|         | Furniture & Fixtures                                                                                         | 10 Years                     |
|         | Air Conditioners                                                                                             | 8 Years                      |
|         | Vehicles                                                                                                     | 5 Years                      |

- 7.3 In respect of assets acquired during the year for domestic operations, depreciation is charged on proportionate basis for the number of days assets have been put to use during the year.
- 7.4 Assets costing less than ₹1,000 each are charged off in the year of purchase.
- 7.5 In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease (except for premises and land on perpetual lease) and Lease payments for assets taken on Operating lease are recognised as expense in the Profit & Loss account over the lease term on straight line basis.
- 7.6 In respect of fixed assets held at foreign offices/ entities, depreciation is provided as per the regulations /norms of the respective countries.
- 7.7 The Bank revalue freehold immovable assets at every three years. The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account. Additional Depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to General Reserve. The revalued asset is

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

depreciated over the balance useful life of the asset as assessed at the time of revaluation.

### 8. Leases:

The asset classification and provisioning norms applicable to advances, as laid down in Para 3 above, are applied to financial leases also.

### 9. Impairment of Assets:

Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

### 10. Effect of changes in the foreign exchange rate:

#### 10.1 Foreign Currency Transactions:

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/forward) rates.
- iii. Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- iv. Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
- v. Outstanding foreign exchangespot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss Account.
- vi. Foreign Currency Forward or Future Contract entered to hedge payment of a monetary asset or a liability and a Currency Swap Contract (principal only; no interest rate element) that hedges the repayment of principal of foreign currency loan are revalued at the closing spot

rate and exchange difference on such contracts is recognised in Profit and Loss Account. The premium or discount arising at the inception of these contracts is amortised as expense or income over the life of the contract.

Any Profit or Loss arising on cancellation or renewal of such contracts is recognised as income or expense for the period.

- vii. Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.
- viii. Gains / Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognised in the Profit and Loss Account.

#### 10.2 Foreign Operations:

Foreign Branches/Subsidiaries / Joint Ventures of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

##### a. Non-integral Operations:

- i. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- ii. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
- iii. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.
- iv. The Assets and Liabilities of foreign offices/ subsidiaries /joint ventures in foreign currency (other than local currency of the foreign offices/subsidiaries/

joint ventures) are translated into local currency using spot rates applicable to that country on the Balance Sheet date.

**b. Integral Operations:**

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/Forward) exchange rates notified by FEDAI at the Balance Sheet date and the resulting Profit/Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
- iii. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

## **11. Employee Benefits:**

### **11.1 Short Term Employee Benefits:**

The undiscounted amounts of short-term employee benefits, such as medical benefits, which are expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the service.

### **11.2 Long Term Employee Benefits:**

**i. Defined Benefit Plans:**

- a. SBI operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Bank's Provident Fund scheme. SBI contributes to the fund at 10% of employee's basic pay plus eligible allowance monthly. These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. SBI recognises such annual contributions as an expense in the year to which it relates, Shortfall, if any, is provided for based on actuarial valuation.

SBI Life Insurance Company Limited makes contribution towards provident fund, a defined benefit retirement plan. The provident fund is administered by the trustees of the SBI Life Insurance Company Limited Employees PF Trust. The contribution paid or payable under the schemes is charged to the Profit and Loss Account during the period in which the employee renders the related service. Further, an actuarial valuation is conducted annually by an independent actuary to recognise the deficiency, if any, in the interest payable on the contributions as compared to the interest liability as per the statutory rate.

- b. The group entities operate separate Gratuity schemes, which are defined benefit plans. The group entities provide for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities or Service Gratuity without cap in case of erstwhile Associate Bank's employees of SBI. Vesting occurs upon completion of five years of service. SBI makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.
- c. SBI provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. SBI makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Employees' Pension Fund Regulations. The pension liability is reckoned based on an independent actuarial valuation carried out annually and SBI makes such

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

additional contributions periodically to the Fund as may be required to secure payment of the benefits under the Pension Fund Regulations.

- d. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains/losses are immediately recognised in the Profit and Loss and are not deferred.

### ii. Defined Contribution Plans:

The defined contribution plan i.e. a New Pension Scheme (NPS) is applicable from for all officers/ employees joining the Bank on or after 1<sup>st</sup> August 2010. As per the scheme, these employees contribute 10% of their basic pay plus dearness allowance to the scheme together with Bank's contribution at 14% of basic pay plus dearness allowance. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in SBI and earn interest at the rate applicable to Provident Fund balance. The SBI recognises such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

### iii. Other Long Term Employee benefits:

- a. All eligible employees of the Group are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The cost of such long-term employee benefits are internally funded by the group entities.
- b. The cost of providing other long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost, if any, is immediately recognised in the Profit and Loss and is not deferred.

- 11.3 Employee benefits relating to employees employed at foreign offices/ entities are valued and accounted for as per the respective local laws/regulations.

## 12. Segment Reporting:

The Group recognises the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 issued by Institute of Chartered Accountants of India (ICAI).

## 13. Taxes on income:

Income tax expense is the aggregate amount of current tax and deferred tax expense incurred by the Group. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – "Accounting for Taxes on Income" respectively after considering taxes paid at the foreign offices, which are based on the tax laws of respective jurisdiction. Deferred Tax adjustments comprise of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year and carry forward losses.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management's judgement as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

In Consolidated Financial Statement, income tax expenses are the aggregate of the amounts of tax expense appearing in the separate financial statements of the parent and its subsidiaries/joint ventures, as per their applicable laws.

## 14. Earnings per Share:

- 14.1 The Bank reports basic and diluted earnings per share in accordance with AS 20 – "Earnings per Share" issued by the Institute of Chartered Accountants of India (ICAI). Basic Earnings per Share are computed by dividing the Net Profit for the year attributable to equity shareholders (other than minority) by the weighted average number of equity shares outstanding for the year.

14.2 Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

## **15. Provisions, Contingent Liabilities and Contingent Assets:**

15.1 In conformity with AS 29, "Provisions, Contingent Liabilities and Contingent Assets", issued by the Institute of Chartered Accountants of India, the Group recognises provisions only when it has a present obligation because of a past event and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

### **15.2 No provision is recognised for**

- i. any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group entities; or
- ii. any present obligation that arises from past events but is not recognised because
  - a. it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - b. a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

15.3 Provision for reward points in relation to the "Enterprise-Wide Loyalty Programme" of SBI is being provided for on the basis of actuarial estimates.

15.4 Provisions for onerous contracts are recognised when the expected benefits to be derived by the Bank from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with

the contract. Before a provision is established, the Bank recognises any impairment loss on the assets associated with that contract.

15.5 Contingent Assets are not recognised in the financial statements.

## **16. Bullion Transactions:**

The Bank imports bullion, including precious metal bars, on a consignment basis to sell to customers. These imports are usually back-to-back and priced based on the supplier's quoted rate. The Bank earns a fee from these transactions, which is recorded as commission income.

The Bank also accepts gold deposits and provides gold loans, which are treated as deposits and advances, respectively. Interest paid or received on these is recorded as interest expense or income.

Gold deposits, metal loan advances, and closing gold balances are valued at the market rate available on the Balance Sheet.

## **17. Special Reserves:**

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

## **18. Capital Reserve**

18.1 Profit on sale of investments in the Held to Maturity (HTM) category; sale / reclassification of an investment in a subsidiary, associate or joint venture and sale of Fixed Assets are appropriated to Capital Reserve (net of applicable taxes and amount required to be transferred to Statutory Reserve).

18.2 Any gain or loss on sale of equity instruments designated under AFS is transferred from AFS-Reserve to the Capital Reserve (net of applicable taxes and amount required to be transferred to Statutory Reserve). As against this, gain or loss on sale of debt instruments in AFS category is transferred from AFS-Reserve to the Profit & Loss Account.

## **19. Share Issue Expenses:**

Share issue expenses are charged to the Share Premium Account.

## **20. Cash and cash equivalents:**

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

### SCHEDULE 18 - NOTES TO ACCOUNTS:

#### 1. List of Subsidiaries/Joint Ventures/Associates considered for preparation of consolidated financial statements:

1.1 The 27 Subsidiaries, 8 Joint ventures and 18 Associates including 14 Regional Rural Banks from/up to respective date of merger/ exit during the year (which along with State Bank of India, the parent, constitute the Group), considered in the preparation of the consolidated financial statements, are :

#### A) Subsidiaries:

| S. No. | Name of the Subsidiary                                       | Country of incorporation | Group's Stake (%) |               |
|--------|--------------------------------------------------------------|--------------------------|-------------------|---------------|
|        |                                                              |                          | Current Year      | Previous Year |

- j) SBI Infra Management Solutions Private Limited, wholly owned subsidiary of SBI is under liquidation and therefore, not being considered for consolidation in preparation of Consolidated Financial Statements as per Accounting Standard 21. Further, SBI Home Finance Limited, an associate with 26.00% of SBI Group's stake, had been dissolved by an order of the Hon'ble High Court, Calcutta dated 20<sup>th</sup> December 2019. However, the status of the company at the ROC portal has been changed from "Under Liquidation" to "Dissolved" during September 2024 as per the status report received from the Official Liquidator dated 20<sup>th</sup> September 2024.
- k) As SBI Foundation is a Not-for-Profit Company [incorporated under section 7(2) of Companies Act, 2013], SBI Foundation is not being considered for consolidation in preparation of Consolidated Financial statements as per Accounting Standard 21.

- 1.2** The consolidated financial statements for the financial year 2024-25 of the Group include unaudited financial statements of one subsidiary (SBI Canada Bank) & one associate (Bank of Bhutan Ltd.) the results of which are not material.

## 2. Disclosures as per Accounting Standards

### 2.1 Accounting Standard 5 – "Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies"

- During the year, there were no material prior period income / expenditure items.
- There is no change in the Significant Accounting Policies adopted during the Financial Year 2024-2025 as compared to those followed in the previous Financial Year 2023-2024 except for:
  - The changes required on account of RBI Master Direction RBI/DOR/2023-24/104 DOR.MRG. 36/21.04.141/2023-24 dated 12<sup>th</sup> September 2023, applicable from 1<sup>st</sup> April 2024 as stated below:

#### a. Policies on classification and valuation of investments:

With effect from 1<sup>st</sup> April 2024, the Bank adopted the revised framework of classification and valuation of investments issued by RBI vide Master Direction No. RBI/DOR/2023-24/104 DOR.MRG.36/21.04.141/2023-24 on Classification, Valuation and Operation of Investment Portfolio of Commercial Banks (Directions), 2023 dated 12<sup>th</sup> September

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

2023. For the purpose of consolidation, all the subsidiaries and joint ventures of the Bank have followed the revised investment framework except SBI Life Insurance Company Ltd. and SBI General Insurance Company Ltd., (the subsidiaries regulated by IRDA) which continue to follow IRDAI guidelines.

### b. Method of recording the transactions in HTM securities:

As per the extant Policy, the premium paid on acquisition of HTM category Investments was amortised over the term to maturity on a constant yield basis. In terms of new investment framework, the Bank has switched over to Weighted Average Carrying Cost (WACC) from First in First Out (FIFO) method of recording transactions uniformly across all categories of investments and amortisation of both, premium and discount on acquisition.

### c. Method of amortisation for Floating Rate Bonds:

The revised framework on investment allow amortisation of premium and discount across all categories of investments. To comply with these amortisation norms, the Bank has now switched over to Straight Line Method from constant yield method.

In terms of the transition guidelines of the revised framework, on 1<sup>st</sup> April 2024 the Group has debited net loss of ₹714.93 Crore (net of tax) to the General Reserve & Balance in P&L account and credited net gain of ₹4,428.65 Crore (net of tax) to the AFS Reserve. The impact of the revised framework for the period prior to the transition date is not ascertainable. As a result, the income / profit or loss from investments for quarter and year ended 31<sup>st</sup> March 2025 are not comparable to figures reported for quarter and year ended 31<sup>st</sup> March 2024.

- ii. As per RBI Circular no. RBI/DOR/2024-25/135 DOR.STR.REC.72/ 21.04.048/2024-25 dated 29<sup>th</sup> March 2025, on guidelines for Government-guaranteed Security Receipts, banks are permitted to reverse any excess provision to the Profit and Loss Account in the year of transfer of a loan to an Asset Reconstruction Company (ARC) for a value higher than the net book value (NBV), provided the consideration consists solely of cash and SRs guaranteed by the Government of India. Such SRs shall be valued periodically by reckoning the Net Asset Value (NAV) declared by the ARC based on the recovery ratings received for such instruments.

The Bank has carried SRs guaranteed by Government of India at face value or Net Asset Value (NAV) declared by the ARC, whichever is lower by crediting to the Profit and Loss Account ₹3,874.99 Crore, being the lower of face value or NAV pertaining to 19 Trust accounts managed by National Asset Reconstruction Company Ltd. (NARCL).

## 2.2 Accounting Standard- 15 "Employee Benefits":

### 2.2.1 Defined Benefit Plans

#### 2.2.1.1 Employee's Pension Plans and Gratuity Plans

The following table sets out the status of the Defined Benefit Pension Plans and Gratuity Plan as required under AS 15 (Revised 2005):

| Category of Assets                                         | Pension Fund     | Gratuity Fund    |
|------------------------------------------------------------|------------------|------------------|
|                                                            | % of Plan Assets | % of Plan Assets |
| Central Govt. Securities                                   | 12.71%           | 14.42%           |
| State Govt. Securities                                     | 38.41%           | 32.24%           |
| Debt Securities, Money Market Securities and Bank Deposits | 29.42%           | 24.57%           |
| ETF and Mutual Funds                                       | 16.58%           | 13.52%           |
| Insurer Managed Funds                                      | 1.07%            | 13.93%           |
| Others                                                     | 1.81             | 1.32%            |
| <b>Total</b>                                               | <b>100.00%</b>   | <b>100.00%</b>   |

### Principal actuarial assumptions:

| Particulars                           | Pension Plans |               |
|---------------------------------------|---------------|---------------|
|                                       | Current year  | Previous year |
| Discount Rate                         | 7.02%         | 7.23%         |
| Expected Rate of return on Plan Asset | 7.02%         | 7.23%         |
| Salary Escalation Rate                | 6.00%         | 6.00%         |
| Pension Escalation Rate               | 2.00%         | 2.00%         |
| Attrition Rate                        | 2.00%         | 2.00%         |

| Particulars                           | Gratuity Plans |               |
|---------------------------------------|----------------|---------------|
|                                       | Current year   | Previous year |
| Discount Rate                         | 6.82%          | 7.21%         |
| Expected Rate of return on Plan Asset | 6.82%          | 7.21%         |
| Salary Escalation Rate                | 6.00%          | 6.00%         |
| Attrition Rate                        | 2.00%          | 2.00%         |

The expected contribution to the Pension and Gratuity fund for the next year is ₹3,045.99 Crore and ₹1,400.71 Crore respectively.

In case of SBI, the plan assets are marked to market on the basis of the yield curve derived from government securities, the expected rate of return has been kept the same as the discount rate.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long term and are not based on limited past experience / immediate future. Empirical evidence also suggests that in very long term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

### 2.2.1.2 Employees Provident Fund

Actuarial valuation carried out in respect of interest shortfall in Provident Fund Trust shows "Nil" liability, hence no provision is made in F.Y. 2024-25.

The following table sets out the status of Provident Fund as per the actuarial valuation by the independent Actuaries:

| Particulars                                                                                                    | Provident Fund   |                  |
|----------------------------------------------------------------------------------------------------------------|------------------|------------------|
|                                                                                                                | Current Year     | Previous Year    |
| <b>Change in the present value of the defined benefit obligation</b>                                           |                  |                  |
| Opening defined benefit obligation as at 1 <sup>st</sup> April                                                 | <b>42,883.83</b> | <b>39,138.17</b> |
| Current Service Cost                                                                                           | 2,198.98         | 2,170.31         |
| Interest Cost                                                                                                  | 3,607.80         | 3,165.52         |

| Debt Securities, Money Market Securities and Bank Deposits | 31.96%           |
| Mutual Funds                                               | 10.13%           |
| Others                                                     | 3.04%            |
| <b>Total</b>                                               | <b>100.00%</b>   |

### Principal actuarial assumptions

| Particulars       | Provident Fund |               |
|-------------------|----------------|---------------|
|                   | Current year   | Previous year |
| Discount Rate     | 6.82%          | 7.21%         |
| Guaranteed Return | 8.25%          | 8.15%         |
| Attrition Rate    | 2.00%          | 2.00%         |
| Salary Escalation | 6.00%          | 6.00%         |

- i) There is a guaranteed return applicable to liability under SBI Employees Provident Fund which shall not be lower of either:
  - (a) one half percent above the average standard rate (adjusted up or down to the interest one quarter per cent) quoted by the bank for new deposits fixed for twelve months in the preceding year (ending on the preceding the 31<sup>st</sup> day of March); or
  - (b) three percent per annum, subject to approval of Executive Committee.
- ii) The rules of the SBI Life Insurance Company Ltd.'s Provident Fund administered by a Trust require that if the Board of Trustees are unable to pay interest at the rate declared for Employees' Provident Fund by the Government under para 60 of the Employees' Provident Fund Scheme, 1952 for the reason that the return on investment is less or for any other reason, then the deficiency shall be made good by the Company.

### 2.2.2 Defined Contribution Plans

#### 2.2.2.1 Employees Provident Fund

An amount of ₹89.65 Crore (Previous Year ₹64.17 Crore) is contributed towards the Provident Fund Scheme by the group (excluding the entities covered in Note 2.2.1.2) and is included under the head "Payments to and provisions for employees" in Profit and Loss Account.

#### 2.2.2.2 Defined Contribution Pension Scheme

SBI has a Defined Contribution Pension Scheme (DCPS) applicable to all categories of officers and employees joining SBI on or after 1<sup>st</sup> August 2010. The Scheme is managed by NPS Trust under the aegis of the Pension Fund Regulatory and Development Authority. National Securities Depository Limited has been appointed as the Central Record Keeping Agency for the NPS. During F.Y. 2024-25, SBI contributed ₹1,797.66 Crore (Previous Year ₹1,552.41 Crore).

#### 2.2.2.3 The following amount is provided by the group (excluding SBI) towards Defined Contribution Plans:

| Sl. No.      | Long Term Employees' Benefits        | (₹ in Crore) |               |
|--------------|--------------------------------------|--------------|---------------|
|              |                                      | Current Year | Previous Year |
| 1            | Employee Pension Scheme under PF Act | 37.15        | 44.06         |
| 2            | National Pension System              | 23.89        | 10.32         |
| 3            | Others                               | 15.38        | 14.80         |
| <b>Total</b> |                                      | <b>76.42</b> | <b>69.18</b>  |

### 2.2.3 Long Term Employee Benefits (Unfunded Obligation):

#### 2.2.3.1 Accumulating Compensated Absences (Privilege Leave)

The following table sets out the status of Accumulating Compensated Absences (Privilege Leave) as per Actuarial valuation by independent Actuaries:

| Particulars                                                                                                    | Accumulating Compensated Absences (Privilege Leave) |                  |
|----------------------------------------------------------------------------------------------------------------|-----------------------------------------------------|------------------|
|                                                                                                                | Current Year                                        | Previous Year    |
| <b>Change in the present value of the defined benefit obligation</b>                                           |                                                     |                  |
| Opening defined benefit obligation as at 1 <sup>st</sup> April                                                 | <b>13,554.79</b>                                    | <b>11,078.32</b> |
| Current Service Cost                                                                                           | 464.43                                              | 365.78           |
| Interest Cost                                                                                                  | 976.69                                              | 828.31           |
| Liability pertains to incoming Joint Venture                                                                   | 0.17                                                | -                |

#### 2.2.3.2 Other Long Term Employee Benefits

Amount of ₹94.40 Crore (Previous Year ₹198.87 Crore) is provided by the group towards Other Long Term Employee Benefits viz. Leave Travel and Home Travel Concession (Encashment/Availment), Silver Jubilee/Long Term Service Award, Resettlement Expenses on Superannuation and Retirement Award and is included under the head "Payments to and provisions for employees" in Profit and Loss Account.

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

**2.2.4** The employee benefits listed above are in respect of the employees of the Group based in India. The employees of the foreign operations are not covered in the above schemes.

### 2.3 Accounting Standard- 17 "Segment Reporting":

#### 2.3.1 Segment identification

##### A) Primary (Business Segment)

The following are the Primary Segments of the Group:

- Treasury
- Corporate / Wholesale Banking
- Retail Banking
- Insurance Business
- Other Banking Business

The present accounting and information system of the Group does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the Primary Segments have been computed as under:

- a) **Treasury:** The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.
- b) **Corporate / Wholesale Banking:** The Corporate / Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Commercial Clients Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices/entities.
- c) **Retail Banking:** The Retail Banking Segment comprises of retail branches, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with these branches. This segment also includes agency business and ATMs. As per RBI Circular DOR. AUT.REC.12/22.01.001/2022-23 dated 7<sup>th</sup> April 2022, for the purpose of disclosure under Accounting Standard 17 - Segment Reporting "Digital Banking" has been identified as a sub-segment under the "Retail Banking Segment".
- d) **Insurance Business:** The Insurance Business Segment comprises of the results of SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd.
- e) **Other Banking Business:** Segments not classified under (a) to (d) above are classified under this primary segment. This segment also includes the operations of all the Non-Banking Subsidiaries/Joint Ventures other than SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd. of the group.

##### B) Secondary (Geographical Segment):

- a) **Domestic Operations:** Branches, Subsidiaries and Joint Ventures having operations in India.
- b) **Foreign Operations:** Branches, Subsidiaries and Joint Ventures having operations outside India and offshore banking units having operations in India.

**C) Pricing of Inter-segmental Transfers**

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sell funds to business units engaged in creating assets.

**D) Allocation of Revenue, Expenses, Assets and Liabilities**

Expenses of parent incurred at Corporate Centre establishments directly attributable either to Corporate / Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Group has certain common assets and liabilities, which cannot be attributed to any segment, and the same are treated as unallocated.

|----------------------------------------------|--------------------------------------|--------------------------------------|
|                                              | As at<br>31 <sup>st</sup> March 2025 | As at<br>31 <sup>st</sup> March 2024 |
| Not later than 1 year                        | 129.77                               | 153.12                               |
| Later than 1 year and not later than 5 years | 586.34                               | 287.42                               |
| Later than 5 years                           | 173.81                               | 126.76                               |
| <b>Total</b>                                 | <b>889.92</b>                        | <b>567.30</b>                        |

Amount of lease payments recognised in the Profit & Loss Account for the year is ₹4,961.16 Crore (Previous Year ₹4,720.64 Crore).

### 2.6 Accounting Standard-20 "Earnings per Share":

The Bank reports basic and diluted earnings per equity share in accordance with Accounting Standard 20 - "Earnings per Share". "Basic earnings" per share is computed by dividing consolidated net profit/ (loss) after tax (other than minority) by the weighted average number of equity shares outstanding during the year.

| Particulars                                                                         | Current Year  | Previous Year |
|-------------------------------------------------------------------------------------|---------------|---------------|
| <b>Basic and diluted</b>                                                            |               |               |
| Number of Equity Shares outstanding at the beginning of the year                    | 892,46,11,934 | 892,46,11,934 |
| Number of Equity Shares issued during the year                                      | 8,100         | -             |
| Number of Equity Shares outstanding at the end of the year                          | 892,46,20,034 | 892,46,11,934 |
| Weighted average number of equity shares used in computing basic earnings per share | 892,46,17,147 | 892,46,11,934 |
| Weighted average number of shares used in computing diluted earnings per share      | 892,46,17,147 | 892,46,11,934 |
| Net Profit/(Loss) for the Group (₹ in Crore)                                        | 77,561.34     | 67,084.67     |
| Basic earnings per share (₹)                                                        | 86.91         | 75.17         |
| Diluted earnings per share (₹)                                                      | 86.91         | 75.17         |
| Nominal value per share (₹)                                                         | 1.00          | 1.00          |

### 2.7 Accounting Standard-22 "Accounting for Taxes on Income":

- During the year, ₹464.15 Crore has been credited to Profit and Loss Account (Previous Year ₹2,269.31 Crore) on account of deferred tax.
- The breakup of deferred tax assets and liabilities into major items is given below:

| Particulars                                 | (₹ in Crore)                         |                                      |

| c      | Draw down during the year | -             | -             |
| d      | <b>Closing balance</b>    | <b>193.75</b> | <b>193.75</b> |

## Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2025

### ➤ Description of contingent liabilities (AS-29):

| Sr. No | Particulars                                                                                 | Brief Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|--------|---------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1      | Claims against the Group not acknowledged as debts                                          | The Group is a party to various proceedings in the normal course of business. It does not expect the outcome of these proceedings to have a material adverse effect on the Group's financial conditions, results of operations or cash flows. The Group is also a party to various taxation matters in respect of which appeals are pending.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| 2      | Liability on partly paid-up investments/ Venture Funds                                      | This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| 3      | Liability on account of outstanding forward exchange contracts                              | The Group enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as contingent liabilities. With respect to the transactions entered into with its customers, the Group generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.                                                                                                                                                                                                                                             |
| 4      | Guarantees given on behalf of constituents, acceptances, endorsements and other obligations | As a part of its commercial banking activities, the Group issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Group. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| 5      | Other items for which the Group is contingently liable                                      | The Group enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by SBI on behalf of Associates & Subsidiaries, SBI's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities. |

The contingent liabilities mentioned above are dependent upon the outcome of court/arbitration/out of court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvment and raising of demand by concerned parties, as the case may be.

### ➤ Movement of provisions against contingent liabilities:

The movement of provisions against contingent liabilities given in the table below:

|        |                                        | (₹ in Crore)    |                 |
|--------|----------------------------------------|-----------------|-----------------|
| Sr No. | Particulars                            | Current Year    | Previous Year   |

- Inter-Bank/ Company balances between group entities are being reconciled on an ongoing basis and there is no material effect on the profit and loss account of the current year.
- No disclosure on divergence in asset classification and provisioning for NPAs is required by SBI with respect to RBI's supervisory process for the year ended 31<sup>st</sup> March 2024, based on the conditions mentioned in RBI circular No. DOR.ACC. REC.No.74/21.04.018/2022-23 dated 11<sup>th</sup> October 2022.

5. **Exceptional Items**

During the year ended 31<sup>st</sup> March 2024 SBI had recognised following as exceptional items:

- Provision of ₹5,400 Crore for estimated liability on account of pension at uniform rate of 50% for all pensioners prospectively, in place of existing dual rate of calculation of pension.
  - Provision of ₹1,700 Crore on account of ex-gratia benefit and neutralisation of Dearness Relief to pre-November 2002 retirees and family pensioners.
6. In SBI Life Insurance Company Ltd. and SBI General Insurance Company Ltd., the actuarial valuation of liabilities in respect of life insurance policies in force, life insurance policies in respect of which premium has been discontinued but liability exists as on 31<sup>st</sup> March 2025, Claims Incurred But Not Reported (IBNR), Claims Incurred But Not Enough Reported (IBNER) and Premium Deficiency Reserve (PDR) are determined by the Appointed Actuary based on guidelines and norms issued by the Insurance Regulatory Development Authority of India (IRDAI) and the Institute of Actuaries of India in concurrence with the IRDAI.
7. The investments of life and general insurance subsidiaries have been accounted for in accordance with the IRDAI guidelines instead of restating the same in accordance with the accounting policy followed by SBI. The investments of insurance subsidiaries constitute approximately 21.12% (Previous Year 18.90%) of the total investments as on 31<sup>st</sup> March 2025.
8. The Central Board of SBI has declared a dividend of ₹15.90 per share @ 1590% for the year ended 31<sup>st</sup> March 2025.
9. In accordance with RBI circular DBOD NO.BP.BC.42/21.01.02/2007-08, redeemable preference shares (if any) are treated as liabilities and the coupon payable thereon is treated as interest.
10. In accordance with current RBI guidelines, the general clarification issued by ICAI has been considered in the preparation of the consolidated financial statements. Accordingly, additional statutory information disclosed in separate financial statements of the parent and its subsidiaries having no bearing on the true and fair view of the consolidated financial statements and also the information pertaining to the items which are not material have not been disclosed in the consolidated financial statements in view of the Accounting Standard Interpretation issued by ICAI.
11. Previous year figures have been regrouped/reclassified, wherever necessary, to conform to current year classification. In cases where disclosures have been made for the first time in terms of RBI guidelines/Accounting Standards, previous year's figures have not been mentioned.

# Independent Auditors' Report

To,  
**The Board of Directors,  
State Bank of India,**

## Report on the Audit of Consolidated Financial Statements

### Opinion

1. We have audited the accompanying Consolidated Financial Statements of State Bank of India ("the Bank") and its subsidiaries (the bank and its subsidiaries together referred to as "the group"), its associates and joint ventures, which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Profit and Loss Account and the Statement of Consolidated Cash Flow for the year then ended, and Notes to the Consolidated Financial Statements including a summary of Significant Accounting Policies and other explanatory information (hereinafter referred to as "the consolidated financial statements") which includes: (herein after referred to as the "CFS")
  - a) Audited Standalone Financial Statements of the Bank;
  - b) Audited Financial Statements of 10 Foreign Subsidiaries, 16 Domestic Subsidiaries, 02 Foreign Joint Ventures, 06 Domestic Joint Ventures, 17 Domestic Associates (including 14 Regional Rural Banks) audited by other Auditors; and (listed in Annexure A)
  - c) Un-audited Financial Statements of 01 Foreign Subsidiary and 01 Foreign Associate, as furnished by respective managements and (listed in Annexure A).

In our opinion and to the best of our information and according to the explanations given to us, and based on our consideration of the reports of other auditors on separate financial statements of subsidiaries, joint ventures and associates, the unaudited financial statements and the other financial information of subsidiary and associate as furnished by the management, the aforesaid Consolidated Financial Statements give the information required by the Banking Regulation Act, 1949 ("the Act"), the circulars, guidelines and directions issued by the Reserve Bank of India ("RBI") from time to time ("RBI Guidelines") and the applicable Accounting Standards in the manner so required for the group, its associates & joint ventures and are in conformity with accounting principles generally accepted in India and give:

- true and fair view in case of the Consolidated Balance Sheet, of the State of Affairs of the group, and its associates and joint ventures as at March 31, 2025;
- true balance of profit of the group and its associates & joint ventures, in case of Consolidated Profit & Loss Account for the year ended on that date; and
- true and fair view of the cash flows of the group and its associates & joint ventures, in case of Consolidated Cash Flow Statement for the year ended on that date.

### Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (the ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associates & joint ventures in accordance with the code of ethics issued by the ICAI together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Banking Regulations Act, 1949, State Bank of India Act, 1955 and circulars and guidelines issued by Reserve bank of India from time to time, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence obtained by us along with the consideration of audit reports of other auditors referred to in the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

3. Key Audit Matters are those matters that in our professional judgment were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters of the Bank to be communicated in our report with reference to the Key Audit Matters identified by the auditors of the Bank along with the Key Audit Matters reported by the respective other auditors which, in our opinion, are material:

| <b>Key Audit matters reported in standalone financial statements of the Bank:</b> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| i                                                                                 | <p>Classification of Advances, Income Recognition, Identification of and provisioning for non-performing Advances (Refer Schedule 9 read with Note 3 of Schedule 17 to the financial statements)</p> <p>Advances include Bills purchased and discounted, Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/Government Guarantees and Unsecured advances.</p> <p>Advances constitute 62.36 per cent of the Bank's total assets. They are, inter-alia, governed by income recognition, asset classification and provisioning (IRAC) norms and other circulars and directives issued by the RBI from time to time which provides guidelines related to classification of Advances into performing and non-performing Advances (NPA) except in case of foreign offices, classification of advances and provisioning thereof is made as per local regulations or RBI guidelines, whichever is more stringent. The Bank classifies these Advances based on IRAC norms as per its accounting policy No. 3.</p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) viz. Core Banking Solution (CBS) which identifies whether the advances are performing or non-performing.</p> <p>Further, NPA classification and calculation of provision (except in case of foreign offices) is done through another IT System viz. Centralised Credit Data Processing (CCDP) Application Software and other processes.</p> <p>The carrying value of these advances (net of provisions) may be materially misstated if, either individually or in aggregate, the IRAC norms are not properly followed.</p> <p>Considering the nature of the transactions, regulatory requirements, existing business environment, estimation/ judgement involved in valuation of securities and calculation of provisions, it is a matter of high importance for the intended users of the Standalone Financial Statements. Considering these aspects, we have determined this as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on income recognition, asset classification and provisioning pertaining to advances due to the materiality of the balances</p> | <p>Our audit approach towards advances with reference to the IRAC norms and other related circulars/directives issued by the RBI and also internal policies and procedures of the Bank includes the testing of controls on sample basis,</p> <ol style="list-style-type: none"> <li>The accuracy of the data input in the system for income recognition, classification into performing and non performing Advances and provisioning in accordance with the IRAC norms in respect of the branches audited by us;</li> <li>Existence and effectiveness of monitoring mechanisms such as Internal Audit, Systems Audit, Credit Audit and Concurrent Audit as per the policies and procedures of the Bank;</li> <li>Examination of advances including stressed advances on a sample basis with respect to compliance with the RBI Master Circulars / Guidelines/ Judicial pronouncements;</li> <li>We have relied on the reports of IT System Audit by IAD with respect to the business logics / parameters inbuilt in CBS and CCDP for tracking, identification and stamping of NPAs and provisioning in respect thereof.</li> <li>We tested the mapping of advances in the CCDP application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</li> <li>We have examined the efficacy of various internal controls over advances to determine the nature, timing and extent of the substantive procedures and compliance with the observations of the various audits conducted as per the monitoring mechanism of the Bank and RBI Inspection.</li> <li>In carrying out substantive procedures at the branches audited by us, we have examined large advances/ stressed advances while other advances have been examined on a sample basis including review of valuation reports of independent valuers provided by the Bank's management.</li> <li>We assessed and evaluated the process of identification of NPAs and corresponding reversal of income and creation of provision;</li> <li>Reliance is also placed on Audit Reports of other Statutory Branch Auditors with whom we have also made specific communication.</li> <li>Bank has laid down detailed Standard Operating Procedure to ensure control over processes. We have relied on these Standard Operating Procedures and have conducted our testing based on these Standard Operating Procedures.</li> </ol> |

| ii      | <p>Classification and Valuation of Investments, Identification of and provisioning for Non-Performing Investments (Schedule 8 read with Note 2 of Schedule 17 to the financial statements)</p> <p>Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, Shares, Security receipts and other approved securities.</p> <p>Investments constitute 25.32 per cent of the Bank's total assets. These are governed by the circulars and directives of the RBI. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, the corresponding non-recognition of income and provision there against.</p> <p>The valuation of each category (type) of the aforesaid securities is to be done as per the valuation hierarchy prescribed in circulars and directives issued by the RBI which involves collection of data/information from various sources such as FIMMDA/FBIL rates, rates quoted on BSE/NSE, financial statements of unlisted companies, NAVs of mutual funds, AIFs, VCFs, Security Receipts etc. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on valuation of investments, classification, identification of non-performing investments and provisioning related to investments</p> | <p>Our audit approach towards Investments with reference to the RBI Circulars/directives included the understanding of internal controls and substantive audit procedures in relation to classification, valuation, identification of non-performing investments (NPIs), provisioning/depreciation related to Investments. In particular;</p> <ol style="list-style-type: none"> <li>We understood and reviewed the methodology adopted by the Bank for classification of investments into various categories as per RBI guidelines;</li> <li>We understood and evaluated the Bank's internal control system to comply with relevant RBI guidelines regarding valuation, classification, identification of NPIs, provisioning/depreciation related to investments;</li> <li>We assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments;</li> <li>For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for each category of security. Samples were selected after ensuring that all the categories of investments (based on nature of security) were covered in the sample;</li> <li>We assessed and evaluated the process of identification of NPIs and corresponding reversal of income and creation of provision;</li> <li>We carried out substantive audit procedures to recompute independently the provision to be maintained and depreciation to be provided in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPIs as per the RBI guidelines and recomputed the provision to be maintained in accordance with the RBI Circular for those selected sample of NPIs;</li> <li>We tested the mapping of investments between the Investment application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</li> </ol> |
| iii     | <p>Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct and Indirect Taxes, various claims filed by other parties not acknowledged as debt (Schedule 12 read with Note 18.13 of Schedule 18 to the financial statements):</p> <p>There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgment, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgment in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgments/ interpretation of law involved.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | <p>Our audit approach involved:</p> <ol style="list-style-type: none"> <li>Obtaining an understanding of internal controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances;</li> <li>Understanding the current status of the litigations/tax assessments including the status up to the date of auditor's report;</li> <li>Examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up action thereon;</li> <li>Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice including opinion of our internal tax experts;</li> <li>Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and</li> <li>Verification of disclosures related to significant litigations and taxation matters.</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

| iv                                                                                      | <p>Valuation of employees' defined benefit obligations:</p> <p>The Bank has recognised long-term defined benefit obligations for its employees on actuarial basis. Pension and gratuity obligations are funded by the Bank. Shortfall, if any, in Bank's Provident Fund Scheme is also provided for on actuarial basis. The Bank makes periodic contributions to fund administered by Trustees based on an independent external actuarial valuation carried out annually. Unfunded long-term defined benefit obligations are compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The cost of providing unfunded long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date.</p> <p>The actuarial valuations of employee benefit obligations are dependent on market conditions and assumptions made. The key audit matter specifically relates to the following key assumptions: discount rate, inflation expectations and life expectancy assumptions. The setting of these assumptions is complex and requires the exercise of significant management judgement with the support of third-party actuary.</p> | <p>We tested governance and controls in place over the methodologies and the significant assumptions, including those in relation to the use of management's experts. We examined the reports of external actuarial specialist and reviewed the key actuarial assumptions used, both financial and demographic, and considered the methodology applied to derive these assumptions including review of input data provided for actuarial valuations of employees' defined benefit obligations. Furthermore, we have examined the sensitivity analysis on the key assumptions in valuing the defined benefit obligations. We also evaluated the objectivity and competence of management's expert involved in the valuation of the defined benefit obligation. We assessed the appropriateness of the methodology used, and tested the accuracy of the calculation, to estimate the liability.</p> |

| v                                                                                       | <p>Information Technology systems and controls (IT Controls):</p> <p>All insurance companies are highly dependent on technology due to the significant number of transactions that are processed on a daily basis. A significant part of the company's financial processes is heavily reliant on IT systems with automated processes and controls over the capturing, valuing and recording of transactions. Thus, there exists a risk that gaps in the IT Control Environment could result in the financial accounting and reporting records being materially misstated.</p> <p>The Company has separate software applications for management of its various activities. Transfer of data from / to these software's is critical for accurate compilation of financial information. We have identified 'IT systems and controls' as key audit matter because of significant use of IT environment and the scale and complexity of the IT architecture.</p>                                                                                                                                                                                                                                                                                                      | <p>Principal Audit Procedures</p> <ul style="list-style-type: none"> <li>• We obtained an understanding of the Company's IT environment and key changes if any during the audit period that may be relevant to the audit</li> <li>• We have reviewed the design and operating effectiveness of key automated controls.</li> <li>• We have reviewed the reconciliations between the core operating systems and the accounting software to mitigate the risk of incorrect data flow to/from separate application software.</li> <li>• We have also obtained management representations wherever considered necessary</li> </ul>                                                                                                                                                                                                                                                                     |

# Independent Auditors' Report

| Sr. No. | Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | How the matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| vi      | <p>Valuation of Investments:</p> <p>The company's investment portfolio consists of Policyholders' investments (traditional and unit linked policy holders) and Shareholders investment.</p> <p>Total investment portfolio of the company (i.e. Asset under management (AUM)) represents 99.40 per cent of the Company's total assets.</p> <p>Investments are made and valued in accordance with Insurance Act, 1938, IRDAI AFI Regulations, Investment Policy of the Company and relevant Indian GAAPs.</p> <p>These valuation methods use multiple observable market inputs, including observable interest rates, index levels, credit spreads, equity prices, counter party credit quality, and corresponding market volatility levels etc.</p> <p>The portfolio of quoted investments is 43.17 per cent of the Company's AUM and the portfolio of investments that are valued primarily using observable inputs is 56.36 per cent of the Company's AUM. We do not consider these investments to be at a high risk of significant misstatement, or to be subject to a significant level of judgement because they comprise liquid, quoted investments. However, due to their materiality in the context of the standalone financial statements as a whole, they are considered to be one of the areas which had the significant impact on our overall audit strategy.</p> <p>The portfolio of unquoted investments is 0.20 per cent of the Company's AUM. The valuation of unquoted investment involves judgement depending on the observability of the inputs into the valuation and further judgement in determining the appropriate valuation methodology where external pricing sources are either not readily available or are unreliable.</p> <p>The valuation of these investment was considered to be one of the areas which required significant auditor attention and was one of the matters of most significance in the financial statements due to the materiality of total value of investments to the financial statements.</p> | <p>Principal Audit Procedures</p> <p>Our audit procedures for this area included but were not limited to the following:</p> <ul style="list-style-type: none"> <li>• Obtained an understanding of the Company's process and controls over the valuation of investments. The understanding was obtained by performance of walkthroughs, which included inspection of documents produced by the Company and discussion with those involved in the pertinent process.</li> <li>• Evaluated and tested the design, implementation and operating effectiveness of key controls over the valuation process, including the Company's assessment and approval of assumptions used for the valuation including key authorisation and data input controls thereof;</li> <li>• Obtained independent external confirmations for investments as at balance sheet date from the Custodians and Depository Participants appointed by the Company to confirm the units of securities for the purpose of valuation re-computation;</li> <li>• On a test check basis, recomputed valuation of different class of investments to assess appropriateness of valuation methodologies with reference to IRDAI Investment Regulations along with the Company's Board approved valuation policy;</li> <li>• Examined movement and appropriateness of accounting in Fair Value Change account for specific investments.</li> <li>• Ensured the appropriateness and reasonableness of methodology, assumptions and judgements used by management with reference to the valuation and impairment of investments as per the Company's Board approved valuation and impairment policy.</li> <li>• Obtained written representations from management on compliance of valuation of investments with the regulations and adequacy of impairment recorded for the year.</li> </ul> |
| vii     | <p>Contingent Liabilities and Litigations:</p> <p>The company has pending litigation matters with various appellate authorities and at different forums. The same involves judgements in accordance with applicable Accounting Standards to determine the final outcome of such open litigation matters.</p> <p>The management with the help of its experts, as needed, have made judgements relating to the likelihood of an obligation arising and whether there is a need to recognise a provision or disclose a contingent liability. We therefore focused on this area as a result of uncertainty and potential material impact.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | <p>Principal Audit Procedures: -</p> <ul style="list-style-type: none"> <li>• We read the various regulatory correspondences and related documents pertaining to litigation cases and corroborated them with our understanding of legal position as per various statutes.</li> <li>• We obtained legal opinion sought by management from the independent legal counsel including opinion of our own team to review the sustainability of the dispute. We discussed the status and potential exposure in respect of significant litigation with the company's internal legal team and obtaining details regarding the progress of various litigations including management views on the likely outcome of each litigation and the magnitude of potential exposure.</li> <li>• The various litigation matters were reviewed in order to assess the facts and circumstances and to identify the potential exposures and to satisfy ourselves that it is not probable that an outflow of economic benefits will be required, or in certain cases where the amount cannot be estimated reliably, such obligation is disclosed by the company as a contingent liability.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| <b>Key Audit Matters as reported by auditors of SBI Capital Markets Limited:</b> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| viii                                                                             | <p>Assessment of Valuation of investments measured at fair value for which no listed price in an active market is available and valued using market information and significant unobservable input:</p> <p>The Company has certain investments of which listed price in an active market is not available and has been valued at fair value at ₹16,678.15 Crore (₹7,017.82 Crore as on 31.03.2024) as required by Ind-AS. The corresponding fair value change is recognised in Other Comprehensive Income (OCI) and deferred tax in accordance with related Accounting Standard (Ind-AS 109). In measuring these Investments, valuation methods are used based on inputs that are not directly observable from market information and certain other unobservable inputs. The Management has also used the services of an independent professional valuer. Key inputs used in the valuation of above investments are market multiples and growth rate, terminal rate, discount rate, NAV etc.</p> <p>The valuation of these assets is important to our audit as it is highly dependent on estimates (various assumptions and techniques used) which contain assumptions that are not observable in the market. Given the inherent subjectivity in the valuation of the above investments, relative significance of these investments to the standalone financial statements and the nature and extent of audit procedures involved, we determined this to be a key audit matter.</p> | <p>Principal Audit Procedures</p> <p>We understood and tested the design and operating effectiveness of the company's control over the assessment of valuation of investments.</p> <ul style="list-style-type: none"> <li>We evaluated the independence, competence, capabilities and objectivity of Management's expert (Independent professional valuer).</li> <li>We evaluated together with the auditor's expert to assess the reasonableness of the valuation methodology and underlying assumptions relating to market multiples and growth rate, discount rate, NAV etc. used by the independent professional valuer to estimate the fair value of investments.</li> <li>We validated the source data on sample basis and tested the arithmetical accuracy of the calculation of valuation of investments.</li> <li>We assessed the adequacy of the disclosures in the standalone financial statements.</li> </ul> <p>Based on our above audit procedures we consider that the management's assessment of the investment for which non-listed price in an active market is available is reasonable.</p> |
| ix                                                                               | <p>Evaluation of uncertain tax positions:</p> <p>The company has material uncertain tax positions including matters under dispute which involves significant judgement to determine the possible outcome of these disputes.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | <p>Principal Audit Procedures:</p> <p>We evaluated the Company's processes and controls for monitoring the tax disputes.</p> <p>Obtained risk assessment of tax litigation from our internal tax expert to assess management's judgement and assumption on such matters to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. They also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

## Other Matters

- We did not audit the financial statements of 26 Subsidiaries, 08 Jointly Controlled Entities whose financial statements reflect total assets of ₹6,73,463.77 Crore as at March 31, 2025, total revenues of ₹1,50,587.63 Crore for the year ended on that date, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net profit of ₹1,475.94 Crore for the year ended March 31, 2025, as considered in the Consolidated Financial Statements, in respect of 17 associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint ventures and associates is based solely on the reports of such auditors.

In the case of 12 foreign subsidiaries/associates / jointly controlled entities, the financial statements and other information has been prepared in accordance with accounting principles generally accepted in their respective countries and which has been audited by the other auditors under generally accepted Auditing standards as applicable in their respective countries. The management of such subsidiaries/ associates/jointly controlled entities has converted the financial information from accounting principles generally accepted in their respective countries to accounting policy of SBI and these conversion adjustments have been audited by the other auditors.

- We did not audit the Financial Statements of 01 subsidiary whose Financial Statements reflect total assets of ₹8,383.60 Crore as at March 31, 2025, total revenues of ₹522.51 Crore as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net profit of ₹29.53 Crore for the year

## Independent Auditors' Report

ended March 31, 2025, as considered in the Consolidated Financial Statements, in respect of 01 associate, whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associates and joint ventures is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

6. The auditors of SBI Life Insurance Company Limited and SBI General Insurance Company Limited, subsidiaries of the Group, have reported that the actuarial valuation of liabilities for life policies in force, for policies in respect of which premium has been discontinued but liability exist as at March 31, 2025 and the actuarial valuation of liabilities in respect of Claims Incurred But Not Reported (IBNR) and Claims Not Incurred But Not Enough Reported (IBNER) is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at March 31, 2025 has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory Development Authority of India ("IRDAI" / "Authority") and the Institute of Actuaries of India in concurrence with the Authority. The auditors have relied upon Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists in financial statements of the Company.

Our opinion on the Consolidated Financial Statements, is not modified in respect of the above matters.

### Information Other than the Consolidated Financial Statements and Auditors' Report thereon

7. The Bank's Board of Directors are responsible for the other information. The other information comprises the Corporate Governance report (but does not include the Consolidated Financial Statements and our auditors' report thereon), which we obtained at the time of issue of this auditors' report. The Other Information also includes the Directors' Report of the Bank including annexures in annual report thereon, which is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the Consolidated Financial Statements does not cover the other information and Pillar 3 disclosures under the Basel III and we do not and will not express any form of assurance or conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

8. The Bank's Board of Directors are responsible for the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flow of the Group including its associates & joint ventures in accordance with the accounting principles generally accepted in India including Accounting Standard 21-"Consolidated Financial Statements", Accounting Standards 23- "Accounting for Investment in Associates in Consolidated Financial Statements" and Accounting Standards 27 – Financial Reporting of Interest in Joint Venture" issued by the Institute of Chartered Accountants of India, and provisions of Section 29 of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and circulars and guidelines issued by the Reserve Bank of India (RBI) from time to time and other accounting principles generally accepted in India. . The respective Board of Directors of the entities included in the Group and its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Respective Acts and applicable guidelines for safeguarding of the assets of the Group and its associates & joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidation financial statements that give true and fair

view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Bank, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the entities included in the Group and its associates and joint ventures are responsible for assessing the ability of the Group's and its associates and joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group and its associates and joint ventures are responsible for overseeing the financial reporting process of the Group and its associates and joint ventures.

### **Auditors' Responsibility for the Audit of Consolidated Financial Statements**

9. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation structure and content of the Consolidated Financial Statements, including the disclosures and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its Associates and Jointly ventures, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
- Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

# Independent Auditors' Report

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

10. The Consolidated Balance Sheet, the Consolidated Profit and Loss Account and Consolidated Cash Flow of the Bank have been drawn up in accordance with the provisions of the Banking Regulation Act, 1949; and these give information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations there under.
11. Subject to the limitations of the audit indicated in paragraph 4 to 8 above and as required by the State Bank of India Act, 1955 and Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970, based on our audit and on the consideration of report of the other auditors on separate financial statements, and subject also to the limitations of disclosure required therein, we report that:
  - a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
  - b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
  - c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.

12. As required under the provisions of Section 30(2) of the Banking Regulation Act 1949 and by the RBI letter No. DOS. ARG. No.6270/08.91.001/2019- 20 dated March 17, 2020 on "Appointment of Statutory Central Auditors (SCAs) in Public Sector Banks – Reporting obligations for SCAs from FY 2019-20", read with subsequent communication dated May 19, 2020 issued by the RBI, we further report that:

- a) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and reports of the other auditors and proper returns adequate for the purposes of our audit have been received from branches not visited by us;
- b) the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the relevant books of account and with the returns received from branches not visited by us;
- c) the reports on the accounts of the branch offices audited by branch auditors of the Bank under section 29 of the Banking Regulation Act, 1949, and the State Bank of India Act, 1955 have been sent to us and have been properly dealt with by us in preparing this report;
- d) in our opinion, the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement comply with the applicable accounting standards, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.
- e) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the Bank.
- f) As the Bank is not registered under the Companies Act, 2013, the disqualifications from being a director of the bank under sub-section (2) of Section 164 of the Companies Act, 2013 do not apply to the bank

On the basis of the reports of the statutory auditors of subsidiaries, associates and joint venture companies other than Government Company to the extent incorporated in India, none of the directors of the subsidiaries, associates & joint ventures companies incorporated in India is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Companies Act, 2013.

- g) There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.
- h) As per para 1.14 of the Technical Guide on Audit of Internal Financial Controls in Case of Public Sector Banks issued by ICAI, the reporting requirement as introduced by RBI regarding Internal Financial Reporting will apply to the standalone financial statements of Public Sector Banks (PSBs) and not to consolidated financial statements of PSBs. Accordingly, reporting is not done on the Group's

Internal Financial Control over Financial Reporting with reference to the Consolidated Financial Statements as at March 31, 2025.

| State Bank of India (California) | As per regulations, the only way to transfer capital to parent bank is to pay dividends or buy back shares or capital repatriation to parent bank.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| SBI Canada Bank                  | Prior permission from the regulator (OSFI) before transferring any type of capital (equity or debt) to parent bank.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| SBI (Mauritius) Ltd              | There are regulatory restrictions for the reduction of the Bank's capital to be paid back to the shareholders including the Parent Bank. Any reduction in capital can be made either through payment of dividend or reduction in stated capital as provided in the banking act and the companies act of Mauritius. The amount to be paid is subject to SBIML maintaining adequate capital and liquidity ratios as per regulatory requirements.<br>a) The central bank shall not grant, and no bank shall hold, a banking licence unless it maintains and continues to maintain in Mauritius, an amount paid as stated capital or an amount of assigned capital of not less than 400 million rupees or the equivalent.<br>b) Every bank shall maintain, in Mauritius, capital of not less than 10 per cent, or such higher ratio as may be determined by the central bank, of such of that bank's risk assets and of other types of risks. |
| Bank SBI Indonesia               | The Bank maintains a minimum regulatory capital to be able to operate as a Book II bank as well as a forex bank. However, transfer of funds as dividend to Parent Bank is allowed after generation of sufficient profit.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| Nepal SBI Bank Ltd               | Under the laws of Nepal, Assets and Liabilities of the Company are exclusive and non-transferable. Hence, the transfer of funds or regulatory capital within the banking group is not possible.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Commercial Indo Bank LLC, Moscow | There are no restrictions or impediments on transfer of funds or regulatory capital within banking group.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| State Bank of India (UK) Limited | Excess capital beyond the regulatory minimum can be paid back to the Parent (via dividends or reduced capital) along with the approval of SBI UK Board and PRA. This will be based on the projected growth plans of SBI UK Limited and its capital requirements.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

Ltd. | <ul style="list-style-type: none"> <li>• SBOSS can transfer capital to Holding Bank by way of dividends or buy back of shares.</li> <li>• Further, in terms of Companies Act, 2013 wherever approval of Board / Shareholders is required, the company will comply the same.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

## DF-2 - CAPITAL ADEQUACY

As on 31.03.2025

### Qualitative Disclosures

- (a) A summary discussion of the Bank's approach to assessing the adequacy of its capital to support current and future activities
- The Bank and its Subsidiaries undertake the Internal Capital Adequacy Assessment Process (ICAAP) on an annual basis. The ICAAP details the capital planning process and carries out an assessment covering measurement, monitoring, internal controls, reporting, capital requirement and stress testing of the following Risks:
- |                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                             |

- Sensitivity Analysis is conducted annually or more frequently as required, on the movement of Capital Adequacy Ratio (CAR) in the medium horizon of 3 to 5 years, considering the projected investment in Subsidiaries / Joint Ventures by SBI and growth in Advances by SBI and its Subsidiaries (Domestic / Foreign). This analysis is done for the SBI and SBI Group separately.
  - CRAR of the Bank and for the Group as a whole is estimated to be well above the Regulatory CAR in the medium horizon of 3 to 5 years. However, to maintain adequate capital, the Bank has options to augment its capital resources by raising Subordinated Debt, Perpetual Cumulative Preference Shares (PCPS), Redeemable Non-Cumulative Preference Shares (RNCPS), Redeemable Cumulative Preference Shares (RCPS), Perpetual Debt Instruments (PDIs) and Perpetual Non-Cumulative Preference Shares (PNCPs) besides Equity as and when required.
  - Strategic Capital Plan for the Foreign Subsidiaries covers an assessment of capital requirement for growth of assets and the capital required complying with various local regulatory requirements and prudential norms. The growth plan is approved by the parent bank after satisfying itself about the capacity of the individual subsidiaries to raise CET 1 / AT 1 / Tier 2 Capital to support the increased level of assets and at the same time maintaining the Capital Adequacy Ratio (CAR).

**DF-3: CREDIT RISK: GENERAL DISCLOSURES**

As on 31.03.2025

**General Disclosures**

**a. Qualitative Disclosures**

• **Definitions of past due and impaired assets (for accounting purposes)**

Non-performing assets

An asset becomes non-performing when it ceases to generate income for the Bank. As from 31<sup>st</sup> March 2006, a non-performing Asset (NPA) is an advance were

- Interest and/or instalment of principal remain 'overdue' for a period of more than 90 days in respect of a Term Loan.
- The account remains 'out of order' for a period of more than 90 days, in respect of an Overdraft/Cash Credit (OD/CC).
- The bill remains 'overdue' for a period of more than 90 days in the case of bills purchased and discounted.
- Any amount to be received remains 'overdue' for a period of more than 90 days in respect of other accounts.
- A loan granted for short duration crops is treated as NPA, if the instalment of principal or interest thereon remains overdue for two crop seasons and a loan granted for long duration crops is treated as NPA, if instalment of principal or interest thereon remains overdue for one crop season.
- An account would be classified as NPA only if the interest charged during any quarter is not serviced fully within 90 days from the end of the quarter.
- The amount of a liquidity facility remains outstanding for more than 90 days, in respect of securitisation transactions undertaken in accordance with the RBI guidelines on securitisation dated February 1, 2006.
- In respect of derivative transactions, the overdue receivables representing the positive mark to market value of a derivative contract, remain unpaid for a period of 90 days from the specified due date for payment.

'Out of Order' status

An account is treated as 'out of order' if the outstanding balance remains continuously in excess of the sanctioned limit/drawing power.

In cases where the outstanding balance in the principal operating account is less than the sanctioned limit/drawing power, but there are no credits continuously for 90 days as on the date of Bank's Balance Sheet, or where credits are not enough to cover the interest debited during the same period, such accounts are treated as 'out of order'.

### 'Overdue'

Any amount due to the Bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the Bank.

#### ▪ **Resolution of Stressed Assets**

Early identification and reporting of stress:

Identification of incipient stress in loan accounts, immediately on default\*, by classifying stressed assets as special mention accounts (SMA) as per the following categories:

| SMA Sub-categories | Basis for classification – Principal or interest payment or any other amount wholly or partly overdue between |
|--------------------|---------------------------------------------------------------------------------------------------------------|
| SMA-0              | 1-30 days                                                                                                     |
| SMA-1              | 31-60 days                                                                                                    |
| SMA-2              | 61-90 days                                                                                                    |

\* Default' means non-payment of debt when whole or any part or instalment of the amount of debt has become due and payable and is not repaid by the debtor or the corporate debtor. For revolving facilities like cash credit, default would also mean, without prejudice to the above, the outstanding balance remaining continuously in excess of the sanctioned limit or drawing power, whichever is lower, for more than 30 days.

#### ▪ **Discussion of the Bank's Credit Risk Management Policy**

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Over the years, the policy & procedures in this regard have been refined as a result of evolving concepts and actual experience. The policy and procedures have been aligned to the approach laid down in Basel-II and RBI guidelines.

Credit Risk Management encompasses identification, assessment, measurement, monitoring and control of the credit risk in exposures.

In the processes of identification and assessment of Credit Risk, the following functions are undertaken:

- (i) Developing and refining the Credit Risk Assessment (CRA) Models/Scoring Models to assess the Counterparty Risk, by taking into account the various risks categorised broadly into Financial, Business, Industrial and Management Risks, each of which is scored separately.
- (ii) Conducting industry research to give specific policy prescriptions and setting quantitative exposure parameters for handling portfolio in large / important industries, by issuing advisories on the general outlook for the Industries/ Sectors, from time to time.

The measurement of Credit Risk involves computation of Credit Risk Components viz Probability of Default (PD), Loss Given Default (LGD) and Exposure At Default (EAD).

The monitoring and control of Credit Risk includes setting up exposure limits to achieve a well-diversified portfolio across dimensions such as single borrower, group borrower and industries. For better risk management and avoidance of concentration of Credit Risks, internal guidelines on prudential exposure norms in respect of individual companies, group companies, Banks, individual borrowers, non-corporate entities, sensitive sectors such as capital market, real estate, sensitive commodities, etc., are in place. Credit Risk Stress Tests are conducted at half yearly interval to identify vulnerable areas for initiating corrective action, where necessary.

The Bank has also a Loan Policy which aims at continued improvement of the overall quality of assets at the portfolio level, by establishing a commonality of approach regarding credit basics, appraisal skills, documentation standards and awareness of institutional concerns and strategies, while leaving enough room for flexibility and innovation.

The Bank has processes and controls in place in regard to various aspects of Credit Risk Management such as appraisal, pricing, credit approval authority, documentation, reporting and monitoring, review and renewal of credit facilities, management of problem loans, credit monitoring, etc. The Bank also has a system of Credit Audit with the aims of achieving continuous improvement in the quality of the credit portfolio with exposure of ₹20 cr. and above. Credit Audit covers audit of credit sanction decisions at various levels. Both the pre-sanction process and post-sanction position are examined as a part of the Credit Audit System. Credit Audit also examines identified Risks and suggests Risk Mitigation Measures.

### DF-3: Quantitative Disclosures as on 31.03.2025

(Insurance entities, JVs & Non-financial entities excluded)

#### General Disclosures:

| (₹ In Crores)                                                                                                                     |                           |                |            |

- Investments include Non-Performing Investments and Advances includes Non-Performing Advances.
- The Bucketing structure has been revised based on the RBI guidelines dated March 23, 2016.

## DF-4: CREDIT RISK: DISCLOSURES FOR PORTFOLIOS SUBJECT TO THE STANDARDISED APPROACH

As on 31.03.2025

### Disclosures for Portfolios subject to Standardised Approach

#### Qualitative Disclosures

- **Names of Credit Rating Agencies used, plus reasons for any changes**

- (a) As per RBI Guidelines, the Bank has identified CARE, CRISIL, ICRA, India Rating, ,Brickwork\*,ACUITE Ratings and Research and INFOMERICs (Domestic Credit Rating Agencies) and FITCH, Moody's and S&P (International Rating Agencies) as approved Rating Agencies, for the purpose of rating Domestic and Overseas Exposures, respectively, whose ratings are used for the purpose of computing Risk-weighted Assets and Capital Charge.

- **Types of exposures for which each Agency is used**

- (i) For Exposures with a contractual maturity of less than or equal to one year (except Cash Credit, Overdraft and other Revolving Credits), Short-term Ratings given by approved Rating Agencies are used.
- (ii) For Cash Credit, Overdraft and other Revolving Credits (irrespective of the period) and for Term Loan exposures of over 1-year, Long Term Ratings are used.

- **Description of the process used to transfer Public Issue Ratings onto comparable assets in the Banking Book**

The key aspects of the Bank's external ratings application framework are as follows:

- All long term and short-term ratings assigned by the credit rating agencies specifically to the Bank's long term and short-term exposures respectively are considered by the Bank as issue specific ratings.
- Foreign sovereign and foreign bank exposures are risk-weighted based on issuer ratings assigned to them.
- The Bank ensures that the external rating of the facility/borrower has been reviewed at least once by the ECAI during the previous 15 months and is in force on the date of its application.
- Where multiple issuer ratings are assigned to an entity by various credit rating agencies, the risk weight is determined as follows:
  - If there is only one rating by a chosen credit rating agency for a particular claim, then that rating is used to determine the risk weight of the claim.
  - If there are two ratings accorded by chosen credit rating agencies, which map into different risk weights, the higher risk weight is applied.
  - If there are three or more ratings accorded by chosen credit rating agencies with different risk weights, the ratings corresponding to the two lowest risk weights are referred to and the higher of those two risk weights is applied, i.e., the second lowest risk weight.

\* The Securities and Exchange Board of India has cancelled the Certificate of Registration (CoR) granted to Brickwork Ratings India Private Limited as a Credit Rating Agency (CRA), vide Order WTM/ASB/MIRSD/MIRSD\_CRADT/20175/2022-23 dated October 6, 2022.

2. In view of the above, Regulated Entities/ Market Participants are advised by RBI, in respect of ratings/credit evaluations required in terms of any guidelines issued by them, no such fresh ratings/evaluations shall be obtained from the above-mentioned rating agency with immediate effect. The instructions regarding the prudential treatment of the existing ratings issued by the rating agency shall be advised separately
3. As per RBI guidelines RBI/2024-25/50 DOR.STR.REC.26/21.06.008/2024-25 dated July 10, 2024: Banks are hereby permitted to use the ratings of the CRA (Brickwork) for risk weighting their claims for capital adequacy purposes, subject to the following:
  - a. In respect of fresh rating mandates, rating may be obtained from the CRA for bank loans not exceeding ₹250 Crore.
  - b. In respect of existing ratings, the CRA may undertake rating surveillance irrespective of the rated amount, till the residual tenure of such loans.

Provided that in case of existing ratings assigned to working capital facilities exceeding ₹250 Crore, the CRA shall undertake rating surveillance only till the next renewal of such facility by the banks.

## Quantitative Disclosures as on 31.03.2025

- (b) For exposure amounts after risk mitigation subject to the Standardised Approach, amount of group's outstanding (rated and unrated) in each risk bucket as well as those that are deducted.

## DF-5: CREDIT RISK MITIGATION: DISCLOSURES FOR STANDARDISED APPROACHES

As on 31.03.2025

### Credit Risk Mitigation: Disclosures for Standardised Approach

#### (a) Qualitative Disclosures

- **Policies and processes for, and an indication of the extent to which the bank makes use of, on- and off-balance sheet netting**

On-balance sheet netting is confined to loans/advances and deposits, where the Bank have legally enforceable netting arrangements, involving specific lien with proof of documentation. The Bank calculates capital requirements on the basis of net credit exposures subject to the following conditions:

Where bank,

- has a well-founded legal basis for concluding that the netting or offsetting agreement is enforceable in each relevant jurisdiction regardless of whether the counterparty is insolvent or bankrupt.
- is able at any time to determine the loans/advances and deposits with the same counterparty that are subject to the netting agreement; and
- monitors and controls the relevant exposures on a net basis, it may use the net exposure of loans/advances and deposits as the basis for its capital adequacy calculation. Loans/advances are treated as exposure and deposits as collateral.

- **Policies and Processes for Collateral Valuation and Management**

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Part B of this policy deals with Credit Risk Mitigation and Collateral Management, addressing the Bank's approach towards the credit risk mitigants used for capital calculation.

The objective of this Policy is to enable classification and valuation of credit risk mitigants in a manner that allows regulatory capital adjustment to reflect them.

The Policy adopts the Comprehensive Approach, which allows full offset of collateral (after appropriate haircuts), wherever applicable against exposures, by effectively reducing the exposure amount by the value ascribed to the collateral. The following issues are addressed in the Policy:

- a) Classification of credit risk-mitigants
- b) Acceptable credit risk-mitigants
- c) Documentation and legal process requirements for credit risk-mitigants
- d) Valuation of collateral

- e) Margin and Haircut requirements
- f) External ratings
- g) Custody of collateral
- h) Insurance
- i) Monitoring of credit risk mitigants
- j) General guidelines.

- **Description of the main types of collateral taken by the Bank**

The following collaterals are usually recognised as Credit Risk Mitigants under the Standardised Approach:

- Cash or Cash equivalent (Bank Deposits/NSCs/KVP/LIC Policy, etc.)
- Gold
- Securities issued by Central / State Governments

Debt Securities rated BBB- or better A3 for Short-Term Debt Instrument

- **Main types of Guarantor Counterparty and their creditworthiness**

The Bank accepts the following entities as eligible guarantors, in line with RBI guidelines:

- (a) Sovereign, Sovereign entities [including Bank for International Settlements (BIS), International Monetary Fund (IMF), European Central Bank and European Community as well as Multilateral Development Banks, Export Credit & Guarantee Corporation (ECGC) and Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE)], Public Sector Enterprises (PSEs), Banks and Primary Dealers with a lower risk weight than the counterparty.
- (b) Other guarantors having an external rating of AA or better. In case the guarantor is a parent company, affiliate, or subsidiary, they should enjoy a risk weight lower than the obligor for the guarantee to be recognised by the Bank. The rating of the guarantor should be an entity rating which has factored in all the liabilities and commitments (including guarantees) of the entity.

Information about (Market or Credit) risk concentrations within the mitigation taken:

The Bank has a well-dispersed portfolio of assets which are secured by various types of collaterals, such as: -

- Eligible financial collaterals listed above
- Guarantees by sovereigns and well-rated corporates,
- Fixed assets and current assets of the counterparty.

### (p) Details of Securitisation exposure in the Trading Book: Nil

## DF-7: MARKET RISK IN TRADING BOOK

As on 31.03.2025

### (a) QUALITATIVE DISCLOSURES:

- (1) The Bank follows Standardised Method (SM) for computing capital requirement for Market Risk.
- (2) Market Risk Management Department (MRMD) is functioning as a part of Risk Management Department of the Bank, in terms of Governance structure approved by the Board of the Bank.
- (3) MRMD is responsible for identification, assessment, monitoring and reporting of market risk associated with Treasury Operations.
- (4) The following Board approved policies with defined Market Risk Management parameters for each asset class are in place:
  - (a) Market Risk Management Policy
  - (b) Market Risk Limits Policy
  - (c) Investment Policy
  - (d) Trading Policy
  - (e) Stress Test Policy
  - (f) Hedging Policy (for Bank)
- (5) Risk monitoring is an ongoing process and risk positions are analysed and reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (6) Risk management and reporting is based on parameters such as Modified Duration, Convexity, PV01, Option Greeks, Maximum permissible exposures, Value at Risk Limits, Concentration Risk Limits, Lower and upper management Action Triggers, in line with global best practices.
- (7) Forex Open position limit (Daylight/Overnight), Stop Loss Limit, Aggregate Gap Limit (AGL), Individual Gap Limit (IGL) as approved by the Board is monitored and exceptions, if any, is reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (8) Value at Risk (VaR) computation and Back-Testing of VaR number is carried out on daily basis. Market Risk Stress Testing is carried out at quarterly intervals as a complement to Value at Risk. Results are reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (9) Respective Foreign offices monitor market risk of their investment portfolio, as per the local regulatory and RBI stipulations. Further, Stop Loss limit for individual investments and exposure limits for certain portfolios have been prescribed.

### (B) QUANTITATIVE DISCLOSURES:

#### CAPITAL CHARGE ON MARKET RISK

The Bank maintains Capital Charge for Market Risk under the Standardised method as under.

|                                        |  | (₹ In Crores)   |

## DF-8: OPERATIONAL RISK

As on 31.03.2025

### Qualitative disclosures

#### A. The structure and organisation of Operational Risk Management function

- The Operational Risk Management Department functions in SBI as part of the Integrated Risk Governance Structure under the control of Group Chief Risk Officer. In SBI, Group Chief Risk Officer reports to Risk Management Committee of the Board (RMCB).
- The operational risk related issues in other Group entities are being dealt with as per the requirements of the business model and their regulators under the overall control of Chief Risk Officers of respective entities.

#### Policies for control and mitigation of Operational Risk in SBI

Domestic Banking Entities (SBI)

#### The following Policies, Framework Documents and Manuals are in place in SBI:

Policies and Framework Documents

- Operational Risk Management policy encompasses Operational Risk Management Framework for systematic and proactive identification, assessment, measurement, monitoring, mitigation and reporting of the Operational Risks.
- Loss Data Management Policy
- IT Policy and Standards
- Cyber Security Policy
- Information Security Policy & Standards
- Comprehensive Business Continuity and Operational Resilience (BC&OR) Policy
- Policy on Know Your Customer (KYC) Standards and Anti Money Laundering (AML)/ Combating of Financing of Terrorism Measures
- Policy on Fraud Risk Management
- IT Outsourcing and Procurement Policy
- Policy on Insurance
- Framework on RCSA
- TPRM Framework

#### Manuals

- Operational Risk Management Manual
- Loss Data Management Manual
- Business Continuity and Operational Resilience (BC& OR) Manual
- Business Continuity Management System (BCMS) Plan

#### Domestic Non-Banking and Overseas Banking entities

Policies and Manuals, as relevant to the business model of non-Banking entities and as per the requirements of the overseas regulators in respect of Overseas Banking subsidiaries are in place. A few of the policies in place are – Disaster Recovery Plan/ Business Continuity Plan, Incident Reporting Mechanism, Near Miss Events Reporting Mechanism, Outsourcing Policy, etc.

## **B. Strategies and Processes**

### **Domestic Banking entities (SBI)**

- To successfully embed the risk culture and operational risk management, Risk Management Committees at various levels at Circles like RMCAOs, RMCCs, and RMCs at the Business and Support Groups (RMC-RB&O, RMC-IBG, RMC-GMU, RMC-CAG, RMC-CCG, RMC-SARG & RMC-IT) are in place in addition to the Operational Risk Management Committee (ORMC) and the Risk Management Committee of the Board (RMCB).
- The process of building a comprehensive database of internal and external losses due to Operational Risks as per Basel defined 8 Business Lines and 7 Loss Event Types is in place. In addition, Near Miss Events is also captured to improve risk management practices.
- Risk and Control Self-Assessment (RCSA) is a proactive exercise conducted in workshop-based approach to identify gaps, if any, in the existing controls and suggestions are invited for improvement of System & Controls to mitigate the Risks. RCSA also helps in inculcating risk awareness among staff members. RCSA exercise is carried out across Bank Branches, CPCs and Offices on a yearly basis. Bank also conducts theme based RCSA for Products /Processes at the time of launch/review. Based on the RCSA exercise, Mitigation plans are prepared and implemented for activities rated as High & Critical Risks. Feasibility study is carried out by Business owners for suggestions emanated during RCSA exercise for further improvement of System & Controls in the Bank. Adhoc-RCSA is conducting, as a pro-active approach, at branches identified based on the operational loss incidents, frauds, sudden spurt in business and complaints etc.
- Key Indicators (KIs) have been identified across the Business and Support Groups with threshold and monitoring mechanism is in place. KIs are being monitored at quarterly intervals by the Risk Management Committees (RMC) at Circles, the Operational Risk Management Committee (ORMC) and the Risk Management Committee of the Board (RMCB). Top 10 critical KIs are identified during the financial year for close follow up.
- Development of internal systems for quantifying and monitoring operational risk as required under Basel II/ III guidelines, is in place.
- Vendor Risk Assessment are being conducted for Vendor Engagements at the time of onboarding and during periodic review. Results of Vendor Risk Assessment are placed before Risk Management Committees.

### **Others**

The following measures are being used to control and mitigate Operational Risks in the Domestic Banking entities:

- "Book of Instructions" (Manual on General Instructions, Manual on Loans & Advances) which contains detailed procedural guidelines for processing various banking transactions. Amendments and modifications to update these guidelines are being carried out regularly through e-circulars/Master circulars. Guidelines and instructions are also propagated through e-Circulars, E-Learning Lessons, Training Programs, etc.
- Updated Manuals and operating instructions relating to Business Process Re-engineering (BPR) units.
- Delegation of Financial powers, which details sanctioning powers of various levels of officials for different types of financial and non-financial transactions.
- Training of staff-Inputs on Operational Risk is included as a part of Risk Management modules in the trainings conducted for various categories of staff at Bank's Apex Training Institutes and State Bank Institute of Learning and Development.
- Insurance cover is obtained for most of the potential operational risks excluding frauds, as per Bank's policy on insurance.
- Internal Auditors are responsible for the examination and evaluation of the adequacy and effectiveness of the control systems and the functioning of specific control procedures. They also conduct review of the existing systems to ensure compliance with legal and regulatory requirements, codes of conduct and the implementation of policies and procedures.

- In order to ensure business continuity, resumption and recovery of critical business process after a disaster, the Bank has robust Comprehensive Business Continuity and Operational Resilience Policy and Business Continuity and Operational Resilience Manual in place.
- Stringent Implementation of vacation policy.

#### **Domestic Non-Banking and Overseas Banking entities**

Adequate measures by way of systems and procedures and reporting have been put in place in the Domestic Non-Banking and Overseas Banking entities.

### **C. The scope and nature of Risk Reporting and Measurement Systems**

- A system of prompt submission of reports on Frauds is in place in all the Group entities.
- A comprehensive system of Preventive Vigilance & Whistle Blowing has been established in all the Group entities.
- Significant risks thrown up in RCSA exercise at all Branches, Scenario Analysis and Loss Data/ NMEs analysis are reported to Top Management at regular intervals and corrective actions are initiated on an ongoing basis.
- Basic Indicator Approach with capital charge of 15% of average gross income for previous 3 years is applied for Operational Risk, except Insurance Companies, for the year ended 31<sup>st</sup> March 2025.
- RBI has issued Master Guidelines on 26<sup>th</sup> June 2023 for implementation of revised Basel III Standardised Approach (SA) and proposed to replace all existing approaches for calculating Operational Risk capital. However, the effective date of implementation of these directions shall be communicated subsequently by RBI. Until then, the minimum operational risk regulatory capital requirements shall be computed as per Basic Indicator Approach (BIA) in accordance with the instructions contained in 'Master Circular – Basel III Capital Regulations' issued vide RBI circular dated 1<sup>st</sup> April 2025, as amended from time to time.

## DF-9: INTEREST RATE RISK IN BANKING BOOK (IRRBB)

As on 31.03.2025

### 1. Qualitative Disclosures

Interest rate risk refers to impact on Bank's Net Interest Income and the value of its assets and liabilities arising from fluctuations in interest rate due to internal and external factors. Internal factors include the composition of the Bank's assets and liabilities, quality, maturity, existing rates and re-pricing period of deposits, borrowings, loans and investments. External factors cover general economic conditions. Rising or falling interest rates impact the Bank depending on whether the Balance Sheet is asset sensitive or liability sensitive. The Bank identifies the inherent risks associated with the changing interest rates on its on-balance sheet and off-balance sheet exposures in the banking book from both a short-term and long-term perspective.

#### 1.1 Structure and organisation

The Asset-Liability Management Committee (ALCO) is responsible for evolving appropriate systems and procedures for ongoing identification and analysis of Balance Sheet risks and laying down parameters for efficient management of these risks through ALM Policy of the Bank. ALCO, therefore, periodically monitors and controls the risks and returns, funding and deployment, setting Bank's lending and deposit rates, and directing the investment activities of the Bank. The Risk Management Committee of the Board of Directors (RMCB) oversees the implementation of the system for ALM and reviews its functioning periodically and provides direction. It reviews various decisions taken by ALCO for managing interest rate risk.

#### 1.2 Scope and nature of risk reporting and measurement systems

RBI has stipulated monitoring of Interest Rate Risk at monthly intervals through a Statement of Interest Rate Sensitivity under Traditional Gap Analysis (IRS-TGA). Accordingly, ALCO reviews IRS-TGA on monthly basis and monitors the Earnings at Risk (EaR) which measures the change in Net Interest Income of the Bank due to parallel change in interest rate on both the assets & liabilities.

RBI has also stipulated to estimate the impact of change in interest rates on economic value of Bank's assets and liabilities through Interest Rate Sensitivity under Duration Gap Analysis (IRS-DGA), which Bank carries out on monthly basis. The impact of interest rate changes on the Market Value of Equity is monitored through IRS-DGA by recognising the changes in the value of assets and liabilities by a given change in the market interest rate. The change in value of equity (including reserves) with 2% parallel shift in interest rates for both assets and liabilities is estimated.

**EaR:** The immediate impact of changes in interest rates is on Bank's earnings through changes in its Net Interest Income (NII). EaR is useful in calculating the impact of the change in interest rate on the NII for a shorter period of time (impact over a one-year period). The EaR computations include the banking book as well as the trading book.

**MVE:** A long-term impact of changes in interest rates is on Bank's Market Value of Equity (MVE) or Net Worth through changes in the economic value of its liabilities and off-balance sheet positions. Although these changes in value do not pass-through earnings, they have a bearing on Bank's capital position.

The Bank uses MVE approach as part of a framework to manage IRRBB for its domestic and foreign operations. Impact on MVE is assessed for the overall Bank and Banking Book separately. In order to effectively monitor and manage IRRBB, the ALM Policy stipulates separate MVE limits for overall Bank and Banking Book.

#### 1.3 Policies for hedging and mitigating risk

The Bank has a policy for undertaking hedge transactions. Depending on the underlying and prevailing market conditions, the Bank enters into hedge transactions for identified assets or liabilities. Derivative instruments like Interest Rate Swaps, OIS, Forward Rate Agreements and Cross Currency Swaps are used as a hedging technique by the Bank.

## 2. Quantitative Disclosures (for State Bank Group) (March 2025)

- 2.1** The following table sets forth, estimated impact on NII due to changes in interest rates on interest sensitive positions as on 31<sup>st</sup> March 2025, assuming a parallel shift in the yield curve.

### Earnings at Risk (EaR)

|                                                                                                           | (₹ in Crore)  |
|-----------------------------------------------------------------------------------------------------------|---------------|
|                                                                                                           | Impact on NII |
| Impact of 100 bps parallel shift in interest rate on both assets & liability on Net Interest Income (NII) | 9,420.43      |
| Impact of 200 bps parallel shift in interest rate on both assets & liability on Net Interest Income (NII) | 18,840.77     |

- 2.2** The following table sets forth, estimated impact on MVE due to changes in interest rates on interest sensitive positions as on 31<sup>st</sup> March 2025, assuming a parallel shift in the yield curve.

### Market Value of Equity (MVE)

|                                                                                                                             | (₹ in Crore)  |
|-----------------------------------------------------------------------------------------------------------------------------|---------------|
|                                                                                                                             | Impact on MVE |
| Impact of 100 bps parallel shift in interest rate on both assets & liability on Market Value of Equity (MVE) - Banking Book | 7,776.03      |
| Impact of 200 bps parallel shift in interest rate on both assets & liability on Market Value of Equity (MVE) - Banking Book | 15,552.05     |

## DF-10: GENERAL DISCLOSURE FOR EXPOSURE RELATED TO COUNTERPARTY CREDIT RISK

As on 31.03.2025

### Qualitative Disclosure:

Counterparty Credit Risk (CCR) is the risk that the counterparty to a transaction would default before the final settlement of the transaction's cash flows. An economic loss would occur if the transactions with the counterparty have a positive economic value at the time of default.

For mitigating the Counterparty Credit Risk, the Bank has adopted the following processes:

- Credit Risk Management Department (CRMD) of the Bank sets the maximum Permissible Global Exposure Limit (PGEL) for counterparty exposure on Domestic Banks, Foreign Banks, Development Financial Institution, Primary Dealers, Qualified Central Counterparties, Small Finance Banks & Payment Banks.
- CRMD uses scoring models for setting the Permissible Global Exposure Limit (PGEL) for counterparty exposure.
- PGELs are allocated to all business units, viz., CAG, CCG, RB&O, Global Markets & IBG, who in turn allocate the limits among various operating units under their respective control.
- In addition to the above, the Bank has put in place various Policies and Manuals viz., Trading Policy, Market Risk Management Policy, Market Management Manual, Forex Trading Manual, Derivative Trading Manual etc. for managing Counterparty Credit risk in the Bank.

## Quantitative Disclosure:

## DF- GR: Additional Disclosures on Group Risk

As on 31.03.2025

### Qualitative Disclosure

#### In respect of Group entities \*

#### [Overseas Banking entities and Non-Banking entities]

| General Description on                                           |                                                                                                                                                                                       |
|------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Corporate Governance Practices                                   | All Group entities adhere to good Corporate Governance practices.                                                                                                                     |
| Disclosure Practices                                             | All Group entities adhere to / follow good disclosure practices.                                                                                                                      |
| Arm's Length Policy in respect of Intra Group Transactions       | All Intra-Group transactions within the State Bank Group have been effected on Arm's Length basis, both as to their commercial terms and as to matters such as provision of security. |
| Common marketing, branding and use of SBI's Symbol               | No Group entity has made use of SBI symbol in a manner that may indicate to public that common marketing, branding implies implicit support of SBI to the Group entity.               |
| Details of Financial Support, # if any                           | No Group entity has provided / received Financial Support from any other entity in the Group.                                                                                         |
| Adherence to all other covenants of Group Risk Management policy | All covenants of the Group Risk Management Policy have meticulously been complied with by the Group entities.                                                                         |

Intra-group transactions which may lead to the following have been broadly treated as 'Financial Support' #:

- inappropriate transfer of capital or income from one entity to the other in the Group;
- violation of the Arm's Length Policy within which the Group entities are expected to operate;
- adverse impact on the solvency, liquidity and profitability of the individual entities within the Group;
- evasion of capital or other regulatory requirements;
- operation of 'Cross Default Clauses' whereby a default by a related entity on an obligation (whether financial or otherwise) is deemed to trigger a default on itself.

# Payments to and provisions for employees includes exceptional items for provision of ₹7100,00,00 thousand (Previous year Nil) [₹5400,00,00 thousand (Previous year Nil) for estimated liability on account of pension at uniform rate of 50% for all pensioners prospectively, in place of existing dual rate of calculation of pension and ₹1700,00,00 thousand (Previous year Nil) on account of ex-gratia benefit and neutralisation of Dearness Relief to pre-November 2002 retirees and family pensioners].

# Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## SCHEDULE 17: SIGNIFICANT ACCOUNTING POLICIES

### A. Background:

State Bank of India (SBI or the Bank) is a banking and financial services statutory body engaged in providing a wide range of products and services to individuals, commercial enterprises, large corporates, public bodies, and institutional customers. The Bank is governed by the Banking Regulation Act, 1949, and the State Bank of India Act, 1955.

Following are the Significant Accounting Policies i.e., the specific accounting principles and methods of applying these principles in the preparation and presentation of financial statements of the Bank.

### B. Basis of Preparation:

The accounting and reporting policies of the Bank conform to Generally Accepted Accounting Principles in India (Indian GAAP), comprising of regulatory norms, directions & guidelines prescribed by the Reserve Bank of India (RBI), statutory guidelines of the State Bank of India Act 1955, and the Banking Regulations Act, 1949, Accounting Standards issued by Institute of Chartered Accountants of India (ICAI), and the accounting practices prevalent in the banking industry in India.

In case of foreign offices, the statutory provisions, and practices of the local laws of the respective foreign country are followed if they are more prudent.

Bank's financial statements are prepared under the historical cost convention, with fundamental accounting assumptions of going concern, consistency, and accrual, unless otherwise stated.

The financial statements have been prepared in accordance with requirements under the Third Schedule of the Banking Regulation Act, 1949.

### C. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amount of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the

estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

### D. Significant Accounting Policies:

#### 1 Revenue Recognition:

- 1.1 Income and expenditure are accounted on accrual basis, except otherwise stated.
- 1.2 Interest/ Discount income is recognised in the Profit and Loss Account on realisation basis for following:
  - i. Income from Non-Performing Assets (NPAs) including investments, as per the prudential norms prescribed by RBI/ respective country regulators in the case of foreign offices (hereafter collectively referred to as Regulatory Authorities),
  - ii. Income on Rupee Derivatives designated as "Trading"
- 1.3 In accordance with the guidelines issued by the Reserve Bank of India, Profit on sale of investments in the Held to Maturity (HTM) category and on sale of Fixed Assets is appropriated to Capital Reserve, net of applicable taxes and amount required to be transferred to Statutory Reserve.
- 1.4 The discount if any, on acquisition of investments in Held to Maturity (HTM) category is accounted as follows:
  - i. on interest bearing securities, it is accounted for at the time of sale/ redemption.
  - ii. on zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.
- 1.5 Dividend income is recognised when the right to receive the dividend is established.
- 1.6 Commission on Letters of Credit (LC)/ Bank Guarantee (BG), Deferred Payment Guarantee, Government Business, ATM interchange fee & "Upfront fee on restructured account" are recognised on accrual basis proportionately over the period. All other commission and fee income are accounted on a realisation basis.
- 1.7 One time Insurance Premium paid under Special Home Loan Scheme (December 2008 to June 2009) is amortised over the average loan period of 15 years.

- 1.8 Brokerage, Commission etc. paid/ incurred in connection with the issue of Bonds/ Deposits are amortised over the tenure of related Bonds/ Deposits and the expenses incurred in connection with the issue are charged upfront.
- 1.9 The Bank derecognises its financial assets when it sells to Securitisation Company (SC)/ Reconstruction Company (RC), and accounts for as under:
  - i. If the sale is at a price below the Net Book Value (NBV) (i.e., book value less provisions held), the shortfall is debited to the Profit and Loss Account in the year of sale.
  - ii. If the sale is for a value higher than the NBV, the excess provision is written back in the year the amounts are received.

## 2 Investments:

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation, as given below:

### 2.1 Classification:

As per RBI guidelines, investments are classified into Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) categories.

For disclosure in Balance Sheet, the investments are classified as Investments in India and outside India.

Under each category, the investments in India are further classified as (i) Government Securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and Joint Ventures and (vi) Others.

The investments outside India are further classified as (i) Government Securities (ii) Subsidiaries and Joint Ventures (iii) Other Investments.

### 2.2 Basis of classification:

- i. Investments that the Bank intends to hold till maturity are categorised as "Held to Maturity (HTM)".
- ii. Investments that are held principally for resale within 90 days from the date of purchase are categorised as "Held for Trading (HFT)".

- iii. Investments, which are not classified in above two categories, are classified as "Available for Sale (AFS)".
- iv. An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.
- v. Investments in subsidiaries and joint ventures are classified as HTM except in respect of those investments which are acquired and held exclusively with a view to its subsequent disposal. These investments are classified as AFS.

### 2.3 Valuation:

- i. The transactions in all securities are recorded on a Settlement Date and cost is determined on the weighted average cost method except for investments under HTM category which are accounted on FIFO basis (First In First Out).
  - a. Brokerage/ commission received on subscriptions is reduced from the cost. Brokerage, Commission, Securities Transaction Tax (STT) etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.
  - b. Broken period interest paid/ received on debt instruments is treated as interest expense/ income and is excluded from cost/ sale consideration.

#### ii. Valuation of investments classified as Held to Maturity:

- a. Investments under Held to Maturity category are carried at acquisition cost. The premium paid on acquisition if any, is amortised over the term to maturity on a constant yield basis. Such amortisation of premium is accounted as income on investments.
- b. Investments (in India and abroad) in subsidiaries, joint ventures and associates are valued at historical cost. A provision is made for diminution, other than temporary, for each investment individually.
- c. Investments in Regional Rural Banks are valued at carrying cost (i.e., book value).

# Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## iii. Valuation of investments classified as Available for Sale and Held for Trading:

Investments classified as Available for Sale and Held for Trading are individually revalued at market price or fair value determined as per the regulatory guidelines and the net depreciation if any, of each group for each category (viz. (i) Government securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and Joint Ventures and (vi) others) is provided for and net appreciation is ignored.

## iv. Valuation policy in event of inter category transfer of investments:

- a. Transfer of securities from HFT/ AFS category to HTM category is carried out at the lower of acquisition cost/ book value/ market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for.
- b. Transfer of securities from HTM category to AFS category is carried out on acquisition price/ book value. On transfer, these securities are immediately revalued and resultant depreciation, if any, is provided, in the Profit and Loss Account.

## v. Valuation in case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts:

- a. The investment in security receipts obtained by way of sale of NPA to SC/RC, is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR.
- b. SRs issued by an SC/ ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.

- vi. Treasury Bills and Commercial Papers are valued at carrying cost.

## 2.4 Investments (NPI):

- i. In respect of domestic offices, based on the guidelines issued by RBI, investments are classified as performing and non-performing as follows:
  - a. Interest/ instalment (including maturity proceeds) is due and remains unpaid for more than 90 days.
  - b. In the case of equity shares, in the event the investment in shares of any company is valued at ₹1 per company on account of non-availability of the latest balance sheet, those equity shares would be reckoned as NPI.
  - c. The Bank also classifies an investment as a non-performing investment in case any credit facility availed by the same borrower/entity has been classified as a non-performing asset and vice versa. The above is applied to Preference Shares where the fixed dividend is not paid.
  - d. The investments in debentures/ bonds, which are deemed to be advance, are also subjected to NPI norms as applicable to investments.
- ii. In respect of foreign offices, classification, and provisions for non-performing investments (NPIs) are made as per the local regulations or as per the norms of RBI, whichever are more prudent.

## 2.5 Accounting for Repo/Reverse Repo transactions:

The Bank enters Repurchase and Reverse Repurchase Transactions with RBI under Liquidity Adjustment Facility (LAF) and with market participants. Repurchase Transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse Repo Transactions on the other hand, represent lending funds by purchasing the securities.

- i. Transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Collateralised Lending and Borrowing transactions.

- ii. In Repo and Reverse Repo transaction, securities sold(purchased) and repurchased (resell) are accounted as normal outright sale(purchase) transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and contra entries. The above entries are reversed on the date of maturity.
- iii. Balance in Repo Account is classified under Schedule 4 'Borrowings'.
- iv. All type of Reverse Repos with RBI including those under Liquidity Adjustment Facility are presented under sub item (ii) 'In Other Accounts' of item (II) Balances with RBI under Schedule 6 'Cash and balances with RBI'.
- v. Reverse Repos with banks and other institutions having original tenors up to and inclusive of 14 days are classified as Money at call and short notice under Schedule 7 'Balance with Banks and Money at call & short notice'. Reverse Repos with original maturity more than 14 days but up to 1 year are classified as Cash Credits, overdrafts, and loans repayable on demand, under Schedule 9 'Advances'. All other Reverse Repos are classified as Term Loans under Schedule 9 'Advances'.
- vi. Borrowing cost of repo transactions and revenue on reverse repo transactions, with RBI or others, is accounted for as interest expense and interest income, respectively.

### 3 Loans/Advances and Provisions thereon:

3.1 Based on the guidelines/directives issued by the RBI, Loans and Advances are classified as performing and non-performing, as follows:

- i. A term loan is classified as a non-performing asset if interest and/or instalment of principal remains overdue for a period of more than 90 days.
- ii. An Overdraft or Cash Credit is classified as a non-performing asset, if, the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/ drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance sheet, or if the credits are not adequate to cover the interest debited during the same period.

- iii. The bills purchased/ discounted are classified as Non-performing Asset if the bill remains overdue for a period of more than 90 days.
- iv. The agricultural advances are classified as a non-performing if, (a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (b) for long duration crops, where the principal or interest remains overdue for one crop season.

3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:

- i. Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
- ii. Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.
- iii. Loss: A loan asset where loss has been identified but the amount has not been fully written off.

3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

|                             |  |      |                                                                                                                                                          |
|-----------------------------|--|------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Sub-standard Assets:</b> |  | i.   | A general provision of 15% on the total outstanding;                                                                                                     |
|                             |  | ii.  | Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio); |
|                             |  | iii. | Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available - 20%.                           |
| <b>Doubtful Assets:</b>     |  |      |                                                                                                                                                          |
| - Secured portion:          |  | i.   | Upto one year – 25%                                                                                                                                      |
|                             |  | ii.  | One to three years – 40%                                                                                                                                 |
|                             |  | iii. | More than three years – 100%                                                                                                                             |
| - Unsecured portion         |  |      | 100%                                                                                                                                                     |
| <b>Loss Assets:</b>         |  |      | 100%                                                                                                                                                     |

3.4 In respect of foreign offices, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more prudent.

3.5 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received, and bills rediscounted.

# Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

- 3.6 For restructured/ rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loans/ advances before and after restructuring is provided for, in addition to provision for the respective loans/ advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.
- 3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.
- 3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.
- 3.9 In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.
- 3.10 The Bank also makes additional provisions on specific non-performing assets.
- 3.11 Appropriation of recoveries in NPAs are made in order of priority as under:
- Charges, Costs, Commission etc.
  - Unrealised Interest / Interest
  - Principal

However, in Compromise and Resolution/ Settlement through National Company Law Tribunal (NCLT) cases, the recoveries are appropriated as per the terms of respective compromise/ resolution/ settlement. In case of suit filed accounts, recovery is appropriated as per directives of respective courts.

## 4 Floating Provisions & Countercyclical Provisioning Buffer:

The Bank has a policy for creation and utilisation of Countercyclical Provisioning Buffer in good times as well as for floating provisions separately for advances, investments, and general purposes. The quantum of floating provisions and Countercyclical Provisioning Buffer to be created is assessed at the end of the financial year. These provisions are utilised only for contingencies under extraordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

## 5 Provision for Country Exposure:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others".

## 6 Derivatives:

- 6.1 The Bank enters in derivative contracts, such as foreign currency options, interest rate swaps, currency swaps, cross currency interest rate swaps and forward rate agreements to hedge on-balance sheet/ off-balance sheet assets and liabilities or for trading purposes. The swap contracts entered to hedge on-balance sheet assets and liabilities are structured in such a way that they bear an opposite and offsetting impact with the underlying on-balance sheet items. The impact of such derivative instruments is correlated with the movement of the underlying assets and accounted in accordance with the principles of hedge accounting.
- 6.2 Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets/ liabilities are also marked to market.
- 6.3 Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognised in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account - Positive MTM".

- 6.4 Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark-to-Market value for forex Over the Counter (OTC) options.
- 6.5 Exchange Traded Derivatives entered in for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognised in the Profit and Loss Account.

## 7 Fixed Assets, Depreciation and Amortisation:

- 7.1 Fixed Assets are carried at cost less accumulated depreciation/ amortisation except for freehold premises carried at revalued amount, being fair value at the date of revaluation less accumulated depreciation, as stated otherwise.
- 7.2 Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put-to-use. Subsequent expenditure(s) incurred on the assets put-to-use are capitalised only when it increases the future benefits from such assets or their functioning capability. The fixed assets in domestic offices are depreciated at straight line method based on useful life of the assets stated as under:

| Sr. No. | Description of Fixed Assets                                                                                  | Useful Life for Depreciation |
|---------|--------------------------------------------------------------------------------------------------------------|------------------------------|
| 1       | Computers                                                                                                    | 3 Years                      |
| 2       | Computer Software forming an integral part of the computer hardware                                          | 3 Years                      |
| 3       | Computer Software which does not form an integral part of Computer hardware and cost of Software Development | 3 Years                      |
| 4       | Automated Teller Machine/ Cash Deposit Machine/ Coin Dispenser/ Coin Vending Machine                         | 5 Years                      |
| 5       | Server                                                                                                       | 4 Years                      |
| 6       | Network Equipment                                                                                            | 5 Years                      |
| 7       | <u>Other major fixed assets:</u>                                                                             |                              |
|         | Premises                                                                                                     | 60 Years                     |
|         | Safe Deposit Lockers                                                                                         | 20 Years                     |
|         | Furniture & Fixtures                                                                                         | 10 Years                     |
|         | Air Conditioners                                                                                             | 8 Years                      |
|         | Vehicles                                                                                                     | 5 Years                      |

- 7.3 In respect of assets acquired during the year (for domestic operations), depreciation is charged on proportionate basis for the number of days the assets have been put-to-use during the year.

- 7.4 Assets costing less than ₹1,000 each are charged off in the year of purchase.
- 7.5 In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease (except for premises and land on perpetual lease) and Lease payments for assets taken on Operating lease are recognised as expense in the Profit & Loss account over the lease term on straight line basis.
- 7.6 In respect of fixed assets held at foreign offices, depreciation is provided as per the regulations / norms of the respective countries.
- 7.7 The Bank revalue freehold immovable assets at every three years. The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account. Additional Depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to General Reserve. The revalued asset is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

## 8 Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

## 9 Effect of changes in the foreign exchange rate:

### 9.1 Foreign Currency Transactions:

- Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/ forward) rates.

# Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

- iii. Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- iv. Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
- v. Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss Account.
- vi. Foreign exchange forward contracts which are not intended for trading and are outstanding on the balance sheet date, are re-valued at the closing spot rate. The premium or discount arising at the inception of such forward exchange contract is amortised as expense or income over the life of the contract.
- vii. Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.
- viii. Gains/ Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/ losses are recognised in the Profit and Loss Account.
- c. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.
- d. The Assets and Liabilities of foreign offices in foreign currency (other than local currency of the foreign offices) are translated into local currency using spot rates applicable to that country on the balance sheet date.

## ii. Integral Operations:

- a. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- b. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/ Forward) exchange rates notified by FEDAI at the balance sheet date and the resulting Profit/ Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
- c. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

## 9.2 Foreign Operations:

Foreign Branches of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

### i. Non-integral Operations:

- a. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- b. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.

## 10 Employee Benefits:

### 10.1 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits which are expected to be paid in exchange for the services rendered by employees, are recognised during the period when the employee renders the service.

### 10.2 Long Term Employee Benefits:

#### i. Defined Benefit Plans:

- a. The Bank operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Bank's Provident Fund scheme. The Bank contributes to the fund at 10% of employee's basic pay plus eligible

allowance monthly. These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. The Bank recognises such annual contributions as an expense in the year to which it relates. Shortfall, if any, is provided for based on actuarial valuation.

b. The Bank operates Gratuity and Pension schemes which are defined benefit plans.

- The Bank provides for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement, or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities or Service Gratuity without cap for erstwhile Associate Bank's employees. Vesting occurs upon completion of five years of service. The Bank makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.
- The Bank provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. The Bank makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Employees' Pension Fund Regulations. The pension liability is reckoned based on an independent actuarial valuation carried out annually and Bank makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the Pension Fund Regulations.

- c. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains/ losses are immediately recognised in the Profit and Loss Account and are not deferred.

**ii. Defined Contribution Plan:**

The Bank operates a New Pension Scheme (NPS) for all officers/ employees joining the Bank on or after 1<sup>st</sup> August 2010, which is a defined contribution plan. (Such new joiners not being entitled to become members of the existing SBI Pension Scheme). As per the scheme, these employees contribute 10% of their basic pay plus dearness allowance to the scheme together with Bank's contribution at 14% of basic pay plus dearness allowance. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in the Bank and earn interest at the rate applicable to Provident Fund balance. The Bank recognises such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

**iii. Other Long Term Employee Benefits:**

- a. All eligible employees of the Bank are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The costs of such long-term employee benefits are internally funded by the Bank.
- b. The cost of providing other long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost, if any, is immediately recognised in the Profit and Loss Account and is not deferred.

10.3 Employee benefits relating to employees employed at foreign offices are valued and accounted for as per the respective local laws/ regulations.

# Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## 11 Segment Reporting:

The Bank recognises the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 issued by Institute of Chartered Accountants of India.

## 12 Taxes on income:

Income tax expense is the aggregate amount of current tax and deferred tax expense incurred by the Bank. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – “Accounting for Taxes on Income” respectively after considering taxes paid at the foreign offices, which are based on the tax laws of respective jurisdictions. Deferred Tax adjustments comprises of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year and carry forward losses. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management’s judgement as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

## 13 Earnings per Share:

13.1 The Bank reports basic and diluted earnings per share in accordance with AS 20 – “Earnings per Share” issued by the ICAI. Basic Earnings per Share are computed by dividing the Net Profit after Tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding for the year.

13.2 Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

## 14 Provisions, Contingent Liabilities and Contingent Assets:

14.1 In conformity with AS 29, “Provisions, Contingent Liabilities and Contingent Assets”, issued by the Institute of Chartered Accountants of India, the Bank recognises provisions only when it has a present obligation because of a past event, and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

14.2 No provision is recognised for:

- i. any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank; or
- ii. any present obligation that arises from past events but is not recognised because:
  - a. it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - b. a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

14.3 Provision for reward points in relation to the “Enterprise-Wide Loyalty Programme” of the Bank is being provided for on actuarial estimates.

14.4 Provisions for onerous contracts are recognised when the expected benefits to be derived by the Bank from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Bank recognises any impairment loss on the assets associated with that contract.

14.5 Contingent Assets are not recognised in the financial statements.

#### **15 Bullion Transactions:**

The Bank imports bullion including precious metal bars on a consignment basis for selling to its customers. The imports are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier. The Bank earns a fee on such bullion transactions. The fee is classified under commission income. The Bank also accepts deposits and lends gold, which is treated as deposits/ advances as the case may be with the interest paid/ received classified as interest expense/ income. Gold Deposits, Metal Loan Advances and closing Gold Balances are valued at available Market Rate as on the date of Balance Sheet.

#### **16 Special Reserves:**

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

#### **17 Share Issue Expenses:**

Share issue expenses are charged to the Share Premium Account.

#### **18 Cash and Cash equivalents:**

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.

# Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## SCHEDULE 18: NOTES TO ACCOUNTS

### 18.1 REGULATORY CAPITAL

#### a. Composition of Regulatory Capital (As per Basel III):

|         |                                                                                                                      | (₹ in Crore)                      |                                   |
|---------|----------------------------------------------------------------------------------------------------------------------|-----------------------------------|-----------------------------------|
| Sr. No. | Items                                                                                                                | As at 31 <sup>st</sup> March 2024 | As at 31 <sup>st</sup> March 2023 |
| i)      | Common Equity Tier 1 capital                                                                                         | 3,33,705.96                       | 2,85,834.97                       |

| x)      | Capital to Risk Weighted Assets Ratio (CRAR) (%)<br>(Total capital as a percentage of RWAs)                          | 14.28%                            | 14.68%                            |
| xi)     | Leverage Ratio                                                                                                       | 5.67%                             | 5.52%                             |
| xii)    | Percentage of the Shareholding of Government of India                                                                | 56.92%                            | 56.92%                            |
| xiii)   | Amount of paid-up equity capital raised during the year                                                              | Nil                               | \$                                |
| xiv)    | <u>Amount of non-equity Tier 1 capital raised during the year:</u><br>Basel III compliant Perpetual Debt Instruments | 8,101.00                          | 15,133.00                         |
| xv)     | <u>Amount of Tier 2 capital raised during the year:</u><br>Basel III compliant Debt Capital instruments              | 10,000.00                         | 4,000.00                          |

RBI vide Circular No. DBR.No.BP.BC.83/21.06.201/2015-16 dated 1<sup>st</sup> March 2016, has given discretion to banks to consider Revaluation Reserve, Foreign Currency Translation Reserve and Deferred Tax Asset for purposes of computation of Capital Adequacy as CET- I capital ratio. The Bank has exercised the option in the above computation.

\$ During the financial year 2022-2023, the Bank has allotted 400 equity shares of ₹1/- each for cash at a premium of ₹158/- per equity share out of 7,93,630 shares (issued as a part of Right Issue-2008) allotment of which was held in abeyance for resolution of title dispute. Out of the total subscription of ₹63,600/- received, ₹400/- was transferred to Share Capital Account and ₹63,200/- to Share Premium Account. As on 31<sup>st</sup> March 2024 allotment of 7,93,230 shares is held in abeyance.

**b. Drawdown from Reserves:**

In terms of RBI Circular No: DBR.No.BP.BC.102/21.04.048/2017-18 dated 2<sup>nd</sup> April 2018, ₹749.08 Crore has been drawn down from Investment Fluctuation Reserve as it was in excess of 2 percent of HFT and AFS portfolio.

**c. Innovative Perpetual Debt Instruments (IPDI):**

The details of IPDI issued which qualify for Hybrid Tier I Capital and outstanding are as under:

# Foreign Currency Assets represent advances and investments.

\$ Foreign Currency Liabilities represent borrowings and deposits.

(Figures in brackets are as at 31<sup>st</sup> March 2023).

### b. Liquidity Coverage Ratio (LCR):

#### i. Standalone LCR

- Liquidity Coverage Ratio (LCR) standard represents an unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30 calendar daytime horizon under significantly severe liquidity stress scenario.

$$\text{LCR} = \frac{\text{Stock of high-quality liquid assets (HQLAs)}}{\text{Total net cash outflow over the next 30 calendar days}}$$

- Liquid assets comprise of high-quality assets that can be readily encashed or used as collateral to obtain cash in a range of stress scenarios.
- There are two categories of assets included in the stock of HQLAs, viz. Level 1 and Level 2 assets. While Level 1 assets are with 0% haircut, Level 2A and Level 2 B assets are with 15% and 50% haircuts respectively.
- The total net cash outflow is the total expected cash outflows minus total expected cash inflows for the subsequent 30 calendar days.
- Total expected cash outflows are calculated by multiplying the outstanding balances of various categories or types of liabilities and off-balance sheet commitments by the rates at which they are expected to run off or be drawn down.
- Total expected cash inflows are calculated by multiplying the outstanding balances of various categories of contractual receivables by the rates at which they are expected to flow in up to an aggregate cap of 75% of total expected cash outflows.

In accordance with RBI guidelines vide circular No. RBI/2014-15/529 DBR. No. BP.BC.80/21.06.201/2014-15 dated 31<sup>st</sup> March 2015, average weighted and unweighted amounts have been calculated taking simple daily average. The Bank has considered 67 data points for the quarter January to March 2024.

- Bank's LCR comes to 129.02% based on daily average position of three months (Q4 FY2024) and remained above the minimum regulatory requirement of 100%. Average HQLA held during the quarter was ₹13,13,148 Crore, with 96.50% being Level 1 assets. Level 2A and Level 2B assets constitute 2.84% and 0.66% of total HQLA, respectively. Government Securities constituted 94.34% of Total Level 1 Assets. During the quarter, the weighted average HQLA level got reduced by ₹94,877 Crore primarily on account of decline in excess SLR balance. Further, the weighted average net cash outflows position remained almost at the same level with a negligible fall by ₹4,104 Crore during the quarter. Derivative exposures are considered insignificant due to almost matching inflows and outflows position. During the quarter, LCR for USD (significant Foreign Currency constituting more than 5% of the Balance Sheet of the Bank) was at 413.69%, on an average.
- Liquidity Management in the Bank is driven by the ALM Policy of the Bank and regulatory prescriptions. The Domestic and International Treasuries are apprising the liquidity position to the Asset Liability Management Committee (ALCO) of the Bank. The ALCO has been empowered by the Bank's Board to formulate the Bank's funding strategies to ensure that the funding sources are well diversified and is consistent with the operational requirements of the Bank. All the major decisions of ALCO are being reported to the Bank's Board subsequently. Besides daily/monthly LCR reporting, Bank also prepares daily Structural Liquidity statements to assess the liquidity needs of the Bank on an ongoing basis.
- The Bank has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, which are well diversified. Management is of the view that the Bank has sufficient liquidity cover to meet its likely future commitments.

## ii. Consolidated LCR

- The RBI through a supplementary guideline issued on March 31, 2015 had stipulated the implementation of LCR at a consolidated level from January 1, 2016 and accordingly, LCR has been computed at Group level. The entities covered in the Group LCR are SBI and seven Overseas Banking Subsidiaries (OBS) - Commercial Indo Bank LLC, Moscow, Nepal SBI Bank Ltd., State Bank of India (California), SBI Canada Bank, State Bank of India (Mauritius) Ltd, PT Bank SBI Indonesia and State Bank of India (UK) Ltd. and one Non Banking Subsidiary (NBS) - SBI Cards and Payment Services Ltd.
- SBI Group LCR comes to 130.62% as on 31<sup>st</sup> March 2024 based on average of three months January, February and March 2024, which is above the minimum regulatory requirement of 100%. The Group has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, and such funding sources are well diversified. Management is of the view that the Bank has sufficient liquidity cover to meet its likely future short-term requirements.

\*\* Monthly average of 3 months data considered for Overseas Banking Subsidiaries, SBI Cards and Payment Services Ltd. and daily average considered for SBI (Solo).

The LCR data of SBI Cards and Payment Services Ltd. has been included in GLCR to align with the extant regulatory guidelines.

### c) Net Stable Funding Ratio:

#### i) Standalone Net Stable Funding Ratio:

Net Stable Funding Ratio (NSFR) guidelines ensure reduction in funding risk over a longer time horizon by requiring banks to fund their activities with sufficiently stable sources of funding in order to mitigate the risk of future funding stress. The NSFR is defined as the amount of Available Stable Funding relative to the amount of Required Stable Funding.

$$\text{NSFR} = \frac{\text{Available Stable Funding (ASF)}}{\text{Required Stable Funding (RSF)}} \geq 100\%$$

**Quantitative Disclosure:** The following tables contain unweighted and weighted values of NSFR components of SBI (Standalone) as at 31<sup>st</sup> March 2024, 31<sup>st</sup> December 2023, 30<sup>th</sup> September 2023 and 30<sup>th</sup> June 2023 (i.e. quarter end observations) :

In accordance with RBI guidelines vide circular No. RBI/2017-18/178, DBR.BP.BC.No.106/21.04.098/2017-18 dated 17<sup>th</sup> May 2018, the quarter end observations are presented in the template above. The ASF items pertaining to capital have been reclassified to align with the extant regulatory guideline.

Bank's NSFR comes to 113.87% as at the end of Q4 FY2024 and is above the minimum regulatory requirement of 100% stipulated in the RBI guidelines effective from 01<sup>st</sup> October 2021. As on 31<sup>st</sup> March 2024, the position of Available Stable Funding (ASF) stood at ₹43,75,305 Crore and Required Stable Funding (RSF) stood at ₹38,42,230 Crore. There was an increase in the values of total ASF and increase in the values of total RSF over 31<sup>st</sup> December 2023. ASF is defined as the portion of capital and liabilities expected to be reliable over the time horizon considered for the NSFR. RSF of a specific institution is a function of the liquidity characteristics and residual maturities of the various assets held by that institution as well as its Off-Balance Sheet (OBS) exposures.

Liquidity Management in the Bank is driven by the Bank's ALM Policy and regulatory guidelines. The Domestic and International Treasuries are reporting to the Asset Liability Management Committee (ALCO). ALCO has been empowered by the Bank's Board to formulate the funding strategies to ensure that the funding sources are well diversified and is consistent with the operational requirements of the Bank. All major decisions of ALCO are being reported to the Bank's Board periodically.

The Bank has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, which are well diversified. Management is of the view that the Bank has got sufficient liquidity to meet its immediate / likely future requirements.

## **ii) Consolidated Net Stable Funding Ratio**

The RBI guidelines stipulated the implementation of NSFR at a consolidated level from December 2021 quarter and accordingly, NSFR has been computed at Group level.

The entities covered in the Group NSFR are SBI and seven Overseas Banking Subsidiaries. Commercial Indo Bank LLC, Moscow, Nepal SBI Bank Ltd., State Bank of India (California), SBI Canada Bank, State Bank of India (Mauritius) Ltd, PT Bank SBI Indonesia and State Bank of India (UK) Ltd.

SBI Group NSFR comes to 114.11% as on 31<sup>st</sup> March 2024 which is above the minimum regulatory requirement of 100%.

Available stable funding (ASF) is defined as the portion of capital and liabilities expected to be reliable over the time horizon considered by the NSFR, which extends to one year. The Required stable funding (RSF) of a specific group is a function of the liquidity characteristics and residual maturities of the various assets held by that group as well as those of its Off-Balance Sheet (OBS) exposures.

## c. Overseas Assets, NPAs and Revenue:

|         |                    | (₹ in Crore ) |               |
|---------|--------------------|---------------|---------------|
| Sr. No. | Particulars        | Current Year  | Previous Year |
| 1       | Total Assets       | 6,65,740.67   | 6,07,517.76   |
| 2       | Total NPAs (Gross) | 1,498.04      | 1,951.47      |
| 3       | Total Revenue      | 39,709.56     | 20,735.96     |

## d. Resolution plan and restructuring:

### i. Restructuring of advances in terms of RBI Circular DBR.No.BP.BC.45/21.04.048/2018-19 dated 7th June 2019:

| Asset Classification of assets subject to Resolution Plan & restructuring | Current Year       |                                 | Previous Year      |                                 |
|---------------------------------------------------------------------------|--------------------|---------------------------------|--------------------|---------------------------------|
|                                                                           | Number of Borrower | Amount outstanding (₹ in Crore) | Number of Borrower | Amount outstanding (₹ in Crore) |
| Standard                                                                  | 1                  | 23                              | 2                  | 577                             |
| Sub Standard                                                              | 1                  | 12                              | 1                  | 137                             |
| Doubtful                                                                  | 1                  | 271                             | 6                  | 988                             |
| <b>Total</b>                                                              | <b>3</b>           | <b>306</b>                      | <b>9</b>           | <b>1,702</b>                    |

### ii. Acquisition of shares due to conversion of debt to equity during the restructuring process:

Equity shares acquired by way of conversion of debt to equity during the restructuring process did not exceed the prescribed regulatory ceilings/ restriction on capital market exposure, investment in para banking activities & intra group exposure.

### iii. MSME Restructuring:

As per RBI Circular no. DBR.No.BP.BC.18/21.04.048/2018-19 dated 1<sup>st</sup> January 2019, the details of restructured MSME accounts is as below:

| Particulars                        | Current Year | Previous Year |
|------------------------------------|--------------|---------------|
| No. of accounts restructured       | 50,248       | 85,738        |
| Aggregate outstanding (₹ in Crore) | 5,840.92     | 7,406.84      |

## e. Divergence in asset classification and provisioning:

Disclosure on divergence in asset classification and provisioning for NPAs is not required with respect to RBI's supervisory process for the year ended 31<sup>st</sup> March 2023, based on the conditions mentioned in RBI Circular No. DOR.ACC.REC. No.74/21.04.018/2022-23 dated 11<sup>th</sup> October 2022.

## f. Disclosure of Transfer of Loan Accounts (SMAs & NPAs) in terms of RBI Circular No. DOR.STR. REC.51/21.04.048/ 2021-22 dated 24<sup>th</sup> September 2021:

The transfer of loans in secondary market is regular phenomenon in foreign jurisdiction. Further, considering the intent of comprehensive RBI guidelines governing transfer of loan exposure for promoting a robust secondary market in Loans, the disclosure given here contains the domestic secondary market transactions only.

### Sale of Loans:

- i) The details of the Non-Performing Assets transferred during the year ended 31<sup>st</sup> March 2024 is given in the table below:

| Particulars                                                                                        | To ARCs  | To permitted transferees | To other transferees |
|----------------------------------------------------------------------------------------------------|----------|--------------------------|----------------------|
| No of accounts                                                                                     | 24       | 12                       | -                    |
| Aggregate principal outstanding of loans transferred (₹ in Crore)                                  | 7,541.73 | 181.42                   | -                    |
| Weighted average residual tenor of the loans transferred (Years)                                   | 0.82     | -                        | -                    |
| Net book value of loans transferred (at the time of transfer) (₹ in Crore)                         | 34.94    | -                        | -                    |
| Aggregate consideration (₹ in Crore)                                                               | 2,127.88 | 41.64                    | -                    |
| Additional consideration realised in respect of accounts transferred in earlier years (₹ in Crore) | 383.29   | -                        | -                    |

Excess Provision amounting to ₹1,122.18 Crore (Previous Year ₹2,628.41 Crore) on sale of NPAs to Securitisation Company (SC)/Reconstruction Company (RC) has been credited in the Profit & Loss Account.

During the year ended 31<sup>st</sup> March 2024, investment made in Security Receipts (SRs) was ₹674.18 Crore.

The Security Receipts are provided for and hence the book value is nil across various categories of Ratings assigned to Security Receipts by the Credit Rating Agencies as on 31<sup>st</sup> March 2024.

Provision held on the Security Receipts backed by NPAs sold by the Bank as underlying as on 31<sup>st</sup> March 2024 is ₹6,421.16 Crore (as on 31<sup>st</sup> March 2023 the same was ₹7,009.38 Crore.)

- ii) The bank has not transferred any Special Mention Account and loan not in default.

### Purchase of Loans:

- iii) The Bank has not acquired any stressed loan.
- iv) The Bank has purchased homogeneous assets from NBFCs/HFCs/MFIs which are not in default under Direct Assignment Route covered under Transfer of Loan Exposure. The Bank purchased secured home loans and secured & unsecured SME and ABU loans.

Details of loans-not-in-default acquired during the year ended on 31<sup>st</sup> March 2024 through assignment are given below:

| Particulars                                                     | From SCB, RRBs, UCBs, SICBs, DCCBs, AIFIs, SFBs and NBFCs including Housing Finance Companies (HFCs) |                | From ARCs    |                |
|-----------------------------------------------------------------|------------------------------------------------------------------------------------------------------|----------------|--------------|----------------|
|                                                                 | Secured Loan                                                                                         | Unsecured Loan | Secured Loan | Unsecured Loan |
| Aggregate principal outstanding of loans acquired (₹ in Crore)  | 7,599.31                                                                                             | 13,317.08      | -            | -              |
| Aggregate consideration paid (₹ in Crore)                       | 6,797.64                                                                                             | 11,870.64      | -            | -              |
| Weighted average residual tenor of the loans acquired (years)   | 8.52                                                                                                 | 1.59           | -            | -              |
| Weighted average holding period by the originator (years)       | 1.16                                                                                                 | 0.56           | -            | -              |
| Retention of the beneficial economic interest by the originator | 10.55%                                                                                               | 10.86%         | -            | -              |
| Tangible Security Coverage                                      | 328.30%                                                                                              | Not Applicable | -            | -              |

- v) The loans acquired are not rated as these are not corporate borrowers.
- vi) Rating of pool under Direct Assignment is not mandatory, accordingly as per Industry Practice and Bank's Assignment Policy, Loss Estimates are obtained from External Rating Agency.

# Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## g. Fraud Reported and provision made during the year:

| Particulars                                                                                          | Current Year | Previous Year |
|------------------------------------------------------------------------------------------------------|--------------|---------------|
| Number of Frauds reported                                                                            | 1,586        | 2,755         |
| Amount involved in Fraud (₹ in Crore)                                                                | 3,406.87     | 4,878.18      |
| Amount of provision made for such frauds (₹ in Crore)                                                | 3,406.87     | 4,878.18      |
| Amount of unamortised provision debited from 'Other Reserves' as at the end of the year (₹ in Crore) | Nil          | Nil           |

In addition to above, during the financial year ended on 31<sup>st</sup> March 2024, the Bank reported 13,158 digital payment frauds amounting to ₹88.91 Crore. These frauds include instances involving compromising credentials like One Time Password, Card Verification Value, password, etc. by customers themselves or where no loss has been caused to the bank.

## h. Resolution of COVID-19 related Stress:

The details of resolution plan as on 31<sup>st</sup> March 2024, in terms of RBI Circular DOR. No. BP.BC/3/21.04.048/2020-21 dated 6<sup>th</sup> August 2020 (Resolution Framework 1.0) and DOR.STR.REC.11/21.04.048/2021-22 dated 5<sup>th</sup> May 2021 (Resolution Framework 2.0) are:

|                   | (₹ in Crore)                                                                                                                                          |                                                                          |                                                       |                                                                 |                                                                                                                                               |

| 1)      | Direct investment in equity shares, convertible bonds, convertible debentures and units of equity-oriented mutual funds the corpus of which is not exclusively invested in corporate debt.                                                                                                                                                              | 6,893.84         | 16,870.59        |
| 2)      | Advances against shares / bonds / debentures or other securities or on clean basis to individuals for investment in shares (including IPOs/ESOPs), convertible bonds, convertible debentures, and units of equity-oriented mutual funds.                                                                                                                | 106.66           | 65.73            |
| 3)      | Advances for any other purposes where shares or convertible bonds or convertible debentures or units of equity oriented mutual funds are taken as primary security.                                                                                                                                                                                     | -                | -                |
| 4)      | Advances for any other purposes to the extent secured by the collateral security of shares or convertible bonds or convertible debentures or units of equity oriented mutual funds i.e. where the primary security other than shares/convertible bonds/convertible debentures/ units of equity oriented mutual funds does not fully cover the advances. | 642.57           | 2,149.02         |
| 5)      | Secured and unsecured advances to stockbrokers and guarantees issued on behalf of stockbrokers and market makers                                                                                                                                                                                                                                        | 29,678.27        | 4,106.64         |
| 6)      | Loans sanctioned to corporates against the security of shares/bonds/debentures or other securities or on clean basis for meeting promoter's contribution to the equity of new companies in anticipation of raising resources.                                                                                                                           | -                | -                |
| 7)      | Bridge loans to companies against expected equity flows/issues.                                                                                                                                                                                                                                                                                         | -                | -                |
| 8)      | Underwriting commitments taken up by the Banks in respect of primary issue of shares or convertible bonds or convertible debentures or units of equity oriented mutual funds.                                                                                                                                                                           | -                | -                |
| 9)      | Financing to stockbrokers for margin trading.                                                                                                                                                                                                                                                                                                           | -                | -                |
| 10)     | Exposures to Venture Capital Funds (both registered and unregistered)                                                                                                                                                                                                                                                                                   | 4,795.07         | 4,302.21         |
|         | <b>Total Exposure to Capital Market</b>                                                                                                                                                                                                                                                                                                                 | <b>42,116.41</b> | <b>27,494.19</b> |

# Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## c. Risk Category wise Country Exposure:

As per the extant RBI guidelines, the country exposure of the Bank is categorised into various risk categories listed in the following table.

| Risk Category | As at 31 <sup>st</sup> March 2024 |                | As at 31 <sup>st</sup> March 2023 |                |
|---------------|-----------------------------------|----------------|-----------------------------------|----------------|
|               | Net Funded Exposure               | Provision held | Net Funded Exposure               | Provision held |
| Insignificant | 2,542.18                          | Nil            | 404.93                            | Nil            |
| Very Low      | 2,48,017.45                       | 246.91         | 2,25,110.30                       | 196.15         |
| Low           | 79,789.39                         | Nil            | 62,630.30                         | Nil            |
| Medium        | 32,082.57                         | Nil            | 33,154.94                         | Nil            |
| High          | 24,736.25                         | Nil            | 22,138.32                         | Nil            |
| Very High     | 6,327.27                          | Nil            | 5,799.64                          | Nil            |
| Restricted    | 9,318.34                          | Nil            | 5,465.54                          | Nil            |
| <b>Total</b>  | <b>4,02,813.45</b>                | <b>246.91</b>  | <b>3,54,703.98</b>                | <b>196.15</b>  |

The country exposure (net funded) of the Bank for any country does not exceed 1% of its total assets except on USA, hence provision for the country exposure on USA has been made.

## d. Unsecured Advances:

| Particulars                                                                                                                | Current Year | Previous Year |
|----------------------------------------------------------------------------------------------------------------------------|--------------|---------------|
| Total Unsecured Advances of the bank                                                                                       | 11,19,048.81 | 9,30,364.53   |
| Of which number of advances outstanding against charge over intangible securities such as rights, licences, authority etc. | Nil          | Nil           |
| The estimated value of such intangible securities given above                                                              | Nil          | Nil           |

## e. Factoring Exposures:

The Banks factoring exposure as at 31<sup>st</sup> March 2024 is ₹38,570.64 Crore. (Previous Year ₹28,565.16 Crore).

## f. Intra-Group Exposures:

| Particulars                                                                              | Current Year | Previous Year |
|------------------------------------------------------------------------------------------|--------------|---------------|
| Total amount of intra-group exposures                                                    | 64,039.95    | 55,540.06     |
| Total amount of top-20 intra-group exposures                                             | 64,039.95    | 55,540.06     |
| Percentage of intra-group exposures to total exposure of the bank on borrowers/customers | 1.15%        | 1.09%         |
| Details of breach of limits on intra-group exposures and regulatory action thereon       | Nil          | \$            |

\$ During the financial year 2022-23 the Bank breached an Aggregate Group Exposure limit specified vide RBI Circular No. DBOD.No.BP.BC. 96/21.06.102/2013-14 dated 11<sup>th</sup> February, 2014. As against the specified limit of 20% of Paid-up Capital and Reserves in case of all group entities (financial and non-financial) taken together, the Bank took exposure of 20.62% for 83 days from 30<sup>th</sup> September, 2022 to 23<sup>rd</sup> December, 2022. For this contravention RBI levied penalty of ₹0.30 Crore on 25<sup>th</sup> September, 2023.

**g. Unhedged Foreign Currency Exposure:**

- An amount of ₹250.67 Crore (Previous Year ₹239.18 Crore) was held as on 31<sup>st</sup> March 2024 towards Currency Induced Credit Risk.
- Capital allocated for Currency Induced Credit Risk amounts to ₹533.46 Crore (Previous Year ₹420.39 Crore).

**h. Single Borrower and Group Borrower exposure limits exceeded by the Bank:**

The Bank has not exceeded the single borrower exposure & Group Borrower exposure prudential limits as prescribed by RBI.

**18.6. CONCENTRATION OF DEPOSITS, ADVANCES, EXPOSURES & NPAs**

**a. Concentration of Deposits:**

| Particulars                                                                       | Current Year | Previous Year |
|-----------------------------------------------------------------------------------|--------------|---------------|
| Total Deposits of twenty largest depositors (₹ in Crore)                          | 2,33,073.04  | 1,76,611.88   |
| Percentage of Deposits of twenty largest depositors to Total Deposits of the Bank | 4.74%        | 3.99%         |

**b. Concentration of Advances:**

| Particulars                                                                            | Current Year | Previous Year |
|----------------------------------------------------------------------------------------|--------------|---------------|
| Total Advances to twenty largest borrowers (₹ in Crore)                                | 4,17,625.39  | 4,01,754.30   |
| Percentage of Advances to twenty largest borrowers to Total Gross Advances of the Bank | 11.08%       | 12.29%        |

**c. Concentration of Exposures:**

| Particulars                                                                                                        | Current Year | Previous Year |
|--------------------------------------------------------------------------------------------------------------------|--------------|---------------|
| Total Exposure to twenty largest borrowers/customers (₹ in Crore)                                                  | 5,72,651.53  | 5,55,744.92   |
| Percentage of Exposures to twenty largest borrowers/customers to Total Exposure of the Bank on borrowers/customers | 10.31%       | 10.95%        |

**d. Concentration of NPAs:**

| Particulars                                                                        | Current Year | Previous Year |
|------------------------------------------------------------------------------------|--------------|---------------|
| Total Exposure to top twenty largest NPA exposure to Total Gross NPAs (₹ in Crore) | 20,415.45    | 19,716.80     |
| Percentage of exposures to the twenty largest NPA accounts to total gross NPAs     | 24.22%       | 21.68%        |

**18.7. DERIVATIVES**

**a. Forward Rate Agreements (FRA) / Interest Rate Swaps (IRS):**

|         |                                                                                                        | (₹ in Crore)    |                 |
|---------|--------------------------------------------------------------------------------------------------------|-----------------|-----------------|
| Sr. No. | Particulars                                                                                            | Current Year    | Previous Year   |
| i)      | The notional principal of swap agreements <sup>#</sup>                                                 | 7,48,317.86     | 8,43,159.96     |
| ii)     | Losses which would be incurred if counterparties fail to fulfil their obligations under the agreements | 3,399.77        | 4,058.55        |
| iii)    | Collateral required by the Bank upon entering swaps                                                    | -               | -               |
| iv)     | Concentration of credit risk arising from the swaps                                                    | Not significant | Not significant |
| v)      | The fair value of the swap book                                                                        | (2,925.93)      | (2,854.08)      |

<sup>#</sup>Excludes IRS/FRA amounting to ₹50,517.50 Crore (Previous Year ₹40,744.08 Crore) entered with the Bank's own foreign offices.

# Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

### c. Risk Exposure in Derivatives:

#### Qualitative Risk Exposure

- i) The Bank currently deals in over the counter (OTC) interest rate and currency derivatives as also in Interest Rate Futures and Exchange Traded Currency Derivatives.

Interest Rate Derivatives dealt by the Bank are rupee interest rate swaps, foreign currency interest rate swaps and forward rate agreements, cap, floor and collars.

Currency derivatives dealt by the Bank are currency swaps, rupee dollar options and cross-currency options.

The Bank also deals in Non-deliverable Options and Non-deliverable Forwards as permitted by RBI.

The products are offered to the Bank's customers to hedge their exposures and the Bank also enters into derivatives contracts to cover off such exposures. Derivatives are used by the Bank both for trading as well as hedging balance sheet items.

The Bank also runs option position in USD/INR, which is managed through various types of loss limits and Greek limits.

- ii) Derivative transactions carry market risk i.e. the probable loss the Bank may incur as a result of adverse movements in interest rates/exchange rates and credit risk i.e. the probable loss the Bank may incur if the counterparties fail to meet their obligations. The Bank's "Policy for Derivatives" approved by the Board prescribes the market risk parameters (Greek limits, Loss Limits, cut-loss triggers, open position limits, duration, modified duration, PV01 etc.) as well as customer eligibility criteria (credit rating, tenure of relationship, limits and customer appropriateness and suitability of policy (CAS) etc.) for entering into derivative transactions. Credit risk is controlled by entering derivative transactions only with counterparties satisfying the criteria prescribed in the Policy. Appropriate limits are set for the counterparties taking into account their ability to honour obligations and the Bank enters into ISDA agreement with each counterparty.
- iii) The Asset Liability Management Committee (ALCO) of the Bank oversees efficient management of these risks. The Bank's Market Risk Management Department (MRMD) identifies, measures, monitors market risk associated with derivative transactions, assists ALCO in controlling and managing these risks and reports compliance with policy prescriptions to the Risk Management Committee of the Board (RMCB) at regular intervals.
- iv) The accounting policy for derivatives has been drawn-up in accordance with RBI guidelines, the details of which are presented under Schedule 17: Significant Accounting Policies (SAP).
- v) Interest Rate Swaps are mainly used for hedging of the assets and liabilities.
- vi) Majority of the swaps were done with First class counterparty banks.
- vii) Derivative transactions comprise of swaps which are disclosed as contingent liabilities. The swaps are categorised as trading or hedging.
- viii) Derivative deals are entered with only those interbank participants for whom counterparty exposure limits are sanctioned. Similarly, derivative deals entered with only those corporates for whom credit exposure limit is sanctioned. Collateral requirements for derivative transactions are laid down as a part of credit sanctions terms on a case-by-case basis. Such collateral requirements are determined based on usual credit appraisal process. The Bank retains the right to terminate transactions as a risk mitigation measure in certain cases.

## c. Disclosure of “First Resort Complaints received, and action taken” in terms of Policy related Action Point in Annual Conference of the RBI Ombudsmen’s October 2022:

Under clause 10 of the Reserve Bank Integrated Ombudsman Scheme-2021 (RB-IOS), the complaints not related to deficiency of service rejected by Banking Ombudsman as non-maintainable advising the complainants to approach the concerned Regulated Entity directly are called as First Resort Complaints.

During the financial year 2023-24, a total of 23,029 First Resort Complaints (FRCs) were received by RB-IOs.

To ensure reduction in First Resort Complaints (FRCs), the Bank has taken initiatives as under:

- The salient features of RB-IO Scheme have been displayed at all the branches, ATM kiosks and digitally displayed on ATMs, Bank’s website, Internet Banking webpage & YONO app.
- Bank gives wide publicity for increasing customer awareness so that customer may approach the RBI Ombudsman, whenever they are not satisfied with the resolution provided by the Bank.

## 18.12. DISCLOSURE OF PENALTIES IMPOSED BY THE RESERVE BANK OF INDIA

- a. During the year ended 31<sup>st</sup> March 2024, the Reserve Bank of India (RBI) in exercise of the powers vested under the provisions of section 47A(1)(c) read with sections 46(4)(i) and 51(1) of the Banking Regulation Act, 1949 imposed following penalties:
  - i. RBI vide order dated 25<sup>th</sup> September 2023 levied penalty of ₹1 Crore for non-compliance with certain directions issued by RBI on 'Loans and Advances- Statutory and Other Restrictions' and ₹0.30 Crore for non-compliance with certain directions issued by RBI on 'Guidelines on Management of Intra-Group Transactions and Exposures'.
  - ii. RBI vide order dated 26<sup>th</sup> February 2024 levied penalty of ₹1 Crore for contravention of the provisions of Section 19(2) of the Banking Regulation Act, 1949 and ₹1 Crore for contravention of the provisions of Section 26A(2) of the Banking Regulation Act, 1949 read with the Depositors Education Awareness Fund Scheme, 2014.
- b. No penalty has been levied on the Bank for contravention under the provisions of Payment and Settlement Systems Act, 2007 and Government Securities Act, 2006 (for bouncing SGL).
- c. There is no default in reverse repo transaction.

## 18.13. OTHER DISCLOSURES

### a. Business Ratios:

| Sr. No. | Particulars                                                 | Current Year | Previous Year |
|---------|-------------------------------------------------------------|--------------|---------------|
| i.      | Interest Income as a percentage to Working Funds            | 7.07%        | 6.35%         |

|----------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| On Plan Liability (Gain) /Loss         | 382.17                | 1,053.04              | 366.15                | 138.91                | 542.28                |
| On Plan Asset (Loss) /Gain             | 249.84                | 331.37                | (76.85)               | (336.70)              | 447.04                |

The expected contribution to the Pension and Gratuity Fund for the next year is ₹8,250.00 Crore and ₹694.22 Crore respectively.

As the plan assets are marked to market on the basis of the yield curve derived from government securities, the expected rate of return has been kept the same as the discount rate.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long term and are not based on limited past experience / immediate future. Empirical evidence also suggests that in very long term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

**2. Employees' Provident Fund**

Actuarial valuation carried out in respect of interest shortfall in the Provident Fund Trust of the Bank, as per Deterministic Approach shows "Nil" liability, hence no provision is made in FY2023-24.

# Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

The following table sets out the status of Provident Fund as per the actuarial valuation by the independent Actuary appointed by the Bank:

| Particulars                                                                                             | Provident Fund |               |
|---------------------------------------------------------------------------------------------------------|----------------|---------------|
|                                                                                                         | Current Year   | Previous Year |
| <b>Change in the present value of the defined benefit obligation</b>                                    |                |               |
| Opening defined benefit obligation as at 1 <sup>st</sup> April                                          | 38,236.80      | 36,730.00     |
| Current Service Cost                                                                                    | 2,123.44       | 1,480.33      |
| Interest Cost                                                                                           | 3,087.84       | 2,762.87      |
| Employee Contribution (including VPF)                                                                   | 2,822.83       | 1,952.97      |
| Actuarial losses/(gains)                                                                                | (3.96)         | -             |
| Benefits paid                                                                                           | (4,439.74)     | (4,689.37)    |
| Closing defined benefit obligation as at 31 <sup>st</sup> March                                         | 41,827.21      | 38,236.80     |

### Principal actuarial assumptions

| Particulars            | Provident Fund       |                      |
|------------------------|----------------------|----------------------|
|                        | Current Year         | Previous Year        |
| Discount Rate          | 7.21%                | 7.48%                |
| Guaranteed Return      | 8.15%                | 8.10%                |
| Attrition Rate         | 2.00%                | 2.00%                |
| Salary Escalation Rate | 6.00%                | 6.00%                |
| Mortality Table        | IALM 2012-14 (Urban) | IALM 2012-14 (Urban) |

There is a guaranteed return applicable to liability under SBI Employees Provident Fund which shall not be lower of either:

- one half percent above the average standard rate (adjusted up or down to the interest one quarter per cent) quoted by the bank for new deposits fixed for twelve months in the preceding year (ending on the preceding 31<sup>st</sup> day of March); or
- three percent per annum, subject to approval of Executive Committee.

### ii. Defined Contribution Plan:

The Bank has a Defined Contribution Pension Scheme (DCPS) applicable to all categories of officers and employees joining the Bank on or after 1<sup>st</sup> August 2010. The Scheme is managed by NPS Trust under the aegis of the Pension Fund Regulatory and Development Authority. National Securities Depository Limited has been appointed as the Central Record Keeping Agency for the NPS. During F.Y. 2023-24, the Bank has contributed ₹1,552.41 Crore (Previous Year ₹1,296.27 Crore).

### iii. Long Term Employee Benefits (Unfunded Obligation):

#### (A) Accumulating Compensated Absences (Privilege Leave)

The following table sets out the status of Accumulating Compensated Absences (Privilege Leave) as per the actuarial valuation by the independent Actuary appointed by the Bank: -

| Particulars                                                                                             | Accumulating Compensated Absences (Privilege Leave) |               |
|---------------------------------------------------------------------------------------------------------|-----------------------------------------------------|---------------|
|                                                                                                         | Current Year                                        | Previous Year |
| <b>Change in the present value of the defined benefit obligation</b>                                    |                                                     |               |

## c. Accounting Standard - 17 "Segment Reporting"

### 1. Segment Identification

#### I. Primary (Business Segment)

The following are the primary segments of the Bank: -

- Treasury
- Corporate / Wholesale Banking
- Retail Banking
- Other Banking Business.

The present accounting and information system of the Bank does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the primary segments have been computed as under:

**i. Treasury**

The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.

**ii. Corporate / Wholesale Banking**

The Corporate / Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Commercial Clients Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices.

**iii. Retail Banking**

The Retail Banking Segment comprises of retail branches, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with these branches. This segment also includes agency business and ATMs.

**iv. Other Banking business**

Segments not classified under (i) to (iii) above are classified under this primary segment.

**II. Secondary (Geographical Segment)**

- i) Domestic Operations - Branches/Offices having operations in India
- ii) Foreign Operations - Branches/Offices having operations outside India and offshore Banking Units having operations in India

**III. Pricing of Inter-segmental Transfers**

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market Related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sells funds to business units engaged in creating assets.

**IV. Allocation of Expenses, Assets and Liabilities**

Expenses incurred at Corporate Centre establishments directly attributable either to Corporate / Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Bank has certain common assets and liabilities, which cannot be attributed to any segment, and the same are treated as unallocated.

# Schedules

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## 2. Segment Information

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## j. Accounting Standard – 29 “Provisions, Contingent Liabilities and Contingent Assets”:

### Description of Contingent liabilities:

| Sr. No. | Particulars                                                                                 | Brief Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|---------|---------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1       | Claims against the Bank not acknowledged as debts                                           | The Bank is a party to various proceedings in the normal course of business. The Bank does not expect the outcome of these proceedings to have a material adverse effect on the Bank's financial conditions, results of operations or cash flows. The Bank is also a party to various taxation matters in respect of which appeals are pending.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| 2       | Liability on partly paid-up investments/ Venture Funds                                      | This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| 3       | Liability on account of outstanding forward exchange contracts                              | The Bank enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as Contingent Liabilities. With respect to the transactions entered into with its customers, the Bank generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.                                                                                                                                                                                                                                                    |
| 4       | Guarantees given on behalf of constituents, acceptances, endorsements and other obligations | As a part of its commercial Banking activities, the Bank issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Bank. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| 5       | Other items for which the Bank is contingently liable                                       | The Bank enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by the Bank on behalf of Associates & Subsidiaries, Bank's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities. |

The Contingent Liabilities mentioned above are dependent upon the outcome of Court/ arbitration/out of Court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvement and raising of demand by concerned parties, as the case may be.

### Movement of provisions against Contingent Liabilities:

The movement of provisions against contingent liabilities given in the table below:

| Particulars                                  | (₹ in Crore)    |                 |
|----------------------------------------------|-----------------|-----------------|
|                                              | Current Year    | Previous Year   |
| Opening balance                              | 3,109.95        | 3,664.18        |
| Additions during the year                    | 127.22          | 143.54          |
| Less: Amount utilised during the year        | 534.11          | 86.59           |
| Less: Unused amount reversed during the year | 99.38           | 611.18          |
| <b>Closing balance</b>                       | <b>2,603.68</b> | <b>3,109.95</b> |

### d. **Provision on accounts covered under the provisions of Insolvency and Bankruptcy Code (IBC):**

As per RBI letters no. DBR.No.BP.15199/21.04.048/2016-17 and DBR. No. BP. 1906/21.04.048/ 2017-18 dated 23<sup>rd</sup> June 2017 and 28<sup>th</sup> August 2017 respectively, for the accounts covered under the provisions of Insolvency and Bankruptcy Code (IBC), the bank is holding total provision of ₹3,783.03 Crore (100% of total outstanding) as on 31<sup>st</sup> March 2024 (Previous Year ₹3,935.48 Crore {100% of total outstanding})

### e. **Provision for Wage Revision:**

The Bank has made a total provision of ₹15,877.09 Crore towards arrears of wages due for revision w.e.f. 1<sup>st</sup> November 2022. On signing of the 12<sup>th</sup> Bi-partite wage settlement and 9<sup>th</sup> Joint Note on 8<sup>th</sup> March 2024, the salary was revised during the month of March 2024 and accordingly provisions of ₹14,134.86 Crore was utilised. The balance of ₹1,742.23 Crore is yet to be disbursed towards residual salary revision and ex-gratia for pensioners/family pensioners.

### f. **Exceptional items:**

During the year ended on 31<sup>st</sup> March 2024 the Bank has recognised following as exceptional items:

- a. Provision of ₹5,400 Crore for estimated liability on account of pension at uniform rate of 50% for all pensioners prospectively, in place of existing dual rate of calculation of pension.
- b. Provision of ₹1,700 Crore on account of ex-gratia benefit and neutralisation of Dearness Relief to pre-November 2002 retirees and family pensioners.

### g. The Central Board has declared a dividend of ₹13.70 per share @ 1370% for the year ended 31<sup>st</sup> March 2024.

### h. Previous year figures have been regrouped/reclassified, wherever necessary, to conform to current year classification. In cases where disclosures have been made for the first time in terms of RBI guidelines/Accounting Standards, previous year's figures have not been mentioned.

# State Bank of India

# Independent Auditors' Report

To

**The President of India**

## **REPORT ON AUDIT OF THE STANDALONE FINANCIAL STATEMENTS OF STATE BANK OF INDIA**

### **Opinion**

1. We have audited the accompanying Standalone Financial Statements of State Bank of India ("the Bank") which comprise the Balance Sheet as at March 31, 2024, the Profit and Loss Account and the Statement of Cash Flow for the year then ended, and Notes to Standalone Financial Statements including a summary of Significant Accounting Policies and other explanatory information in which are included returns for the year ended on that date of:
  - i. The Central offices, 17 Local Head offices, Global Market Unit, International Business Group, Corporate Accounts Group (Central), Commercial Client Group (Central), Stressed Asset Resolution Group (Central), Central Accounts Offices and 20 branches audited by us and;
  - ii. 5999 Indian branches audited by respective Statutory Branch Auditors;
  - iii. 35 Foreign branches audited by respective Local Auditors;

The branches audited by us and those audited by other auditors have been selected by the Bank in accordance with the guidelines issued to the Bank by the Reserve Bank of India (RBI). Also incorporated in the Balance Sheet, the Profit and Loss Account and the Statement of Cash Flows are the returns from 19149 Indian branches (including other accounting units) which have not been subjected to audit. These unaudited branches account for 23.41% of advances, 38.60% of deposits, 18.37% of interest income and 34.66% of interest expenses.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Banking Regulation Act, 1949 and State Bank of India Act, 1955 in the manner so required for the Bank and are in conformity with accounting principles generally accepted in India and:

- a) the Balance Sheet, read with the notes thereon is a full and fair Balance Sheet containing all the necessary particulars, is properly drawn up so as to exhibit a true and fair view of the state of affairs of the Bank as at 31<sup>st</sup> March, 2024;
- b) the Profit and Loss Account, read with the notes thereon shows a true balance of profit for the year ended on that date; and
- c) the Cash Flow Statement gives a true and fair view of the cash flows for the year ended on that date.

### **Basis for Opinion**

2. We conducted our audit in accordance with the Standards on Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the Standalone Financial Statements, prepared in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the ICAI, and provisions of section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India (RBI) from time to time and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

3. Key Audit Matters are those matters that in our professional judgment were of most significance in our audit of the Standalone Financial Statements for the year ended March 31, 2024. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report:

# Independent Auditors' Report

| Sr. No. | Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | How the matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

| i       | <p>Classification of Advances, Income Recognition, Identification of and provisioning for non-performing Advances (Refer Schedule 9 read with Note 3 of Schedule 17 to the financial statements)</p> <p>Advances include Bills purchased and discounted, Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/Government Guarantees and Unsecured advances.</p> <p>Advances constitute 59.94% of the Bank's total assets. They are, inter-alia, governed by income recognition, asset classification and provisioning (IRAC) norms and other circulars and directives issued by the RBI from time to time which provides guidelines related to classification of Advances into performing and non- performing Advances (NPA) except in case of foreign offices, classification of advances and provisioning thereof is made as per local regulations or RBI guidelines, whichever is more stringent. The Bank classifies these Advances based on IRAC norms as per its accounting policy No. 3.</p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) viz. Core Banking Solution (CBS) which identifies whether the advances are performing or non- performing.</p> <p>Further, NPA classification and calculation of provision (except in case of foreign offices) is done through another IT System viz. Centralised Credit Data Processing (CCDP) Application Software and other processes.</p> <p>The carrying value of these advances (net of provisions) may be materially misstated if, either individually or in aggregate, the IRAC norms are not properly followed.</p> <p>Considering the nature of the transactions, regulatory requirements, existing business environment, estimation/ judgement involved in valuation of securities and calculation of provisions, it is a matter of high importance for the intended users of the Standalone Financial Statements. Considering these aspects, we have determined this as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on income recognition, asset classification and provisioning pertaining to advances due to the materiality of the balances</p> | <p>Our audit approach towards advances with reference to the IRAC norms and other related circulars/directives issued by the RBI and also internal policies and procedures of the Bank includes the testing of controls on sample basis,</p> <ol style="list-style-type: none"> <li>The accuracy of the data input in the system for income recognition, classification into performing and non performing Advances and provisioning in accordance with the IRAC norms in respect of the branches audited by us;</li> <li>Existence and effectiveness of monitoring mechanisms such as Internal Audit, Systems Audit, Credit Audit and Concurrent Audit as per the policies and procedures of the Bank;</li> <li>Examination of advances including stressed advances on a sample basis with respect to compliance with the RBI Master Circulars / Guidelines/ Judicial pronouncements;</li> <li>We have relied on the reports of IT System Audit by IAD with respect to the business logics / parameters inbuilt in CBS and CCDP for tracking, identification and stamping of NPAs and provisioning in respect thereof.</li> <li>We tested the mapping of advances in the CCDP application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</li> <li>We have examined the efficacy of various internal controls over advances to determine the nature, timing and extent of the substantive procedures and compliance with the observations of the various audits conducted as per the monitoring mechanism of the Bank and RBI Inspection.</li> <li>In carrying out substantive procedures at the branches audited by us, we have examined large advances/ stressed advances while other advances have been examined on a sample basis including review of valuation reports of independent valuers provided by the Bank's management.</li> <li>We assessed and evaluated the process of identification of NPAs and corresponding reversal of income and creation of provision;</li> <li>Reliance is also placed on Audit Reports of other Statutory Branch Auditors with whom we have also made specific communication.</li> <li>Bank has laid down detailed Standard Operating Procedure to ensure control over processes. We have relied on these Standard Operating Procedures and have conducted our testing based on these Standard Operating Procedures.</li> </ol> |

| Sr. No. | Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | How the matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ii      | <p>Classification and Valuation of Investments, Identification of and provisioning for Non-Performing Investments (Schedule 8 read with Note 2 of Schedule 17 to the financial statements)</p> <p>Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, Shares, Security receipts and other approved securities.</p> <p>Investments constitute 27.05 per cent of the Bank's total assets. These are governed by the circulars and directives of the RBI. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, the corresponding non-recognition of income and provision there against.</p> <p>The valuation of each category (type) of the aforesaid securities is to be done as per the method prescribed in circulars and directives issued by the RBI which involves collection of data/information from various sources such as FIMMDA rates, rates quoted on BSE/NSE, financial statements of unlisted companies etc. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on valuation of investments, classification, identification of non performing investments and provisioning related to investments</p> | <p>Our audit approach towards Investments with reference to the RBI Circulars/directives included the understanding of internal controls and substantive audit procedures in relation to valuation, classification, identification of non performing investments (NPIs), provisioning/depreciation related to Investments. In particular;</p> <ol style="list-style-type: none"> <li>We understood and evaluated the Bank's internal control system to comply with relevant RBI guidelines regarding valuation, classification, identification of NPIs, provisioning/depreciation related to investments;</li> <li>We assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments;</li> <li>For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for each category of security. Samples were selected after ensuring that all the categories of investments (based on nature of security) were covered in the sample;</li> <li>We assessed and evaluated the process of identification of NPIs and corresponding reversal of income and creation of provision;</li> <li>We carried out substantive audit procedures to recompute independently the provision to be maintained and depreciation to be provided in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPIs as per the RBI guidelines and recomputed the provision to be maintained in accordance with the RBI Circular for those selected sample of NPIs;</li> <li>We tested the mapping of investments between the Investment application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</li> </ol> |

|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| iii     | <p>Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct and Indirect Taxes, various claims filed by other parties not acknowledged as debt (Schedule 12 read with Note 18.13 of Schedule 18 to the financial statements):</p> <p>There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgement, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgement in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgements/ interpretation of law involved.</p>                                                                                                                                                                                         | <p>Our audit approach involved:</p> <ul style="list-style-type: none"> <li>a. Obtaining an understanding of internal controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances;</li> <li>b. Understanding the current status of the litigations/tax assessments including the status up to the date of auditor's report;</li> <li>c. Examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up action thereon;</li> <li>d. Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice including opinion of our internal tax experts;</li> <li>e. Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and</li> <li>f. Verification of disclosures related to significant litigations and taxation matters.</li> </ul> |
| iv      | <p>Valuation of employees' defined benefit obligations:</p> <p>The Bank has recognised long-term defined benefit obligations for its employees on actuarial basis. Pension and gratuity obligations are funded by the Bank. Shortfall, if any, in Bank's Provident Fund Scheme is also provided for on actuarial basis. The Bank makes periodic contributions to fund administered by Trustees based on an independent external actuarial valuation carried out annually. Unfunded long-term defined benefit obligations are compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The cost of providing unfunded long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date.</p> <p>The actuarial valuations of employee benefit obligations are dependent on market conditions and assumptions made. The key audit matter specifically relates to the following key assumptions: discount rate, inflation expectations and life expectancy assumptions. The setting of these assumptions is complex and requires the exercise of significant management judgement with the support of third-party actuary.</p> | <p>We tested governance and controls in place over the methodologies and the significant assumptions, including those in relation to the use of management's experts. We examined the reports of external actuarial specialist and reviewed the key actuarial assumptions used, both financial and demographic, and considered the methodology applied to derive these assumptions including review of input data provided for actuarial valuations of employees' defined benefit obligations. Furthermore, we have examined the sensitivity analysis on the key assumptions in valuing the defined benefit obligations. We also evaluated the objectivity and competence of management's expert involved in the valuation of the defined benefit obligation. We assessed the appropriateness of the methodology used, and tested the accuracy of the calculation, to estimate the liability.</p>                                                                                                                                                                                                             |

## Information Other than the Standalone Financial Statements and Auditors' Report thereon

4. The Bank's Board of Directors is responsible for preparation of the Other Information. The Other Information comprises the Corporate Governance Report which we obtained at the time of issue of this report. The Other Information also includes Directors' Report including annexures in Annual Report but does not include the Standalone Financial Statements and our Auditors' Report thereon, which is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the Standalone Financial Statements does not cover the Other Information and Pillar 3 disclosures under the Basel III and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the Other Information identified above and, in doing so, consider whether the Other Information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the Other Information that we obtained prior to the date of this Auditors' Report, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this matter.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

5. The Bank's Board of Directors is responsible with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India including the Accounting Standards issued by ICAI to the extent applicable, and provisions of Section 29 of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and circulars and guidelines issued by RBI from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the above mentioned Acts for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls,

that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Bank's financial reporting process.

## Auditors' Responsibilities for the Audit of the Standalone Financial Statements

6. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement whether due to fraud or error and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

# Independent Auditors' Report

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the Key Audit Matters.

We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Other Matters

7. We did not audit the financial statements / information of 6034 branches (including 35 Foreign branches) included in the Standalone Financial Statements of the Bank whose financial statements/ financial information reflects total assets of ₹23,18,952 Crore at March 31, 2024 and total revenue of ₹1,77,712 Crore for the year ended on that date, as considered in the Standalone Financial Statements. The financial statements/ information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors.

Our opinion is not modified in respect of the above matter.

## Report on Other Legal and Regulatory Requirements

8. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949; and these give information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations there under.

Subject to the limitations of the audit indicated in paragraphs 6 to 8 above and as required by the State Bank of India Act, 1955, and subject also to the limitations of disclosure required therein and as required by sub-section (3) of section 30 of the Banking Regulation Act, 1949, we report that:

- a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
- b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
- c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.
- d) The profit and loss account shows the true balance of profit for the year ended 31.3.2024.

9. We further report that:

- a) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from branches not visited by us;
- b) the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account and with the returns received from the branches not visited by us;
- c) the reports on the accounts of the branch offices audited by branch auditors of the Bank as per the provisions of the section 29 of the Banking Regulation Act, 1949, and the State Bank of India Act, 1955 have been sent to us and have been properly dealt with by us in preparing this report; and
- d) in our opinion, the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement comply with the applicable accounting standards, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.

10. As required by letter No. DOS.ARG/SEC.01/08.91.001/2021-22No.6270/08.91.001/2019-20 dated April 27, 2021 on "Appointment of Statutory Central Auditors (SCAs) in

Public Sector Banks – Reporting obligations for SCAs", we further report on the matters specified in paragraph 2 of the aforesaid letter as under:

- a) In our opinion, the aforesaid Standalone Financial Statements comply with the applicable Accounting Standards issued by ICAI, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.
- b) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the Bank.
- c) As the bank is not registered under the Companies Act, 2013 the disqualifications from being a director of the bank under sub-section (2) of Section 164 of the Companies Act, 2013 do not apply to the bank.
- d) There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.
- e) Our Audit report on the adequacy and operating effectiveness of the Bank's Internal Financial Controls over Financial Reporting is given in Annexure – A to this report expressing an unmodified opinion on the Bank's Internal Financial Control over Financial Reporting with reference to the Standalone Financial Statements as at 31<sup>st</sup> March, 2024.

# Annexure "A" to the Independent Auditors' Report

**(Referred to in paragraph 11(e) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

**Report on the Internal Financial Controls Over Financial Reporting as required by the Reserve Bank of India (the "RBI") Letter DOS.ARG. No.6270/08.91.001/2019-20 dated March 17, 2020 (as amended) (the "RBI communication")**

We have audited the internal financial controls over financial reporting of State Bank of India ("the Bank") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Bank for the year ended on that date which includes internal financial controls over financial reporting of the Bank's branches.

## **Management's Responsibility for Internal Financial Controls**

The Bank's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Banking Regulation Act, 1949 and the circulars and guidelines issued by the Reserve Bank of India.

## **Auditors' Responsibility**

Our responsibility is to express an opinion on the Bank's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI") and the Standards on Auditing (SAs) issued by the ICAI, to the extent applicable to an audit of internal financial

controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls Over Financial Reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal financial controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the branch auditors, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls over financial reporting.

## **Meaning of Internal Financial Controls Over Financial Reporting**

A Bank's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Bank's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorisations of management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Bank's assets that could have a material effect on the financial statements.

# Annexure "A" to the Independent Auditors' Report

## Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the branch auditors referred to in the Other

Matters paragraph below, the Bank has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on "the criteria for internal control over financial reporting established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI".

## Other Matters

Our aforesaid report in so far as it relates to the operating effectiveness of internal financial controls over financial reporting of 955 branches is based on the corresponding reports of the respective branch auditors of those branches.

Our opinion is not modified in respect of this matter.

## SCHEDULE 17-SIGNIFICANT ACCOUNTING POLICIES

### A. Background:

State Bank of India ('SBI' or 'the Bank') is a banking and financial services statutory body engaged in providing a wide range of products and services to individuals, commercial enterprises, large corporates, public bodies, and institutional customers. The Bank is governed by the Banking Regulation Act, 1949 and the State Bank of India Act, 1955.

State Bank of India Group ('SBI Group' or 'the Group') consists of SBI, 26 Subsidiaries, 7 Joint ventures and 19 Associates.

Following are the Significant Accounting Policies of SBI Group i.e. the specific accounting principles and methods of applying these principles in the preparation and presentation of consolidated financial statements of SBI.

### B. Basis of Preparation:

The accounting and reporting policies of the SBI Group conform to Generally Accepted Accounting Principles in India (Indian GAAP), comprising of regulatory norms, directions & guidelines prescribed by the Reserve Bank of India (RBI), statutory guidelines of the State Bank of India Act, 1955, the Banking Regulations Act, 1949, Insurance Regulatory and Development Authority of India (IRDAI), Pension Fund Regulatory and Development Authority (PFRDA), SEBI (Mutual Funds) Regulations, 1996, Companies Act 2013, Accounting Standards issued by Institute of Chartered Accountants of India (ICAI) and the accounting practices prevalent in India.

In case of foreign entities, Generally Accepted Accounting Principles as applicable to the foreign entities are followed.

The Bank's consolidated financial statements are prepared under the historical cost convention, with fundamental accounting assumptions of going concern, consistency, and accrual, unless otherwise stated.

The consolidated financial statements have been prepared in accordance with guidelines issued by RBI and requirements under the Third Schedule of the Banking Regulation Act, 1949.

### C. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

### D. Basis of Consolidation:

#### 1. Consolidated financial statements of the SBI Group includes:

- a. Financial statements of State Bank of India (Parent).
- b. Line by line aggregation of each item of asset/liability/income/expense of the subsidiaries with the respective item of the Parent. Elimination of all material intra-group balances/transactions and resulting unrealised gains and adjustments required for non-uniform accounting policies as per AS 21 "Consolidated Financial Statements" issued by the ICAI.
- c. Proportionate share of asset/liability/income/expense of the joint venture entities are consolidated as per AS 27 "Financial Reporting of Interests in Joint Ventures" issued by the ICAI.
- d. Accounting for investment in 'Associates' under the 'Equity Method' as per AS 23 "Accounting for Investments in Associates in Consolidated Financial Statements" issued by the ICAI.

2. The difference between cost to the group of its investment in the subsidiary entities and the group's portion of the equity of the subsidiaries is recognised in the financial statements as goodwill / capital reserve.

3. Minority interest in the net assets of the consolidated subsidiaries consists of:

- a. The amount of equity attributable to the minority shareholders at the date on which the investment in the equity shares of the subsidiary is made, and
- b. The minority share of movements in revenue reserves/ loss (equity) since the date the parent-subsidiary relationship came into existence.

## E. Significant Accounting Policies:

### 1. Revenue recognition:

- 1.1 Income and expenditure are accounted on accrual basis, except otherwise stated.
- 1.2 Interest/Discount income is recognised, in the Profit and Loss Account, on realisation basis for the following:
  - a. Income from Non-Performing Assets (NPAs) including investments, as per the prudential norms prescribed by the RBI/ respective country regulators in the case of foreign offices/entities (hereafter collectively referred to as Regulatory Authorities),
  - b. Income on Rupee Derivatives designated as "Trading".
- 1.3 In accordance with the guidelines issued by the Reserve Bank of India, Profit on sale of investments held in the "Held to Maturity" category of the Bank and on sale of Fixed Assets held by the Bank is appropriated to Capital Reserve, net of applicable taxes and amount required to be transferred to Statutory Reserve.

The discount, if any, on acquisition of investments in Held to Maturity (HTM) category is accounted as follows:

  - a. on Interest bearing securities, it is accounted for at the time of sale/ redemption.
  - b. on zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.
- 1.4 Dividend income is recognised when the right to receive the dividend is established.
- 1.5 Commission on Letter of Credit (LC)/ Bank Guarantee (BG), Deferred Payment Guarantee, Government Business, ATM interchange fee & "Upfront fee on restructured account" are recognised on accrual basis proportionately over the period. All other commission and fee income are accounted on their realisation.
- 1.6 One time Insurance Premium paid under Special Home Loan Scheme (December 2008 to June 2009) is amortised over the average loan period of 15 years.
- 1.7 Brokerage, Commission etc. paid/incurred in connection with the issue of Bonds/Deposits are amortised over the tenure of the related Bonds/Deposits and the

expenses incurred in connection with the issue are charged upfront.

- 1.8 The Bank derecognises its financial assets when it sells to Securitisation Company (SC) / Reconstruction Company (RC), and accounts for as under:
  - i. If the sale is at a price below the Net Book Value (NBV) (i.e., book value less provisions held), the shortfall is debited to the Profit and Loss Account in the year of sale.
  - ii. If the sale is for a value higher than the NBV, the excess provision is written back in the year the amounts are received.
- 1.9 Issue management fees and advisory fees, in case of Group's merchant banking business, are recognised as per the terms of the agreement with the customer/ client. The fee income is recognised only when the specific act / milestone defined in the agreement is executed/completed.
  - 1.9.1. Fees for private placement are recognised on completion of the assignments.
  - 1.9.2. Brokerage income in relation to stock broking activity is recognised on the trade date of transaction and includes stamp duty, transaction charges and is net of incentives paid on scheme.
  - 1.9.3. Commission relating to public issues is accounted for on finalisation of allotment of the public issue/ receipt of information from intermediary.
  - 1.9.4. Brokerage income relating to public issues/mutual fund/other securities is accounted for based on mobilisation and intimation received from clients/ intermediaries.
  - 1.9.5. Depository income – Annual Maintenance Charges are recognised on accrual basis and transaction charges are recognised on trade date of transaction.
- 1.10 Management fee, in case of Group's asset management business, is charged as a percent of the Assets Under Management (AUM) and is recognised on accrual basis. The maximum amount of management fee that can be charged is subject to applicable SEBI regulations. In case of AIF Scheme, management fees is recognised as defined in offer document on accrual basis.

# Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

- 1.10.1. Portfolio Management Fees and Advisory Fees are recognised on an accrual basis as per the terms of the contract with customers.

These contracts include a single performance obligation (series of distinct services) that is satisfied over time and the management fees and/or advisory fees earned are considered as variable consideration.

If the consideration promised in a contract includes a variable amount, the company estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.

- 1.10.2. Expenses of schemes in excess of the stipulated rates (if any) are required to be borne by the Company in accordance with SEBI (Mutual Fund) Regulations, 1996 and as such, are charged to Profit and Loss Account. In case of PMS/AIF scheme, based on the contract, expenses if any, are charged to the Profit and Loss Account.

- 1.10.3. Brokerage paid by the Company in line with applicable regulations is being charged to Profit and Loss Account over the contractual period. In case of new fund offer, the expenses are charged to Profit and Loss Account in the year in which they are incurred in accordance with the requirements of SEBI (Mutual Fund) Regulations, 1996.

- 1.11 Income earned from provision of membership services, in case of Group's credit card business, is recognised as revenue over the membership period consisting of 12 months at fair value of consideration net of expected reversals / cancellations.

- 1.11.1. Other service revenue consists of value-add services provided to the card holders. Other service revenues are recognised in the same period in which related transactions occur or services rendered.

- 1.11.2. Interchange fees are collected from acquirers and paid to issuers by network partners to reimburse the issuers for portion of the costs incurred for providing services that benefit all participants in the system, including acquirers and merchants. Revenue from interchange income is recognised when related transaction occurs, or service is rendered.

- 1.11.3. The total unidentified receipts which could not be credited or adjusted in the customers' accounts for lack of complete & correct information is considered as liability in Balance Sheet. The unresolved unidentified receipts aged more than three years are written back as other income on balance sheet date. The liability for stale cheques aged for more than three years is written back as income.

- 1.11.4. All other service income/fees are recorded at the time of occurrence of the respective events.

- 1.12 Factoring charges, in case of Group's factoring business, are accrued on factoring of debts at the applicable rates as decided by the company. Facility set-up fees are recognised as income only when there is reasonable certainty of its receipt after execution of documents. Facility Continuation fees (FCF) are calculated and charged in the month of May for the entire next financial year on all live standard accounts. 1<sup>st</sup> of May is deemed as date for accrual of the FCF.

- 1.13 Premium, in case of Group's life insurance business, of non-linked business is recognised as income (net of goods and service tax) when due from policyholders. In respect of linked business, premium income is recognised when the associated units are allotted. In case of variable insurance products (VIPs), premium income is recognised on the date when the Policy Account Value is credited. Uncollected premium from lapsed policies is not recognised as income until such policies are revived.

- 1.13.1. Top-up premiums are considered as single premium.

- 1.13.2. Income from linked funds which includes fund management charges, policy administration charges, mortality charges, etc. are recovered from linked fund in accordance with terms and conditions of policy and recognised when recovered.

1.13.3. Realised gains and losses in respect of equity securities, units of mutual funds, Equity Exchange Traded funds (ETFs), Infrastructure Investment Trusts (InvITs) and Real Estate Investments Trusts (REITs) are calculated as the difference between the net sales proceeds and their cost. In respect of debt securities, the realised gains and losses are calculated as the difference between net sale proceeds or redemption proceeds and weighted average amortised cost. Cost in respect of equity shares, units of mutual fund Equity Exchange Traded funds (ETFs), Infrastructure Investment Trusts (InvITs) and Real Estate Investments Trusts (REITs) are computed using the weighted average method.

1.13.4. Fees received on lending of equity shares under Securities lending and borrowing scheme (SLB) is recognised as income over the period of the lending on straight-line basis.

1.13.5. Premium ceded on reinsurance is accounted in accordance with the terms of the re-insurance treaty or in-principle arrangement with the re-insurer.

**1.13.6. Benefits paid:**

- Claims cost consist of the policy benefit amounts and claims settlement costs, where applicable.
- Claims by death and rider are accounted when intimated. Intimations up to the end of the period are considered for accounting of such claims.
- Claims by maturity are accounted on the policy maturity date.
- Survival and Annuity benefits claims are accounted when due.
- Surrenders and withdrawals are accounted as and when intimated. Benefits paid also includes amount payable on lapsed policies which are accounted for as and when due. Surrenders, withdrawals and lapsation are disclosed at net of charges recoverable.
- Repudiated claims disputed before judicial authorities are provided for based on management prudence considering the facts and evidences available in respect of such claims.

- Amounts recoverable from re-insurers are accounted for in the same period as the related claims and are reduced from claims.

1.13.7. Acquisition costs such as commission, medical fees, etc. are costs that are primarily related to the acquisition of new and renewal insurance contracts. The same are expensed in the period in which they are incurred.

1.13.8. **Liability for life policies:** The actuarial liability of all the life insurance policies has been calculated by the Appointed Actuary in accordance with the Insurance Act 1938, and as per the rules and regulations and circulars issued by IRDAI from time to time and the relevant Guidance Notes and/or Actuarial Practice Standards (APS) issued by the Institute of Actuaries of India.

**1.13.9. Funds for future appropriation:**

For non-linked participating business, the balance in the funds for future appropriations (FFA) account represents funds, the allocation of which, either to participating policyholders' or to shareholders', has not been determined at the Balance Sheet date. Transfers to and from the fund reflect the excess or deficit of income over expenses and appropriations in each accounting period arising in the Company's policyholders' fund. In respect of participating policies any allocation to the policyholder would also give rise to a shareholder transfer in the required proportion.

1.14 Premium including reinsurance accepted (net of goods & service tax) , in case of Group's general insurance business, is recognised in the books at the commencement of risk over the contract period or the period of risk, whichever is appropriate. In case the premium is recovered in instalments, amount to the extent of instalment due is recorded on the due date of the instalment. Premium (net of goods & service tax), including reinstatement premium, on direct business and reinsurance accepted, is recognised as income over the contract period or the period of risk, whichever is appropriate, on a gross basis under 1/365 method. In case of long-term motor insurance policies premium is recognised on a yearly basis as mandated by IRDAI. Any subsequent revision to premium is recognised over the

# Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

remaining period of risk or contract period. Adjustments to premium income arising on cancellation of policies are recognised in the period in which they are cancelled.

1.14.1. Commission on reinsurance ceded is recognised as income in the period in which reinsurance risk is ceded. Profit commission under re-insurance treaties, wherever applicable, is recognised as income in the year of final determination of the profits as intimated by Reinsurer and combined with commission on reinsurance ceded.

Sliding scale commission under reinsurance treaties, wherever applicable, is recognised as income as per the reinsurance treaty conditions as confirmed by reinsurers and combined with commission on reinsurance ceded.

1.14.2. In respect of proportional reinsurance ceded, the cost of reinsurance ceded is accrued at the commencement of risk over the contract period or the period of risk. Non-proportional reinsurance cost is recognised when due. Non-proportional reinsurance cost is accounted as per the terms of the reinsurance arrangements. Any subsequent revision to, refunds or cancellations of premiums is recognised in the period in which they occur.

1.14.3. Reinsurance inward acceptances are accounted for on the basis of returns, to the extent received, from the insurers.

1.14.4. Acquisition costs are expensed in the period in which they are incurred. Acquisition costs are defined as costs that vary with, and are primarily related to the acquisition of new and renewal insurance contracts viz. commission. The primary test for determination as acquisition cost is the obligatory relationship between the costs and the execution of the insurance contracts (i.e. commencement of risk). In case of long-term motor insurance policies commission is expensed at the applicable rates on the premium allocated for the year as mandated by IRDAI.

1.14.5. Premium Received in Advance which represents premium received prior to the commencement of the risk is shown separately under the head "Other Liabilities and Provision" in the financial statements and is recorded as income on the date of commencement of risk.

Reserve for Unexpired risk is that part of the net premium written (i.e., premium net of reinsurance ceded) that is attributable to, and to be allocated to succeeding accounting periods on contract period basis or risk period basis, whichever is appropriate. Such reserves are calculated on a pro-rata basis under 1/365 basis, subject to minimum reserve requirements as per Circular No. IRDA/F&A/CIR/CPM/056/03/2016 dated April 4, 2016.

1.14.6. If the ultimate amount of expected net claim costs (as calculated and certified by the Actuary), related expenses and maintenance costs (related to claims handling) in respect of unexpired risks at the end of the accounting period exceeds the sum of related premium carried forward to the subsequent accounting period as the reserve for unexpired risk, the same is recognised as premium deficiency.

Premium deficiency is calculated on annual basis and at the company level.

1.14.7. Claim is recognised as and when a loss occurrence is reported. Claim is recognised by creation of provision for the amount of claim payable as estimated by the management based on available information and experience, on receipt of claim notification. Such provision is reviewed / modified as appropriate on the basis of additional information as and when available. Amounts received/receivable from the re-insurers/co-insurers, under the terms of the reinsurance and coinsurance arrangements respectively, is recognised together with the recognition of claim. Provision for claims outstanding payable as on the date of Balance Sheet is net of reinsurance, salvage value and other recoveries as estimated by the management. Claims paid (net of recoveries including value of salvage retained by the insured and interest, if any, paid on the claims) is charged to the Profit and Loss Account when approved for payment. Where salvage is taken over by the company, the recoveries from sale of salvage are recognised at the time of such sale.

1.14.8. Provision in respect of claim liabilities that may have been incurred before the end of the accounting year but are

- not yet reported or claimed (IBNR) or
- not enough reported i.e. reported with information insufficient for making a reasonable estimate of likely claim amount (IBNER).

The provision is made according to the amount determined by the Appointed Actuary based on actuarial principles in accordance with the Actuarial Practice Standards and Guidance Notes issued by the Institute of Actuaries of India and IRDAI regulations and guidelines.

1.15 The revenue (net of goods & service tax), in case of Group's custody & fund accounting services, is recognised only when it can be reliably measured and it is probable that the economic benefits will flow to the company. Custody fees, fund accounting fees and referral fees are accounted on accrual basis as per the agreed terms of agreement.

1.16 Management fee, in case of Group's pension fund business, is recognised at specific rates agreed with the relevant schemes, applied on daily net assets of each scheme, and is in conformity with the regulatory guidelines issued by Pension Fund Regulatory and Development Authority (PFRDA). Commission income from Point of Presence (POP) Business i.e. Account opening fees and contribution processing fees are recognised on the basis of contributions received from subscribers and generation of Permanent Retirement Account Number (PRAN). The Company presents revenues net of goods and service tax in profit and loss account.

1.17 Mutual Fund Trusteeship fee, in case of Group's trusteeship business, is recognised on accrual basis at specific rates agreed with the relevant schemes, applied on the percentage of daily net assets of each scheme and is in conformity with the limits specified under SEBI (Mutual Funds) Regulations, 1996.

1.17.1. Corporate Trusteeship Acceptance fees are recognised on execution of trusteeship agreement on a straight -line basis using time elapsed method over the contract term. Corporate

Trusteeship service charges are recognised on execution of trusteeship agreement on a straight -line basis using time elapsed method over the contract term.

1.17.2. Income from "will" services is recognised at a point in time when these services are performed, customer is invoiced and right to receive fees is established.

1.18 The revenue, in case of Group's merchant acquiring business (MAB), is measured on basis of consideration received or receivable for the services provided, excluding discounts, GST and other applicable taxes and are recognised upon performance of services.

1.18.1. The revenue from deployment of POS is recognised either over the period during which the service is rendered or on basis of the number of transactions processed during the period in accordance with the rates and conditions specified in the agreements. Based on the contract terms, the merchant makes payment for merchant discount rate (MDR), monthly rental and commitment charges and the same is treated as revenue from operation.

1.18.2. Income received but not accrued on account of maintenance deployment contract are recognised as deferred revenue and included in liabilities until the revenue recognition criteria are met. Income accrued but not billed represents revenue recognised on work performed but billed in subsequent period, in accordance with terms of the contract.

1.18.3. Revenue is recognised to the extent it is probable that the economic benefits will flow, and the revenue can be reliably measured.

## **2. Investments:**

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation, as given below:

### **2.1 Classification:**

As per RBI guidelines, investments are classified into Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) categories.

# Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

For disclosure in Balance Sheet, the investments are classified as Investments in India and outside India.

- Under each category, the investments in India are further classified as (i) Government Securities, (ii) Other Approved Securities, (iii) Shares, (iv) Debentures and Bonds, (v) Subsidiaries and Associates and (vi) Others. The Investments outside India are classified under three categories – (i) Government Securities, (ii) Subsidiaries and/or joint Ventures abroad and (iii) Other Investments.

## 2.2 Basis of classification:

- i. Investments that the Bank intends to hold till maturity are categorised as "Held to Maturity (HTM)".
- ii. Investments that are held principally for resale within 90 days from the date of purchase are classified as "Held for Trading (HFT)".
- iii. Investments, which are not classified in the above two categories, are classified as "Available for Sale (AFS)".
- iv. An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.
- v. Investments in associates are classified as HTM except in respect of those investments which are acquired and held exclusively with a view to its subsequent disposal. These investments are classified as AFS.

## 2.3 Valuation:

- i. The transactions in all securities are recorded on a Settlement Date. Cost of investment under AFS and HFT category is determined at the weighted average cost method by the group entities and cost of investments under HTM category is determined on FIFO basis (first in first out) by SBI and weighted average cost method by other group entities.
  - a. Brokerage/commission received on subscriptions is reduced from the cost. Brokerage, commission, securities transaction tax, etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.

- b. Broken period interest paid / received on debt instruments is treated as interest expense/income and is excluded from cost/sale consideration.

## ii. Valuation of investments classified as Held to Maturity:

- a. Investments under Held to Maturity category are carried at acquisition cost. The premium paid on acquisition, if any, is amortised over the term to maturity on constant yield basis. Such amortisation of premium is accounted as income on investments.
- b. A provision is made for diminution, other than temporary, for each investment individually.
- c. Investments in Regional Rural Banks (RRBs) are valued at equity cost determined in accordance with AS 23 of the ICAI.

## iii. Valuation of investments classified as Available for Sale and Held for Trading:

Investments held under Available for Sale and Held for Trading are individually revalued at market price or fair value determined as per the regulatory guidelines and the net depreciation, if any, of each group for each category (viz., (i) Government securities (ii) Other Approved Securities (iii) Shares (iv) Debentures & Bonds (v) Subsidiaries and Associates; and (vi) others) is provided for and net appreciation is ignored.

## iv. Valuation policy in event of inter category transfer of investments:

- a. Transfer of securities from HFT/AFS category to HTM category is carried out at the lower of acquisition cost/book value/market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for.
- b. Transfer of securities from HTM category to AFS category is carried out on acquisition price/book value. On transfer, these securities are immediately revalued and resultant depreciation, if any, in the Profit and Loss Account.

**v. Valuation in case of sale of NPA (financial asset) to Securitisation Company (SC) / Asset Reconstruction Company (ARC) against issue of Security Receipts:**

- a. The investment in security receipts obtained by way of sale of NPA to SC/RC, is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR.
  - b. SRs issued by an SC/ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ARC, is reckoned for valuation of such investments.
- vi. Treasury Bills and Commercial Papers are valued at carrying cost.

**2.4 Investments (NPI):**

- i. In respect of domestic offices/ entities, based on the guidelines issued by RBI, investments are classified as performing and non-performing as follows:
  - a. Interest/instalment (including maturity proceeds) is due and remains unpaid for more than 90 days.
  - b. In the case of equity shares, in the event the investment in the shares of any company is valued at ₹1 per company on account of the non-availability of the latest Balance Sheet, those equity shares would be reckoned as NPI.
  - c. The Bank also classifies an investment as a non-performing investment, in case any credit facility availed by the same borrower/ entity has been classified as a non-performing asset and vice versa. The above is applied to Preference Shares where the fixed dividend is not paid.

- d. The investments in debentures/bonds, which are deemed to be advance, are also subjected to NPI norms as applicable to investments.
- ii. In respect of foreign offices/entities, classification and provisions for non-performing investments (NPIs) are made as per the local regulations or as per the norms of RBI, whichever is more prudent.

**2.5 Accounting for Repo/Reverse Repo transactions:**

The Bank enters Repurchase and Reverse Repurchase Transactions with RBI under Liquidity Adjustment Facility (LAF) and with market participants. Repurchase Transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse Repo Transactions on the other hand, represent lending funds by purchasing the securities.

- a. Transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Collateralised Lending and Borrowing transactions.
- b. In Repo and Reverse Repo transaction, securities sold (purchased) and repurchased (resell) are accounted as normal outright sale (purchase) transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and contra entries. The above entries are reversed on the date of maturity.
- c. Balance in Repo Account is classified under Schedule 4 (Borrowings).
- d. All type of Reverse Repos with RBI including those under Liquidity Adjustment Facility are presented under sub item (ii) 'In Other Accounts' of item (II) Balances with RBI under Schedule 6 'Cash and balances with RBI'.
- e. Reverse Repos with banks and other institutions having original tenors up to and inclusive of 14 days are classified as 'Money at call and short notice' under Schedule 7 'Balance with Banks and Money at call & short notice'. Reverse Repos with original maturity more than 14 days but up to 1 year are classified as 'Cash Credits, overdrafts, and loans repayable on demand', under Schedule 9 'Advances'. All other Reverse Repos are classified as 'Term Loans' under Schedule 9 'Advances'.

# Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

- f. Borrowing cost of repo transactions and revenue on reverse repo transactions, with RBI or others, is accounted for as interest expense and interest income, respectively.

2.6 In case of life and general insurance subsidiaries, investments are accounted in accordance with the Insurance Act, 1938, the IRDAI (Investment) Regulations, 2016 and IRDA (Presentation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002, Investment policy of the company and various other circulars / notifications as issued by IRDAI from time to time.

**(i) Valuation of investment pertaining to non-linked life insurance business and general insurance business:**

- All debt securities, including government securities and money market securities are stated at historical cost subject to amortisation of premium or accretion of discount.
- Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. National Stock Exchange of India Limited ('NSE') is considered. If NSE closing price is not available, then closing price of BSE Limited ('BSE') is considered.
- Unlisted equity securities, equity related instruments and preference shares are measured at historical cost.
- In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
- Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from Credit Rating Information Services of India Limited (CRISIL).
- Investments in mutual fund units are valued at the Net Asset Value (NAV) of previous day in life insurance and of Balance Sheet date in general insurance.

- Investment in Alternative Investment Funds (AIFs) are valued at latest available NAV.
- The Investment in units of REITs/InvITs are valued at Market Value (last quoted price should not be later than 30 days). For the purpose of determining market value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available for any security, then BSE closing price is used for valuation. Where market quote is not available for the last 30 days, the units are valued as per the latest NAV (not more than 6 months old) of the units published by the trust.

Unrealised gains or losses arising due to change in the fair value of listed equity shares, mutual fund units, AIFs and units of REITs/InvITs pertaining to shareholders' investments and non-linked policyholders investments are taken to "Revenue & Other Reserves (Schedule 2)" and "Liabilities relating to Policyholders in Insurance Business (Schedule 5)" respectively, in the Balance Sheet.

**(ii) Valuation of investment pertaining to linked business:**

- Debt Securities including Government securities with remaining maturity of more than one year are valued at prices obtained from CRISIL. Debt securities including Government securities with remaining maturity of less than one year are valued on yield to maturity basis, where yield is derived using market price provided by CRISIL on the day when security is classified as short term. If security is purchased during its short term tenor, it is valued at amortised cost using yield to maturity method. In case of securities with options, earliest Call Option/ Put Option date will be taken as maturity date for this purpose. Money market securities are valued at historical cost subject to amortisation of premium or accretion of discount on yield to maturity basis.
- Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. NSE is considered. If NSE

closing price is not available, closing price of the BSE is considered.

- Unlisted equity shares, equity related instruments and preference shares are measured at historical cost.
- In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
- Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from CRISIL.
- Investments in mutual fund units are valued at the previous day's Net Asset Value (NAV).
- The Investment in units of REITs / InvITs are valued at Market Value (last quoted price should not be later than 30 days). For the purpose of determining market value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available for any security, then BSE closing price is used for valuation. Where market quote is not available for the last 30 days, the units are valued as per the latest NAV (not more than 6 months old) of the units published by the trust.
- Unrealised gains or losses arising due to changes in the fair value are recognised in the Profit & Loss Account.

### 3. Loans/Advances and Provisions thereon:

3.1 Based on the guidelines/directives issued by the RBI, Loans and Advances are classified as performing and non-performing as follows:

- i. A term loan is classified a non-performing asset, if interest and/or instalment of principal remains overdue for a period of more than 90 days;
- ii. An Overdraft or Cash Credit is classified a non-performing asset, if the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance-sheet, or if the credits are not adequate to cover the interest debited during the same period;

- iii. The bills purchased/discounted are classified as non-performing assets, if the bill remains overdue for a period of more than 90 days;
- iv. The agricultural advances are classified as non-performing assets, if (a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (b) for long duration crops, where the principal or interest remains overdue for one crop season.

3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:

- i. Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
- ii. Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.
- iii. Loss: A loan asset where loss has been identified but the amount has not been fully written off.

3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

|                            |      |                                                                                                                                                          |
|----------------------------|------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Substandard Assets:</b> | i.   | A general provision of 15% on the total outstanding;                                                                                                     |
|                            | ii.  | Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio); |
|                            | iii. | Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available – 20%.                           |
| <b>Doubtful Assets:</b>    |      |                                                                                                                                                          |
| - Secured portion:         | i.   | Upto one year – 25%                                                                                                                                      |
|                            | ii.  | One to three years – 40%                                                                                                                                 |
|                            | iii. | More than three years – 100%                                                                                                                             |
| - Unsecured portion        |      | 100%                                                                                                                                                     |

3.4 In respect of foreign offices/entities, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more prudent.

3.5 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.

# Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

- 3.6 For restructured/rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loan/advances before and after restructuring is provided for, in addition to provision for the respective loans/advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.
- 3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.
- 3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.
- 3.9 In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.
- 3.10 The Bank also makes additional provisions on specific non-performing assets.
- 3.11 Appropriation of recoveries in NPAs are made in order of priority as under :
- Charges, Costs, Commission etc.
  - Unrealised Interest / Interest
  - Principal

However, in Compromise and Resolution/ Settlement through National Company Law Tribunal (NCLT) cases, the recoveries are appropriated as per the terms of respective compromise/ resolution/ settlement. In case of suit filed accounts, recovery is appropriated as per directives of respective courts.

## 4. Floating Provisions & Countercyclical Provisioning Buffer:

The Bank has a policy for creation and utilisation of Countercyclical Provisioning Buffer in good times as well as for Floating Provisions separately for advances, investments and general purposes. The quantum of Countercyclical Provisioning Buffer and Floating Provisions to be created is assessed at the end of the financial year. These provisions are utilised only for contingencies under extra ordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

## 5. Provision for Country Exposure for Banking Entities:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the "Other Liabilities & Provisions – Others".

## 6. Derivatives:

- 6.1 The Bank enters in derivative contracts, such as foreign currency options, interest rate swaps, currency swaps, cross currency interest rate swaps and forward rate agreements to hedge on-Balance Sheet/off-Balance Sheet assets and liabilities or for trading purposes. The swap contracts entered to hedge on-Balance Sheet assets and liabilities are structured in such a way that they bear an opposite and offsetting impact with the underlying on-Balance Sheet items. The impact of such derivative instruments is correlated with the movement of the underlying assets and accounted in accordance with the principles of hedge accounting.
- 6.2 Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets / liabilities are also marked to market.
- 6.3 Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognised in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account - Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account - Positive MTM".

- 6.4 Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark to Market value for forex Over the Counter (OTC) options.
- 6.5 Exchange Traded Derivatives entered in for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognised in the Profit and Loss Account.

## 7. Fixed Assets Depreciation and Amortisation:

- 7.1 Fixed Assets are carried at cost less accumulated depreciation/ amortisation except for freehold premises carried at revalued amount, being fair value at the date of revaluation less accumulated depreciation, as stated otherwise.
- 7.2 Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put to use. Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability. The fixed assets in domestic offices/ entities are depreciated at straight line method based on useful life of the assets states as under:

| Sr. No. | Description of Fixed Assets                                                                                  | Useful Life |
|---------|--------------------------------------------------------------------------------------------------------------|-------------|
| 1       | Computers                                                                                                    | 3 Years     |
| 2       | Computer Software forming an integral part of the computer hardware                                          | 3 Years     |
| 3       | Computer Software which does not form an integral part of Computer hardware and cost of Software Development | 3 Years     |
| 4       | Automated Teller Machine/ Cash Deposit Machine/Coin Dispenser / Coin Vending Machine                         | 5 Years     |
| 5       | Servers                                                                                                      | 4 Years     |
| 6       | Network Equipment                                                                                            | 5 Years     |
| 7       | Other major fixed assets                                                                                     |             |
|         | Premises                                                                                                     | 60 Years    |
|         | Safe Deposit Lockers                                                                                         | 20 Years    |
|         | Furniture & Fixtures                                                                                         | 10 Years    |
|         | Air Conditioners                                                                                             | 8 Years     |
|         | Vehicles                                                                                                     | 5 Years     |

- 7.3 In respect of assets acquired during the year for domestic operations, depreciation is charged on proportionate basis for the number of days assets have been put to use during the year.

- 7.4 Assets costing less than ₹1,000 each are charged off in the year of purchase.
- 7.5 In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease (except for premises and land on perpetual lease) and Lease payments for assets taken on Operating lease are recognised as expense in the Profit & Loss account over the lease term on straight line basis.
- 7.6 In respect of fixed assets held at foreign offices/entities, depreciation is provided as per the regulations /norms of the respective countries.
- 7.7 The Bank revalue freehold immovable assets at every three years. The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account. Additional Depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to General Reserve. The revalued asset is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

## 8. Leases:

The asset classification and provisioning norms applicable to advances, as laid down in Para 3 above, are applied to financial leases also.

## 9. Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

## 10. Effect of changes in the foreign exchange rate:

### 10.1 Foreign Currency Transactions:

- Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.

# Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

- ii. Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/forward) rates.
- iii. Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- iv. Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
- v. Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss Account.
- vi. Foreign exchange forward contracts which are not intended for trading and are outstanding on the Balance Sheet date, are re-valued at the closing spot rate. The premium or discount arising at the inception of such a forward exchange contract is amortised as expense or income over the life of the contract.
- vii. Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.
- viii. Gains / Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognised in the Profit and Loss Account.

## 10.2 Foreign Operations:

Foreign Branches/Subsidiaries / Joint Ventures of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

### a. Non-integral Operations:

- i. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- ii. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
- iii. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.
- iv. The Assets and Liabilities of foreign offices/subsidiaries /joint ventures in foreign currency (other than local currency of the foreign offices/subsidiaries/joint ventures) are translated into local currency using spot rates applicable to that country on the Balance Sheet date.

### b. Integral Operations:

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/Forward) exchange rates notified by FEDAI at the Balance Sheet date and the resulting Profit/Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
- iii. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

## 11. Employee Benefits:

### 11.1 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits, which are expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the service.

### 11.2 Long Term Employee Benefits:

#### i. Defined Benefit Plans:

- a. SBI operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Bank's Provident Fund scheme. SBI contributes monthly at a determined rate (currently 10% of employee's basic pay plus eligible allowance). These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. SBI recognises such annual contributions as an expense in the year to which it relates, Shortfall, if any, is provided for based on actuarial valuation.

SBI Life Insurance Company Limited makes contribution towards provident fund, a defined benefit retirement plan. The provident fund is administered by the trustees of the SBI Life Insurance Company Limited Employees PF Trust. The contribution paid or payable under the schemes is charged to the Profit and Loss Account during the period in which the employee renders the related service. Further, an actuarial valuation is conducted annually by an independent actuary to recognise the deficiency, if any, in the interest payable on the contributions as compared to the interest liability as per the statutory rate.

- b. The group entities operate separate Gratuity schemes, which are defined benefit plans. The group entities provide for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement or on death while in employment, or on termination of employment, for an amount equivalent

to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities. Vesting occurs upon completion of five years of service. SBI makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.

- c. SBI provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. SBI makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Employees' Pension Fund Regulations. The pension liability is reckoned based on an independent actuarial valuation carried out annually and SBI makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the Pension Fund Regulations.
- d. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains/losses are immediately recognised in the Profit and Loss and are not deferred.

#### ii. Defined Contribution Plans:

SBI operates a New Pension Scheme (NPS) for all officers/ employees joining SBI on or after 1<sup>st</sup> August, 2010, which is a defined contribution plan, such new joinees not being entitled to become members of the existing SBI Pension Scheme. As per the scheme, the covered employees contribute 10% of their basic pay plus dearness allowance to the scheme together with SBI's contribution at 14% of basic pay plus dearness allowance. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in SBI and earn interest at the same rate as that of the current account

# Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

of Provident Fund balance. SBI recognises such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

### iii. Other Long Term Employee benefits:

- a. All eligible employees of the Group are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The cost of such long-term employee benefits are internally funded by the group entities.
- b. The cost of providing other long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost, if any, is immediately recognised in the Profit and Loss and is not deferred.

11.3 Employee benefits relating to employees employed at foreign offices/ entities are valued and accounted for as per the respective local laws/regulations.

## 12. Segment Reporting:

The Group recognises the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 issued by Institute of Chartered Accountants of India.

## 13. Taxes on income:

Income tax expense is the aggregate amount of current tax, deferred tax and fringe benefit tax expense incurred by the Group. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – “Accounting for Taxes on Income” respectively after considering taxes paid at the foreign offices, which are based on the tax laws of respective jurisdiction. Deferred Tax adjustments comprises of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year and carry forward losses.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management's judgement as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

In Consolidated Financial Statement, income tax expenses are the aggregate of the amounts of tax expense appearing in the separate financial statements of the parent and its subsidiaries/joint ventures, as per their applicable laws.

## 14. Earnings per Share:

14.1 The Bank reports basic and diluted earnings per share in accordance with AS 20 – “Earnings per Share” issued by the ICAI. Basic Earnings per Share are computed by dividing the Net Profit after Tax for the year attributable to equity shareholders (other than minority) by the weighted average number of equity shares outstanding for the year.

14.2 Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

## 15. Provisions, Contingent Liabilities and Contingent Assets:

15.1 In conformity with AS 29, “Provisions, Contingent Liabilities and Contingent Assets”, issued by the Institute of Chartered Accountants of India, the Group recognises provisions only when it has a present obligation because of a past event and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

### 15.2 No provision is recognised for

- i. any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group entities; or
- ii. any present obligation that arises from past events but is not recognised because
  - a. it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - b. a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

15.3 Provision for reward points in relation to the "Enterprise-Wide Loyalty Programme" of SBI is being provided for on actuarial estimates.

15.4 Provisions for onerous contracts are recognised when the expected benefits to be derived by the Bank from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Bank recognises

any impairment loss on the assets associated with that contract.

15.5 Contingent Assets are not recognised in the financial statements.

### 16. Bullion Transactions:

SBI imports bullion including precious metal bars on a consignment basis for selling to its customers. The imports are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier. SBI earns a fee on such bullion transactions. The fee is classified under commission income. SBI also accepts deposits and lends gold, which is treated as deposits/advances as the case may be with the interest paid/received classified as interest expense / income. Gold Deposits, Metal Loan Advances and closing Gold Balances are valued at available Market Rate as on the date of Balance Sheet.

### 17. Special Reserves:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

### 18. Share Issue Expenses:

Share issue expenses are charged to the Share Premium Account.

### 19. Cash and cash equivalents:

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.

# Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## SCHEDULE 18 - NOTES TO ACCOUNTS:

### 1. List of Subsidiaries/Joint Ventures/Associates considered for preparation of consolidated financial statements:

**1.1** The 26 Subsidiaries, 7 Joint Ventures and 19 Associates including 14 Regional Rural Banks from/upto respective dates of merger/exit during the year (which along with State Bank of India, the parent, constitute the Group), considered in the preparation of the consolidated financial statements, are :

#### A) Subsidiaries:

| S. No. | Name of the Subsidiary                              | Country of incorporation | Group's Stake (%) |               |
|--------|-----------------------------------------------------|--------------------------|-------------------|---------------|
|        |                                                     |                          | Current Year      | Previous Year |
| 1)     | SBI Capital Markets Ltd.                            | India                    | 100.00            | 100.00        |
| 2)     | SBICAP Securities Ltd.                              | India                    | 100.00            | 100.00        |
| 3)     | SBICAP Trustee Company Ltd.                         | India                    | 100.00            | 100.00        |
| 4)     | SBICAP Ventures Ltd.                                | India                    | 100.00            | 100.00        |
| 5)     | SBI DFHI Ltd.                                       | India                    | 72.17             | 72.17         |

**Principal actuarial assumptions:**

| Particulars                           | Pension Plans |               |
|---------------------------------------|---------------|---------------|
|                                       | Current year  | Previous year |
| Discount Rate                         | 7.23%         | 7.53%         |
| Expected Rate of return on Plan Asset | 7.23%         | 7.53%         |
| Salary Escalation Rate                | 6.00%         | 6.00%         |
| Pension Escalation Rate               | 2.00%         | 2.00%         |
| Attrition Rate                        | 2.00%         | 2.00%         |

| Particulars                           | Gratuity Plans |               |
|---------------------------------------|----------------|---------------|
|                                       | Current year   | Previous year |
| Discount Rate                         | 7.21%          | 7.48%         |
| Expected Rate of return on Plan Asset | 7.21%          | 7.48%         |
| Salary Escalation Rate                | 6.00%          | 6.00%         |
| Attrition Rate                        | 2.00%          | 2.00%         |

The expected contribution to the Pension and Gratuity fund for the next year is ₹8,250.00 Crore and ₹745.92 Crore respectively.

In case of SBI, the plan assets are marked to market on the basis of the yield curve derived from government securities, the expected rate of return has been kept the same as the discount rate.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long term and are not based on limited past experience/immediate future. Empirical evidence also suggests that in very long term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

| <b>Total</b>                                               | <b>100.00%</b>   |

**Principal actuarial assumptions**

| Particulars       | Provident Fund |               |
|-------------------|----------------|---------------|
|                   | Current year   | Previous year |
| Discount Rate     | 7.21%          | 7.48%         |
| Guaranteed Return | 8.15%          | 8.10%         |
| Attrition Rate    | 2.00%          | 2.00%         |
| Salary Escalation | 6.00%          | 6.00%         |

- i) There is a guaranteed return applicable to liability under SBI Employees Provident Fund which shall not be lower of either:
  - (a) one half percent above the average standard rate (adjusted up or down to the interest one quarter per cent) quoted by the bank for new deposits fixed for twelve months in the preceding year (ending on the preceding the 31<sup>st</sup> day of March); or
  - (b) three percent per annum, subject to approval of Executive Committee.
- ii) The rules of the SBI Life Insurance Company Ltd.'s Provident Fund administered by a Trust require that if the Board of Trustees are unable to pay interest at the rate declared for Employees' Provident Fund by the Government under para 60 of the Employees' Provident Fund Scheme, 1952 for the reason that the return on investment is less or for any other reason, then the deficiency shall be made good by the Company.

## 2.2.2 Defined Contribution Plans

### 2.2.2.1 Employees Provident Fund

An amount of ₹64.17 Crore (Previous Year ₹48.57 Crore) is contributed towards the Provident Fund Scheme by the group (excluding the entities covered in Note 2.2.1.2) and is included under the head "Payments to and provisions for employees" in Profit and Loss Account.

### 2.2.2.2 Defined Contribution Pension Scheme

SBI has a Defined Contribution Pension Scheme (DCPS) applicable to all categories of officers and employees joining SBI on or after 1<sup>st</sup> August 2010. The Scheme is managed by NPS Trust under the aegis of the Pension Fund Regulatory and Development Authority. National Securities Depository Limited has been appointed as the Central Record Keeping Agency for the NPS. During FY2024, SBI has contributed ₹1,552.41 Crore (Previous Year ₹1,296.27 Crore).

# Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## 2.2.2.3 The following amount is provided by the group (excluding SBI) towards Defined Contribution Plans:

(₹ in Crore)

| Sl. No.      | Long Term Employees' Benefits        | Current Year | Previous Year |
|--------------|--------------------------------------|--------------|---------------|
| 1            | Employee Pension Scheme under PF Act | 44.06        | 37.39         |
| 2            | National Pension System              | 10.32        | 16.84         |
| 3            | Others                               | 14.80        | 13.25         |
| <b>Total</b> |                                      | <b>69.18</b> | <b>67.48</b>  |

## 2.2.3 Long Term Employee Benefits (Unfunded Obligation)

## Principal actuarial assumptions

| Particulars       | Current Year | Previous Year |
|-------------------|--------------|---------------|
| Discount Rate     | 7.21%        | 7.48%         |
| Salary Escalation | 6.00%        | 6.00%         |
| Attrition Rate    | 2.00%        | 2.00%         |

### **Accumulating Compensated Absences (Privilege Leave) (excluding the entities covered in above table)**

An amount of ₹62.56 Crore (Previous Year ₹45.39 Crore) is provided by the group (excluding the entities covered in above table) towards Privilege Leave (Encashment) including leave encashment at the time of retirement and is included under the head "Payments to and provisions for employees" in Profit and Loss Account.

### **2.2.3.2 Other Long Term Employee Benefits**

Amount of ₹198.87 Crore (Previous Year ₹28.68 Crore) is provided by the group towards Other Long Term Employee Benefits viz. Leave Travel and Home Travel Concession (Encashment/Availment), Silver Jubilee/Long Term Service Award, Resettlement Expenses on Superannuation and Retirement Award and is included under the head "Payments to and provisions for employees" in Profit and Loss Account.

**2.2.4** The employee benefits listed above are in respect of the employees of the Group based in India. The employees of the foreign operations are not covered in the above schemes.

## **2.3 Accounting Standard- 17 "Segment Reporting"**

### **2.3.1 Segment identification**

#### **A) Primary (Business Segment)**

The following are the Primary Segments of the Group:

- Treasury
- Corporate / Wholesale Banking
- Retail Banking
- Insurance Business
- Other Banking Business

The present accounting and information system of the Group does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the Primary Segments have been computed as under:

- a) Treasury:** The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.
- b) Corporate / Wholesale Banking:** The Corporate / Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Commercial Clients Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices/entities.
- c) Retail Banking:** The Retail Banking Segment comprises of retail branches, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with these branches. This segment also includes agency business and ATMs.
- d) Insurance Business:** The Insurance Business Segment comprises of the results of SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd.
- e) Other Banking Business:** Segments not classified under (a) to (d) above are classified under this primary segment. This segment also includes the operations of all the Non-Banking Subsidiaries/Joint Ventures other than SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd. of the group.

# Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## **B) Secondary (Geographical Segment):**

- a) Domestic Operations:** Branches, Subsidiaries and Joint Ventures having operations in India.
- b) Foreign Operations:** Branches, Subsidiaries and Joint Ventures having operations outside India and offshore banking units having operations in India.

## **C) Pricing of Inter-segmental Transfers**

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sell funds to business units engaged in creating assets.

## **D) Allocation of Revenue, Expenses, Assets and Liabilities**

Expenses of parent incurred at Corporate Centre establishments directly attributable either to Corporate / Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Group has certain common assets and liabilities, which cannot be attributed to any segment, and the same are treated as unallocated.

### 2.5.2 Operating Lease

#### Premises taken on operating lease are given below:

Operating leases primarily comprise office premises and staff residences, which are renewable at the option of the group entities.

#### Liability for Premises taken on Non-Cancellable operating lease are given below:

| Particulars                                  | (₹ in Crore)                         |                                      |
|----------------------------------------------|--------------------------------------|--------------------------------------|
|                                              | As at<br>31 <sup>st</sup> March 2024 | As at<br>31 <sup>st</sup> March 2023 |
| Not later than 1 year                        | 153.12                               | 126.19                               |
| Later than 1 year and not later than 5 years | 287.42                               | 272.86                               |
| Later than 5 years                           | 126.76                               | 163.27                               |
| <b>Total</b>                                 | <b>567.30</b>                        | <b>562.32</b>                        |

Amount of lease payments recognised in the Profit & Loss Account for the year is ₹4,720.64 Crore (Previous Year ₹4,376.74 Crore).

### 2.6 Accounting Standard-20 "Earnings per Share":

The Bank reports basic and diluted earnings per equity share in accordance with Accounting Standard 20 - "Earnings per Share". "Basic earnings" per share is computed by dividing consolidated net profit/ (loss) after tax (other than minority) by the weighted average number of equity shares outstanding during the year.

| Particulars                                                                         | Current Year  | Previous Year |
|-------------------------------------------------------------------------------------|---------------|---------------|
| <b>Basic and diluted</b>                                                            |               |               |
| Number of Equity Shares outstanding at the beginning of the year                    | 892,46,11,934 | 892,46,11,534 |
| Number of Equity Shares issued during the year                                      | -             | 400           |
| Number of Equity Shares outstanding at the end of the year                          | 892,46,11,934 | 892,46,11,934 |
| Weighted average number of equity shares used in computing basic earnings per share | 892,46,11,934 | 892,46,11,707 |
| Weighted average number of shares used in computing diluted earnings per share      | 892,46,11,934 | 892,46,11,707 |
| Net Profit/(Loss) for the Group (₹ in Crore)                                        | 67,084.67     | 55,648.17     |
| Basic earnings per share (₹)                                                        | 75.17         | 62.35         |
| Diluted earnings per share (₹)                                                      | 75.17         | 62.35         |
| Nominal value per share (₹)                                                         | 1.00          | 1.00          |

### 2.7 Accounting Standard-22 "Accounting for Taxes on Income":

| Sr. No | Particulars                                                                                 | Brief Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|--------|---------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1      | Claims against the Group not acknowledged as debts                                          | The Group is a party to various proceedings in the normal course of business. It does not expect the outcome of these proceedings to have a material adverse effect on the Group's financial conditions, results of operations or cash flows. The Group is also a party to various taxation matters in respect of which appeals are pending.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| 2      | Liability on partly paid-up investments/ Venture Funds                                      | This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| 3      | Liability on account of outstanding forward exchange contracts                              | The Group enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as contingent liabilities. With respect to the transactions entered into with its customers, the Group generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.                                                                                                                                                                                                                                             |
| 4      | Guarantees given on behalf of constituents, acceptances, endorsements and other obligations | As a part of its commercial banking activities, the Group issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Group. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| 5      | Other items for which the Group is contingently liable                                      | The Group enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by SBI on behalf of Associates & Subsidiaries, SBI's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities. |

The contingent liabilities mentioned above are dependent upon the outcome of court/arbitration/out of court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvement and raising of demand by concerned parties, as the case may be.

➤ **Movement of provisions against contingent liabilities:**

**The movement of provisions against contingent liabilities given in the table below:**

|        |                                        |              | (₹ in Crore)  |
|--------|----------------------------------------|--------------|---------------|
| Sr No. | Particulars                            | Current Year | Previous Year |
| a      | Opening Balance                        | 3,115.33     | 3,669.17      |
| b      | Additions during the year              | 138.63       | 143.99        |
| c      | Amount utilised during the year        | 534.19       | 86.65         |
| d      | Unused amount reversed during the year | 99.38        | 611.18        |
| e      | Closing balance                        | 2,620.39     | 3,115.33      |

- Inter-Bank/ Company balances between group entities are being reconciled on an ongoing basis and there is no material effect on the profit and loss account of the current year.
- No disclosure on divergence in asset classification and provisioning for NPAs is required by SBI with respect to RBI's supervisory process for the year ended 31<sup>st</sup> March 2023, based on the conditions mentioned in RBI Circular No. DOR.ACC.REC. No.74/21.04.018/2022-23 dated 11<sup>th</sup> October 2022.

# Schedules

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2024

## 5. Provision for Wage Revision

SBI has made a total provision of ₹15,877.09 Crore towards arrears of wages due for revision w.e.f. 1<sup>st</sup> November 2022. On signing of the 12<sup>th</sup> Bi-partite wage settlement and 9<sup>th</sup> Joint Note on 8<sup>th</sup> March 2024, the salary was revised during the month of March 2024 and accordingly provision of ₹14,134.86 Crore was utilised. The balance of ₹1,742.23 Crore is yet to be disbursed towards residual salary revision and ex-gratia for pensioners/family pensioners.

## 6. Exceptional Items

During the year ended 31<sup>st</sup> March 2024 SBI has recognised following as exceptional items:

- Provision of ₹5,400 Crore for estimated liability on account of pension at uniform rate of 50% for all pensioners prospectively, in place of existing dual rate of calculation of pension.
  - Provision of ₹1,700 Crore on account of ex-gratia benefit and neutralisation of Dearness Relief to pre-November 2002 retirees and family pensioners.
7. In SBI Life Insurance Company Ltd. and SBI General Insurance Company Ltd., the actuarial valuation of liabilities in respect of life insurance policies in force, life insurance policies in respect of which premium has been discontinued but liability exists as on 31<sup>st</sup> March 2024, Claims Incurred But Not Reported (IBNR), Claims Incurred But Not Enough Reported (IBNER) and Premium Deficiency Reserve (PDR) are determined by the Appointed Actuary based on guidelines and norms issued by the Insurance Regulatory Development Authority of India (IRDAI) and the Institute of Actuaries of India in concurrence with the IRDAI.
8. The investments of life and general insurance subsidiaries have been accounted for in accordance with the IRDAI guidelines instead of restating the same in accordance with the accounting policy followed by SBI. The investments of insurance subsidiaries constitute approximately 18.90% (Previous Year 16.39%) of the total investments as on 31<sup>st</sup> March 2024.
9. The Central Board of SBI has declared a dividend of ₹13.70 per share @ 1370% for the year ended 31<sup>st</sup> March 2024.
10. In accordance with RBI Circular DBOD NO.BP.BC.42/21.01.02/2007-08, redeemable preference shares (if any) are treated as liabilities and the coupon payable thereon is treated as interest.
11. In accordance with current RBI guidelines, the general clarification issued by ICAI has been considered in the preparation of the consolidated financial statements. Accordingly, additional statutory information disclosed in separate financial statements of the parent and its subsidiaries having no bearing on the true and fair view of the consolidated financial statements and also the information pertaining to the items which are not material have not been disclosed in the consolidated financial statements in view of the Accounting Standard Interpretation issued by ICAI.
12. Previous year figures have been regrouped/reclassified, wherever necessary, to conform to current year classification. In cases where disclosures have been made for the first time in terms of RBI guidelines/Accounting Standards, previous year's figures have not been mentioned.

## Report on Audit of the Consolidated Financial Statements

### Opinion

1. We have audited the accompanying Consolidated Financial Statements of State Bank of India ("the Bank") which comprise the Consolidated Balance Sheet as at March 31, 2024, the Consolidated Profit and Loss Account and the Statement of Consolidated Cash Flow for the year then ended, and Notes to Consolidated Financial Statements including a summary of Significant Accounting Policies and other explanatory information which includes:
  - a) Audited Standalone Financial Statements of the Bank which have been Audited by all the twelve Statutory Central Auditors including us;
  - b) Audited Financial Statements of 25 Subsidiaries, 7 Jointly Controlled Entities and 18 Associates (including 14 Regional Rural Banks) audited by other Auditors; and (listed in Annexure A)
  - c) Un-audited Financial Statements of 1 Subsidiary and 1 Associate (listed in Annexure A).

The above entities together with the Bank are referred to as the 'Group'.

In our opinion and to the best of our information and according to the explanations given to us, and based on our consideration of the reports of other auditors on separate financial statements of subsidiaries, jointly controlled entities and associates, the unaudited financial statements and the other financial information of subsidiaries as furnished

by the management, the aforesaid Consolidated Financial Statements are in conformity with accounting principles generally accepted in India and give:

- a) true and fair view in case of the Consolidated Balance Sheet, of the State of Affairs of the Group as at March 31, 2024;
- b) true balance of profit in case of Consolidated Profit & Loss Account for the year ended on that date; and
- c) true and fair view in case of Consolidated Cash Flow Statement for the year ended on that date.

### Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (the ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the code of ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the Consolidated Financial Statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

3. Key Audit Matters are those matters that in our professional judgment were of most significance in our audit of the Consolidated Financial Statements for the year ended March 31, 2024. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters of the Bank to be communicated in our report:

| <b>Key Audit matters reported in standalone financial statements of the Bank:</b> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| i                                                                                 | <p>Classification of Advances, Income Recognition, Identification of and provisioning for non-performing Advances (Refer Schedule 9 read with Note 3 of Schedule 17 to the financial statements)</p> <p>Advances include Bills purchased and discounted, Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/Government Guarantees and Unsecured advances.</p> <p>Advances constitute 59.94% of the Bank's total assets. They are, inter-alia, governed by income recognition, asset classification and provisioning (IRAC) norms and other circulars and directives issued by the RBI from time to time which provides guidelines related to classification of Advances into performing and non-performing Advances (NPA) except in case of foreign offices, classification of advances and provisioning thereof is made as per local regulations or RBI guidelines, whichever is more stringent. The Bank classifies these Advances based on IRAC norms as per its accounting policy No. 3.</p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) viz. Core Banking Solution (CBS) which identifies whether the advances are performing or non-performing.</p> <p>Further, NPA classification and calculation of provision (except in case of foreign offices) is done through another IT System viz. Centralised Credit Data Processing (CCDP) Application Software and other processes.</p> <p>The carrying value of these advances (net of provisions) may be materially misstated if, either individually or in aggregate, the IRAC norms are not properly followed.</p> <p>Considering the nature of the transactions, regulatory requirements, existing business environment, estimation/ judgement involved in valuation of securities and calculation of provisions, it is a matter of high importance for the intended users of the Standalone Financial Statements. Considering these aspects, we have determined this as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on income recognition, asset classification and provisioning pertaining to advances due to the materiality of the balances.</p> | <p>Our audit approach towards advances with reference to the IRAC norms and other related circulars/directives issued by the RBI and also internal policies and procedures of the Bank includes the testing of controls on sample basis,</p> <ol style="list-style-type: none"> <li>The accuracy of the data input in the system for income recognition, classification into performing and non-performing Advances and provisioning in accordance with the IRAC norms in respect of the branches audited by us;</li> <li>Existence and effectiveness of monitoring mechanisms such as Internal Audit, Systems Audit, Credit Audit and Concurrent Audit as per the policies and procedures of the Bank;</li> <li>Examination of advances including stressed advances on a sample basis with respect to compliance with the RBI Master Circulars / Guidelines/ Judicial pronouncements;</li> <li>We have relied on the reports of IT System Audit by IAD with respect to the business logics / parameters inbuilt in CBS and CCDP for tracking, identification and stamping of NPAs and provisioning in respect thereof.</li> <li>We tested the mapping of advances in the CCDP application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</li> <li>We have examined the efficacy of various internal controls over advances to determine the nature, timing and extent of the substantive procedures and compliance with the observations of the various audits conducted as per the monitoring mechanism of the Bank and RBI Inspection.</li> <li>In carrying out substantive procedures at the branches audited by us, we have examined large advances/ stressed advances while other advances have been examined on a sample basis including review of valuation reports of independent valuers provided by the Bank's management.</li> <li>We assessed and evaluated the process of identification of NPAs and corresponding reversal of income and creation of provision;</li> <li>Reliance is also placed on Audit Reports of other Statutory Branch Auditors with whom we have also made specific communication.</li> <li>Bank has laid down detailed Standard Operating Procedure to ensure control over processes. We have relied on these Standard Operating Procedures and have conducted our testing based on these Standard Operating Procedures.</li> </ol> |

| Sr. No. | Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | How the matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ii      | <p>Classification and Valuation of Investments, Identification of and provisioning for Non-Performing Investments (Schedule 8 read with Note 2 of Schedule 17 to the financial statements)</p> <p>Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, Shares, Security receipts and other approved securities.</p> <p>Investments constitute 27.05% of the Bank's total assets. These are governed by the circulars and directives of the RBI. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, the corresponding non-recognition of income and provision there against.</p> <p>The valuation of each category (type) of the aforesaid securities is to be done as per the method prescribed in circulars and directives issued by the RBI which involves collection of data/information from various sources such as FIMMDA rates, rates quoted on BSE/ NSE, financial statements of unlisted companies etc. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on valuation of investments, classification, identification of non performing investments and provisioning related to investments.</p> | <p>Our audit approach towards Investments with reference to the RBI Circulars/directives included the understanding of internal controls and substantive audit procedures in relation to valuation, classification, identification of non performing investments (NPIs), provisioning/depreciation related to Investments. In particular ;</p> <ol style="list-style-type: none"> <li>We understood and evaluated the Bank's internal control system to comply with relevant RBI guidelines regarding valuation, classification, identification of NPIs, provisioning/ depreciation related to investments;</li> <li>We assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments;</li> <li>For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for each category of security. Samples were selected after ensuring that all the categories of investments (based on nature of security) were covered in the sample;</li> <li>We assessed and evaluated the process of identification of NPIs and corresponding reversal of income and creation of provision;</li> <li>We carried out substantive audit procedures to recompute independently the provision to be maintained and depreciation to be provided in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPIs as per the RBI guidelines and recomputed the provision to be maintained in accordance with the RBI Circular for those selected sample of NPIs;</li> <li>We tested the mapping of investments between the Investment application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</li> </ol> |

|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| iii     | <p>Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct and Indirect Taxes, various claims filed by other parties not acknowledged as debt (Schedule 12 read with Note 18.13 of Schedule 18 to the financial statements) :</p> <p>There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgment, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgment in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgments/ interpretation of law involved.</p>                                                                                                                                                                                           | <p>Our audit approach involved:</p> <ol style="list-style-type: none"> <li>Obtaining an understanding of internal controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances;</li> <li>Understanding the current status of the litigations/tax assessments including the status up to the date of auditor's report;</li> <li>Examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up action thereon;</li> <li>Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice including opinion of our internal tax experts;</li> <li>Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and</li> <li>Verification of disclosures related to significant litigations and taxation matters.</li> </ol> |
| iv      | <p>Valuation of employees' defined benefit obligations:</p> <p>The Bank has recognised long-term defined benefit obligations for its employees on actuarial basis. Pension and gratuity obligations are funded by the Bank. Shortfall, if any, in Bank's Provident Fund Scheme is also provided for on actuarial basis. The Bank makes periodic contributions to fund administered by Trustees based on an independent external actuarial valuation carried out annually. Unfunded long-term defined benefit obligations are compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The cost of providing unfunded long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date.</p> <p>The actuarial valuations of employee benefit obligations are dependent on market conditions and assumptions made. The key audit matter specifically relates to the following key assumptions: discount rate, inflation expectations and life expectancy assumptions. The setting of these assumptions is complex and requires the exercise of significant management judgement with the support of third-party actuary.</p> | <p>We tested governance and controls in place over the methodologies and the significant assumptions, including those in relation to the use of management's experts. We examined the reports of external actuarial specialist and reviewed the key actuarial assumptions used, both financial and demographic, and considered the methodology applied to derive these assumptions including review of input data provided for actuarial valuations of employees' defined benefit obligations. Furthermore, we have examined the sensitivity analysis on the key assumptions in valuing the defined benefit obligations. We also evaluated the objectivity and competence of management's expert involved in the valuation of the defined benefit obligation. We assessed the appropriateness of the methodology used, and tested the accuracy of the calculation, to estimate the liability.</p>                                                                                                                                                                                           |

| v                                                                                       | <p>Information Technology systems and controls (IT Controls):</p> <p>All insurance companies are highly dependent on technology due to significant number of transactions that are processed daily. A significant part of the company's financial processes is heavily reliant on IT systems with automated processes and controls over the capturing, valuing and recording of transactions. Thus, there exists a risk that gaps in the IT Control Environment could result in the financial accounting and reporting records being materially misstated.</p> <p>The company uses several systems for its overall financial reporting. We have identified "IT systems and controls" as key audit matters because of significant use of IT system and the scale and complexity of the IT architecture.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | <p>Principal audit procedures:</p> <ul style="list-style-type: none"> <li>• Sample testing of key control over IT systems having impact on financial accounting and reporting.</li> <li>• Assessed the IT system processes for effectiveness of some of the key controls with respect to financial accounting and reporting records by sample testing; and</li> <li>• Our audit approach relies on automated controls and therefore procedures are designed to test control over IT systems, segregation of duties, interface and system application controls over key financial accounting and reporting systems.</li> <li>• Reviewed the report of independent information system auditors which has confirmed the various system control measures adopted by the company.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| vi                                                                                      | <p>Valuation of Investments:</p> <p>The company's investment portfolio consists of Policyholders' investments (traditional and unit linked policy holders) and Shareholders investment.</p> <p>Total investment portfolio of the company (i.e. Asset under management (AUM)) represents 99.02 per cent of the Company's total assets.</p> <p>Investments are made and valued in accordance with Insurance Act, 1938, IRDAI (Investment) Regulations, 2016 ("Investment Regulation"), IRDAI (Preparation of Financial Statement Regulation) 2002 ("Financial Statement Regulations"), Investment Policy of the Company and relevant Indian GAAPs.</p> <p>These valuation methods used multiple observable market inputs, including observable interest rate, index levels, credit spreads, equity prices, counter party credit quality, and corresponding market volatility levels etc.</p> <p>The portfolio of quoted investments is 39.39 per cent of the Company's AUM and the portfolio of investments that are valued primarily using observable inputs is 58.80 per cent of the Company's AUM. We do not consider these investments to be at a high risk of significant misstatement, or to be subject to a significant level of judgement because they comprise liquid, quoted investments. However, due to their materiality in the context of the standalone financial statements as a whole, they are considered to be one of the areas which had the significant impact on our overall audit strategy.</p> <p>The portfolio of unquoted investments is 1.22 per cent of the Company's AUM. The valuation of unquoted investment involves judgement depending on the observability of the inputs into the valuation and further judgement in determining the appropriate valuation methodology where external pricing sources are either not readily available or are unreliable.</p> <p>The valuation of these investment was considered to be one of the areas which required significant auditor attention and was one of the matter of most significance in the financial statements due to the materiality of total value of investments to the financial statements.</p> | <p>Principal Audit Procedures:</p> <ul style="list-style-type: none"> <li>• We assessed appropriateness of the pricing methodologies with reference to IRDAI Investment Regulations, Financial Statement Regulations, Company's internal investment and valuation policy.</li> <li>• Assessed the process and tested the operating effectiveness of the key controls, including the Company's review and approval of the estimates and assumptions used for the valuation including key authorisation and data input controls.</li> <li>• Fair value is best evidenced by quoted market prices in an active market. Where quoted market prices are not available, the quoted prices of similar products or valuation models with observable market based inputs are used to estimate fair value. The calculation of estimated fair value is based on market conditions at a specific point in time and may not be reflective of future fair values.</li> <li>• For quoted investments, the valuation was done in accordance with the independent pricing sources / market prices in an active market.</li> <li>• For unquoted investments, we critically evaluated the valuation assessment and resulting conclusions in order to determine the appropriateness of the valuations recorded with reference to the assessment made by the management for such valuation.</li> </ul> |

|----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| vii                                                                              | <p>Contingent Liabilities and Litigations:</p> <p>The company has pending litigation matters with various appellate authorities and at different forums. The same involves judgements in accordance with applicable Accounting Standards to determine the final outcome of such open litigation matters.</p> <p>The management with the help of its experts, as needed, have made judgements relating to the likelihood of an obligation arising and whether there is a need to recognise a provision or disclose a contingent liability. We therefore focused on this area as a result of uncertainty and potential material impact.</p> | <p>Principal Audit Procedures:</p> <ul style="list-style-type: none"> <li>• We read the various regulatory correspondences and related documents pertaining to litigation cases and corroborated them with our understanding of legal position as per various statutes.</li> <li>• We obtained legal opinion sought by management from the independent legal counsel including opinion of our own team to review the sustainability of the dispute. We discussed the status and potential exposure in respect of significant litigation with the company's internal legal team and obtaining details regarding the progress of various litigations including management views on the likely outcome of each litigation and the magnitude of potential exposure.</li> <li>• The various litigation matters were reviewed in order to assess the facts and circumstances and to identify the potential exposures and to satisfy ourselves that it is not probable that an outflow of economic benefits will be required, or in certain cases where the amount cannot be estimated reliably, such obligation is disclosed by the company as a contingent liability.</li> </ul> |
| <b>Key Audit Matters as reported by auditors of SBI Capital Markets Limited:</b> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| viii                                                                             | <p>Evaluation of uncertain tax positions:</p> <p>The company has material uncertain tax positions including matters under dispute which involves significant judgement to determine the possible outcome of these disputes.</p>                                                                                                                                                                                                                                                                                                                                                                                                           | <p>Principal Audit Procedures:</p> <p>We evaluated the Company's processes and controls for monitoring the tax disputes.</p> <p>Obtained risk assessment of tax litigation from our internal tax expert to assess management's judgement and assumption on such matters to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. They also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

## Information Other than the Consolidated Financial Statements and Auditors' Report thereon

- The Bank's Board of Directors is responsible for preparation of the other information. The other information comprises the Corporate Governance report (but does not include the Consolidated Financial Statements and our auditors' report thereon), which we obtained at the time of issue of this auditors' report. The Other Information also includes the Directors' Report of the Bank including annexures in annual report thereon, which is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the Consolidated Financial Statements does not cover the other information and Pillar 3 disclosures under the Basel III and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the Other Information that we obtained prior to the date of this Auditors' Report, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this matter.

## **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

5. The Bank's Board of Directors is responsible with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India including Accounting Standard 21- "Consolidated Financial Statements", Accounting Standards 23- "Accounting for Investment in Associates in Consolidated Financial Statements" and Accounting Standards 27 – Financial Reporting of Interest in Joint Venture" issued by the Institute of Chartered Accountants of India, and provisions of Section 29 of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and circulars and guidelines issued by the Reserve Bank of India (RBI) from time to time and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Banking Regulations Act, 1949 and applicable laws for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, respective Board of Directors of the Group Entities is responsible for assessing the respective Group Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group Entities or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors of the Group Entities are also responsible for overseeing the respective Group Entity's financial reporting process.

## **Auditors' Responsibility for the Audit of Consolidated Financial Statements**

6. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are

# Independent Auditors' Report

based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group Entity to cease to continue as a going concern.

- Evaluate the overall presentation structure and content of the Consolidated Financial Statements, including the disclosures and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its Associates and Jointly Controlled Entities of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Other Matters

7. Incorporated in these consolidated financial statements are the:

- a) We did not audit the financial statements / information of 6052 branches (including 35 Foreign branches) included in the Standalone Financial Statements of the Bank whose financial statements/ financial information reflects total assets of ₹47,02,753 Crore at March 31, 2024 and total revenue of ₹3,50,397 Crore for the year ended on that date, as considered in the Standalone Financial Statements. The financial statements/ information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors.
- b) We did not audit the financial statements of 25 Subsidiaries, 7 Jointly Controlled Entities whose financial statements reflect total assets of ₹5,84,146.86 Crore as at March 31, 2024, total revenues of ₹1,37,610.16 Crore for the year ended on that date, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net profit of ₹1,383.94 Crore for the year ended March 31, 2024, as considered in the Consolidated Financial Statements, in respect of 18 associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries,

jointly controlled entities and associates, and our report in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on the reports of the other auditors

- c) We did not audit the financial statements of 1 subsidiary and 1 associate whose financial statements reflect total assets of ₹8,440.76 Crore as at March 31, 2024, total revenues of ₹571.25 Crore as considered in Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net profit of ₹21.21 Crore for the year ended March 31, 2024, as considered in the Consolidated Financial Statements, in respect of 1 associate, whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and associate, and our report relates to the aforesaid subsidiary and associate, in so far as is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

8. The auditors of SBI Life Insurance Company Limited and SBI General Insurance Company Limited, subsidiaries of the Group, have reported that the actuarial valuation of liabilities for life policies in force, for policies in respect of which premium has been discontinued but liability exist as at March 31, 2024 and the actuarial valuation of liabilities in respect of Claims Incurred But Not Reported (IBNR) and Claims Not Incurred But Not Enough Reported (IBNER) is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at March 31, 2024 has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory Development

Authority of India ("IRDAI" / "Authority") and the Institute of Actuaries of India in concurrence with the Authority. The auditors have relied upon Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists in financial statements of the Company.

### Report on Other Legal and Regulatory Requirements

9. The Consolidated Balance Sheet and the Consolidated Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949; and these give information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations there under.

Subject to the limitations of the audit indicated in paragraph 5 to 8 above and as required by the State Bank of India Act, 1955, and subject also to the limitations of disclosure required therein, we report that:

- a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
- b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
- c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.

10. We further report that:

- a) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and the reports of the other auditors and proper returns adequate for the purposes of our audit have been received from branches not visited by us;
- b) the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the books of account and with the returns received from the branches not visited by us;

# Independent Auditors' Report

- c) the reports on the accounts of the branch offices audited by branch auditors of the Bank as per the provisions of the section 29 of the Banking Regulation Act, 1949, and the State Bank of India Act, 1955 have been sent to us and have been properly dealt with by us in preparing this report; and
- d) in our opinion, the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement comply with the applicable accounting standards, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.
11. As required by letter No. DOS.ARG.No.6270/08.91.001/2019-20 dated March 17, 2020 on "Appointment of Statutory Central Auditors (SCAs) in Public Sector Banks – Reporting obligations for SCAs from FY 2019-20", read with subsequent communication dated May 19, 2020 issued by the RBI, we further report on the matters specified in paragraph 2 of the aforesaid letter as under:
- a) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the Bank.
- b) On the basis of the written representations received from the directors of the Bank as on March 31, 2024 taken on record by the Board of Directors of the Bank and the reports of the statutory auditors of its subsidiary,
- associate companies and jointly controlled entities incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Companies Act, 2013.
- c) There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.
- d) As per para 1.14 of the Technical Guide on Audit of Internal Financial Controls in Case of Public Sector Banks issued by ICAI, the reporting requirement as introduced by RBI regarding Internal Financial Control over Financial Reporting will apply only to standalone financial statements of Public Sector Banks (PSBs) and not to consolidated financial statements of PSBs. Accordingly, reporting is not done on the Group's Internal Financial Control over Financial Reporting with reference to the Consolidated Financial Statements as at March 31, 2024.

| SBI California                          | As per regulations, the only way to transfer capital to parent bank is to pay dividends or buyback shares or capital repatriation to parent bank.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| SBI Canada                              | Prior permission from the regulator (OSFI) before transferring any type of capital (equity or debt) to parent bank.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| SBI Mauritius Ltd.                      | There are regulatory restrictions for the reduction of the Bank's capital to be paid back to the shareholders including the parent bank. Any reduction in capital can be made either through payment of dividend or reduction in stated capital as provided in the banking act and the companies act of Mauritius. The amount to be paid is subject to SBIML maintaining adequate capital and liquidity ratios as per the regulatory requirements.<br>(a) The central bank shall not grant, and no bank shall hold, a banking license unless it maintains and continues to maintain in Mauritius, an amount paid as stated capital or an amount of assigned capital of not less than 400 million rupees or the equivalent.<br>(b) Every bank shall maintain, in Mauritius, capital of not less than 10 per cent, or such higher ratio as may be determined by the central bank, of such of that bank's risk assets and of other types of risks. |
| Bank SBI Indonesia                      | The Bank maintains a minimum regulatory capital to be able to operate as a Book II bank as well as a forex bank. However, transfer of funds as dividend to parent bank is allowed after generation of sufficient profit.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Nepal SBI Bank Ltd.                     | Under the laws of Nepal, Assets and Liabilities of the Company are exclusive and non-transferable. Hence, the transfer of funds or regulatory capital within the banking group is not possible.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Commercial Indo Bank Llc, Moscow (CIBL) | There are no restrictions or impediments on transfer of funds or regulatory capital within banking group.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| State Bank of India (UK) Limited        | Excess capital beyond the regulatory minimum can be paid back to the parent (via dividends or reduced capital) along with the approval of SBI UK Board and PRA. This will be based on the projected growth plans of SBI UK Limited and its capital requirements.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

## PILLAR 3 DISCLOSURES

(Consolidated) as on 31.03.2024

### DF-2 – CAPITAL ADEQUACY

As on 31<sup>st</sup> March 2024

#### Qualitative Disclosures

- (a) A summary discussion of the Bank's approach to assessing the adequacy of its capital to support current and future activities
- The Bank and its Subsidiaries undertake the Internal Capital Adequacy Assessment Process (ICAAP) on an annual basis. The ICAAP details the capital planning process and carries out an assessment covering measurement, monitoring, internal controls, reporting, capital requirement and stress testing of the following Risks:
    - Credit Risk
    - Operational Risk
    - Liquidity Risk
    - Compliance Risk
    - Pension Fund Obligation Risk
    - Reputation Risk
    - Residual Risk from Credit Risk Mitigants
    - Talent Risk
    - Any other applicable Risk
    - Market Risk
    - Credit Concentration Risk
    - Interest Rate Risk in the Banking Book
    - Country Risk
    - Strategic Risk
    - Model Risk
    - Contagion Risk
    - Cyber Risk
    - Underwriting Risk
  - Sensitivity Analysis is conducted annually or more frequently as required, on the movement of Capital Adequacy Ratio (CAR) in the medium horizon of 3 to 5 years, considering the projected investment in Subsidiaries / Joint Ventures by SBI and growth in Advances by SBI and its Subsidiaries (Domestic / Foreign). This analysis is done for the SBI and SBI Group separately.
  - CRAR of the Bank and for the Group as a whole is estimated to be well above the Regulatory CAR in the medium horizon of 3 to 5 years. However, to maintain adequate capital, the Bank has options to augment its capital resources by raising Subordinated Debt, Perpetual Cumulative Preference Shares (PCPS), Redeemable Non-Cumulative Preference Shares (RNCPS), Redeemable Cumulative Preference Shares (RCPS), Perpetual Debt Instruments (PDIs) and Perpetual Non-Cumulative Preference Shares (PNCPS) besides Equity as and when required.
  - Strategic Capital Plan for the Foreign Subsidiaries covers an assessment of capital requirement for growth of assets and the capital required complying with various local regulatory requirements and prudential norms. The growth plan is approved by the parent bank after satisfying itself about the capacity of the individual subsidiaries to raise CET 1 / AT 1 / Tier 2 Capital to support the increased level of assets and at the same time maintaining the Capital Adequacy Ratio (CAR).

## DF-3: CREDIT RISK: GENERAL DISCLOSURES

As on 31<sup>st</sup> March 2024

### General Disclosures

#### a. Qualitative Disclosures

##### ▪ Definitions of past due and impaired assets (for accounting purposes)

##### Non-performing assets

An asset becomes non-performing when it ceases to generate income for the Bank. As from 31<sup>st</sup> March 2006, a non-performing Asset (NPA) is an advance where

- Interest and/or instalment of principal remain 'overdue' for a period of more than 90 days in respect of a Term Loan.
- The account remains 'out of order' for a period of more than 90 days, in respect of an Overdraft/Cash Credit (OD/CC).
- The bill remains 'overdue' for a period of more than 90 days in the case of bills purchased and discounted.
- Any amount to be received remains 'overdue' for a period of more than 90 days in respect of other accounts.
- A loan granted for short duration crops is treated as NPA, if the instalment of principal or interest thereon remains overdue for two crop seasons and a loan granted for long duration crops is treated as NPA, if instalment of principal or interest thereon remains overdue for one crop season.
- An account would be classified as NPA only if the interest charged during any quarter is not serviced fully within 90 days from the end of the quarter.
- The amount of a liquidity facility remains outstanding for more than 90 days, in respect of securitisation transactions undertaken in accordance with the RBI guidelines on securitisation dated 1<sup>st</sup> February 2006.
- In respect of derivative transactions, the overdue receivables representing the positive mark to market value of a derivative contract, remain unpaid for a period of 90 days from the specified due date for payment.

##### 'Out of Order' status

An account is treated as 'out of order' if the outstanding balance remains continuously in excess of the sanctioned limit/drawing power.

In cases where the outstanding balance in the principal operating account is less than the sanctioned limit/drawing power, but there are no credits continuously for 90 days as on the date of Bank's Balance Sheet, or where credits are not enough to cover the interest debited during the same period, such accounts are treated as 'out of order'.

## PILLAR 3 DISCLOSURES

(Consolidated) as on 31.03.2024

### 'Overdue'

Any amount due to the Bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the Bank.

#### ▪ Resolution of Stressed Assets

Early identification and reporting of stress:

Identification of incipient stress in loan accounts, immediately on default\*, by classifying stressed assets as special mention accounts (SMA) as per the following categories:

| SMA Sub-categories | Basis for classification – Principal or interest payment or any other amount wholly or partly overdue between |
|--------------------|---------------------------------------------------------------------------------------------------------------|
| SMA-0              | 1-30 days                                                                                                     |
| SMA-1              | 31-60 days                                                                                                    |
| SMA-2              | 61-90 days                                                                                                    |

\* Default' means non-payment of debt when whole or any part or instalment of the amount of debt has become due and payable and is not repaid by the debtor or the corporate debtor. For revolving facilities like cash credit, default would also mean, without prejudice to the above, the outstanding balance remaining continuously in excess of the sanctioned limit or drawing power, whichever is lower, for more than 30 days.

#### ▪ Discussion of the Bank's Credit Risk Management Policy

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Over the years, the policy & procedures in this regard have been refined as a result of evolving concepts and actual experience. The policy and procedures have been aligned to the approach laid down in Basel-II and RBI guidelines.

Credit Risk Management encompasses identification, assessment, measurement, monitoring and control of the credit risk in exposures.

In the processes of identification and assessment of Credit Risk, the following functions are undertaken:

- Developing and refining the Credit Risk Assessment (CRA) Models/Scoring Models to assess the Counterparty Risk, by taking into account the various risks categorised broadly into Financial, Business, Industrial and Management Risks, each of which is scored separately.
- Conducting industry research to give specific policy prescriptions and setting quantitative exposure parameters for handling portfolio in large / important industries, by issuing advisories on the general outlook for the Industries / Sectors, from time to time.

The measurement of Credit Risk involves computation of Credit Risk Components viz Probability of Default (PD), Loss Given Default (LGD) and Exposure At Default (EAD).

The monitoring and control of Credit Risk includes setting up exposure limits to achieve a well-diversified portfolio across dimensions such as single borrower, group borrower and industries. For better risk management and avoidance of concentration of Credit Risks, internal guidelines on prudential exposure norms in respect of individual companies, group companies, Banks, individual borrowers, non-corporate entities, sensitive sectors such as capital market, real estate, sensitive commodities, etc., are in place. Credit Risk Stress Tests are conducted at half yearly interval to identify vulnerable areas for initiating corrective action, where necessary.

The Bank has also a Loan Policy which aims at continued improvement of the overall quality of assets at the portfolio level, by establishing a commonality of approach regarding credit basics, appraisal skills, documentation standards and awareness of institutional concerns and strategies, while leaving enough room for flexibility and innovation.

The Bank has processes and controls in place in regard to various aspects of Credit Risk Management such as appraisal, pricing, credit approval authority, documentation, reporting and monitoring, review and renewal of credit facilities, management of problem loans, credit monitoring, etc. The Bank also has a system of Credit Audit with the aims of achieving continuous improvement in the quality of the credit portfolio with exposure of ₹20 Crore. and above. Credit Audit covers audit of credit sanction decisions at various levels. Both the pre-sanction process and post-sanction position are examined as a part of the Credit Audit System. Credit Audit also examines identified Risks and suggests Risk Mitigation Measures.

## DF-3: Quantitative Disclosures as on 31<sup>st</sup> March 2024

(Insurance entities, JVs & Non-financial entities excluded)

### General Disclosures:

| ₹ in Crore                                                                                                                        |                           |                |            |

- i) Insurance entities, Non-financial entities, JVs, Special Purpose Vehicles & Intra-group Adjustments are excluded.
- ii) Investments include Non-Performing Investments and Advances includes Non-Performing Advances.
- iii) The Bucketing structure has been revised based on the RBI guidelines dated 23<sup>rd</sup> March 2016.

## PILLAR 3 DISCLOSURES

(Consolidated) as on 31.03.2024

### DF-4: CREDIT RISK: DISCLOSURES FOR PORTFOLIOS SUBJECT TO THE STANDARDISED APPROACH

As on 31<sup>st</sup> March 2024

#### Disclosures for Portfolios subject to Standardised Approach

##### Qualitative Disclosures

##### ▪ Names of Credit Rating Agencies used, plus reasons for any changes

- (a) As per RBI Guidelines, the Bank has identified CARE, CRISIL, ICRA, India Rating, Brickwork\*, ACUITE Ratings and Research and INFOMERICs (Domestic Credit Rating Agencies) and FITCH, Moody's and S&P (International Rating Agencies) as approved Rating Agencies, for the purpose of rating Domestic and Overseas Exposures, respectively, whose ratings are used for the purpose of computing Risk-weighted Assets and Capital Charge.

##### ▪ Types of exposures for which each Agency is used

- (i) For Exposures with a contractual maturity of less than or equal to one year (except Cash Credit, Overdraft and other Revolving Credits), Short-term Ratings given by approved Rating Agencies are used.
- (ii) For Cash Credit, Overdraft and other Revolving Credits (irrespective of the period) and for Term Loan exposures of over 1 year, Long Term Ratings are used.

##### ▪ Description of the process used to transfer Public Issue Ratings onto comparable assets in the Banking Book

- The key aspects of the Bank's external ratings application framework are as follows:
- All long term and short term ratings assigned by the credit rating agencies specifically to the Bank's long term and short term exposures respectively are considered by the Bank as issue specific ratings.
- Foreign sovereign and foreign bank exposures are risk-weighted based on issuer ratings assigned to them.
- The Bank ensures that the external rating of the facility/borrower has been reviewed at least once by the ECAI during the previous 15 months and is in force on the date of its application.
- Where multiple issuer ratings are assigned to an entity by various credit rating agencies, the risk weight is determined as follows:
  - If there is only one rating by a chosen credit rating agency for a particular claim, then that rating is used to determine the risk weight of the claim.
  - If there are two ratings accorded by chosen credit rating agencies, which map into different risk weights, the higher risk weight is applied.
  - If there are three or more ratings accorded by chosen credit rating agencies with different risk weights, the ratings corresponding to the two lowest risk weights are referred to and the higher of those two risk weights is applied, i.e., the second lowest risk weight.

\*The Securities and Exchange Board of India has cancelled the Certificate of Registration (CoR) granted to Brickwork Ratings India Private Limited as a Credit Rating Agency (CRA), vide Order WTM/ASB/MIRSD/MIRSD\_CRADT/20175/2022-23 dated 6<sup>th</sup> October 2022.

2. In view of the above, Regulated Entities/ Market Participants are advised by RBI, in respect of ratings/credit evaluations required in terms of any guidelines issued by them, no such fresh ratings/evaluations shall be obtained from the above-mentioned rating agency with immediate effect. The instructions regarding the prudential treatment of the existing ratings issued by the rating agency shall be advised separately

## Quantitative Disclosures as on 31<sup>st</sup> March 2024

- (b) For exposure amounts after risk mitigation subject to the Standardised Approach, amount of group's outstanding (rated and unrated) in each risk bucket as well as those that are deducted.

|                            | Amount            |
|----------------------------|-------------------|
| Below 100% Risk Weight     | 3009607.47        |
| 100% Risk Weight           | 573697.67         |

## DF-5: CREDIT RISK MITIGATION: DISCLOSURES FOR STANDARDISED APPROACHES

As on 31<sup>st</sup> March 2024

### Credit Risk Mitigation: Disclosures for Standardised Approach

#### (a) Qualitative Disclosures

- **Policies and processes for, and an indication of the extent to which the bank makes use of, on- and off-balance sheet netting**

On-balance sheet netting is confined to loans/advances and deposits, where the Bank have legally enforceable netting arrangements, involving specific lien with proof of documentation. The Bank calculates capital requirements on the basis of net credit exposures subject to the following conditions:

Where bank,

- a) has a well-founded legal basis for concluding that the netting or offsetting agreement is enforceable in each relevant jurisdiction regardless of whether the counterparty is insolvent or bankrupt.
- b) is able at any time to determine the loans/advances and deposits with the same counterparty that are subject to the netting agreement; and
- c) monitors and controls the relevant exposures on a net basis, it may use the net exposure of loans/advances and deposits as the basis for its capital adequacy calculation. Loans/advances are treated as exposure and deposits as collateral.

- **Policies and Processes for Collateral Valuation and Management**

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Part B of this policy deals with Credit Risk Mitigation and Collateral Management, addressing the Bank's approach towards the credit risk mitigants used for capital calculation.

The objective of this Policy is to enable classification and valuation of credit risk mitigants in a manner that allows regulatory capital adjustment to reflect them.

The Policy adopts the Comprehensive Approach, which allows full offset of collateral (after appropriate haircuts), wherever applicable against exposures, by effectively reducing the exposure amount by the value ascribed to the collateral. The following issues are addressed in the Policy:

- (i) Classification of credit risk-mitigants
- (ii) Acceptable credit risk-mitigants
- (iii) Documentation and legal process requirements for credit risk-mitigants
- (iv) Valuation of collateral
- (v) Margin and Haircut requirements
- (vi) External ratings

## PILLAR 3 DISCLOSURES

(Consolidated) as on 31.03.2024

- (vii) Custody of collateral
- (viii) Insurance
- (ix) Monitoring of credit risk mitigants
- (x) General guidelines.

### ▪ **Description of the main types of collateral taken by the Bank**

The following collaterals are usually recognised as Credit Risk Mitigants under the Standardised Approach:

- Cash or Cash equivalent (Bank Deposits/NSCs/KVP/LIC Policy, etc.)
- Gold
- Securities issued by Central / State Governments

Debt Securities rated BBB- or better A3 for Short-Term Debt Instrument

### ▪ **Main types of Guarantor Counterparty and their creditworthiness**

The Bank accepts the following entities as eligible guarantors, in line with RBI guidelines:

- Sovereign, Sovereign entities [including Bank for International Settlements (BIS), International Monetary Fund (IMF), European Central Bank and European Community as well as Multilateral Development Banks, Export Credit & Guarantee Corporation (ECGC) and Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE)], Public Sector Enterprises (PSEs), Banks and Primary Dealers with a lower risk weight than the counterparty.
- Other guarantors having an external rating of AA or better. In case the guarantor is a parent company, affiliate, or subsidiary, they should enjoy a risk weight lower than the obligor for the guarantee to be recognised by the Bank. The rating of the guarantor should be an entity rating which has factored in all the liabilities and commitments (including guarantees) of the entity.

### **Information about (Market or Credit) risk concentrations within the mitigation taken:**

The Bank has a well-dispersed portfolio of assets which are secured by various types of collaterals, such as: -

- Eligible financial collaterals listed above
- Guarantees by sovereigns and well-rated corporates,
- Fixed assets and current assets of the counterparty.

## Quantitative Disclosures as on 31<sup>st</sup> March 2024

|                                                                                                                                                                                                                            | (₹ In Crore) |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|
| (b) For each separately disclosed credit risk portfolio the total exposure (after, where applicable, on- or off balance sheet netting) that is covered by eligible financial collateral after the application of haircuts. | 426562.69    |
| (c) For each separately disclosed portfolio the total exposure (after, where applicable, on- or off-balance sheet netting) that is covered by guarantees/credit derivatives (whenever specifically permitted by RBI)       | 142483.22    |

## DF-6: SECURITISATION EXPOSURES: DISCLOSURE FOR STANDARDISED APPROACH

As on 31<sup>st</sup> March 2024

### Qualitative Disclosures

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                 |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>(a)</b> The general qualitative disclosure requirement with respect to securitisation including a discussion of:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                 |
| The bank's objectives in relation to securitisation activity, including the extent to which these activities transfer credit risk of the underlying securitised exposures away from the bank to other entities.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | The Bank's investment in securitisation assets (PTCs & PSLCs) with an object to optimise returns while adhering to Banks' risk appetite, ensure liquidity and to meet priority sector requirements of the Bank. |
| The nature of other risks (e.g. liquidity risk, pipeline and warehousing risk) inherent in securitised assets;                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Credit Risk, Liquidity Risk, Interest Rate Risk, Prepayment Risk, Performance/ Servicer Risk.                                                                                                                   |
| The various roles played by the bank in the securitisation process (For example: originator, investor, servicer, provider of credit enhancement, liquidity provider, swap provider@, protection provider#) and an indication of the extent of the bank's involvement in each of them;<br>@ A bank may have provided support to a securitisation structure in the form of an interest rate swap or currency swap to mitigate the interest rate/currency risk of the underlying assets, if permitted as per regulatory rules.<br># A bank may provide credit protection to a securitisation transaction through guarantees, credit derivatives or any other similar product, if permitted as per regulatory rules. | Investor: The Bank invests in PTCs & PSLCs backed by financial assets.                                                                                                                                          |
| A description of the processes in place to monitor changes in the credit and market risk of securitisation exposures (for example, how the behaviour of the underlying assets impacts securitisation exposures as defined in para 5.16.1 of the Master Circular on NCAF dated 1 <sup>st</sup> July 2012).                                                                                                                                                                                                                                                                                                                                                                                                        | Bank has invested in securitisation product. Bank monitors rating migration and provides capital charge on the securitisation exposure.                                                                         |
| A description of the bank's policy governing the use of credit risk mitigation to mitigate the risks retained through securitisation exposures;                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | As per Bank's internal guidelines                                                                                                                                                                               |
| <b>(b)</b> Summary of the bank's accounting policies for securitisation activities, including:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                 |

## DF-7: MARKET RISK IN TRADING BOOK

As on 31<sup>st</sup> March 2024

### (a) QUALITATIVE DISCLOSURES:

- (1) The Bank follows Standardised Measurement Method (SMM) for computing capital requirement for Market Risk.
- (2) Market Risk Management Department (MRMD) is functioning as a part of Risk Management Department of the Bank, in terms of Governance structure approved by the Board of the Bank.
- (3) MRMD is responsible for identification, assessment, monitoring and reporting of market risk associated with Treasury Operations.
- (4) The following Board approved policies with defined Market Risk Management parameters for each asset class are in place:
  - (a) Market Risk Management Policy
  - (b) Market Risk Limits Policy
  - (c) Investment Policy
  - (d) Trading Policy
  - (e) Stress Test Policy for Market Risk
- (5) Risk monitoring is an ongoing process and risk positions are analysed and reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (6) Risk management and reporting is based on parameters such as Modified Duration, Convexity, PV01, Option Greeks, Maximum permissible exposures, Value at Risk Limits, Concentration Risk Limits, Lower and upper management Action Triggers, in line with global best practices.
- (7) Forex Open position limit (Daylight/Overnight), Stop Loss Limit, Aggregate Gap Limit (AGL), Individual Gap Limit (IGL) as approved by the Board is monitored and exceptions, if any, is reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (8) Value at Risk (VaR) computation and Back-Testing of VaR number is carried out on daily basis. Market Risk Stress Testing is carried out at quarterly intervals as a complement to Value at Risk. Results are reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (9) Respective Foreign offices monitor market risk of their investment portfolio, as per the local regulatory and RBI stipulations. Further, Stop Loss limit for individual investments and exposure limits for certain portfolios have been prescribed.
- (10) Bank has submitted Letter of Intent (LOI) to RBI to migrate to advanced approach i.e. Internal Models Approach for calculating capital charge for market risk.

### (b) QUANTITATIVE DISCLOSURES:

#### CAPITAL CHARGE ON MARKET RISK

The Bank maintains Capital Charge for Market Risk under the Standardised measurement method as under.

|                                            |  | (₹ In Crore)    |

## PILLAR 3 DISCLOSURES

(Consolidated) as on 31.03.2024

### DF-8: OPERATIONAL RISK

As on 31<sup>st</sup> March 2024

#### Qualitative disclosures

##### A. The structure and organisation of Operational Risk Management function

- Operational Risk Management Department functions in SBI as part of the Integrated Risk Governance Structure under the control of respective Chief Risk Officer. In SBI, Chief Risk Officer reports to Risk Management Committee of the Board (RMCB).
- The operational risk related issues in other Group entities are being dealt with as per the requirements of the business model and their regulators under the overall control of Chief Risk Officers of respective entities.
- Policies for control and mitigation of Operational Risk in SBI.

##### Domestic Banking Entities (SBI)

The following Policies, Framework Documents and Manuals are in place in SBI:

##### Policies and Framework Documents

- Operational Risk Management policy encompasses Operational Risk Management Framework for systematic and proactive identification, assessment, measurement, monitoring, mitigation and reporting of the Operational Risks.
- Loss Data Management Policy.
- IT Policy and Standards.
- IT Procedures and Guidelines.
- Cyber Security Policy.
- Information Security Policy.
- Business Continuity and Operational Resilience (BC& OR) Policy.
- SBGITC Business Continuity Management System (BCMS) Policy.
- Policy on Know Your Customer (KYC) Standards and Anti Money Laundering (AML)/ Combating of Financing of Terrorism Measures.
- Policy on Fraud Risk Management.
- IT Outsourcing and Procurement Policy.
- Policy on Insurance.

##### Manuals

- Operational Risk Management Manual.
- Loss Data Management Manual.
- Business Continuity and Operational Resilience (BC& OR) Manual.
- Business Continuity Management System (BCMS) Plan.

##### Domestic Non-Banking and Overseas Banking entities

Policies and Manuals, as relevant to the business model of non-Banking entities and as per the requirements of the overseas regulators in respect of Overseas Banking subsidiaries are in place. A few of the policies in place are – Disaster Recovery Plan/ Business Continuity Plan, Incident Reporting Mechanism, Near Miss Events Reporting Mechanism, Outsourcing Policy, etc.

## B. Strategies and Processes

### Domestic Banking entities (SBI)

- To successfully embed the risk culture and operational risk management, Risk Management Committees at various levels at Circles like RMCAOs, RMCCs, and RMCs at the Business and Support Groups (RMC-RB & O, RMC-IBG, RMC-GMU, RMC-CAG, RMC-CCG, RMC-SARG & RMC-IT) are in place in addition to the Operational Risk Management Committee (ORMC) and the Risk Management Committee of the Board (RMCB).
- The process of building a comprehensive database of internal and external losses due to Operational Risks as per Basel defined 8 Business Lines and 7 Loss Event Types is in place. In addition, Near Miss Events and external losses are also captured to improve risk management practices.
- Risk and Control Self-Assessment (RCSA) is a proactive exercise conducted in workshop-based manner to identify gaps, if any, in the existing controls and suggestions are invited for improvement of System & Controls to mitigate the Risks. RCSA also helps in generating risk awareness among staff members. RCSA exercise is carried out across Bank Branches, CPCs and Offices on a yearly basis. Bank also conducts theme based RCSA for Products /Processes. Based on the RCSA exercise, Mitigation plans are prepared and implemented for activities rated as High & Critical Risks. Feasibility study is carried out by Business owners for suggestions emanated during RCSA exercise for further improvement of System & Controls in the Bank.
- Key Indicators (KIs) have been identified across the Business and Support Groups with threshold and monitoring mechanism is in place. KIs are being monitored at quarterly intervals by the RMCs, the ORMC and the RMCB. Top 10 KIs have been identified during current financial year for close follow up.
- Development of internal systems for quantifying and monitoring operational risk as required under Basel II guidelines is in place.

### Others

The following measures are being used to control and mitigate Operational Risks in the Domestic Banking entities:

- "Book of Instructions" (Manual on General Instructions, Manual on Loans & Advances) which contains detailed procedural guidelines for processing various banking transactions. Amendments and modifications to update these guidelines are being carried out regularly through e-circulars/Master circulars. Guidelines and instructions are also propagated through e-Circulars, E-Learning Lessons, Training Programs, etc.
- Updated Manuals and operating instructions relating to Business Process Re-engineering (BPR) units.
- Delegation of Financial powers, which details sanctioning powers of various levels of officials for different types of financial and non-financial transactions.
- Training of staff-Inputs on Operational Risk is included as a part of Risk Management modules in the trainings conducted for various categories of staff at Bank's Apex Training Institutes and State Bank Institute of Learning and Development.
- Insurance cover is obtained for most of the potential operational risks excluding frauds, as per Bank's policy on insurance.
- Internal Auditors are responsible for the examination and evaluation of the adequacy and effectiveness of the control systems and the functioning of specific control procedures. They also conduct review of the existing systems to ensure compliance with legal and regulatory requirements, codes of conduct and the implementation of policies and procedures.
- In order to ensure business continuity, resumption and recovery of critical business process after a disaster, the Bank has robust Business Continuity and Operational Resilience Policy and Manuals in place.
- Stringent Implementation of vacation policy.

### Domestic Non-Banking and Overseas Banking entities

Adequate measures by way of systems and procedures and reporting have been put in place in the Domestic Non-Banking and Overseas Banking entities.

## PILLAR 3 DISCLOSURES

(Consolidated) as on 31.03.2024

### **C. The scope and nature of Risk Reporting and Measurement Systems**

- A system of prompt submission of reports on Frauds is in place in all the Group entities.
- A comprehensive system of Preventive Vigilance & Whistle Blowing has been established in all the Group entities.
- Significant risks thrown up in RCSA/RCSA-Abridged exercise at all Branches, Scenario Analysis and loss data/NMEs analysis are reported to Top Management at regular intervals and corrective actions are initiated on an ongoing basis.
- Basic Indicator Approach with capital charge of 15% of average gross income for previous 3 years is applied for Operational Risk, except Insurance Companies, for the year ended 31<sup>st</sup> March 2024.
- RBI has issued Master Guidelines on 26<sup>th</sup> June 2023 for implementation of revised Basel III Standardised Approach (SA) and proposed to replace all existing approaches for calculating Operational Risk capital. However, the effective date of implementation of these directions shall be communicated subsequently by RBI. Until then, the minimum operational risk regulatory capital requirements shall be computed as per Basic Indicator Approach (BIA) in accordance with the instructions contained in 'Master Circular – Basel III Capital Regulations' issued vide RBI circular dated 1<sup>st</sup> April 2024, as amended from time to time.

## DF-9: INTEREST RATE RISK IN BANKING BOOK (IRRBB)

As on 31<sup>st</sup> March 2024

### 1. Qualitative Disclosures

Interest rate risk refers to impact on Bank's Net Interest Income and the value of its assets and liabilities arising from fluctuations in interest rate due to internal and external factors. Internal factors include the composition of the Bank's assets and liabilities, quality, maturity, existing rates and re-pricing period of deposits, borrowings, loans and investments. External factors cover general economic conditions. Rising or falling interest rates impact the Bank depending on whether the Balance Sheet is asset sensitive or liability sensitive. The Bank identifies the inherent risks associated with the changing interest rates on its on-balance sheet and off-balance sheet exposures in the banking book from both a short-term and long-term perspective.

#### 1.1 Structure and organisation

The Asset-Liability Management Committee (ALCO) is responsible for evolving appropriate systems and procedures for ongoing identification and analysis of Balance Sheet risks and laying down parameters for efficient management of these risks through ALM Policy of the Bank. ALCO, therefore, periodically monitors and controls the risks and returns, funding and deployment, setting Bank's lending and deposit rates, and directing the investment activities of the Bank. The Risk Management Committee of the Board of Directors (RMCB) oversees the implementation of the system for ALM and reviews its functioning periodically and provides direction. It reviews various decisions taken by ALCO for managing interest rate risk.

#### 1.2 Scope and nature of risk reporting and measurement systems

RBI has stipulated monitoring of Interest Rate Risk at monthly intervals through a Statement of Interest Rate Sensitivity under Traditional Gap Analysis (IRS-TGA). Accordingly, ALCO reviews IRS-TGA on monthly basis and monitors the Earnings at Risk (EaR) which measures the change in Net Interest Income of the Bank due to parallel change in interest rate on both the assets & liabilities.

RBI has also stipulated to estimate the impact of change in interest rates on economic value of Bank's assets and liabilities through Interest Rate Sensitivity under Duration Gap Analysis (IRS-DGA), which Bank carries out on monthly basis. The impact of interest rate changes on the Market Value of Equity is monitored through IRS-DGA by recognising the changes in the value of assets and liabilities by a given change in the market interest rate. The change in value of equity (including reserves) with 2% parallel shift in interest rates for both assets and liabilities is estimated.

**EaR:** The immediate impact of changes in interest rates is on Bank's earnings through changes in its Net Interest Income (NII). EaR is useful in calculating the impact of the change in interest rate on the NII for a shorter period of time (impact over a one-year period). The EaR computations include the banking book as well as the trading book.

**MVE:** A long-term impact of changes in interest rates is on Bank's Market Value of Equity (MVE) or Net Worth through changes in the economic value of its liabilities and off-balance sheet positions. Although these changes in value do not pass through earnings, they have a bearing on Bank's capital position.

The Bank uses MVE approach as part of a framework to manage IRRBB for its domestic and foreign operations. Impact on MVE is assessed for the overall Bank and Banking Book separately. In order to effectively monitor and manage IRRBB, the ALM Policy stipulates separate MVE limits for overall Bank and Banking Book.

#### 1.3 Policies for hedging and mitigating risk

The Bank has a policy for undertaking hedge transactions. Depending on the underlying and prevailing market conditions, the Bank enters into hedge transactions for identified assets or liabilities. Derivative instruments like Interest Rate Swaps, OIS, Forward Rate Agreements and Cross Currency Swaps are used as a hedging technique by the Bank.

## PILLAR 3 DISCLOSURES

(Consolidated) as on 31.03.2024

### 2. Quantitative Disclosures

- 2.1** The following table sets forth, estimated impact on NII due to changes in interest rates on interest sensitive positions as on 31<sup>st</sup> March 2024, assuming a parallel shift in the yield curve.

#### Earnings at Risk (EaR)

|                                                                                                           | (₹ in Crore)  |
|-----------------------------------------------------------------------------------------------------------|---------------|
|                                                                                                           | Impact on NII |
| Impact of 100 bps parallel shift in interest rate on both assets & liability on Net Interest Income (NII) | 9,047.48      |
| Impact of 200 bps parallel shift in interest rate on both assets & liability on Net Interest Income (NII) | 18,095.05     |

- 2.2** The following table sets forth, estimated impact on MVE due to changes in interest rates on interest sensitive positions as on 31<sup>st</sup> March 2024, assuming a parallel shift in the yield curve.

#### Market Value of Equity (MVE)

|                                                                                                                             | (₹ in Crore)  |
|-----------------------------------------------------------------------------------------------------------------------------|---------------|
|                                                                                                                             | Impact on MVE |
| Impact of 100 bps parallel shift in interest rate on both assets & liability on Market Value of Equity (MVE) - Banking Book | 12,919.83     |
| Impact of 200 bps parallel shift in interest rate on both assets & liability on Market Value of Equity (MVE) - Banking Book | 25,839.66     |

## DF-10: GENERAL DISCLOSURE FOR EXPOSURE RELATED TO COUNTERPARTY CREDIT RISK

As on 31<sup>st</sup> March 2024

### Qualitative Disclosure:

Credit Risk Management Department of the Bank uses scoring models for setting limits for amounts of counterparty exposure for Domestic Banks, Foreign Banks, Development Financial Institution, Primary Dealers, Small Finance Banks & Payment Banks.

Credit Risk Management Department allocates the exposure limits to all business units, viz., CAG, CCG, R&DB, Global Markets & IBG, who in turn allocate the limits among various operating units under their respective control.

Classification and recognition of collaterals

The Bank will accept, recognise and attribute value to collateral, both for internal sanctioning and/or regulatory capital relief purposes, only when the following conditions are fulfilled:

- There is a legal certainty of enforceability and effectiveness of collateral in all relevant jurisdictions.
- All contractual and statutory requirements with respect to the loan and collateral documentation are fulfilled.
- The Bank has obtained a legal charge to the said collateral (including second/subordinate or paripassu charges, in addition to first legal charge).
- The legal mechanism by which the collateral is pledged or transferred ensures that the Bank has the right to liquidate or take possession of it in a timely manner, in the event of a default, insolvency or bankruptcy on the part of the counterparty or any third party.
- The Bank has clear and robust procedures for the timely liquidation of collateral to ensure that any legal conditions required for declaring the default of the counterparty and liquidating the collateral are fulfilled and collateral can be liquidated promptly.

For the purposes of eligibility for IRB capital computation, collaterals are required to satisfy all operational criteria outlined in RBI IRB guidelines.

Counterparty Credit Risk is the risk that the counterparty to a derivative transaction can default before the final settlement of the transaction's cash flow. To mitigate this risk, derivative transactions are undertaken only with those counterparties where approved counterparty limits are in place. Counterparty limits for banks are assessed using internal models considering a number of financial parameters like networth, capital adequacy ratio, rating etc. For corporates, the Derivatives limits are assessed and sanctioned in conjunction with regular credit limit as part of regular appraisal.

## Quantitative Disclosure:

| (₹ In Crore)                                         |                   |                         |                                              |

# PILLAR 3 DISCLOSURES

(Consolidated) as on 31.03.2024

(₹ in Crore)

## Basel III common disclosure template to be used from 31<sup>st</sup> March 2017

### Common Equity Tier 1 capital: instruments and reserves

Ref No.  
(with respect to  
DF - 12: Step 2)

|    |                                                                                   |      |
|----|-----------------------------------------------------------------------------------|------|
| 69 | National Common Equity Tier 1 minimum ratio (if different from Basel III minimum) | 5.50 |
| 70 | National Tier 1 minimum ratio (if different from Basel III minimum)               | 7.00 |
| 71 | National total capital minimum ratio (if different from Basel III minimum)        | 9.00 |

### Amounts below the thresholds for deduction (before risk weighting)

|    |                                                                                       |          |
|----|---------------------------------------------------------------------------------------|----------|
| 72 | Non-significant investments in the capital of other financial entities                | 0        |
| 73 | Significant investments in the common stock of financial entities                     | 562.58   |
| 74 | Mortgage servicing rights (net of related tax liability)                              | 0.00     |
| 75 | Deferred tax assets arising from temporary differences (net of related tax liability) | 12066.84 |

### Applicable caps on the inclusion of provisions in Tier 2

|    |                                                                                                                                              |          |
|----|----------------------------------------------------------------------------------------------------------------------------------------------|----------|
| 76 | Provisions eligible for inclusion in Tier 2 in respect of exposures subject to standardised approach (prior to application of cap)           | 36344.12 |
| 77 | Cap on inclusion of provisions in Tier 2 under standardised approach                                                                         | 35041.12 |
| 78 | Provisions eligible for inclusion in Tier 2 in respect of exposures subject to internal ratings-based approach (prior to application of cap) | 0        |
| 79 | Cap for inclusion of provisions in Tier 2 under internal ratings-based approach                                                              | 0        |

### Capital instruments subject to phase-out arrangements (only applicable between 31<sup>st</sup> March 2017 and 31<sup>st</sup> March 2022)

|    |                                                                                         |    |
|----|-----------------------------------------------------------------------------------------|----|
| 80 | Current cap on CET1 instruments subject to phase out arrangements                       | 0  |
| 81 | Amount excluded from CET1 due to cap (excess over cap after redemptions and maturities) | 0  |
| 82 | Current cap on AT1 instruments subject to phase out arrangements                        | 0% |
| 83 | Amount excluded from AT1 due to cap (excess over cap after redemptions and maturities)  | 0  |
| 84 | Current cap on T2 instruments subject to phase out arrangements                         | 0% |
| 85 | Amount excluded from T2 due to cap (excess over cap after redemptions and maturities)   | 0  |

## PILLAR 3 DISCLOSURES

(Consolidated) as on 31.03.2024

### DF- GR: Additional Disclosures on Group Risk

As on 31<sup>st</sup> March 2024

#### Qualitative Disclosure

In respect of Group entities \*

[Overseas Banking entities and Non-Banking entities]

| General Description on                                           |                                                                                                                                                                                       |
|------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Corporate Governance Practices                                   | All Group entities adhere to good Corporate Governance practices.                                                                                                                     |
| Disclosure Practices                                             | All Group entities adhere to / follow good disclosure practices.                                                                                                                      |
| Arm's Length Policy in respect of Intra Group Transactions       | All Intra-Group transactions within the State Bank Group have been effected on Arm's Length basis, both as to their commercial terms and as to matters such as provision of security. |
| Common marketing, branding and use of SBI's Symbol               | No Group entity has made use of SBI symbol in a manner that may indicate to public that common marketing, branding implies implicit support of SBI to the Group entity.               |
| Details of Financial Support, # if any                           | No Group entity has provided / received Financial Support from any other entity in the Group.                                                                                         |
| Adherence to all other covenants of Group Risk Management policy | All covenants of the Group Risk Management Policy have meticulously been complied with by the Group entities.                                                                         |

Intra-group transactions which may lead to the following have been broadly treated as 'Financial Support' #:

- inappropriate transfer of capital or income from one entity to the other in the Group;
- violation of the Arm's Length Policy within which the Group entities are expected to operate;
- adverse impact on the solvency, liquidity and profitability of the individual entities within the Group;
- evasion of capital or other regulatory requirements;
- operation of 'Cross Default Clauses' whereby a default by a related entity on an obligation (whether financial or otherwise) is deemed to trigger a default on itself.

# SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

## **SCHEDULE 17: SIGNIFICANT ACCOUNTING POLICIES**

### **A. Background:**

State Bank of India (SBI or the Bank) is a banking and financial services statutory body engaged in providing a wide range of products and services to individuals, commercial enterprises, large corporates, public bodies, and institutional customers. The Bank is governed by the Banking Regulation Act, 1949, and the State Bank of India Act, 1955.

Following are the Significant Accounting Policies i.e. the specific accounting principles and methods of applying these principles in the preparation and presentation of financial statements of the Bank.

### **B. Basis of Preparation:**

The accounting and reporting policies of the Bank conform to Generally Accepted Accounting Principles in India (Indian GAAP), comprising of regulatory norms, directions & guidelines prescribed by the Reserve Bank of India (RBI), statutory guidelines of the State Bank of India Act, 1955, and the Banking Regulation Act, 1949, Accounting Standards issued by Institute of Chartered Accountants of India (ICAI), and the accounting practices prevalent in the banking industry in India.

In case of foreign offices, the statutory provisions, and practices of the local laws of the respective foreign country are followed if they are more prudent.

Bank's financial statements are prepared under the historical cost convention, with fundamental accounting assumptions of going concern, consistency and accrual, unless otherwise stated.

The financial statements have been prepared in accordance with requirements under the Third Schedule of the Banking Regulation Act, 1949.

### **C. Use of Estimates:**

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amount of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management

believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

### **D. Significant Accounting Policies:**

#### **1. Revenue recognition:**

- 1.1 Income and expenditure are accounted on accrual basis, except otherwise stated.
- 1.2 Interest/Discount income is recognized in the Profit and Loss Account on realisation basis for following:
  - i. Income from Non-Performing Assets (NPAs) including investments, as per the prudential norms prescribed by RBI/respective country regulators in the case of foreign offices (hereafter collectively referred to as Regulatory Authorities),
  - ii. Income on Rupee Derivatives designated as "Trading".
- 1.3 In accordance with the guidelines issued by the Reserve Bank of India, Profit on sale of investments in the Held to Maturity (HTM) category and on sale of Fixed Assets is appropriated to Capital Reserve, net of applicable taxes and amount required to be transferred to Statutory Reserve.

The discount if any, on acquisition of investments in Held to Maturity (HTM) category is accounted as follows:

  - a) on interest bearing securities, it is accounted for at the time of sale/redemption.
  - b) on zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.
- 1.4 Dividend income is recognized when the right to receive the dividend is established.
- 1.5 Commission on Letters of Credit (LC)/Bank Guarantee (BG), Deferred Payment Guarantee, Government Business, ATM interchange fee & "Upfront fee on restructured account" are recognized on accrual basis proportionately over the period. All other commission and fee income are accounted on a realisation basis.

- 1.6 One time Insurance Premium paid under Special Home Loan Scheme (December 2008 to June 2009) is amortised over the average loan period of 15 years.
- 1.7 Brokerage, Commission etc. paid/ incurred in connection with the issue of Bonds/ Deposits are amortised over the tenure of related Bonds/ Deposits and the expenses incurred in connection with the issue are charged upfront.
- 1.8 The Bank derecognises its financial assets when it sells to Securitisation Company (SC)/ Reconstruction Company (RC), and accounts for as under:
  - i. If the sale is at a price below the Net Book Value (NBV) (i.e. book value less provisions held), the shortfall is debited to the Profit and Loss Account in the year of sale.
  - ii. If the sale is for a value higher than the NBV, the excess provision is written back in the year the amounts are received.

## 2. Investments:

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation, as given below:

### 2.1 Classification:

As per RBI guidelines, investments are classified into Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) categories.

For disclosure in Balance Sheet, the investments are classified as Investments in India and outside India.

- Under each category, the investments in India are further classified as (i) Government Securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and Joint Ventures and (vi) Others.
- The investments outside India are further classified as (i) Government Securities (ii) Subsidiaries and Joint Ventures (iii) Other Investments.

### 2.2 Basis of classification:

- i. Investments that the Bank intends to hold till maturity are categorised as “Held to Maturity (HTM)”.
- ii. Investments that are held principally for resale within 90 days from the date of purchase are categorised as “Held for Trading (HFT)”.
- iii. Investments, which are not classified in above two categories, are classified as “Available for Sale (AFS)”.
- iv. An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.
- v. Investments in subsidiaries and joint ventures are classified as HTM except in respect of those investments which are acquired and held exclusively with a view to its subsequent disposal. These investments are classified as AFS.

### 2.3 Valuation:

- i. The transactions in all securities are recorded on a Settlement Date and cost is determined on the weighted average cost method except for investments under HTM category which are accounted on FIFO basis (First In First Out).
  - a) Brokerage/commission received on subscriptions is reduced from the cost. Brokerage, Commission, Securities Transaction Tax (STT) etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.
  - b) Broken period interest paid/received on debt instruments is treated as interest expense/income and is excluded from cost/sale consideration.

# SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

## ii. Valuation of investments classified as Held to Maturity:

- a) Investments under Held to Maturity category are carried at acquisition cost. The premium paid on acquisition if any, is amortised over the term to maturity on a constant yield basis. Such amortisation of premium is accounted as income on investments.
- b) Investments (in India and abroad) in subsidiaries, joint ventures and associates are valued at historical cost. A provision is made for diminution, other than temporary, for each investment individually.
- c) Investments in Regional Rural Banks are valued at carrying cost (i.e. book value).

## iii. Valuation of investments classified as Available for Sale and Held for Trading:

Investments classified as Available for Sale and Held for Trading are individually revalued at market price or fair value determined as per the regulatory guidelines and the net depreciation if any, of each group for each category (viz. (i) Government securities, (ii) Other Approved Securities, (iii) Shares, (iv) Bonds and Debentures, (v) Subsidiaries and Joint Ventures and (vi) others) is provided for and net appreciation is ignored.

## iv. Valuation policy in event of inter category transfer of investments:

- a) Transfer of securities from HFT/AFS category to HTM category is carried out at the lower of acquisition cost/ book value/ market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for.
- b) Transfer of securities from HTM category to AFS category is carried out on acquisition price/book value. On transfer, these securities are immediately revalued and resultant depreciation, if any, is provided, in the Profit and Loss Account.

## v. Valuation in case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts:

- a) The investment in security receipts obtained by way of sale of NPA to SC / RC, is recognized at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR.
  - b) SRs issued by an SC / ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC / ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC / ARC, is reckoned for valuation of such investments.
- vi. Treasury Bills and Commercial Papers are valued at carrying cost.

## 2.4 Investments (NPI):

- i. In respect of domestic offices, based on the guidelines issued by RBI, investments are classified as performing and non-performing as follows:
  - a) Interest/instalment (including maturity proceeds) is due and remains unpaid for more than 90 days.
  - b) In the case of equity shares, in the event the investment in shares of any company is valued at ₹1 per company on account of non-availability of the latest balance sheet, those equity shares would be reckoned as NPI.
  - c) The Bank also classifies an investment as a non-performing investment in case any credit facility availed by the same borrower/entity has been classified as a non-performing asset and vice versa. The above is applied to Preference Shares where the fixed dividend is not paid.

- d) The investments in debentures/bonds, which are deemed to be advance, are also subjected to NPI norms as applicable to investments.
- ii. In respect of foreign offices, classification and provisions for non-performing investments (NPIs) are made as per the local regulations or as per the norms of RBI, whichever are more prudent.

## 2.5 Accounting for Repo/Reverse Repo transactions:

The Bank enters Repurchase and Reverse Repurchase Transactions with RBI under Liquidity Adjustment Facility (LAF) and with market participants. Repurchase Transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse Repo Transactions on the other hand, represent lending funds by purchasing the securities.

- i. Transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Collateralised Lending and Borrowing transactions.
- ii. In Repo and Reverse Repo transaction, securities sold (purchased) and repurchased (resell) are accounted as normal outright sale (purchase) transactions and such movement of securities is reflected using the Repo/Reverse Repo Accounts and contra entries. The above entries are reversed on the date of maturity.
- iii. Balance in Repo Account is classified under Schedule 4 'Borrowings'.
- iv. All type of Reverse Repos with RBI including those under Liquidity Adjustment Facility are presented under sub item (ii) 'In Other Accounts' of item (II) Balances with RBI under Schedule 6 'Cash and balances with RBI'.
- v. Reverse Repos with banks and other institutions having original tenors up to and inclusive of 14 days are classified as Money at call and short notice under Schedule 7 'Balance with Banks and Money at call & short notice'. Reverse Repos with original maturity more than 14 days but up to 1 year are classified as Cash Credits, overdrafts and

loans repayable on demand, under Schedule 9 'Advances'. All other Reverse Repos are classified as Term Loans under Schedule 9 'Advances'.

- vi. Borrowing cost of repo transactions and revenue on reverse repo transactions, with RBI or others, is accounted for as interest expense and interest income, respectively.

## 3. Loans/Advances and Provisions thereon:

3.1 Based on the guidelines/directives issued by the RBI, Loans and Advances are classified as performing and non-performing, as follows:

- i. A term loan is classified as a non-performing asset, if interest and/or instalment of principal remains overdue for a period of more than 90 days.
- ii. An Overdraft or Cash Credit is classified as a non-performing asset, if, the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance sheet, or if the credits are not adequate to cover the interest debited during the same period.
- iii. The bills purchased/discounted are classified as Non-performing Asset, if the bill remains overdue for a period of more than 90 days.
- iv. The agricultural advances are classified as a non-performing if, (a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (b) for long duration crops, where the principal or interest remains overdue for one crop season.

3.2 NPAs are classified into Sub-standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:

- i. Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
- ii. Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.

# SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

- iii. Loss: A loan asset where loss has been identified but the amount has not been fully written off.

- 3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

|                             |                                                                                                                                                                                                                                                                                                                                                                               |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Sub-standard Assets:</b> | <p>i. A general provision of 15% on the total outstanding.</p> <p>ii. Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio).</p> <p>iii. Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available – 20%.</p> |
| <b>Doubtful Assets:</b>     |                                                                                                                                                                                                                                                                                                                                                                               |
| -Secured portion:           | <p>i. Up to one year – 25%</p> <p>ii. One to three years – 40%</p> <p>iii. - 3.4 In respect of foreign offices, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more prudent.
- 3.5 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.
- 3.6 For restructured/rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loans/advances before and after restructuring is provided for, in addition to provision for the respective loans/advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.
- 3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.

- 3.8 Amounts recovered against debts written off in earlier years are recognized as revenue in the year of recovery.

- 3.9 In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.

- 3.10 The Bank also makes additional provisions on specific non-performing assets.

- 3.11 Appropriation of recoveries in NPAs are made in order of priority as under:

- Charges, Costs, Commission etc.
- Unrealized Interest/Interest
- Principal

However, in Compromise and Resolution/Settlement through National Company Law Tribunal (NCLT) cases, the recoveries are appropriated as per the terms of respective compromise/ resolution/ settlement. In case of suit filed accounts, recovery is appropriated as per directives of respective courts.

## 4. Floating Provisions & Countercyclical Provisioning Buffer:

The Bank has a policy for creation and utilisation of Countercyclical Provisioning Buffer in good times as well as for floating provisions separately for advances, investments, and general purposes. The quantum of floating provisions and Countercyclical Provisioning Buffer to be created is assessed at the end of the financial year. These provisions are utilised only for contingencies under extraordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

## 5. Provision for Country Exposure:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-

credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others".

## 6. Derivatives:

- 6.1 The Bank enters in derivative contracts, such as foreign currency options, interest rate swaps, currency swaps, cross currency interest rate swaps and forward rate agreements to hedge on-balance sheet/off-balance sheet assets and liabilities or for trading purposes. The swap contracts entered to hedge on-balance sheet assets and liabilities are structured in such a way that they bear an opposite and offsetting impact with the underlying on-balance sheet items. The impact of such derivative instruments is correlated with the movement of the underlying assets and accounted in accordance with the principles of hedge accounting.
- 6.2 Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets/liabilities are also marked to market.
- 6.3 Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognized in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account – Positive MTM".
- 6.4 Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is

considered to arrive at Mark-to-Market value for forex Over the Counter (OTC) options.

- 6.5 Exchange Traded Derivatives entered in for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognized in the Profit and Loss Account.

## 7. Fixed Assets, Depreciation and Amortisation:

- 7.1 Fixed Assets are carried at cost less accumulated depreciation/amortisation except for freehold premises carried at revalued amount, being fair value at the date of revaluation less accumulated depreciation, as stated otherwise.
- 7.2 Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put-to-use. Subsequent expenditure(s) incurred on the assets put-to-use are capitalised only when it increases the future benefits from such assets or their functioning capability. The fixed assets in domestic offices are depreciated at straight-line method based on useful life of the assets stated as under:

| Sr. No. | Description of Fixed Assets                                                                                  | Useful life for Depreciation |
|---------|--------------------------------------------------------------------------------------------------------------|------------------------------|
| i.      | Computers                                                                                                    | 3 years                      |
| ii.     | Computer Software forming an integral part of the computer hardware                                          | 3 years                      |
| iii.    | Computer Software which does not form an integral part of Computer hardware and cost of Software Development | 3 years                      |

| vi.     | Network Equipment                                                                                            | 5 years                      |
| vii.    | <u>Other major fixed assets:</u>                                                                             |                              |
|         | Premises                                                                                                     | 60 years                     |
|         | Vehicles                                                                                                     | 5 years                      |
|         | Safe Deposit Lockers                                                                                         | 20 years                     |
|         | Furniture & Fixtures                                                                                         | 10 years                     |

# SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

- 7.3 In respect of assets acquired during the year (for domestic operations), depreciation is charged on proportionate basis for the number of days the assets have been put-to-use during the year.
- 7.4 Assets costing less than ₹1,000 each are charged off in the year of purchase.
- 7.5 In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease (except for premises and land on perpetual lease) and Lease payments for assets taken on Operating lease are recognized as expense in the Profit & Loss account over the lease term on straight-line basis.
- 7.6 In respect of fixed assets held at foreign offices, depreciation is provided as per the regulations/norms of the respective countries.
- 7.7 The Bank revalue freehold immovable assets at every three years. The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account. Additional Depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to General Reserve. The revalued asset is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

## 8. Leases:

The asset classification and provisioning norms applicable to advances, as laid down in Para 3 above, are applied to financial leases also.

## 9. Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

## 10. Effect of changes in the foreign exchange rate:

### 10.1 Foreign Currency Transactions:

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/forward) rates.
- iii. Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- iv. Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
- v. Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognized in the Profit and Loss Account.
- vi. Foreign exchange forward contracts which are not intended for trading and are outstanding on the balance sheet date, are re-valued at the closing spot rate. The premium or discount arising at the inception of such forward exchange contract is amortised as expense or income over the life of the contract.
- vii. Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognized as income or as expense in the period in which they arise.
- viii. Gains/Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognized in the Profit and Loss Account.

## 10.2 Foreign Operations:

Foreign Branches of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

### i. Non-integral Operations:

- a. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- b. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
- c. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.
- d. The Assets and Liabilities of foreign offices in foreign currency (other than local currency of the foreign offices) are translated into local currency using spot rates applicable to that country on the balance sheet date.

### ii. Integral Operations:

- a. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- b. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/Forward) exchange rates notified by FEDAI at the balance sheet date and the resulting Profit/Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.

- c. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

## 11. Employee Benefits:

### 11.1 Short-Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits which are expected to be paid in exchange for the services rendered by employees, are recognized during the period when the employee renders the service.

### 11.2 Long-Term Employee Benefits:

#### i. Defined Benefit Plans:

- a. The Bank operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Bank's Provident Fund scheme. The Bank contributes to the fund at 10% of employee's basic pay plus eligible allowance monthly. These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. The Bank recognizes such annual contributions as an expense in the year to which it relates. Shortfall, if any, is provided for based on actuarial valuation.
- b. The Bank operates Gratuity and Pension schemes which are defined benefit plans.
  - The Bank provides for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement, or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities or Service Gratuity without cap for erstwhile Associate Bank's employees. Vesting occurs upon completion of five years of service. The Bank makes

# SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.

- The Bank provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. The Bank makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Employees' Pension Fund Regulations. The pension liability is reckoned based on an independent actuarial valuation carried out annually and Bank makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the Pension Fund Regulations.
- c. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains/losses are immediately recognized in the Profit and Loss Account and are not deferred.

## ii. Defined Contribution Plan:

The Bank operates a New Pension Scheme (NPS) for all officers/employees joining the Bank on or after 1<sup>st</sup> August 2010, which is a defined contribution plan. (Such new joiners not being entitled to become members of the existing SBI Pension Scheme). As per the scheme, these employees contribute 10% of their basic pay plus dearness allowance to the scheme together with Bank's contribution at 14% of basic pay plus dearness allowance. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in the Bank and earn interest at the rate applicable to Provident Fund balance. The

Bank recognizes such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

## iii. Other Long Term Employee Benefits:

- a. All eligible employees of the Bank are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The cost of such long-term employee benefits are internally funded by the Bank.
- b. The cost of providing other long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost, if any, is immediately recognized in the Profit and Loss Account and is not deferred.

11.3 Employee benefits relating to employees employed at foreign offices are valued and accounted for as per the respective local laws/regulations.

## 12. Segment Reporting:

The Bank recognizes the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 issued by Institute of Chartered Accountants of India.

## 13. Taxes on income:

Income tax expense is the aggregate amount of current tax and deferred tax expense incurred by the Bank. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – "Accounting for Taxes on Income" respectively after considering taxes paid at the foreign offices, which are based on the tax laws of respective jurisdictions. Deferred Tax

adjustments comprises of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognized by considering the impact of timing differences between taxable income and accounting income for the current year and carry forward losses. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. The impact of changes in deferred tax assets and liabilities is recognized in the profit and loss account. Deferred tax assets are recognized and re-assessed at each reporting date, based upon management's judgement as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

#### **14. Earnings per Share:**

- 14.1 The Bank reports basic and diluted earnings per share in accordance with AS 20 –“Earnings per Share” issued by the ICAI. Basic Earnings per Share are computed by dividing the Net Profit after Tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding for the year.
- 14.2 Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

#### **15. Provisions, Contingent Liabilities and Contingent Assets:**

- 15.1 In conformity with AS 29, “Provisions, Contingent Liabilities and Contingent Assets”, issued by the Institute of Chartered Accountants of India, the Bank recognizes provisions only when it has a present obligation because of a past event, and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

15.2 No provision is recognized for:

- i) any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank; or
- ii) any present obligation that arises from past events but is not recognized because:
  - a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - b) a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

15.3 Provision for reward points in relation to the debit card holders of the Bank is being provided for on actuarial estimates.

15.4 Provisions for onerous contracts are recognized when the expected benefits to be derived by the Bank from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Bank recognizes any impairment loss on the assets associated with that contract.

15.5 Contingent Assets are not recognized in the financial statements.

#### **16. Bullion Transactions:**

The Bank imports bullion including precious metal bars on a consignment basis for selling to its customers. The imports are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier. The Bank earns a fee on such bullion transactions. The fee

## SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

is classified under commission income. The Bank also accepts deposits and lends gold, which is treated as deposits/ advances as the case may be with the interest paid/ received classified as interest expense/ income. Gold Deposits, Metal Loan Advances and closing Gold Balances are valued at available Market Rate as on the date of Balance Sheet.

### **17. Special Reserves:**

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the

Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

### **18. Share Issue Expenses:**

Share issue expenses are charged to the Share Premium Account.

### **19. Cash and cash equivalents:**

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.

RBI vide circular No. DBR.No.BP.BC.83/21.06.201/2015-16 dated 1<sup>st</sup> March 2016, has given discretion to banks to consider Revaluation Reserve, Foreign Currency Translation Reserve and Deferred Tax Asset for purposes of computation of Capital Adequacy as CET- I capital ratio. The Bank has exercised the option in the above computation.

\$ The Bank during the year, has allotted 400 equity shares of ₹1/- each for cash at a premium of ₹158/- per equity share out of 7,93,630 shares (issued as a part of Right Issue-2008) allotment of which was held in abeyance for resolution of title dispute. Out of the total subscription of ₹63,600/- received, ₹400/- was transferred to Share Capital Account and ₹63,200/- to Share Premium Account. As on 31<sup>st</sup> March 2023 allotment of 7,93,230 shares is held in abeyance.

## SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

### b) Drawdown from Reserves:

During the year, there has been no draw down from the reserves to the Profit & Loss Account.

### c) Innovative Perpetual Debt Instruments (IPDI)

The details of IPDI issued which qualify for Hybrid Tier I Capital and outstanding are as under:

\* Foreign Currency Assets represent advances and investments.

§ Foreign Currency Liabilities represent borrowings and deposits.

(Figures in brackets are as at 31<sup>st</sup> March 2022).

### b) Liquidity Coverage Ratio (LCR):

#### i) Standalone LCR

Liquidity Coverage Ratio (LCR) standard represents an unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30 calendar day time horizon under significantly severe liquidity stress scenario.

$$\text{LCR} = \frac{\text{Stock of high-quality liquid assets (HQLAs)}}{\text{Total net cash outflow over the next 30 calendar days}}$$

Liquid assets comprise of high-quality assets that can be readily encashed or used as collateral to obtain cash in a range of stress scenarios.

There are two categories of assets included in the stock of HQLAs, viz. Level 1 and Level 2 assets. While Level 1 assets are with 0% haircut, Level 2A and Level 2 B assets are with 15% and 50% haircuts respectively.

The total net cash outflow is the total expected cash outflows minus total expected cash inflows for the subsequent 30 calendar days.

Total expected cash outflows are calculated by multiplying the outstanding balances of various categories or types of liabilities and off-balance sheet commitments by the rates at which they are expected to run off or be drawn down.

Total expected cash inflows are calculated by multiplying the outstanding balances of various categories of contractual receivables by the rates at which they are expected to flow in up to an aggregate cap of 75% of total expected cash outflows.

In accordance with RBI guidelines vide circular No. RBI/2014-15/529 DBR, No. BP.BC.80/21.06.201/2014-15 dated 31<sup>st</sup> March 2015, average weighted and unweighted amounts have been calculated taking simple daily average. The Bank has considered 66 data points for the quarter January to March 2023.

## SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

Bank's LCR comes to 146.61% based on daily average of three months (Q4 FY22-23) and is above the minimum regulatory requirement of 100%. Average HQLA held during the quarter was ₹12,13,100 Crore, with 95.90% being Level 1 assets. Level 2A and Level 2B assets constitute 3.45% and 0.65% of total HQLA, respectively. Government Securities constituted 95.77% of Total Level 1 Assets. During the quarter, the weighted average HQLA level has increased by ₹39,454 Crore primarily on account of increase in excess SLR balance. Further, weighted average net cash outflows position has declined by ₹79,204 Crore during the quarter, mainly on account of decline in cash outflows under the head other legal entity customers. Derivative exposures are considered insignificant due to almost matching inflows and outflows position. During the quarter, LCR for USD (significant Foreign Currency constituting more than 5% of the Balance Sheet of the Bank) was at 295.17%, on an average.

Liquidity Management in the Bank is driven by the ALM Policy of the Bank and regulatory prescriptions. The Domestic and International Treasuries are apprising the liquidity position to the Asset Liability Management Committee (ALCO) of the Bank. The ALCO has been empowered by the Bank's Board to formulate the Bank's funding strategies to ensure that the funding sources are well diversified and is consistent with the operational requirements of the Bank. All the major decisions of ALCO are being reported to the Bank's Board subsequently. In addition to daily/monthly LCR reporting, Bank also prepares daily Structural Liquidity statements to assess the liquidity needs of the Bank on an ongoing basis.

The Bank has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, which are well diversified. Management is of the view that the Bank has sufficient liquidity cover to meet its likely future commitments.

### ii) Consolidated LCR

The RBI through a supplementary guideline issued on 31<sup>st</sup> March 2015 had stipulated the implementation of LCR at a consolidated level from January 1, 2016 and accordingly, LCR has been computed at Group level. The entities covered in the Group LCR are SBI and seven Overseas Banking Subsidiaries - Commercial Indo Bank LLC, Moscow, Nepal SBI Bank Ltd., State Bank of India (California), SBI Canada Bank, State Bank of India (Mauritius) Ltd, PT Bank SBI Indonesia and State Bank of India (UK) Ltd. SBI Group LCR comes to 148.30% as on 31<sup>st</sup> March 2023 based on average of three months January, February and March 2023, which is above the minimum regulatory requirement of 100%.

The Group has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, and such funding sources are well diversified. Management is of the view that the Bank has sufficient liquidity cover to meet its likely future short-term requirements.

### c) Net Stable Funding Ratio:

#### i) Standalone Net Stable Funding Ratio:

Net Stable Funding Ratio (NSFR) guidelines ensure reduction in funding risk over a longer time horizon by requiring banks to fund their activities with sufficiently stable sources of funding in order to mitigate the risk of future funding stress. The NSFR is defined as the amount of Available Stable Funding relative to the amount of Required Stable Funding.

$$\text{NSFR} = \frac{\text{Available Stable Funding (ASF)}}{\text{Required Stable Funding (RSF)}} \geq 100\%$$

# SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

**Quantitative Disclosure:** The following tables contain unweighted and weighted values of NSFR components of SBI (Solo) as at 31<sup>st</sup> March 2023, 31<sup>st</sup> December 2022, 30<sup>th</sup> September 2022 and 30<sup>th</sup> June 2022 (i.e. quarter end observations) :

In accordance with RBI guidelines vide circular No. RBI/2017-18/178, DBR.BP.BC.No.106/21.04.098/2017-18 dated 17<sup>th</sup> May 2018, the quarter end observations are presented in the template above. The ASF items pertaining to Capital have been reclassified to align with extent regulatory guidelines.

## SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

Bank's NSFR comes to 114.80% as at the end of the quarter Q4 (FY 2022-23) and is above the minimum regulatory requirement of 100% set out in the RBI guidelines effective from 1<sup>st</sup> October 2021. As on 31<sup>st</sup> March 2023, the Available Stable Funding (ASF) position stood at ₹40,59,290 Crore and Required Stable Funding (RSF) position stood at ₹35,35,834 Crore. There was an increase in the values of total ASF and RSF as on 31<sup>st</sup> March 2023 over 31<sup>st</sup> December 2022. ASF is defined as the portion of capital and liabilities expected to be reliable over the time horizon considered for the NSFR. RSF of a specific institution is a function of the liquidity characteristics and residual maturities of the various assets held by that institution as well as those of its Off-Balance Sheet (OBS) exposures.

Liquidity Management in the Bank is driven by Bank's ALM Policy and regulatory prescriptions. The Domestic and International Treasuries are reporting to the Asset Liability Management Committee (ALCO). ALCO has been empowered by the Bank's Board to formulate the funding strategies to ensure that the funding sources are well diversified and is consistent with the operational requirements of the Bank. All major decisions of ALCO are being reported to the Bank's Board periodically. In addition to daily/monthly LCR reporting, Bank prepares daily Structural Liquidity Statements to assess the liquidity needs of the Bank on an ongoing basis.

The Bank has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, which are well diversified. Management is of the view that the Bank has got sufficient liquidity to meet its immediate/likely future short-term requirements.

### ii) Consolidated Net Stable Funding Ratio

The RBI guidelines stipulated the implementation of NSFR at a consolidated level from December 2021 quarter and accordingly, NSFR has been computed at Group level.

The entities covered in the Group NSFR are SBI and seven Overseas Banking Subsidiaries. Commercial Indo Bank LLC, Moscow, Nepal SBI Bank Ltd., State Bank of India (California), SBI Canada Bank, State Bank of India (Mauritius) Ltd, PT Bank SBI Indonesia and State Bank of India (UK) Ltd.

SBI Group NSFR comes to 115.03% as on 31<sup>st</sup> March 2023 which is above the minimum regulatory requirement of 100%.

Available stable funding (ASF) is defined as the portion of capital and liabilities expected to be reliable over the time horizon considered by the NSFR, which extends to one year. The Required stable funding (RSF) of a specific group is a function of the liquidity characteristics and residual maturities of the various assets held by that group as well as those of its Off-Balance Sheet (OBS) exposures.

|                                                                           | Number of Borrower | Amount outstanding (₹ in Crore) | Number of Borrower | Amount outstanding (₹ in Crore) |
| Standard                                                                  | 2                  | 577                             | -                  | -                               |
| Sub-standard                                                              | 1                  | 137                             | -                  | -                               |
| Doubtful                                                                  | 6                  | 988                             | 8                  | 2,690                           |
| <b>Total</b>                                                              | <b>9</b>           | <b>1,702</b>                    | <b>8</b>           | <b>2,690</b>                    |

**ii) Acquisition of shares due to conversion of debt to equity during the restructuring process:**

Equity shares acquired by way of conversion of debt to equity during the restructuring process did not exceed the prescribed regulatory ceilings/restriction on capital market exposure, investment in para banking activities & intra group exposure.

**iii) MSME Restructuring:**

As per RBI circular no. DBR.No.BP.BC.18/21.04.048/2018-19 dated 1<sup>st</sup> January 2019, the details of restructured MSME accounts is as below:

| Particulars                        | Current Year | Previous Year |
|------------------------------------|--------------|---------------|
| No. of accounts restructured       | 85,738       | 96,464        |
| Aggregate outstanding (₹ in Crore) | 7,406.84     | 8,877.10      |

**e) Divergence in asset classification and provisioning:**

No disclosure on divergence in asset classification and provisioning for NPAs is required with respect to RBI's supervisory process for the year ended 31<sup>st</sup> March 2022, based on the conditions mentioned in RBI circular No. DOR. ACC.REC.No.74/21.04.018/2022-23 dated 11<sup>th</sup> October 2022.

**f) Disclosure of Transfer of Loan Accounts (SMAs & NPAs) in terms of RBI Circular No. DOR.STR. REC.51/21.04.048/2021-22 dated 24<sup>th</sup> September 2021:**

**Transfer of Loans:**

- i) The details of the Non-Performing Assets transferred during the year ended 31<sup>st</sup> March 2023 is given in the table below:

| Sr. No. | Particulars                                                                                        | To ARCs  | To permitted transferees | To other transferees |
|---------|----------------------------------------------------------------------------------------------------|----------|--------------------------|----------------------|
| a)      | No of accounts                                                                                     | 26       | 14                       | -                    |
| b)      | Aggregate principal outstanding of loans transferred (₹ in Crore)                                  | 7,613.20 | 414.31                   | -                    |
| c)      | Weighted average residual tenor of the loans transferred (Years)                                   | 0.29     | 0.02                     | -                    |
| d)      | Net book value of loans transferred (at the time of transfer) (₹ in Crore)                         | 315.95   | 23.54                    | -                    |
| e)      | Aggregate consideration (₹ in Crore)                                                               | 3,145.57 | 214.65                   | -                    |
| f)      | Additional consideration realised in respect of accounts transferred in earlier years (₹ in Crore) | 74.83    | -                        | -                    |

## SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

Excess Provision amounting to ₹2,628.41 Crore (Previous Year ₹429.92 Crore) on sale of NPAs to Securitisation Company (SC)/Reconstruction Company (RC) has been accounted for in the Profit & Loss Account.

During the year ended 31<sup>st</sup> March 2023, investment made in Security Receipts (SRs) was ₹322.69 Crore. The Security Receipts are provided for and hence the book value is nil across various categories of Ratings assigned to Security Receipts by the Credit Rating Agencies as on 31<sup>st</sup> March 2023.

Provision held on the security receipts as on 31<sup>st</sup> March 2023 is ₹7,009.38 Crore (as on 31<sup>st</sup> March 2022 the same was ₹7,859.04 Crore.)

- ii) The bank has not transferred any Special Mention Account and loan not in default.

### Purchase of Loans:

- iii) The Bank has not acquired any stressed loan.
- iv) The Bank has purchased homogeneous assets from NBFCs/ HFCs/ MFIs which are not in default under Direct Assignment Route covered under Transfer of Loan Exposure. The Bank purchased secured home loans and secured & unsecured SME and ABU loans.

Details of loans-not-in-default acquired during the year ended on 31<sup>st</sup> March 2023 through assignment are given below:

| 3. Advances for any other purposes where shares or convertible bonds or convertible debentures or units of equity oriented mutual funds are taken as primary security.                                                                                                                                                                                       | -                | -                |
| 4. Advances for any other purposes to the extent secured by the collateral security of shares or convertible bonds or convertible debentures or units of equity oriented mutual funds i.e. where the primary security other than shares/ convertible bonds/ convertible debentures/ units of equity oriented mutual funds does not fully cover the advances. | 2,149.02         | 2,321.58         |
| 5. Secured and unsecured advances to stockbrokers and guarantees issued on behalf of stockbrokers and market makers                                                                                                                                                                                                                                          | 4,106.64         | 1,568.01         |
| 6. Loans sanctioned to corporates against the security of shares/ bonds/ debentures or other securities or on clean basis for meeting promoter's contribution to the equity of new companies in anticipation of raising resources.                                                                                                                           | -                | -                |
| 7. Bridge loans to companies against expected equity flows/issues.                                                                                                                                                                                                                                                                                           | -                | -                |
| 8. Underwriting commitments taken up by the Banks in respect of primary issue of shares or convertible bonds or convertible debentures or units of equity oriented mutual funds.                                                                                                                                                                             | -                | -                |
| 9. Financing to stockbrokers for margin trading.                                                                                                                                                                                                                                                                                                             | -                | -                |
| 10. Exposures to Venture Capital Funds (both registered and unregistered)                                                                                                                                                                                                                                                                                    | 4,302.21         | 4,325.30         |
| <b>Total Exposure to Capital Market</b>                                                                                                                                                                                                                                                                                                                      | <b>27,494.19</b> | <b>22,891.40</b> |

### c) Risk Category-wise Country Exposure

As per the extant RBI guidelines, the country exposure of the Bank is categorised into various risk categories listed in the following table.

| (₹ in Crore)  |                                      |                                      |                                      |                                      |
|---------------|--------------------------------------|--------------------------------------|--------------------------------------|--------------------------------------|
| Risk Category | Net Funded Exposure                  |                                      | Provision held                       |                                      |
|               | As at<br>31 <sup>st</sup> March 2023 | As at<br>31 <sup>st</sup> March 2022 | As at<br>31 <sup>st</sup> March 2023 | As at<br>31 <sup>st</sup> March 2022 |
| Insignificant | 404.93                               | 1,782.72                             | Nil                                  | Nil                                  |
| Very Low      | 2,25,110.30                          | 2,22,431.21                          | 196.15                               | 165.12                               |
| Low           | 62,630.30                            | 27,346.84                            | Nil                                  | Nil                                  |
| Medium        | 33,154.94                            | 29,467.82                            | Nil                                  | Nil                                  |
| High          | 22,138.32                            | 23,470.66                            | Nil                                  | Nil                                  |
| Very High     | 5,799.64                             | 5,402.11                             | Nil                                  | Nil                                  |
| Restricted    | 5,465.54                             | 6,160.87                             | Nil                                  | Nil                                  |
| <b>Total</b>  | <b>3,54,703.98</b>                   | <b>3,16,062.23</b>                   | <b>196.15</b>                        | <b>165.12</b>                        |

The country exposure (net funded) of the Bank for any country does not exceed 1% of its total assets except on USA, hence provision for the country exposure on USA has been made.

### d) Unsecured Advances

| (₹ in Crore)                                                                                                                  |              |               |
|-------------------------------------------------------------------------------------------------------------------------------|--------------|---------------|
| Particulars                                                                                                                   | Current Year | Previous Year |
| a) Total Unsecured Advances of the bank                                                                                       | 9,30,364.53  | 7,44,594.25   |
| i) Of which amount of advances outstanding against charge over intangible securities such as rights, licences, authority etc. | Nil          | Nil           |
| ii) The estimated value of such intangible securities (as in (i) above).                                                      | Nil          | Nil           |

**e) Factoring Exposures:**

The Banks factoring exposure as at 31<sup>st</sup> March 2023 is ₹28,565.16 Crore (Previous Year ₹20,136.45 Crore).

**f) Intra-Group Exposures:**

| (₹ in Crore)                                                                             |              |               |
|------------------------------------------------------------------------------------------|--------------|---------------|
| Particulars                                                                              | Current Year | Previous Year |
| Total amount of intra-group exposures                                                    | 55,540.06    | 24,431.05     |
| Total amount of top-20 intra-group exposures                                             | 55,540.06    | 24,430.71     |
| Percentage of intra-group exposures to total exposure of the bank on borrowers/customers | 1.09%        | 0.54%         |
| Details of breach of limits on intra-group exposures and regulatory action thereon       | Nil          | Nil           |

**g) Unhedged Foreign Currency Exposure:**

- An amount of ₹239.18 Crore (Previous Year ₹145.37 Crore) was held as on 31<sup>st</sup> March 2023 towards Currency Induced Credit Risk.
- Capital allocated for Currency Induced Credit Risk amounts to ₹420.39 Crore (Previous Year ₹72.90 Crore).

### b) Exchange Traded Interest Rate Derivatives

(₹ in Crore)

| Sr. No. | Particulars                                                                                                                          | Current Year | Previous Year |
|---------|--------------------------------------------------------------------------------------------------------------------------------------|--------------|---------------|
| 1.      | Notional principal amount of exchange traded interest rate derivatives undertaken during the year (instrument-wise)                  |              |               |
| a)      | Interest Rate Futures                                                                                                                | Nil          | Nil           |
| b)      | 10 Year Government of India Securities                                                                                               | 13,718.42    | 3,988.26      |
| 2.      | Notional principal amount of exchange traded interest rate derivatives outstanding as on end of the financial year (instrument-wise) |              |               |
| a)      | Interest Rate Futures                                                                                                                | Nil          | Nil           |
| b)      | 10 Year Government of India Securities                                                                                               | 165.00       | 501.00        |
| 3.      | Notional principal amount of exchange traded interest rate derivatives outstanding and not "highly effective" (instrument-wise)      | N.A.         | N.A.          |
| 4.      | Mark-to-market value of exchange traded interest rate derivatives outstanding and not "highly effective" (instrument-wise)           | N.A.         | N.A.          |

### c) Risk Exposure in Derivatives

#### Qualitative Risk Exposure

- i) The Bank currently deals in over the counter (OTC) interest rate and currency derivatives as also in Interest Rate Futures and Exchange Traded Currency Derivatives.

Interest Rate Derivatives dealt by the Bank are rupee interest rate swaps, foreign currency interest rate swaps and forward rate agreements, cap, floor and collars.

Currency derivatives dealt by the Bank are currency swaps, rupee dollar options and cross-currency options.

The Bank also deals in Non-deliverable Options and Non-deliverable Forwards as permitted by RBI.

The products are offered to the Bank's customers to hedge their exposures and the Bank also enters into derivatives contracts to cover off such exposures. Derivatives are used by the Bank both for trading as well as hedging balance sheet items.

The Bank also runs option position in USD/INR, which is managed through various types of loss limits and Greek limits.

- ii) Derivative transactions carry market risk i.e. the probable loss the Bank may incur as a result of adverse movements in interest rates/exchange rates and credit risk i.e. the probable loss the Bank may incur if the counterparties fail to meet their obligations. The Bank's "Policy for Derivatives" approved by the Board prescribes the market risk parameters (Greek limits, Loss Limits, cut-loss triggers, open position limits, duration, modified duration, PV01 etc.) as well as customer eligibility criteria (credit rating, tenure of relationship, limits and customer appropriateness and suitability of policy (CAS) etc.) for entering into derivative transactions. Credit risk is controlled by entering into derivative transactions only with counterparties satisfying the criteria prescribed in the Policy. Appropriate limits are set for the counterparties taking into account their ability to honour obligations and the Bank enters into ISDA agreement with each counterparty.
- iii) The Asset Liability Management Committee (ALCO) of the Bank oversees efficient management of these risks. The Bank's Market Risk Management Department (MRMD) identifies, measures, monitors market risk associated with derivative transactions, assists ALCO in controlling and managing these risks and reports compliance with policy prescriptions to the Risk Management Committee of the Board (RMCB) at regular intervals.
- iv) The accounting policy for derivatives has been drawn-up in accordance with RBI guidelines, the details of which are presented under Schedule 17: Significant Accounting Policies (SAP).
- v) Interest Rate Swaps are mainly used for hedging of the assets and liabilities.
- vi) Majority of the swaps were done with First class counterparty banks.
- vii) Derivative transactions comprise of swaps which are disclosed as contingent liabilities. The swaps are categorised as trading or hedging.
- viii) Derivative deals are entered with only those interbank participants for whom counterparty exposure limits are sanctioned. Similarly, derivative deals entered with only those corporates for whom credit exposure limit is sanctioned. Collateral requirements for derivative transactions are laid down as a part of credit sanctions terms on a case by case basis. Such collateral requirements are determined based on usual credit appraisal process. The Bank retains the right to terminate transactions as a risk mitigation measure in certain cases.

### c) Disclosure of “First Resort Complaints received, and action taken” in terms of Policy related Action Point in Annual Conference of the RBI Ombudsmen’s October 2022

Under clause 10 of the Reserve Bank Integrated Ombudsman Scheme-2021 (RB-IOS), the complaints not related to deficiency of service rejected by Banking Ombudsman as non-maintainable advising the complainants to approach the concerned Regulated Entity directly are called as First Resort Complaints.

During the financial year 2022-23, a total of 23,363 First Resort Complaints (FRCs) were received by RB-IOs.

To ensure reduction in First Resort Complaints (FRCs), the Bank has taken initiatives as under:

- The salient features of RB-IOS Scheme have been displayed at all the branches, ATMs and digitally displayed on ATMs, Bank’s website, Internet Banking & YONO.
- Nationwide Intensive Customer Awareness Campaign was conducted during November 2022.

### 18.12 Disclosure of penalties imposed by the Reserve Bank of India

- a) During the year ended 31<sup>st</sup> March 2023, no penalty has been levied on the Bank by the Reserve Bank of India (RBI) in exercise of the powers vested under the provisions of Section 47A(1)(c) read with Sections 46(4)(i) and 51(1) of the Banking Regulation Act, 1949.

- b) No penalty has been levied on the Bank for contravention under the provisions of Payment and Settlement Systems Act, 2007, Government Securities Act, 2006 (for bouncing SGL).
- c) There is no default in reverse repo transaction.

### 18.13 Other Disclosures:

## Experience adjustment

(₹ in Crore)

| Amount recognized in the Balance Sheet | Year ended 31.03.2019 | Year ended 31.03.2020 | Year ended 31.03.2021 | Year ended 31.03.2022 | Year ended 31.03.2023 |
|----------------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| On Plan Liability (Gain)/Loss          | 3,642.57              | 4,078.53              | 12,528.38             | 4,162.26              | 8,997.32              |
| On Plan Asset (Loss)/Gain              | 109.65                | 1,550.28              | 3,705.91              | (436.95)              | (4,364.24)            |

The expected contribution to the Pension and Gratuity Fund for the next year is ₹2,200.00 Crore and ₹1,796.23 Crore respectively.

As the plan assets are marked to market on the basis of the yield curve derived from government securities, the expected rate of return has been kept the same as the discount rate.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long-term and are not based on limited past experience/immediate future. Empirical evidence also suggests that in very long-term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

With a view to further strengthen the Pension Fund, it was decided to upwardly revise some of the assumptions.

## 2) Employees' Provident Fund

Actuarial valuation carried out in respect of interest shortfall in the Provident Fund Trust of the Bank, as per Deterministic Approach shows "Nil" liability, hence no provision is made in FY2022-23.

The following table sets out the status of Provident Fund as per the actuarial valuation by the independent Actuary appointed by the Bank: -

(₹ in Crore)

# SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

## Principal actuarial assumptions

| Particulars            | Provident Fund       |                      |
|------------------------|----------------------|----------------------|
|                        | Current Year         | Previous Year        |
| Discount Rate          | 7.48%                | 7.27%                |
| Guaranteed Return      | 8.10%                | 8.50%                |
| Attrition Rate         | 2.00%                | 2.00%                |
| Salary Escalation Rate | 6.00%                | 5.80%                |
| Mortality Table        | IALM 2012-14 (Urban) | IALM 2012-14 (Urban) |

There is a guaranteed return applicable to liability under SBI Employees Provident Fund which shall not be lower of either:

- one half percent above the average standard rate (adjusted up or down to the interest one quarter per cent) quoted by the bank for new deposits fixed for twelve months in the preceding year (ending on the preceding 31<sup>st</sup> day of March); or
- three percent per annum, subject to approval of Executive Committee.

## ii) Defined Contribution Plan:

The Bank has a Defined Contribution Pension Scheme (DCPS) applicable to all categories of officers and employees joining the Bank on or after 1<sup>st</sup> August 2010. The Scheme is managed by NPS Trust under the aegis of the Pension Fund Regulatory and Development Authority. National Securities Depository Limited has been appointed as the Central Record Keeping Agency for the NPS. During FY 2022-23, the Bank has contributed ₹1,296.27 Crore (Previous Year ₹1,177.54 Crore).

## iii) Long-Term Employee Benefits (Unfunded Obligation):

### A) Accumulating Compensated Absences (Privilege Leave)

The following table sets out the status of Accumulating Compensated Absences (Privilege Leave) as per the actuarial valuation by the independent Actuary appointed by the Bank: -

(₹ in Crore)

| Particulars                                                                                                | Accumulating Compensated Absences<br>(Privilege Leave) |               |

**c) Accounting Standard - 17 "Segment Reporting"****1. Segment Identification****I. Primary (Business Segment)**

The following are the primary segments of the Bank:-

- Treasury
- Corporate/Wholesale Banking
- Retail Banking
- Other Banking Business.

The present accounting and information system of the Bank does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the primary segments have been computed as under:

# SCHEDULES

forming part of the Balance Sheet and Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

**i) Treasury**

The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.

**ii) Corporate/Wholesale Banking**

The Corporate/Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Commercial Clients Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices.

**iii) Retail Banking**

The Retail Banking Segment comprises of retail branches, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with these branches. This segment also includes agency business and ATMs.

**iv) Other Banking business**

Segments not classified under (i) to (iii) above are classified under this primary segment.

**II. Secondary (Geographical Segment)**

- i) Domestic Operations - Branches/Offices having operations in India
- ii) Foreign Operations - Branches/Offices having operations outside India and offshore Banking units having operations in India

**III. Pricing of Inter-segmental Transfers**

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sell funds to business units engaged in creating assets.

**IV. Allocation of Expenses, Assets and Liabilities**

Expenses incurred at Corporate Centre establishments directly attributable either to Corporate/Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Bank has certain common assets and liabilities, which cannot be attributed to any segment, and the same are treated as unallocated.

### i) Accounting Standards - 28 "Impairment of Assets"

In the opinion of the Bank's Management, there is no indication of impairment to the non-monetary assets during the year.

j) **Accounting Standard – 29 “Provisions, Contingent Liabilities and Contingent Assets”**

**Description of Contingent liabilities:**

| Sr. No. | Particulars                                                                                 | Brief Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|---------|---------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.      | Claims against the Bank not acknowledged as debts                                           | The Bank is a party to various proceedings in the normal course of business. The Bank does not expect the outcome of these proceedings to have a material adverse effect on the Bank's financial conditions, results of operations or cash flows. The Bank is also a party to various taxation matters in respect of which appeals are pending.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| 2.      | Liability on partly paid-up investments/Venture Funds                                       | This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| 3.      | Liability on account of outstanding forward exchange contracts                              | The Bank enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as Contingent Liabilities. With respect to the transactions entered into with its customers, the Bank generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.                                                                                                                                                                                                                                                    |
| 4.      | Guarantees given on behalf of constituents, acceptances, endorsements and other obligations | As a part of its commercial Banking activities, the Bank issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Bank. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| 5.      | Other items for which the Bank is contingently liable                                       | The Bank enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by the Bank on behalf of Associates & Subsidiaries, Bank's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities. |

The Contingent Liabilities mentioned above are dependent upon the outcome of Court/arbitration/out of Court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvement and raising of demand by concerned parties, as the case may be.

**Movement of provisions against Contingent Liabilities**

The movement of provisions against contingent liabilities given in the table below:

| (₹ in Crore)                           |                 |                 |
|----------------------------------------|-----------------|-----------------|
| Particulars                            | Current Year    | Previous Year   |
| Opening balance                        | 3,664.18        | 3,429.98        |
| Additions during the year              | 143.54          | 438.42          |

# Independent Auditors' Report

To

**The President of India**

## **REPORT ON AUDIT OF THE STANDALONE FINANCIAL STATEMENTS OF STATE BANK OF INDIA**

### **Opinion**

1. We have audited the accompanying Standalone Financial Statements of State Bank of India ("the Bank") which comprise the Balance Sheet as at 31<sup>st</sup> March 2023, the Profit and Loss Account and the Statement of Cash Flow for the year then ended, and Notes to Standalone Financial Statements including a summary of Significant Accounting Policies and other explanatory information in which are included returns for the year ended on that date of:

- i. The Central offices, 17 Local Head offices, Global Market Unit, International Business Group, Corporate Accounts Group (Central), Commercial Client Group (Central), Stressed Asset Resolution Group (Central), Central Accounts Offices and 20 branches audited by us and;
- ii. 5,719 Indian branches audited by respective Statutory Branch Auditors;
- iii. 34 Foreign branches audited by respective Local Auditors;

The branches audited by us and those audited by other auditors have been selected by the Bank in accordance with the guidelines issued to the Bank by the Reserve Bank of India (RBI). Also incorporated in the Balance Sheet, the Profit and Loss Account and the Statement of Cash Flows are the returns from 19,285 Indian branches (including other accounting units) which have not been subjected to audit. These unaudited branches account for 25.18% of advances, 39.97% of deposits, 21.04% of interest income and 37.73% of interest expenses.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Banking Regulation Act, 1949 and State Bank of India Act, 1955 in the manner so required for the Bank and are in conformity with accounting principles generally accepted in India and:

- a) the Balance Sheet, read with the notes thereon is a full and fair Balance Sheet containing all the necessary particulars, is properly drawn up so as to exhibit a true and fair view of the state of affairs of the Bank as at 31<sup>st</sup> March 2023;
- b) the Profit and Loss Account, read with the notes thereon shows a true balance of profit for the year ended on that date; and
- c) the Cash Flow Statement gives a true and fair view of the cash flows for the year ended on that date.

### **Basis for Opinion**

2. We conducted our audit in accordance with the Standards of Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the Standalone Financial Statements, prepared in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the ICAI, and provisions of Section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India ("RBI") from time to time and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

3. Key Audit Matters are those matters that in our professional judgement were of most significance in our audit of the Standalone Financial Statements for the year ended 31<sup>st</sup> March 2023. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report:

                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | How the matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| i.      | <p>Classification of Advances, Income Recognition, Identification of and provisioning for non-performing Advances (Refer Schedule 9 read with Note 3 of Schedule 17 to the financial statements):</p> <p>Advances include Bills purchased and discounted, Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/Government Guarantees and Unsecured advances.</p> <p>Advances constitute 58.45% of the Bank's total assets. They are, inter alia, governed by income recognition, asset classification and provisioning (IRAC) norms and other circulars and directives issued by the RBI from time to time which provides guidelines related to classification of Advances into performing and non-performing Advances (NPA) except in case of foreign offices, classification of advances and provisioning thereof is made as per local regulations or RBI guidelines, whichever is more stringent. The Bank classifies these Advances based on IRAC norms as per its accounting policy No. 3.</p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) viz. Core Banking Solution (CBS) which identifies whether the advances are performing or non-performing.</p> <p>The bank is in the continuous process to upgrade existing &amp; implement new IT applications in various areas of its business operations, including income recognition and asset classification in terms of RBI Circular Ref. No. Dos. CO. PPG./ SEC.03/11.01.005/2020-21 dated 14<sup>th</sup> September 2020. These applications require detailed testing, verifications and UAT before final implementation. The financial impact pending such implementation is not likely to be material as per the management.</p> <p>Further, NPA classification and calculation of provision (except in case of foreign offices) is done through another IT System viz. Centralised Credit Data Processing (CCDP) Application Software and other processes.</p> <p>The carrying value of these advances (net of provisions) may be materially misstated if, either individually or in aggregate, the IRAC norms are not properly followed.</p> <p>Considering the nature of the transactions, regulatory requirements, existing business environment, estimation/ judgement involved in valuation of securities and calculation of provisions, it is a matter of high importance for the intended users of the Standalone Financial Statements. Considering these aspects, we have determined this as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on income recognition, asset classification and provisioning pertaining to advances due to the materiality of the balances.</p> | <p>Our audit approach towards advances with reference to the IRAC norms and other related circulars/directives issued by the RBI and also internal policies and procedures of the Bank includes the testing of controls on sample basis</p> <ol style="list-style-type: none"> <li>The accuracy of the data input in the system for income recognition, classification into performing and non-performing Advances and provisioning in accordance with the IRAC norms in respect of the branches audited by us;</li> <li>Existence and effectiveness of monitoring mechanisms such as Internal Audit, Systems Audit, Credit Audit and Concurrent Audit as per the policies and procedures of the Bank;</li> <li>Examination of advances including stressed advances on a sample basis with respect to compliance with the RBI Master Circulars/ Guidelines/ Judicial pronouncements;</li> <li>We have relied on the reports of IT System Audit by IAD with respect to the business logics/parameters inbuilt in CBS and CCDP for tracking, identification and stamping of NPAs and provisioning in respect thereof.</li> <li>We tested the mapping of advances in the CCDP application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circulars / directions</li> <li>We have examined the efficacy of various internal controls over advances to determine the nature, timing and extent of the substantive procedures and compliance with the observations of the various audits conducted as per the monitoring mechanism of the Bank and RBI Inspection.</li> <li>In carrying out substantive procedures at the branches audited by us, we have examined large advances/ stressed advances while other advances have been examined on a sample basis including review of valuation reports of independent valuers provided by the Bank's management.</li> <li>We assessed and evaluated the process of identification of NPAs and corresponding reversal of income and creation of provision;</li> <li>Reliance is also placed on Audit Reports of other Statutory Branch Auditors with whom we have also made specific communication.</li> <li>Bank has laid down detailed Standard Operating Procedure to ensure control over processes. We have relied on these Standard Operating Procedures and have conducted our testing based on these Standard Operating Procedures.</li> </ol> |

| Sr. No. | Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | How the matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ii.     | <p>Classification and Valuation of Investments, Identification of and provisioning for Non-Performing Investments (Schedule 8 read with Note 2 of Schedule 17 to the financial statements):</p> <p>Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, Shares, Security receipts and other approved securities.</p> <p>Investments constitute 28.69% of the Bank's total assets. These are governed by the circulars and directives of the RBI. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, the corresponding non-recognition of income and provision there against.</p> <p>The valuation of each category (type) of the aforesaid securities is to be done as per the method prescribed in circulars and directives issued by the RBI which involves collection of data/information from various sources such as FIMMDA rates, rates quoted on BSE/NSE, financial statements of unlisted companies etc. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on valuation of investments, classification, identification of non-performing investments and provisioning related to investments.</p> | <p>Our audit approach towards Investments with reference to the RBI Circulars/directives included the understanding of internal controls and substantive audit procedures in relation to valuation, classification, identification of non-performing investments (NPIs), provisioning/depreciation related to Investments. In particular;</p> <ol style="list-style-type: none"> <li>We understood and evaluated the Bank's internal control system to comply with relevant RBI guidelines regarding valuation, classification, identification of NPIs, provisioning/depreciation related to investments;</li> <li>We assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments;</li> <li>For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for each category of security. Samples were selected after ensuring that all the categories of investments (based on nature of security) were covered in the sample;</li> <li>We assessed and evaluated the process of identification of NPIs and corresponding reversal of income and creation of provision;</li> <li>We carried out substantive audit procedures to recompute independently the provision to be maintained and depreciation to be provided in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPIs as per the RBI guidelines and recomputed the provision to be maintained in accordance with the RBI Circular for those selected sample of NPIs;</li> <li>We tested the mapping of investments between the Investment application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</li> </ol> |

# Independent Auditors' Report

| Sr. No. | Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | How the matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

| iii.    | <p>Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct and Indirect Taxes, various claims filed by other parties not acknowledged as debt (Schedule 12 read with Note 18.13 of Schedule 18 to the financial statements):</p> <p>There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgement, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgement in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgements/interpretation of law involved.</p> | <p>Our audit approach involved:</p> <ol style="list-style-type: none"> <li>Obtaining an understanding of internal controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances;</li> <li>Understanding the current status of the litigations/ tax assessments including the status upto the date of auditor's report;</li> <li>Examining recent orders and/or communication received from various tax authorities/judicial forums and follow up action thereon;</li> <li>Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal/tax advice including opinion of our internal tax experts;</li> <li>Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and</li> <li>Verification of disclosures related to significant litigations and taxation matters.</li> </ol> |

## Information Other than the Standalone Financial Statements and Auditors' Report thereon

- The Bank's Board of Directors is responsible for preparation of the Other Information. The Other Information comprises the Corporate Governance Report which we obtained at the time of issue of this report. The Other Information also includes Directors' Report including annexures in Annual Report, but does not include the Standalone Financial Statements and our Auditors' Report thereon, which is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the Standalone Financial Statements does not cover the Other Information and Pillar 3 disclosures under the Basel III and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the Other Information identified above and, in doing so, consider whether the Other Information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the Other Information that we obtained prior to the date of this Auditors' Report, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

- The Bank's Board of Directors is responsible with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India including the Accounting Standards issued by ICAI to the extent applicable, and provisions of Section 29 of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and circulars and guidelines issued by RBI from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the above-mentioned Acts for safeguarding of the

assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Bank's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Standalone Financial Statements**

6. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement whether due to fraud or error and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

# Independent Auditors' Report

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Other Matters

7. We did not audit the financial statements/information of 5,753 branches (including 34 Foreign branches) included in the Standalone Financial Statements of the Bank whose financial statements/financial information reflects total assets of ₹20,84,279.13 Crore at 31<sup>st</sup> March 2023 and total revenue of ₹1,30,247.03 Crore for the year ended on that date, as considered in the Standalone Financial Statements. The financial statements/information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors.

Our opinion is not modified in respect of the above matter.

## Report on Other Legal and Regulatory Requirements

8. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949; and these give

information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations thereunder.

Subject to the limitations of the audit indicated in paragraphs 5 to 7 above and as required by the State Bank of India Act, 1955, and subject also to the limitations of disclosure required therein and as required by sub-section (3) of Section 30 of the Banking Regulation Act, 1949, we report that:

- a) We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
  - b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
  - c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.
  - d) The profit and loss account shows the true balance of profit for the year ended 31.03.2023.
9. We further report that:
    - a) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from branches not visited by us;
    - b) the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account and with the returns received from the branches not visited by us;
    - c) the reports on the accounts of the branch offices audited by branch auditors of the Bank as per the provisions of the Section 29 of the Banking Regulation Act, 1949, and the State Bank of India Act, 1955 have been sent to us and have

been properly dealt with by us in preparing this report; and

- d) in our opinion, the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement comply with the applicable accounting standards, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.

10. As required by letter No. DOS.ARG. No.6270/08.91.001/2019-20 dated 17<sup>th</sup> March 2020 on "Appointment of Statutory Central Auditors (SCAs) in Public Sector Banks – Reporting obligations for SCAs", we further report on the matters specified in paragraph 2 of the aforesaid letter as under:

- a) In our opinion, the aforesaid Standalone Financial Statements comply with the applicable Accounting Standards issued by ICAI, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.

- b) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the Bank.

- c) As the bank is not registered under the Companies Act, 2013 the disqualifications from being a director of the bank under sub-section (2) of Section 164 of the Companies Act, 2013 do not apply to the bank.

- d) There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.

- e) Our Audit report on the adequacy and operating effectiveness of the Bank's Internal Financial Controls over Financial Reporting is given in **Annexure - A** to this report expressing an unmodified opinion on the Bank's Internal Financial Control over Financial Reporting with reference to the Standalone Financial Statements as at 31<sup>st</sup> March 2023.

# ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 10(e) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

## **Report on the Internal Financial Controls Over Financial Reporting as required by the Reserve Bank of India (the “RBI”) Letter DOS.ARG. No.6270/08.91.001/2019-20 dated 17<sup>th</sup> March 2020 (as amended) (the “RBI communication”)**

We have audited the internal financial controls over financial reporting of State Bank of India (“the Bank”) as of 31<sup>st</sup> March 2023 in conjunction with our audit of the standalone financial statements of the Bank for the year ended on that date which includes internal financial controls over financial reporting of the Bank’s branches.

### **Management’s Responsibility for Internal Financial Controls**

The Bank’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Banking Regulation Act, 1949, State Bank of India Act, 1955 and the circulars and guidelines issued by the Reserve Bank of India.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Bank’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (the “ICAI”) and the Standards on Auditing (SAs) issued by the ICAI, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we

comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls Over Financial Reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal financial controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the branch auditors, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Bank’s internal financial controls over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A Bank’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Bank’s internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorizations of management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Bank’s assets that could have a material effect on the financial statements.

# ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

## **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the branch auditors referred

to in the Other Matters paragraph below, the Bank has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2023, based on “the criteria for internal control over financial reporting established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI”.

## **Other Matters**

Our aforesaid report in so far as it relates to the operating effectiveness of internal financial controls over financial reporting of 711 branches is based on the corresponding reports of the respective branch auditors of those branches.

Our opinion is not modified in respect of this matter.

# SCHEDULES

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

## SCHEDULE 17 - SIGNIFICANT ACCOUNTING POLICIES

### A. Background:

State Bank of India ('SBI' or 'the Bank') is a banking and financial services statutory body engaged in providing a wide range of products and services to individuals, commercial enterprises, large corporates, public bodies, and institutional customers. The Bank is governed by the Banking Regulation Act, 1949 and the State Bank of India Act, 1955.

State Bank of India Group ('SBI Group' or 'the Group') consists of SBI, 27 Subsidiaries, 8 Joint ventures (including Jio Payments Bank Ltd upto January 22, 2023) and 19 Associates.

Following are the Significant Accounting Policies of SBI Group i.e. the specific accounting principles and methods of applying these principles in the preparation and presentation of consolidated financial statements of SBI.

### B. Basis of Preparation:

The accounting and reporting policies of the SBI Group conform to Generally Accepted Accounting Principles in India (Indian GAAP), comprising of regulatory norms, directions & guidelines prescribed by the Reserve Bank of India (RBI), statutory guidelines of the State Bank of India Act, 1955, the Banking Regulation Act, 1949, Insurance Regulatory and Development Authority of India (IRDAI), Pension Fund Regulatory and Development Authority (PFRDA), SEBI (Mutual Funds) Regulations, 1996, Companies Act 2013, Accounting Standards issued by Institute of Chartered Accountants of India (ICAI) and the accounting practices prevalent in India.

In case of foreign entities, Generally Accepted Accounting Principles as applicable to the foreign entities are followed.

The Bank's consolidated financial statements are prepared under the historical cost convention, with fundamental accounting assumptions of going concern, consistency, and accrual, unless otherwise stated.

The consolidated financial statements have been prepared in accordance with guidelines issued by RBI and requirements under the Third Schedule of the Banking Regulation Act, 1949.

### C. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions that are considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

### D. Basis of Consolidation:

#### 1. Consolidated financial statements of the SBI Group includes:

- a) Financial statements of State Bank of India (Parent).
- b) Line by line aggregation of each item of asset/ liability/ income/ expense of the subsidiaries with the respective item of the Parent. Elimination of all material intra-group balances/transactions and resulting unrealised gains and adjustments required for non-uniform accounting policies as per AS 21 "Consolidated Financial Statements" issued by the ICAI.
- c) Proportionate share of asset/ liability/ income/ expense of the joint venture entities are consolidated as per AS 27 "Financial Reporting of Interests in Joint Ventures" issued by the ICAI.
- d) Accounting for investment in 'Associates' under the 'Equity Method' as per AS 23 "Accounting for Investments in Associates in Consolidated Financial Statements" issued by the ICAI.

#### 2. The difference between cost to the group of its investment in the subsidiary entities and the group's portion of the equity of the subsidiaries is recognized in the financial statements as goodwill/capital reserve.

#### 3. Minority interest in the net assets of the consolidated subsidiaries consists of:

- a) The amount of equity attributable to the minority shareholders at the date on which the investment in the equity shares of the subsidiary is made, and
- b) The minority share of movements in revenue reserves/loss (equity) since the date the parent-subsidiary relationship came into existence.

## E. Significant Accounting Policies

### 1. Revenue recognition:

- 1.1 Income and expenditure are accounted on accrual basis, except otherwise stated.
- 1.2 Interest/Discount income is recognized, in the Profit and Loss Account, on realisation basis for the following:
  - a) Income from Non-Performing Assets (NPAs) including investments, as per the prudential norms prescribed by the RBI/ respective country regulators in the case of foreign offices/ entities (hereafter collectively referred to as Regulatory Authorities),
  - b) Income on Rupee Derivatives designated as "Trading".
- 1.3 In accordance with the guidelines issued by the Reserve Bank of India, Profit on sale of investments held in the "Held to Maturity" category of the Bank and on sale of Fixed Assets held by the Bank is appropriated to Capital Reserve, net of applicable taxes and amount required to be transferred to Statutory Reserve.

The discount, if any, on acquisition of investments in Held to Maturity (HTM) category is accounted as follows:

  - a) on Interest bearing securities, it is accounted for at the time of sale/redemption.
  - b) on zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.
- 1.4 Dividend income is recognized when the right to receive the dividend is established.
- 1.5 Commission on Letter of Credit (LC)/Bank Guarantee (BG), Deferred Payment Guarantee, Government Business, ATM interchange fee & "Upfront fee on restructured account" are recognized on accrual basis proportionately over the period. All other commission and fee income are accounted on their realisation.
- 1.6 One time Insurance Premium paid under Special Home Loan Scheme (December 2008 to June 2009) is amortised over the average loan period of 15 years.
- 1.7 Brokerage, Commission etc. paid/ incurred in connection with the issue of Bonds/ Deposits are amortised over the tenure of the related Bonds/ Deposits and the expenses incurred in connection with the issue are charged upfront.
- 1.8 The Bank derecognizes its financial assets when it sells to Securitisation Company (SC)/ Reconstruction Company (RC), and accounts for as under:
  - i) If the sale is at a price below the Net Book Value (NBV) (i.e. book value less provisions held), the shortfall is debited to the Profit and Loss Account in the year of sale.
  - ii) If the sale is for a value higher than the NBV, the excess provision is written back in the year the amounts are received.
- 1.9 Issue management fees and advisory fees, in case of Group's merchant banking business, are recognized as per the terms of the agreement with the customer/client. The fee income is recognized only when the milestone defined in the agreement is executed/completed.
  - 1.9.1 Fees for private placement are recognized on completion of assignments.
  - 1.9.2 Brokerage income in relation to stock broking activity is recognized on the trade date of transaction and includes stamp duty, transaction charges and is net of incentives paid on scheme.
  - 1.9.3 Commission relating to public issues is accounted for on finalisation of allotment of the public issue/receipt of information from intermediary.
  - 1.9.4 Brokerage income relating to public issues/ mutual fund/ other securities is accounted for based on mobilisation and intimation received from clients/ intermediaries.
  - 1.9.5 Depository income – Annual Maintenance Charges are recognized on accrual basis and transaction charges are recognized on trade date of transaction.
- 1.10 Management fee, in case of Group's asset management business, is recognized at specific rates agreed with the relevant schemes, applied

# SCHEDULES

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

on the average daily net assets of each scheme (excluding inter-scheme investments, wherever applicable, investments made by the Company in the respective scheme and deposits with Banks), and are in conformity with the limits specified under SEBI (Mutual Funds) Regulations, 1996.

1.10.1 Portfolio Advisory Services, Portfolio Management Services and Management Fees on Alternative Investment Funds (AIF) are recognized on accrual basis as per the terms of the contract.

1.10.2 Recovery, if any, on realisation of devolved investments of schemes acquired by the Company, in terms of the right of subrogation, is accounted based on receipts. Recovery from funded guarantee schemes is recognized as income in the year of receipt.

1.10.3 Expenses of schemes in excess of the stipulated rates and expenses relating to new fund offer are charged to the Profit and Loss Account in the year in which they are incurred in accordance with the requirements of SEBI (Mutual Funds) Regulations, 1996.

1.10.4 Brokerage and/or incentive paid on investments in open-ended Equity Linked Tax Saving Schemes and Systematic Investment Plans (SIPs) are amortised over a period of 36 months and in case of other schemes, over the claw back period. In case of close-ended schemes, brokerage is amortised over the tenure of schemes.

1.11 Income earned from provision of membership services, in case of Group's credit card business, is recognized as revenue over the membership period consisting of 12 months at fair value of consideration net of expected reversals/cancellations.

1.11.1 Other service revenue consists of value-add services provided to the card holders. Other service revenues are recognized in the same period in which related transactions occur or services rendered.

1.11.2 Interchange fees are collected from acquirers and paid to issuers by network

partners to reimburse the issuers for portion of the costs incurred for providing services that benefit all participants in the system, including acquirers and merchants. Revenue from interchange income is recognized when related transaction occurs, or service is rendered.

1.11.3 The total unidentified receipts which could not be credited or adjusted in the customers' accounts for lack of complete & correct information is considered as liability in Balance Sheet. The estimated unidentified receipts aged more than 6 months and up to 3 years towards the written off customers is written back as income on Balance Sheet date. Further, the unresolved unidentified receipts aged more than 3 years are also written back as income on Balance Sheet date. The liability for stale cheques aged for more than three years is written back as income.

1.11.4 All other service income/fees are recorded at the time of occurrence of the respective events.

1.12 Factoring charges, in case of Group's factoring business, are accrued on factoring of debts at the applicable rates as decided by the Company. Processing fees are recognized as income only when there is reasonable certainty of its receipt after execution of documents. Facility Continuation fees (FCF) are calculated and charged in the month of May for the entire next financial year on all live standard accounts. 1<sup>st</sup> of May is deemed as date for accrual of the FCF.

1.13 Premium, in case of Group's life insurance business, of non-linked business is recognized as income (net of goods and service tax) when due from policyholders. In respect of linked business, premium income is recognized when the associated units are allotted. In case of variable insurance products (VIPs), premium income is recognized on the date when the Policy Account Value is credited. Uncollected premium from lapsed policies is not recognized as income until such policies are revived.

1.13.1 Top-up premiums are considered as single premium.

1.13.2 Income from linked funds which includes fund management charges, policy administration charges, mortality charges, etc. are recovered from linked fund in accordance with terms and conditions of policy and recognized when recovered.

1.13.3 Realised gains and losses in respect of equity securities, units of mutual funds, Equity Exchange Traded funds (ETFs), Infrastructure Investment Trusts (InvITs) and Real Estate Investments Trusts (REITs) are calculated as the difference between the net sales proceeds and their cost. In respect of debt securities, the realised gains and losses are calculated as the difference between net sale proceeds or redemption proceeds and weighted average amortised cost. Cost in respect of equity shares, units of mutual fund Equity Exchange Traded funds (ETFs), Infrastructure Investment Trusts (InvITs) and Real Estate Investments Trusts (REITs) are computed using the weighted average method.

1.13.4 Fees received on lending of equity shares under Securities lending and borrowing scheme (SLB) is recognized as income over the period of the lending on straight-line basis.

1.13.5 Premium ceded on reinsurance is accounted in accordance with the terms of the re-insurance treaty or in-principle arrangement with the re-insurer.

1.13.6 Benefits paid:

- Claims cost consist of the policy benefit amounts and claims settlement costs, where applicable.
- Claims by death and rider are accounted when intimated. Intimations up to the end of the period are considered for accounting of such claims.
- Claims by maturity are accounted on the policy maturity date.
- Survival and Annuity benefits claims are accounted when due.

- Surrenders and withdrawals are accounted as and when intimated. Benefits paid also includes amount payable on lapsed policies which are accounted for as and when due. Surrenders, withdrawals and lapsation are disclosed at net of charges recoverable.
- Repudiated claims disputed before judicial authorities are provided for based on management prudence considering the facts and evidences available in respect of such claims.
- Amounts recoverable from re-insurers are accounted for in the same period as the related claims and are reduced from claims.

1.13.7 Acquisition costs such as commission, medical fees, etc. are costs that are primarily related to the acquisition of new and renewal insurance contracts. The same are expensed in the period in which they are incurred.

1.13.8 **Liability for life policies:** The actuarial liability of all the life insurance policies has been calculated by the Appointed Actuary in accordance with the Insurance Act, 1938, and as per the rules and regulations and circulars issued by IRDAI from time to time and the relevant Guidance Notes and/or Actuarial Practice Standards (APS) issued by the Institute of Actuaries of India.

1.13.9 **Funds for future appropriation**

For non-linked participating business, the balance in the funds for future appropriations account represents funds, the allocation of which, either to participating policyholders' or to shareholders', has not been determined at the Balance Sheet date. Transfers to and from the fund reflect the excess or deficit of income over expenses and appropriations in each accounting period arising in the Company's policyholders' fund. In respect of participating policies any allocation to the policyholder would also give rise to a shareholder transfer in the required proportion.

# SCHEDULES

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

The fund for future appropriations held in the unit-linked funds, represents surplus that has arisen from lapsed policies unlikely to be revived. This surplus is required to be held within the policyholders' fund till the point at which the policyholders' can no longer revive their policy.

1.14 Premium including reinsurance accepted (net of goods & service tax), in case of Group's general insurance business, is recognized in the books at the commencement of risk over the contract period or the period of risk, whichever is appropriate. In case the premium is recovered in instalments, amount to the extent of instalment due is recorded on the due date of the instalment. Premium (net of goods & service tax), including reinstatement premium, on direct business and reinsurance accepted, is recognized as income over the contract period or the period of risk, whichever is appropriate, on a gross basis under 1/365 method. In case of long-term motor insurance policies premium is recognized on a yearly basis as mandated by IRDAI. Any subsequent revision to premium is recognized over the remaining period of risk or contract period. Adjustments to premium income arising on cancellation of policies are recognized in the period in which they are cancelled.

1.14.1 Commission on reinsurance ceded is recognized as income in the period in which reinsurance risk is ceded. Profit commission under re-insurance treaties, wherever applicable, is recognized as income in the year of final determination of the profits as intimated by Reinsurer and combined with commission on reinsurance ceded.

Sliding scale commission under reinsurance treaties, wherever applicable, is recognized as income as per the reinsurance treaty conditions as confirmed by reinsurers and combined with commission on reinsurance ceded.

1.14.2 In respect of proportional reinsurance ceded, the cost of reinsurance ceded is accrued at the commencement of risk over the contract period or the period of risk. Non-proportional reinsurance cost is recognized when due. Non-proportional reinsurance

cost is accounted as per the terms of the reinsurance arrangements. Any subsequent revision to, refunds or cancellations of premiums is recognized in the period in which they occur.

1.14.3 Reinsurance inward acceptances are accounted for on the basis of returns, to the extent received, from the insurers.

1.14.4 Acquisition costs are expensed in the period in which they are incurred. Acquisition costs are defined as costs that vary with, and are primarily related to the acquisition of new and renewal insurance contracts viz. commission. The primary test for determination as acquisition cost is the obligatory relationship between the costs and the execution of the insurance contracts (i.e. commencement of risk). In case of long-term motor insurance policies commission is expensed at the applicable rates on the premium allocated for the year as mandated by IRDAI.

1.14.5 Premium Received in Advance which represents premium received prior to the commencement of the risk is shown separately under the head "Other Liabilities and Provision" in the financial statements and is recorded as income on the date of commencement of risk.

Reserve for Unexpired risk is that part of the net premium written (i.e. premium net of reinsurance ceded) that is attributable to, and to be allocated to succeeding accounting periods on contract period basis or risk period basis, whichever is appropriate. Such reserves are calculated on a pro-rata basis under 1/365 basis, subject to minimum reserve requirements as per Circular No. IRDA/F&A/CIR/CPM/056/03/2016 dated 4<sup>th</sup> April 2016.

1.14.6 If the ultimate amount of expected net claim costs (as calculated and certified by the Actuary), related expenses and maintenance costs (related to claims handling) in respect of unexpired risks at the end of the accounting period exceeds

the sum of related premium carried forward to the subsequent accounting period as the reserve for unexpired risk, the same is recognized as premium deficiency.

Premium deficiency is calculated on annual basis and at the Company level.

1.14.7 Claim is recognized as and when a loss occurrence is reported. Claim is recognized by creation of provision for the amount of claim payable as estimated by the management based on available information and past experience, on receipt of claim notification. Such provision is reviewed/modified as appropriate on the basis of additional information as and when available. Amounts received/receivable from the re-insurers/co-insurers, under the terms of the reinsurance and coinsurance arrangements respectively, is recognized together with the recognition of claim. Provision for claims outstanding payable as on the date of Balance Sheet is net of reinsurance, salvage value and other recoveries as estimated by the management. Claims paid (net of recoveries including value of salvage retained by the insured and interest, if any, paid on the claims) is charged to the profit & loss account when approved for payment. Where salvage is taken over by the Company, the recoveries from sale of salvage are recognized at the time of such sale.

1.14.8 Provision in respect of claim liabilities that may have been incurred before the end of the accounting year but are

- not yet reported or claimed (IBNR) or
- not enough reported i.e. reported with information insufficient for making a reasonable estimate of likely claim amount (IBNER),

The provision is made according to the amount determined by the Appointed Actuary based on actuarial principles in accordance with the Actuarial Practice Standards and Guidance Notes issued by the Institute of Actuaries of India and IRDAI regulations and guidelines.

1.15 The revenue (net of goods & service tax), in case of Group's custody & fund accounting services, is recognized only when it can be reliably measured and it is probable that the economic benefits will flow to the Company. Custody fees, fund accounting fees and referral fees are accounted on accrual basis as per the agreed terms of agreement.

1.16 Management fee, in case of Group's pension fund business, is recognized at specific rates agreed with the relevant schemes, applied on daily net assets of each scheme, and is in conformity with the regulatory guidelines issued by Pension Fund Regulatory and Development Authority (PFRDA). Commission income from Point of Presence (POP) Business i.e. Account opening fees and contribution processing fees are recognized on the basis of contributions received from subscribers and generation of Permanent Retirement Account Number (PRAN). The Company presents revenues net of goods and service tax in profit and loss account.

1.17 Mutual Fund Trusteeship fee, in case of Group's trusteeship business, is recognized at specific rates agreed with relevant schemes, applied on the average daily Net Assets of each scheme (excluding inter-scheme investment, investment in fixed deposits, investments made by the Asset Management Company and deferred revenue expenses, where applicable), and is in conformity with the limits specified under SEBI (Mutual Funds) Regulations, 1996.

1.17.1 Corporate Trusteeship Acceptance fees are recognized on the acceptance or execution of trusteeship assignment whichever is earlier. Corporate Trusteeship service charges are recognized/ accrued based on terms of trusteeship contracts/ agreements entered into with clients.

1.17.2 Income from online "will" services is recognized when the right to receive the fee is established, as all certainty for revenue recognition is present at the time of establishment of such right.

1.18 The revenue, in case of Group's merchant acquiring business, is measured on basis of consideration received or receivable for the services provided,

# SCHEDULES

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

excluding discounts, GST and other applicable taxes and are recognized upon performance of services.

1.18.1 The revenue from deployment of POS is recognized either over the period during which the service is rendered or on basis of the number of transactions processed during the period in accordance with the rates and conditions specified in the agreements. Based on the contract terms, the merchant makes payment for merchant discount rate (MDR), monthly rental and commitment charges and the same is treated as revenue from operation.

1.18.2 Income received but not accrued on account of maintenance deployment contract are recognized as deferred revenue and included in liabilities until the revenue recognition criteria are met. Income accrued but not billed represents revenue recognized on work performed but billed in subsequent period, in accordance with terms of the contract.

1.18.3 Revenue is recognized to the extent it is probable that the economic benefits will flow, and the revenue can be reliably measured.

## 2. Investments:

Investments are accounted for in accordance with the extant RBI guidelines on investment classification and valuation, as given below:

### 2.1 Classification:

As per RBI guidelines, investments are classified into Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) categories.

For disclosure in Balance Sheet, the investments are classified as Investments in India and outside India.

- Under each category, the investments in India are further classified as (i) Government Securities, (ii) Other Approved Securities, (iii) Shares, (iv) Debentures and Bonds, (v) Subsidiaries and Associates and (vi) Others. The Investments outside India are classified under three categories – (i) Government

Securities, (ii) Subsidiaries and/or joint Ventures abroad and (iii) Other Investments.

### 2.2 Basis of classification:

- Investments that the Bank intends to hold till maturity are categorised as "Held to Maturity (HTM)".
- Investments that are held principally for resale within 90 days from the date of purchase are classified as "Held for Trading (HFT)".
- Investments, which are not classified in the above two categories, are classified as "Available for Sale (AFS)".
- An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.
- Investments in associates are classified as HTM except in respect of those investments which are acquired and held exclusively with a view to its subsequent disposal. These investments are classified as AFS.

### 2.3 Valuation:

- The transactions in all securities are recorded on a Settlement Date. Cost of investment under AFS and HFT category is determined at the weighted average cost method by the group entities and cost of investments under HTM category is determined on FIFO basis (first in first out) by SBI and weighted average cost method by other group entities.
  - Brokerage/commission received on subscriptions is reduced from the cost. Brokerage, commission, securities transaction tax, etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.
  - Broken period interest paid/received on debt instruments is treated as interest expense/income and is excluded from cost/sale consideration.

**ii. Valuation of investments classified as Held to Maturity:**

- a) Investments under Held to Maturity category are carried at acquisition cost. The premium paid on acquisition, if any, is amortised over the term to maturity on constant yield basis. Such amortisation of premium is accounted as income on investments.
- b) A provision is made for diminution, other than temporary, for each investment individually.
- c) Investments in Regional Rural Banks (RRBs) are valued at equity cost determined in accordance with AS 23 of the ICAI.

**iii. Valuation of investments classified as Available for Sale and Held for Trading:**

Investments held under Available for Sale and Held for Trading are individually revalued at market price or fair value determined as per the regulatory guidelines and the net depreciation, if any, of each group for each category (viz., (i) Government securities (ii) Other Approved Securities (iii) Shares (iv) Debentures & Bonds (v) Subsidiaries and Associates; and (vi) others) is provided for and net appreciation is ignored.

**iv. Valuation policy in event of inter category transfer of investments:**

- a) Transfer of securities from HFT / AFS category to HTM category is carried out at the lower of acquisition cost/ book value/market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for.
- b) Transfer of securities from HTM category to AFS category is carried out on acquisition price/book value. On transfer, these securities are immediately revalued and resultant depreciation, if any, in the Profit and Loss Account.

**v. Valuation in case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts:**

- a) The investment in security receipts obtained by way of sale of NPA to SC/ RC, is recognized at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR.
  - b) SRs issued by an SC/ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ARC, is reckoned for valuation of such investments.
- vi. Treasury Bills and Commercial Papers are valued at carrying cost.

**2.4 Investments (NPI)**

- i. In respect of domestic offices/entities, based on the guidelines issued by RBI, investments are classified as performing and non-performing as follows:
  - a) Interest/instalment (including maturity proceeds) is due and remains unpaid for more than 90 days.
  - b) In the case of equity shares, in the event the investment in the shares of any company is valued at ₹1 per company on account of the non-availability of the latest Balance Sheet, those equity shares would be reckoned as NPI.
  - c) The Bank also classifies an investment as a non-performing investment, in case any credit facility availed by the same borrower/entity has been classified as a non-performing asset and vice versa. The above is applied to Preference Shares where the fixed dividend is not paid.

# SCHEDULES

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

- d) The investments in debentures/bonds, which are deemed to be advance, are also subjected to NPI norms as applicable to investments.
- ii. In respect of foreign offices/entities, classification and provisions for non-performing investments (NPIs) are made as per the local regulations or as per the norms of RBI, whichever is more prudent.

## 2.5 Accounting for Repo/Reverse Repo transactions

The Bank enters Repurchase and Reverse Repurchase Transactions with RBI under Liquidity Adjustment Facility (LAF) and with market participants. Repurchase Transaction represents borrowing by selling the securities with an agreement to repurchase the securities. Reverse Repo Transactions on the other hand, represent lending funds by purchasing the securities.

- a. Transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Collateralized Lending and Borrowing transactions.
- b. In Repo and Reverse Repo transaction, securities sold (purchased) and repurchased (resell) are accounted as normal outright sale (purchase) transactions and such movement of securities is reflected using the Repo/Reverse Repo Accounts and contra entries. The above entries are reversed on the date of maturity.
- c. Balance in Repo Account is classified under Schedule 4 (Borrowings).
- d. All type of Reverse Repos with RBI including those under Liquidity Adjustment Facility are presented under sub item (ii) 'In Other Accounts' of item (II) Balances with RBI under Schedule 6 'Cash and balances with RBI'.
- e. Reverse Repos with banks and other institutions having original tenors up to and inclusive of 14 days are classified as 'Money at call and short notice' under Schedule 7 'Balance with Banks and Money at call & short notice'. Reverse Repos with original maturity more than 14 days but up to 1 year

are classified as 'Cash Credits, overdrafts, and loans repayable on demand', under Schedule 9 'Advances'. All other Reverse Repos are classified as 'Term Loans' under Schedule 9 'Advances'.

- f. Borrowing cost of repo transactions and revenue on reverse repo transactions, with RBI or others, is accounted for as interest expense and interest income, respectively.

**2.6** In case of life and general insurance subsidiaries, investments are accounted in accordance with the Insurance Act, 1938, the IRDAI (Investment) Regulations, 2016 and IRDA (Presentation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002, Investment policy of the Company and various other circulars/notifications as issued by IRDAI from time to time.

### i. Valuation of investment pertaining to non-linked life insurance business and general insurance business: -

- All debt securities, including government securities and money market securities are stated at historical cost subject to amortisation of premium or accretion of discount.
- Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. National Stock Exchange of India Limited ('NSE') is considered. If NSE closing price is not available, the closing price of the secondary exchange i.e. BSE Limited ('BSE') is considered.
- Unlisted equity securities, equity related instruments and preference shares are measured at historical cost.
- In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
- Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices

obtained from Credit Rating Information Services of India Limited (CRISIL).

- Investments in mutual fund units are valued at the Net Asset Value (NAV) of previous day in life insurance and of Balance Sheet date in general insurance.
- Investment in Alternative Investment Funds (AIFs) are valued at latest available NAV.
- The Investment in units of REITs/InvITs are valued at Market Value (last quoted price should not be later than 30 days). For the purpose of determining market value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available for any security, then BSE closing price is used for valuation. Where market quote is not available for the last 30 days, the units are valued as per the latest NAV (not more than 6 months old) of the units published by the trust.

Unrealised gains or losses arising due to change in the fair value of listed equity shares, mutual fund units, AIFs and units of REITs/InvITs pertaining to shareholders' investments and non-linked policyholders investments are taken to "Revenue & Other Reserves (Schedule 2)" and "Liabilities relating to Policyholders in Insurance Business (Schedule 5)" respectively, in the Balance Sheet.

## ii. Valuation of investment pertaining to linked business: -

- Debt Securities including Government securities with remaining maturity of more than one year are valued at prices obtained from CRISIL. Debt securities including Government securities with remaining maturity of less than one year are valued on yield to maturity basis, where yield is derived using market price provided by CRISIL on the day when security is classified as short-term. If security is purchased during its short-term tenor, it is valued at amortised cost using yield to

maturity method. In case of securities with options, earliest Call Option/Put Option date will be taken as maturity date for this purpose. Money market securities are valued at historical cost subject to amortisation of premium or accretion of discount on yield to maturity basis.

- Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available, closing price of the BSE is considered.
- Unlisted equity shares, equity related instruments and preference shares are measured at historical cost.
- In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
- Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from CRISIL.
- Investments in mutual fund units are valued at the previous day's Net Asset Value (NAV).
- The Investment in units of REITs/InvITs are valued at Market Value (last quoted price should not be later than 30 days). For the purpose of determining market value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available for any security, then BSE closing price is used for valuation. Where market quote is not available for the last 30 days, the units are valued as per the latest NAV (not more than 6 months old) of the units published by the trust.
- Unrealised gains or losses arising due to changes in the fair value are recognized in the Profit & Loss Account.

# SCHEDULES

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

## 3. Loans/Advances and Provisions thereon:

**3.1** Based on the guidelines/directives issued by the RBI, Loans and Advances are classified as performing and non-performing as follows:

- i) A term loan is classified as a non-performing asset, if interest and/or instalment of principal remains overdue for a period of more than 90 days;
- ii) An Overdraft or Cash Credit is classified as a non-performing asset, if the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance-sheet, or if the credits are not adequate to cover the interest debited during the same period;
- iii) The bills purchased/discounted are classified as non-performing assets, if the bill remains overdue for a period of more than 90 days;
- iv) The agricultural advances are classified as non-performing assets, if (a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (b) for long duration crops, where the principal or interest remains overdue for one crop season.

**3.2** NPAs are classified into Sub-standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:

- i) Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
- ii) Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.
- iii) Loss: A loan asset where loss has been identified but the amount has not been fully written off.

**3.3** Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

|                             |                                                                                                                                                                                                                                                                                                                                                                                                                              |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Sub-standard Assets:</b> | <ol style="list-style-type: none"> <li>i. A general provision of 15% on the total outstanding;</li> <li>ii. Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio);</li> <li>iii. Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available - 20%.</li> </ol> |
| <b>Doubtful Assets:</b>     |                                                                                                                                                                                                                                                                                                                                                                                                                              |
| - Secured portion:          | <ol style="list-style-type: none"> <li>i. Up to one year – 25%</li> <li>ii. One to three years – 40%</li> <li>iii. More than three years – 100%</li> </ol>                                                                                                                                                                                                                                                                   |
| - Unsecured portion         | 100%                                                                                                                                                                                                                                                                                                                                                                                                                         |
| <b>Loss Assets:</b>         | 100%.                                                                                                                                                                                                                                                                                                                                                                                                                        |

**3.4** In respect of foreign offices/entities, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more prudent.

**3.5** Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.

**3.6** For restructured/rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loan/advances before and after restructuring is provided for, in addition to provision for the respective loans/advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.

**3.7** In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.

**3.8** Amounts recovered against debts written off in earlier years are recognized as revenue in the year of recovery.

**3.9** In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These

provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.

**3.10** The Bank also makes additional provisions on specific non-performing assets.

**3.11** Appropriation of recoveries in NPAs are made in order of priority as under :

- a) Charges, Costs, Commission etc.
- b) Unrealised Interest/Interest
- c) Principal

However, in Compromise and Resolution/ Settlement through National Company Law Tribunal (NCLT) cases, the recoveries are appropriated as per the terms of respective compromise/ resolution/ settlement. In case of suit filed accounts, recovery is appropriated as per directives of respective courts.

#### **4. Floating Provisions & Countercyclical Provisioning Buffer:**

The Bank has a policy for creation and utilisation of Countercyclical Provisioning Buffer in good times as well as for Floating Provisions separately for advances, investments and general purposes. The quantum of Countercyclical Provisioning Buffer and Floating Provisions to be created is assessed at the end of the financial year. These provisions are utilised only for contingencies under extra ordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

#### **5. Provision for Country Exposure for Banking Entities:**

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the "Other Liabilities & Provisions – Others".

#### **6. Derivatives:**

**6.1** The Bank enters in derivative contracts, such as foreign currency options, interest rate swaps, currency swaps, cross currency interest rate swaps and forward rate agreements to hedge on-Balance Sheet/off-Balance Sheet assets and liabilities or for trading purposes. The swap contracts entered to hedge on-Balance Sheet assets and liabilities are structured in such a way that they bear an opposite and offsetting impact with the underlying on-Balance Sheet items. The impact of such derivative instruments is correlated with the movement of the underlying assets and accounted in accordance with the principles of hedge accounting.

**6.2** Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets/liabilities are also marked to market.

**6.3** Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognized in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account - Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account - Positive MTM".

**6.4** Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark to Market value for forex Over the Counter (OTC) options.

**6.5** Exchange Traded Derivatives entered in for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognized in the Profit and Loss Account.

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

## 7. Fixed Assets Depreciation and Amortisation:

**7.1** Fixed Assets are carried at cost less accumulated depreciation/amortisation except for freehold premises carried at revalued amount, being fair value at the date of revaluation less accumulated depreciation, as stated otherwise.

**7.2** Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put to use. Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability. The fixed assets in domestic offices/entities are depreciated at straight-line method based on useful life of the assets states as under:

| Sr. No. | Description of Fixed Assets                                                                                  | Useful life |
|---------|--------------------------------------------------------------------------------------------------------------|-------------|
| 1.      | Computers                                                                                                    | 3 years     |
| 2.      | Computer Software forming an integral part of the computer hardware                                          | 3 years     |
| 3.      | Computer Software which does not form an integral part of Computer hardware and cost of Software Development | 3 years     |
| 4.      | Automated Teller Machine/ Cash Deposit Machine/ Coin Dispenser/ Coin Vending Machine                         | 5 years     |
| 5.      | Server                                                                                                       | 4 years     |
| 6.      | Network Equipment                                                                                            | 5 years     |
| 7.      | <u>Other major fixed assets:</u>                                                                             |             |
|         | Premises                                                                                                     | 60 years    |
|         | Vehicles                                                                                                     | 5 years     |
|         | Safe Deposit Lockers                                                                                         | 20 years    |
|         | Furniture & Fixtures                                                                                         | 10 years    |

**7.3** In respect of assets acquired during the year for domestic operations, depreciation is charged on proportionate basis for the number of days assets have been put to use during the year.

**7.4** Assets costing less than ₹1,000 each are charged off in the year of purchase.

**7.5** In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease (except for premises and land on perpetual lease) and Lease payments for assets taken on

Operating lease are recognized as expense in the Profit & Loss account over the lease term on straight line basis.

**7.6** In respect of fixed assets held at foreign offices/entities, depreciation is provided as per the regulations/norms of the respective countries.

**7.7** The Bank revalue freehold immovable assets at every three years. The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the Profit and Loss Account. Additional Depreciation on the revalued asset is charged to the Profit and Loss Account and appropriated from the Revaluation Reserves to General Reserve. The revalued asset is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

## 8. Leases:

The asset classification and provisioning norms applicable to advances, as laid down in Para 3 above, are applied to financial leases also.

## 9. Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

## 10. Effect of changes in the foreign exchange rate:

### 10.1 Foreign Currency Transactions

- Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/forward) rates.

- iii. Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- iv. Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
- v. Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognized in the Profit and Loss Account.
- vi. Foreign exchange forward contracts which are not intended for trading and are outstanding on the Balance Sheet date, are re-valued at the closing spot rate. The premium or discount arising at the inception of such a forward exchange contract is amortised as expense or income over the life of the contract.
- vii. Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognized as income or as expense in the period in which they arise.
- viii. Gains/Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognized in the Profit and Loss Account.
- ii. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
- iii. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.
- iv. The Assets and Liabilities of foreign offices/ subsidiaries /joint ventures in foreign currency (other than local currency of the foreign offices/ subsidiaries/ joint ventures) are translated into local currency using spot rates applicable to that country on the Balance Sheet date.

**b) Integral Operations:**

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/Forward) exchange rates notified by FEDAI at the Balance Sheet date and the resulting Profit/Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
- iii. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

## 10.2 Foreign Operations:

Foreign Branches/ Subsidiaries/ Joint Ventures of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

**a) Non-integral Operations:**

- i. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.

## 11. Employee Benefits:

### 11.1 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits, which are expected to be paid in exchange for the services rendered by employees are recognized during the period when the employee renders the service.

# SCHEDULES

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

## 11.2 Long-Term Employee Benefits:

### i. Defined Benefit Plans :

- a) SBI operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Bank's Provident Fund scheme. SBI contributes monthly at a determined rate (currently 10% of employee's basic pay plus eligible allowance). These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. SBI recognizes such annual contributions as an expense in the year to which it relates, Shortfall, if any, is provided for based on actuarial valuation.

SBI Life Insurance Company Limited makes contribution towards provident fund, a defined benefit retirement plan. The provident fund is administered by the trustees of the SBI Life Insurance Company Limited Employees PF Trust. The contribution paid or payable under the schemes is charged to the Profit and Loss Account during the period in which the employee renders the related service. Further, an actuarial valuation is conducted annually by an independent actuary to recognize the deficiency, if any, in the interest payable on the contributions as compared to the interest liability as per the statutory rate.

- b) The group entities operate separate Gratuity schemes, which are defined benefit plans. The group entities provide for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities. Vesting occurs upon completion of five years of service. SBI makes periodic contributions to a fund

administered by Trustees based on an independent external actuarial valuation carried out annually.

- c) SBI provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. SBI makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Employees' Pension Fund Regulations. The pension liability is reckoned based on an independent actuarial valuation carried out annually and SBI makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the Pension Fund Regulations.
- d) The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains/losses are immediately recognized in the Profit and Loss and are not deferred.

### ii. Defined Contribution Plans:

SBI operates a New Pension Scheme (NPS) for all officers/employees joining SBI on or after 1<sup>st</sup> August 2010, which is a defined contribution plan, such new joiners not being entitled to become members of the existing SBI Pension Scheme. As per the scheme, the covered employees contribute 10% of their basic pay plus dearness allowance to the scheme together with SBI's contribution at 14% of basic pay plus dearness allowance. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in SBI and earn interest at the same rate as that of the current account of Provident Fund balance. SBI recognizes such annual contributions and interest as an expense in

the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

**iii) Other Long-Term Employee benefits:**

- a) All eligible employees of the Group are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The cost of such long-term employee benefits are internally funded by the group entities.
- b) The cost of providing other long-term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost, if any, is immediately recognized in the Profit and Loss and is not deferred.

**11.3** Employee benefits relating to employees employed at foreign offices/entities are valued and accounted for as per the respective local laws/regulations.

**12. Segment Reporting:**

The Group recognizes the business segment as the primary reporting segment and geographical segment as the secondary reporting segment in accordance with the RBI guidelines and in compliance with the Accounting Standard 17 issued by Institute of Chartered Accountants of India.

**13. Taxes on income:**

Income tax expense is the aggregate amount of current tax, deferred tax and fringe benefit tax expense incurred by the Group. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – “Accounting for Taxes on Income” respectively after considering taxes paid at the foreign offices, which are based on the tax laws of respective jurisdiction. Deferred Tax adjustments comprises of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognized by considering the impact of timing differences between taxable income and

accounting income for the current year and carry forward losses.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. The impact of changes in deferred tax assets and liabilities is recognized in the profit and loss account. Deferred tax assets are recognized and re-assessed at each reporting date, based upon management’s judgement as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

In Consolidated Financial Statement, income tax expenses are the aggregate of the amounts of tax expense appearing in the separate financial statements of the parent and its subsidiaries/joint ventures, as per their applicable laws.

**14. Earnings per Share:**

**14.1** The Bank reports basic and diluted earnings per share in accordance with AS 20 – “Earnings per Share” issued by the ICAI. Basic Earnings per Share are computed by dividing the Net Profit after Tax for the year attributable to equity shareholders (other than minority) by the weighted average number of equity shares outstanding for the year.

**14.2** Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

**15. Provisions, Contingent Liabilities and Contingent Assets:**

**15.1** In conformity with AS 29, “Provisions, Contingent Liabilities and Contingent Assets”, issued by the Institute of Chartered Accountants of India, the Group recognizes provisions only when it has a present obligation because of a past event and would result in a probable outflow of resources embodying economic benefits will be required to

# SCHEDULES

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

## 15.2 No provision is recognized for

- i. any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group entities; or
- ii. any present obligation that arises from past events but is not recognized because
  - a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - b) a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

**15.3** Provision for reward points in relation to the debit card holders of SBI is being provided for on actuarial estimates.

**15.4** Provisions for onerous contracts are recognized when the expected benefits to be derived by the Bank from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Bank recognizes any

impairment loss on the assets associated with that contract.

**15.5** Contingent Assets are not recognized in the financial statements.

## 16. Bullion Transactions:

SBI imports bullion including precious metal bars on a consignment basis for selling to its customers. The imports are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier. SBI earns a fee on such bullion transactions. The fee is classified under commission income. SBI also accepts deposits and lends gold, which is treated as deposits/advances as the case may be with the interest paid/received classified as interest expense/income. Gold Deposits, Metal Loan Advances and closing Gold Balances are valued at available Market Rate as on the date of Balance Sheet.

## 17. Special Reserves:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank has passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

## 18. Share Issue Expenses:

Share issue expenses are charged to the Share Premium Account.

## 19. Cash and cash equivalents:

Cash and cash equivalents include Cash and Balances with RBI, Balances with Banks and money at call and short notice.

# SCHEDULES

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

**Investments under Plan Assets of Gratuity Fund & Pension Fund as on 31<sup>st</sup> March 2023 are as follows:**

| Category of Assets                                         | Pension Fund     | Gratuity Fund    |
|------------------------------------------------------------|------------------|------------------|
|                                                            | % of Plan Assets | % of Plan Assets |
| Central Govt. Securities                                   | 19.11%           | 18.50%           |
| State Govt. Securities                                     | 35.14%           | 34.21%           |
| Debt Securities, Money Market Securities and Bank Deposits | 30.85%           | 28.50%           |
| ETF and Mutual Funds                                       | 11.61%           | 10.67%           |
| Insurer Managed Funds                                      | 1.17%            | 6.12%            |
| Others                                                     | 2.12%            | 2.00%            |
| <b>Total</b>                                               | <b>100.00%</b>   | <b>100.00%</b>   |

**Principal actuarial assumptions:**

| Particulars                           | Pension Plans |               |
|---------------------------------------|---------------|---------------|
|                                       | Current year  | Previous year |
| Discount Rate                         | 7.53%         | 7.35%         |
| Expected Rate of return on Plan Asset | 7.53%         | 7.35%         |
| Salary Escalation Rate                | 6.00%         | 5.80%         |
| Pension Escalation Rate               | 2.00%         | 1.60%         |
| Attrition Rate                        | 2.00%         | 2.00%         |

| Particulars                           | Gratuity Plans |               |
|---------------------------------------|----------------|---------------|
|                                       | Current year   | Previous year |
| Discount Rate                         | 7.48%          | 7.27%         |
| Expected Rate of return on Plan Asset | 7.48%          | 7.27%         |
| Salary Escalation Rate                | 6.00%          | 5.80%         |
| Attrition Rate                        | 2.00%          | 2.00%         |

The expected contribution to the Pension and Gratuity fund for the next year is ₹2,200.00 Crore and ₹1,852.10 Crore respectively.

In case of SBI, as the plan assets are marked to market on the basis of the yield curve derived from government securities, the expected rate of return has been kept the same as the discount rate.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long-term and are not based on limited past experience/ immediate future. Empirical evidence also suggests that in the very long-term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

With a view to further strengthen the Pension Fund, it was decided to upwardly revise some of the assumptions.

### 2.2.1.2 Employees Provident Fund

Actuarial valuation carried out in respect of interest shortfall in Provident Fund Trust shows "Nil" liability, hence no provision is made in FY2022-23.

The following table sets out the status of Provident Fund as per the actuarial valuation by the independent Actuaries:

| Particulars                                                                                                    | Provident Fund   |                  |
|----------------------------------------------------------------------------------------------------------------|------------------|------------------|
|                                                                                                                | Current Year     | Previous Year    |
| <b>Change in the present value of the defined benefit obligation</b>                                           |                  |                  |
| Opening defined benefit obligation at 1 <sup>st</sup> April 2022                                               | <b>37,507.53</b> | <b>35,946.22</b> |
| Current Service Cost                                                                                           | 1,519.50         | 1,527.66         |
| Interest Cost                                                                                                  | 2,825.03         | 2,976.21         |

| ETF and Mutual Funds                                       | 6.83%            |
| Others                                                     | 2.93%            |
| <b>Total</b>                                               | <b>100.00%</b>   |

## Principal actuarial assumptions

| Particulars       | Provident Fund |               |
|-------------------|----------------|---------------|
|                   | Current year   | Previous year |
| Discount Rate     | 7.48%          | 7.27%         |
| Guaranteed Return | 8.10%          | 8.50%         |
| Attrition Rate    | 2.00%          | 2.00%         |
| Salary Escalation | 6.00%          | 5.80%         |

- i) There is a guaranteed return applicable to liability under SBI Employees Provident Fund which shall not be lower of either:
  - a) one half percent above the average standard rate (adjusted up or down to the interest one quarter per cent) quoted by SBI for new deposits fixed for twelve months in the preceding year (ending on the preceding the 31<sup>st</sup> day of March); or
  - b) three percent per annum, subject to approval of Executive Committee.
- ii) The rules of the SBI Life Insurance Company Ltd.'s Provident Fund administered by a Trust require that if the Board of Trustees are unable to pay interest at the rate declared for Employees' Provident Fund by the Government under para 60 of the Employees' Provident Fund Scheme, 1952 for the reason that the return on investment is less or for any other reason, then the deficiency shall be made good by the Company.

## 2.2.2 Defined Contribution Plans

### 2.2.2.1 Employees Provident Fund

An amount of ₹48.57 Crore (Previous Year ₹56.65 Crore) is contributed towards the Provident Fund Scheme by the group (excluding the entities covered in Note 2.2.1.2) and is included under the head "Payments to and provisions for employees" in Profit and Loss Account.

### 2.2.2.2 Defined Contribution Pension Scheme

SBI has a Defined Contribution Pension Scheme (DCPS) applicable to all categories of officers and employees joining SBI on or after 1<sup>st</sup> August 2010. The Scheme is managed by NPS Trust under the aegis of the Pension Fund Regulatory and Development Authority. National Securities Depository Limited has been appointed as the Central Record Keeping Agency for the NPS. During FY2022-23, SBI has contributed ₹1,296.27 Crore (Previous Year ₹1,177.54 Crore).

### 2.2.2.3 The following amount is provided by the group (excluding SBI) towards Defined Contribution Plans:

(₹ in Crore)

| Sr. No.      | Long-Term Employees' Benefits        | Current Year | Previous Year |
|--------------|--------------------------------------|--------------|---------------|
| 1.           | Employee Pension Scheme under PF Act | 37.39        | 35.53         |
| 2.           | National Pension System              | 16.84        | 7.92          |
| 3.           | Others                               | 13.25        | 10.40         |
| <b>Total</b> |                                      | <b>67.48</b> | <b>53.85</b>  |

### 2.2.3 Long-Term Employee Benefits (Unfunded Obligation):

#### 2.2.3.1 Accumulating Compensated Absences (Privilege Leave)

The following table sets out the status of Accumulating Compensated Absences (Privilege Leave) as per Actuarial valuation by independent Actuaries:

(₹ in Crore)

| Particulars                                                                                                    | Accumulating Compensated Absences (Privilege Leave) |                  |

# SCHEDULES

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

## Principal actuarial assumptions:

| Particulars       | Current Year | Previous Year |
|-------------------|--------------|---------------|
| Discount Rate     | 7.48%        | 7.27%         |
| Salary Escalation | 6.00%        | 5.80%         |
| Attrition Rate    | 2.00%        | 2.00%         |

## Accumulating Compensated Absences (Privilege Leave) (excluding the entities covered in above table)

An amount of ₹45.39 Crore (Previous Year ₹32.19 Crore) is provided by the group (excluding the entities covered in above table) towards Privilege Leave (Encashment) including leave encashment at the time of retirement and is included under the head "Payments to and provisions for employees" in Profit and Loss Account.

## 2.2.3.2 Other Long-Term Employee Benefits

Amount of ₹28.68 Crore (Previous Year ₹114.39 Crore) is provided by the group towards Other Long-Term Employee Benefits viz. Leave Travel and Home Travel Concession (Encashment/Availment), Silver Jubilee/Long-Term Service Award, Resettlement Expenses on Superannuation and Retirement Award and is included under the head "Payments to and provisions for employees" in Profit and Loss Account.

**2.2.4** The employee benefits listed above are in respect of the employees of the Group based in India. The employees of the foreign operations are not covered in the above schemes.

## 2.3 Accounting Standard- 17 "Segment Reporting":

### 2.3.1 Segment identification

#### A) Primary (Business Segment)

The following are the Primary Segments of the Group:

- Treasury
- Corporate/Wholesale Banking
- Retail Banking
- Insurance Business
- Other Banking Business

The present accounting and information system of the Group does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the Primary Segments have been computed as under:

- Treasury:** The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.
- Corporate/Wholesale Banking:** The Corporate/Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Commercial Clients Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices/entities.
- Retail Banking:** The Retail Banking Segment comprises of retail branches, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with these branches. This segment also includes agency business and ATMs

**d) Insurance Business:** The Insurance Business Segment comprises of the results of SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd.

**e) Other Banking Business:** Segments not classified under (a) to (d) above are classified under this primary segment. This segment also includes the operations of all the Non-Banking Subsidiaries/Joint Ventures other than SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd. of the group.

**B) Secondary (Geographical Segment):**

**a) Domestic Operations** - Branches, Subsidiaries and Joint Ventures having operations in India.

**b) Foreign Operations** - Branches, Subsidiaries and Joint Ventures having operations outside India and offshore banking units having operations in India.

**C) Pricing of Inter-segmental Transfers**

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sell funds to business units engaged in creating assets.

**D) Allocation of Revenue, Expenses, Assets and Liabilities**

Expenses of parent incurred at Corporate Centre establishments directly attributable either to Corporate/Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Group has certain common assets and liabilities, which cannot be attributed to any segment, and the same are treated as unallocated.

# SCHEDULES

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

## 2.5.2 Operating Lease

**Premises taken on operating lease are given below:**

Operating leases primarily comprise office premises and staff residences, which are renewable at the option of the group entities.

**Liability for Premises taken on Non-Cancellable operating lease are given below:**

(₹ in Crore)

| Particulars                                  | As at<br>31.03.2023 | As at<br>31.03.2022 |
|----------------------------------------------|---------------------|---------------------|
| Not later than 1 year                        | 126.19              | 172.58              |
| Later than 1 year and not later than 5 years | 272.86              | 279.17              |
| Later than 5 years                           | 163.27              | 183.89              |
| <b>Total</b>                                 | <b>562.32</b>       | <b>635.64</b>       |

Amount of lease payments recognized in the Profit & Loss Account for the year is ₹4,376.74 Crore (Previous Year ₹4,134.88 Crore).

## 2.6 Accounting Standard - 20 "Earnings per Share":

The Bank reports basic and diluted earnings per equity share in accordance with Accounting Standard 20 - "Earnings per Share". "Basic earnings" per share is computed by dividing consolidated net profit/ (loss) after tax (other than minority) by the weighted average number of equity shares outstanding during the year.

| Particulars                                                                         | Current Year  | Previous Year |
|-------------------------------------------------------------------------------------|---------------|---------------|
| <b>Basic and diluted</b>                                                            |               |               |
| Number of Equity Shares outstanding at the beginning of the year                    | 892,46,11,534 | 892,46,11,534 |
| Number of Equity Shares issued during the year                                      | 400           | Nil           |
| Number of Equity Shares outstanding at the end of the year                          | 892,46,11,934 | 892,46,11,534 |
| Weighted average number of equity shares used in computing basic earnings per share | 892,46,11,707 | 892,46,11,534 |
| Weighted average number of shares used in computing diluted earnings per share      | 892,46,11,707 | 892,46,11,534 |
| Net Profit/(Loss) for the Group (₹ in Crore)                                        | 55,648.17     | 35,373.88     |
| Basic earnings per share (₹)                                                        | 62.35         | 39.64         |
| Diluted earnings per share (₹)                                                      | 62.35         | 39.64         |
| Nominal value per share (₹)                                                         | 1.00          | 1.00          |

forming part of the Consolidated Balance Sheet & Profit and Loss Account for the year ended 31<sup>st</sup> March 2023

## ➤ Description of contingent liabilities (AS-29):

| Sr. No. | Particulars                                                                                 | Brief Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|---------|---------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.      | Claims against the Group not acknowledged as debts                                          | The Group is a party to various proceedings in the normal course of business. It does not expect the outcome of these proceedings to have a material adverse effect on the Group's financial conditions, results of operations or cash flows. The Group is also a party to various taxation matters in respect of which appeals are pending.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| 2.      | Liability on partly paid-up investments/Venture Funds                                       | This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| 3.      | Liability on account of outstanding forward exchange contracts                              | The Group enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as contingent liabilities. With respect to the transactions entered into with its customers, the Group generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.                                                                                                                                                                                                                                             |
| 4.      | Guarantees given on behalf of constituents, acceptances, endorsements and other obligations | As a part of its commercial banking activities, the Group issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Group. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| 5.      | Other items for which the Group is contingently liable                                      | The Group enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by SBI on behalf of Associates & Subsidiaries, SBI's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities. |

The contingent liabilities mentioned above are dependent upon the outcome of court/ arbitration/ out of court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, development and raising of demand by concerned parties, as the case may be.

## ➤ Movement of provisions against contingent liabilities:

The movement of provisions against contingent liabilities given in the table below:

| (₹ in Crore) |                                        |                 |                 |
|--------------|----------------------------------------|-----------------|-----------------|
| Sr. No.      | Particulars                            | Current Year    | Previous Year   |
| a)           | Opening Balance                        | 3,669.17        | 3,435.01        |
| b)           | Additions during the year              | 143.99          | 438.44          |
| c)           | Amount utilised during the year        | 86.65           | 7.43            |
| d)           | Unused amount reversed during the year | 611.18          | 196.85          |
| e)           | <b>Closing balance</b>                 | <b>3,115.33</b> | <b>3,669.17</b> |

3. Inter-Bank/Company balances between group entities are being reconciled on an ongoing basis and there is no material effect on the profit and loss account of the current year.
4. No disclosure on divergence in asset classification and provisioning for NPAs is required by SBI with respect to RBI's supervisory process for the year ended 31<sup>st</sup> March 2022, based on the conditions mentioned in RBI circular No. DOR.ACC.REC.No.74/21.04.018/2022-23 dated 11<sup>th</sup> October 2022.

5. **Counter Cyclical Provisioning Buffer (CCPB)**

RBI vide Circular No. DOR.STR.REC.10/21.04.048/2021-22 dated 5<sup>th</sup> May 2021 on 'Utilisation of Floating Provisions/Counter Cyclical Provisioning Buffer' has allowed the banks, to utilise up to 100 percent of CCPB held by them as on 31<sup>st</sup> December 2020, for making specific provisions for Non-Performing Assets (NPAs) as per the policy approved by the Bank's Board of Directors.

During the year, SBI has not utilised the CCPB for making specific provision for NPAs.

6. SBI has made a provision of ₹2,490.00 Crore for the year ended 31<sup>st</sup> March 2023 towards arrears of wages due for revision w.e.f. 1<sup>st</sup> November 2022.
7. Pursuant to the revision in family pension payable to employees of the Bank covered under 11<sup>th</sup> Bi-Partite settlement and Joint Note dated 11<sup>th</sup> November 2020, SBI had provided for the entire additional liability of ₹7,418.39 Crore in the Profit and Loss Account for the year ended 31<sup>st</sup> March 2022. The same had been disclosed as an exceptional item.

There is no unamortized expenditure in the Balance Sheet on account of Family Pension Scheme.

8. The COVID-19 pandemic across the globe resulted in decline in economic activities and movement in financial markets. In this situation, SBI geared up to meet the challenges and has been evaluating the situation on an ongoing basis and had proactively provided against the challenges of likely stress on the SBI's assets. SBI's management is not expecting any significant impact on SBI's liquidity or profitability.
9. During the year ended 31<sup>st</sup> March 2023, SBI has revalued freehold immovable properties (earlier revalued in financial year 2019-2020) based on valuation reports obtained from external independent valuers and the closing balance of Revaluation Reserve as on 31<sup>st</sup> March 2023 (net of amount transferred to General Reserve) is ₹27,756.26 Crore (Previous Year ₹23,377.87 Crore).
10. In SBI Life Insurance Company Ltd. and SBI General Insurance Company Ltd., the actuarial valuation of liabilities in respect of life insurance policies in force, life insurance policies in respect of which premium has been discontinued but liability exists as at 31<sup>st</sup> March 2023, Claims Incurred But Not Reported (IBNR) and Claims Incurred But Not Enough Reported (IBNER) are determined by the Appointed Actuary based on guidelines and norms issued by the Insurance Regulatory Development Authority of India ("IRDAI"/"Authority") and the Institute of Actuaries of India in concurrence with the Authority.
11. The investments of life and general insurance subsidiaries have been accounted for in accordance with the IRDAI guidelines instead of restating the same in accordance with the accounting policy followed by SBI. The investments of insurance subsidiaries constitute approximately 16.39% (Previous Year 15.33%) of the total investments as on 31<sup>st</sup> March 2023.
12. The Central Board of SBI has declared a dividend of ₹11.30 per share @ 1130% for the year ended 31<sup>st</sup> March 2023.
13. In accordance with RBI circular DBOD NO.BP.BC.42/21.01.02/2007-08, redeemable preference shares (if any) are treated as liabilities and the coupon payable thereon is treated as interest.

**The Board of Directors,**  
**State Bank of India,**  
State Bank Bhavan,  
Madam Cama Road,  
Mumbai.

## Report on Audit of the Consolidated Financial Statements

### Opinion

1. We have audited the accompanying Consolidated Financial Statements of State Bank of India ("the Bank") which comprise the Consolidated Balance Sheet as at 31<sup>st</sup> March 2023, the Consolidated Profit and Loss Account and Consolidated Cash Flow Statement for the year then ended, and Notes to Consolidated Financial Statements including a summary of Significant Accounting Policies and other explanatory information which includes:

- a) Audited Standalone Financial Statements of the Bank which have been Audited by all the twelve Statutory Central Auditors including us;
- b) Audited Financial Statements of 26 Subsidiaries, 8 Jointly Controlled Entities (includes Financial Statements of Jio Payments Bank Ltd. upto 22<sup>nd</sup> January 2023) and 18 Associates (includes Financial Statements of Jio Payments Bank Ltd. from 23<sup>rd</sup> January 2023 and including 14 Regional Rural Banks) audited by other Auditors; and (listed in Annexure A);
- c) Un-audited Financial Statements of 1 Subsidiary and 1 Associate (listed in Annexure A).

The above entities together with the Bank are referred to as the 'Group'.

In our opinion and to the best of our information and according to the explanations given to us, and based on our consideration of the reports of other auditors on separate financial statements of subsidiaries, jointly controlled entities and associates, the unaudited financial statements and the other financial information

of subsidiaries as furnished by the management, the aforesaid Consolidated Financial Statements are in conformity with accounting principles generally accepted in India and give:

- a) true and fair view in case of the Consolidated Balance Sheet, of the State of Affairs of the Group as at 31<sup>st</sup> March 2023;
- b) true balance of profit in case of Consolidated Profit & Loss Account for the year ended on that date; and
- c) true and fair view in case of Consolidated Cash Flow Statement for the year ended on that date.

### Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (the ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the code of ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the Consolidated Financial Statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Key Audit Matters

3. Key Audit Matters are those matters that in our professional judgement were of most significance in our audit of the Consolidated Financial Statements for the year ended 31<sup>st</sup> March 2023. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters of the Bank to be communicated in our report:

| <b>Key Audit matters reported in standalone financial statements of the Bank:</b> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| i.                                                                                | <p>Classification of Advances, Income Recognition, Identification of and provisioning for non-performing Advances (Refer Schedule 9 read with Note 3 of Schedule 17 to the financial statements):</p> <p>Advances include Bills purchased and discounted, Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/Government Guarantees and Unsecured advances.</p> <p>Advances constitute 58.45% of the Bank's total assets. They are, inter-alia, governed by income recognition, asset classification and provisioning (IRAC) norms and other circulars and directives issued by the RBI from time to time which provides guidelines related to classification of Advances into performing and non-performing Advances (NPA) except in case of foreign offices, classification of advances and provisioning thereof is made as per local regulations or RBI guidelines, whichever is more stringent. The Bank classifies these Advances based on IRAC norms as per its accounting policy No. 3.</p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) viz. Core Banking Solution (CBS) which identifies whether the advances are performing or non-performing.</p> <p>The bank is in the continuous process to upgrade existing &amp; implement new IT applications in various areas of its business operations, including income recognition and asset classification in terms of RBI Circular Ref.No. Dos. CO. PPG./ SEC.03/11.01.005/2020-21 dated 14<sup>th</sup> September 2020. These applications require detailed testing, verifications and UAT before final implementation. The financial impact pending such implementation is not likely to be material as per the management.</p> <p>Further, NPA classification and calculation of provision (except in case of foreign offices) is done through another IT System viz. Centralised Credit Data Processing (CCDP) Application Software and other processes.</p> <p>The carrying value of these advances (net of provisions) may be materially misstated if, either individually or in aggregate, the IRAC norms are not properly followed.</p> | <p>Our audit approach towards advances with reference to the IRAC norms and other related circulars/directives issued by the RBI and also internal policies and procedures of the Bank includes the testing of controls on sample basis,</p> <ol style="list-style-type: none"> <li>The accuracy of the data input in the system for income recognition, classification into performing and non performing Advances and provisioning in accordance with the IRAC norms in respect of the branches audited by us;</li> <li>Existence and effectiveness of monitoring mechanisms such as Internal Audit, Systems Audit, Credit Audit and Concurrent Audit as per the policies and procedures of the Bank;</li> <li>Examination of advances including stressed advances on a sample basis with respect to compliance with the RBI Master Circulars / Guidelines/ Judicial pronouncements;</li> <li>We have relied on the reports of IT System Audit by IAD with respect to the business logics / parameters inbuilt in CBS and CCDP for tracking, identification and stamping of NPAs and provisioning in respect thereof.</li> <li>We tested the mapping of advances in the CCDP application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circulars/directions.</li> <li>We have examined the efficacy of various internal controls over advances to determine the nature, timing and extent of the substantive procedures and compliance with the observations of the various audits conducted as per the monitoring mechanism of the Bank and RBI Inspection.</li> <li>In carrying out substantive procedures at the branches audited by us, we have examined large advances/ stressed advances while other advances have been examined on a sample basis including review of valuation reports of independent valuers provided by the Bank's management.</li> <li>We assessed and evaluated the process of identification of NPAs and corresponding reversal of income and creation of provision;</li> <li>Reliance is also placed on Audit Reports of other Statutory Branch Auditors with whom we have also made specific communication.</li> </ol> |

|         | <p>Considering the nature of the transactions, regulatory requirements, existing business environment, estimation/ judgement involved in valuation of securities and calculation of provisions, it is a matter of high importance for the intended users of the Standalone Financial Statements. Considering these aspects, we have determined this as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on income recognition, asset classification and provisioning pertaining to advances due to the materiality of the balances.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | <p>j. Bank has laid down detailed Standard Operating Procedure to ensure control over processes. We have relied on these Standard Operating Procedures and have conducted our testing based on these Standard Operating Procedures.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| ii.     | <p>Classification and Valuation of Investments, Identification of and provisioning for Non-Performing Investments (Schedule 8 read with Note 2 of Schedule 17 to the financial statements):</p> <p>Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, Shares, Security receipts and other approved securities.</p> <p>Investments constitute 28.69% of the Bank's total assets. These are governed by the circulars and directives of the RBI. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, the corresponding non-recognition of income and provision there against.</p> <p>The valuation of each category (type) of the aforesaid securities is to be done as per the method prescribed in circulars and directives issued by the RBI which involves collection of data/information from various sources such as FIMMDA rates, rates quoted on BSE/NSE, financial statements of unlisted companies etc. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter.</p> <p>Accordingly, our audit was focused on valuation of investments, classification, identification of non performing investments and provisioning related to investments.</p> | <p>Our audit approach towards Investments with reference to the RBI Circulars/directives included the understanding of internal controls and substantive audit procedures in relation to valuation, classification, identification of non performing investments (NPIs), provisioning/depreciation related to Investments. In particular ;</p> <p>a. We understood and evaluated the Bank's internal control system to comply with relevant RBI guidelines regarding valuation, classification, identification of NPIs, provisioning/depreciation related to investments;</p> <p>b. We assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments;</p> <p>c. For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars and directions by re-performing valuation for each category of security. Samples were selected after ensuring that all the categories of investments (based on nature of security) were covered in the sample;</p> <p>d. We assessed and evaluated the process of identification of NPIs and corresponding reversal of income and creation of provision;</p> <p>e. We carried out substantive audit procedures to recompute independently the provision to be maintained and depreciation to be provided in accordance with the circulars and directives of the RBI. Accordingly, we selected samples from the investments of each category and tested for NPIs as per the RBI guidelines and recomputed the provision to be maintained in accordance with the RBI Circular for those selected sample of NPIs;</p> <p>f. We tested the mapping of investments between the Investment application software and the financial statement preparation software to ensure compliance with the presentation and disclosure requirements as per the aforesaid RBI Circular/directions.</p> |

# Independent Auditors' Report

| Sr. No.                                                                                 | Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | How the matter was addressed in our audit                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

| iii.                                                                                    | <p>Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct and Indirect Taxes, various claims filed by other parties not acknowledged as debt (Schedule 12 read with Note 18.13 of Schedule 18 to the financial statements):</p> <p>There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgement, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgement in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgments/ interpretation of law involved.</p> | <p>Our audit approach involved:</p> <ol style="list-style-type: none"> <li>Obtaining an understanding of internal controls relevant to the audit in order to design our audit procedures that are appropriate in the circumstances;</li> <li>Understanding the current status of the litigations/ tax assessments including the status up to the date of auditor's report;</li> <li>Examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up action thereon;</li> <li>Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice including opinion of our internal tax experts;</li> <li>Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues; and</li> <li>Verification of disclosures related to significant litigations and taxation matters.</li> </ol> |
| <b>Key Audit Matters as reported by auditors of SBI Life Insurance Company Limited:</b> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| iv.                                                                                     | <p>Information Technology systems and controls (IT Controls):</p> <p>All insurance companies are highly dependent on technology due to significant number of transactions that are processed daily. A significant part of the company's financial processes is heavily reliant on IT systems with automated processes and controls over the capturing, valuing and recording of transactions. Thus, there exists a risk that gaps in the IT Control Environment could result in the financial accounting and reporting records being materially misstated.</p> <p>The company uses several systems for its overall financial reporting. We have identified "IT systems and controls" as key audit matters because of significant use of IT system and the scale and complexity of the IT architecture.</p>                                                                                                                                                                                                                                                              | <p>Principal audit procedures:</p> <ul style="list-style-type: none"> <li>Sample testing of key control over IT systems having impact on financial accounting and reporting.</li> <li>Assessed the IT system processes for effectiveness of some of the key controls with respect to financial accounting and reporting records by sample testing; and</li> <li>Our audit approach relies on automated controls and therefore procedures are designed to test control over IT systems, segregation of duties, interface and system application controls over key financial accounting and reporting systems.</li> <li>Reviewed the report of independent information system auditors which has confirmed the various system control measures adopted by the company.</li> </ul>                                                                                                                                                                                                                                                                                                              |

|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| v.      | <p><b>Valuation of Investments:</b></p> <p>The company's investment portfolio consists of Policyholders' investments (traditional and unit linked policy holders) and Shareholders investment.</p> <p>Total investment portfolio of the company (i.e Asset under management (AUM)) represents 99.3 per cent of the Company's total assets.</p> <p>Investments are made and valued in accordance with Insurance Act, 1938, IRDAI (Investment) Regulations, 2016 ("Investment Regulation"), IRDAI (Preparation of Financial Statement Regulation), 2002 ("Financial Statement Regulations"), Investment Policy of the Company and relevant Indian GAAPs.</p> <p>These valuation methods used multiple observable market inputs, including observable interest rate, index levels, credit spreads, equity prices, counter party credit quality, and corresponding market volatility levels etc.</p> <p>The portfolio of quoted investments is 34.4 per cent of the Company's AUM and the portfolio of investments that are valued primarily using observable inputs is 63.7 per cent of the Company's AUM. We do not consider these investments to be at a high risk of significant misstatement, or to be subject to a significant level of judgement because they comprise liquid, quoted investments. However, due to their materiality in the context of the standalone financial statements as a whole, they are considered to be one of the areas which had the significant impact on our overall strategy.</p> <p>The portfolio of unquoted investments is 1.4 per cent of the Company's AUM. The valuation of unquoted investment involves judgement depending on the observability of the inputs into the valuation and further judgement in determining the appropriate valuation methodology where external pricing sources are either not readily available or are unreliable.</p> <p>The valuation of these investment was considered to be one of the areas which required significant auditor attention and was one of the matter of significance in the financial statements due to the materiality of total value of investments to the financial statements.</p> | <p><b>Principal Audit Procedures:</b></p> <ul style="list-style-type: none"> <li>• We assessed appropriateness of the pricing methodologies with reference to IRDAI Investment Regulations, Financial Statement Regulation, Company's internal investment and valuation policy.</li> <li>• Assessed the process and tested the operating effectiveness of the key controls, including the Company's review and approval of the estimates and assumptions used for the valuation including key authorisation and data input controls.</li> <li>• Fair value is best evidenced by quoted market prices in an active market. Where quoted market prices are not available, the quoted prices of similar products or valuation models with observable market based inputs are used to estimate fair value. The calculation of estimated fair value is based on market conditions at a specific point in time and may not be reflective of future values.</li> <li>• For quoted investments, the valuation was done in accordance with the independent prices sources / market prices in an active market.</li> <li>• For unquoted investments, we critically evaluated the valuation assessment and resulting conclusions in order to determine the appropriateness of the valuation recorded with reference to the assessment made by the management for such valuation.</li> </ul> |

|----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| vi.                                                                              | <p>Contingent Liabilities and Litigations:</p> <p>The company has pending litigation matters with various appellate authorities and at different forums. The same involves judgements in accordance with applicable Accounting Standards to determine the final outcome of such litigation matters.</p> <p>The management with the help of its experts as needed have made judgements relating to the likelihood of an obligation arising and whether there is a need to recognize a provisional disclose a contingent liability. We therefore focused on this area as a result of uncertainty and potential material impact.</p> | <p>Principal Audit Procedures:-</p> <ul style="list-style-type: none"> <li>• We read the various regulatory correspondences and related documents pertaining to litigation cases and corroborated them with our understanding of legal position as various statutes.</li> <li>• We obtained legal opinion sought by management from the independent legal counsel including opinion of our own team to review the sustainability of the dispute. We discussed the status and potential exposure in respect of significant litigation with the company's internal legal team and obtaining details regarding the progress of various litigation including management views on the likely outcome of each litigation and the magnitude of potential exposure.</li> <li>• The various litigation matters were reviewed in order to assess the facts and circumstances and to identify the potential exposures and to satisfy ourselves that it is not probable that an outflow of economic benefits will be required, or in certain cases where the amount can not be estimated reliably, such obligation is disclosed by the company as a contingent liability.</li> </ul> |
| <b>Key Audit Matters as reported by auditors of SBI Capital Markets Limited:</b> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| vii.                                                                             | <p>Evaluation of uncertain tax positions:</p> <p>The company has material uncertain tax positions including matters under dispute which involves significant judgement to determine the possible outcome of these disputes.</p>                                                                                                                                                                                                                                                                                                                                                                                                   | <p>Principal Audit Procedures:</p> <p>We evaluated the Company's processes and controls for monitoring the tax disputes.</p> <p>Obtained risk assessment of tax litigation from our internal tax expert to assess management's judgement and assumption on such matters to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. They also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

## Information Other than the Consolidated Financial Statements and Auditors' Report thereon

- The Bank's Board of Directors is responsible for the other information. The other information comprises the Corporate Governance report (but does not include the Consolidated Financial Statements and our auditors' report thereon), which will be obtained at the time of issue of this auditors' report, and the Directors' Report of the Bank including annexures in annual report, if any, thereon, which is expected to be made available to us after the date of this Auditors' Report.

Our opinion on the Consolidated Financial Statements does not cover the other information and Pillar 3 disclosures under Basel III Disclosure and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Director's Report of the Bank, including annexures in annual report, if any, thereon, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

5. The Bank's Board of Directors is responsible with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the Accounting Standard 21 - "Consolidated Financial Statements", Accounting Standards 23 - "Accounting for Investment in Associates in Consolidated Financial Statements" and Accounting Standards 27 - Financial Reporting of Interest in Joint Venture" issued by the Institute of Chartered Accountants of India, and provisions of Section 29 of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and circulars and guidelines issued by the Reserve Bank of India (RBI) from time to time and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Banking Regulations Act, 1949 and applicable laws for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, respective Board of Directors of the Group Entities is responsible for assessing the respective Group Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group

Entities or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors of the Group Entities are also responsible for overseeing the respective Group Entity's financial reporting process.

### **Auditors' Responsibility for the Audit of Consolidated Financial Statements**

6. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As a part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated

# Independent Auditors' Report

Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group Entity to cease to continue as a going concern.

- Evaluate the overall presentation structure and content of the Consolidated Financial Statements, including the disclosures and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its Associates and Jointly Controlled Entities of which we are the independent auditors and whose financial information we have audited, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and

other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Other Matters

7. Incorporated in these consolidated financial statements are the:
  - a) We did not audit the financial statements / information of 5771 branches (including 34 Foreign branches) included in the Standalone Financial Statements of the Bank whose financial statements/ financial information reflects total assets of ₹26,98,825.09 Crore at March 31, 2023 and total revenue of ₹1,73,752.95 Crore for the year ended on that date, as considered in the Standalone Financial Statements. The financial statements/ information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors.
  - b) We did not audit the financial statements of 26 Subsidiaries, 8 Jointly Controlled Entities (includes relevant disclosures of Jio Payments Bank Ltd. upto 22<sup>nd</sup> January 2023) whose financial statements reflect total assets of ₹4,63,803.28 Crore as at March 31, 2023, total revenues of ₹1,10,740.11 Crore for the year ended on that date, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net profit of ₹1,181.00 Crore for the year ended March 31, 2023, as considered in the Consolidated Financial Statements, in respect of 18 associates

(includes relevant disclosures of Jio Payments Bank Ltd. from 23<sup>rd</sup> January 2023), whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in so far as it relates to the aforesaid subsidiaries, jointly controlled entities and associates, is based solely on the reports of the other auditors.

- c) We did not audit the financial statements of 1 subsidiary whose financial statements reflect total assets of ₹8,854.33 Crore as at March 31, 2023, total revenues of ₹421.77 Crore as considered in Consolidated Financial Statements. The Consolidated Financial Statements also include the Group's share of net profit of ₹10.45 Crore for the year ended March 31, 2023, as considered in the Consolidated Financial Statements, in respect of 1 associate, whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and associate, and our report relates to the aforesaid subsidiary and associate, in so far as is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

8. The auditors of SBI Life Insurance Company Limited and SBI General Insurance Company Limited, subsidiaries of the Group, have reported that the actuarial valuation of liabilities for life policies in force and the actuarial valuation of liabilities in respect of Claims Incurred But Not Reported (IBNR) and Claims Not Incurred But Not Enough Reported (IBNER) is the responsibility of

the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at 31<sup>st</sup> March 2023 has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory Development Authority of India ("IRDAI"/"Authority") and the Institute of Actuaries of India in concurrence with the Authority. The auditors have relied upon Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists in financial statements of the Company.

## Report on Other Legal and Regulatory Requirements

9. The Consolidated Balance Sheet and the Consolidated Profit and Loss Account have been drawn up in accordance with Section 29 of the Banking Regulation Act, 1949; and these give information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations thereunder.

Subject to the limitations of the audit indicated in paragraph 5 to 8 above and as required by the State Bank of India Act, 1955, and subject also to the limitations of disclosure required therein, we report that:

- We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory;
- The transactions of the Bank, which have come to our notice, have been within the powers of the Bank; and
- The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.

10. We further report that:

- In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books and the reports of the other auditors and proper returns adequate for the purposes of our audit have been received from branches not visited by us;

# Independent Auditors' Report

- b) the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the books of account and with the returns received from the branches not visited by us;
  - c) the reports on the accounts of the branch offices audited by branch auditors of the Bank as per the provisions of the Section 29 of the Banking Regulation Act, 1949, and the State Bank of India Act, 1955 have been sent to us and have been properly dealt with by us in preparing this report; and
  - d) in our opinion, the Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement comply with the applicable accounting standards, to the extent they are not inconsistent with the accounting policies prescribed by the RBI.
11. As required by letter No. DOS.ARG. No.6270/08.91.001/2019-20 dated 17<sup>th</sup> March 2020 on "Appointment of Statutory Central Auditors (SCAs) in Public Sector Banks – Reporting obligations for SCAs from FY 2019-20", read with subsequent communication dated 19<sup>th</sup> May 2020 issued by the RBI, we further report on the matters specified in paragraph 2 of the aforesaid letter as under:
- a) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the Bank.
  - b) On the basis of the written representations received from the directors of the Bank as on 31<sup>st</sup> March 2023 taken on record by the Board of Directors of the Bank and the reports of the statutory auditors of its subsidiary, associate companies and jointly controlled entities incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31<sup>st</sup> March 2023 from being appointed as a director in terms of Section 164(2) of the Companies Act, 2013.
  - c) There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.
  - d) As per para 1.14 of the Technical Guide on Audit of Internal Financial Controls in Case of Public Sector Banks issued by ICAI, the reporting requirement as introduced by RBI regarding Internal Financial Control over Financial Reporting will apply only to standalone financial statements of Public Sector Banks (PSBs) and not to consolidated financial statements of PSBs. Accordingly, reporting is not done on the Group's Internal Financial Control over Financial Reporting with reference to the Consolidated Financial Statements as at March 31, 2023.

| SBI California                          | As per regulations, the only way to transfer capital to parent bank is to pay dividends or buyback shares or capital repatriation to parent bank.                                                                                                                                                                                                                                                                                                  |
| SBI Canada                              | Prior permission from the regulator (OSFI) before transferring any type of capital (equity or debt) to parent bank.                                                                                                                                                                                                                                                                                                                                |
| SBI Mauritius Ltd.                      | There are regulatory restrictions for the reduction of the Bank's capital to be paid back to the shareholders including the parent bank. Any reduction in capital can be made either through payment of dividend or reduction in stated capital as provided in the banking act and the companies act of Mauritius. The amount to be paid is subject to SBIML maintaining adequate capital and liquidity ratios as per the regulatory requirements. |
|                                         | (a) The central bank shall not grant, and no bank shall hold, a banking license unless it maintains and continues to maintain in Mauritius, an amount paid as stated capital or an amount of assigned capital of not less than 400 Million rupees or the equivalent.                                                                                                                                                                               |
|                                         | (b) Every bank shall maintain, in Mauritius, capital of not less than 10 per cent, or such higher ratio as may be determined by the central bank, of such of that bank's risk assets and of other types of risks.                                                                                                                                                                                                                                  |
| Bank SBI Indonesia                      | The Bank maintains a minimum regulatory capital to be able to operate as a Book II bank as well as a forex bank. However, transfer of funds as dividend to parent bank is allowed after generation of sufficient profit.                                                                                                                                                                                                                           |
| Nepal SBI Bank Ltd.                     | Under the laws of Nepal, Assets and Liabilities of the Company are exclusive and non-transferable. Hence, the transfer of funds or regulatory capital within the banking group is not possible.                                                                                                                                                                                                                                                    |
| Commercial Indo Bank Llc, Moscow (CIBL) | There are no restrictions or impediments on transfer of funds or regulatory capital within banking group.                                                                                                                                                                                                                                                                                                                                          |
| State Bank of India (UK) Limited        | Excess capital beyond the regulatory minimum can be paid back to the parent (via dividends or reduced capital) along with the approval of SBI UK Board and PRA. This will be based on the projected growth plans of SBI UK Limited and its capital requirements.                                                                                                                                                                                   |

  - Sensitivity Analysis is conducted annually or more frequently as required, on the movement of Capital Adequacy Ratio (CAR) in the medium horizon of 3 to 5 years, considering the projected investment in Subsidiaries / Joint Ventures by SBI and growth in Advances by SBI and its Subsidiaries (Domestic / Foreign). This analysis is done for the SBI and SBI Group separately.
  - CRAR of the Bank and for the Group as a whole is estimated to be well above the Regulatory CAR in the medium horizon of 3 to 5 years. However, to maintain adequate capital, the Bank has options to augment its capital resources by raising Subordinated Debt, Perpetual Cumulative Preference Shares (PCPS), Redeemable Non-Cumulative Preference Shares (RNCPS), Redeemable Cumulative Preference Shares (RCPS), Perpetual Debt Instruments (PDIs) and Perpetual Non-Cumulative Preference Shares (PNCPS) besides Equity as and when required.
  - Strategic Capital Plan for the Foreign Subsidiaries covers an assessment of capital requirement for growth of assets and the capital required complying with various local regulatory requirements and prudential norms. The growth plan is approved by the parent bank after satisfying itself about the capacity of the individual subsidiaries to raise CET 1 / AT 1 / Tier 2 Capital to support the increased level of assets and at the same time maintaining the Capital Adequacy Ratio (CAR).

### Quantitative Disclosures

## DF-3: CREDIT RISK: GENERAL DISCLOSURES

As on 31.03.2023

### General Disclosures

#### a. Qualitative Disclosures

- Definitions of past due and impaired assets (for accounting purposes)

#### **Non-performing assets**

An asset becomes non-performing when it ceases to generate income for the Bank. As from 31<sup>st</sup> March 2006, a non-performing Asset (NPA) is an advance were

- Interest and/or instalment of principal remain 'overdue' for a period of more than 90 days in respect of a Term Loan.
- The account remains 'out of order' for a period of more than 90 days, in respect of an Overdraft/Cash Credit (OD/CC).
- The bill remains 'overdue' for a period of more than 90 days in the case of bills purchased and discounted.
- Any amount to be received remains 'overdue' for a period of more than 90 days in respect of other accounts.
- A loan granted for short duration crops is treated as NPA, if the instalment of principal or interest thereon remains overdue for two crop seasons and a loan granted for long duration crops is treated as NPA, if instalment of principal or interest thereon remains overdue for one crop season.
- An account would be classified as NPA only if the interest charged during any quarter is not serviced fully within 90 days from the end of the quarter.
- The amount of a liquidity facility remains outstanding for more than 90 days, in respect of securitisation transactions undertaken in accordance with the RBI guidelines on securitisation dated February 1, 2006.
- In respect of derivative transactions, the overdue receivables representing the positive mark to market value of a derivative contract, remain unpaid for a period of 90 days from the specified due date for payment.

### **'Out of Order' status**

An account is treated as 'out of order' if the outstanding balance remains continuously in excess of the sanctioned limit/drawing power.

In cases where the outstanding balance in the principal operating account is less than the sanctioned limit/drawing power, but there are no credits continuously for 90 days as on the date of Bank's Balance Sheet, or where credits are not enough to cover the interest debited during the same period, such accounts are treated as 'out of order'.

### **'Overdue'**

Any amount due to the Bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the Bank.

#### **▪ Resolution of Stressed Assets**

Early identification and reporting of stress:

Identification of incipient stress in loan accounts, immediately on default\*, by classifying stressed assets as special mention accounts (SMA) as per the following categories:

| <b>SMA Sub-categories</b> | <b>Basis for classification – Principal or interest payment or any other amount wholly or partly overdue between</b> |
|---------------------------|----------------------------------------------------------------------------------------------------------------------|
| SMA-0                     | 1-30 days                                                                                                            |
| SMA-1                     | 31-60 days                                                                                                           |
| SMA-2                     | 61-90 days                                                                                                           |

\* Default' means non-payment of debt when whole or any part or instalment of the amount of debt has become due and payable and is not repaid by the debtor or the corporate debtor. For revolving facilities like cash credit, default would also mean, without prejudice to the above, the outstanding balance remaining continuously in excess of the sanctioned limit or drawing power, whichever is lower, for more than 30 days.

#### **▪ Discussion of the Bank's Credit Risk Management Policy**

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Over the years, the policy & procedures in this regard have been refined as a result of evolving concepts and actual experience. The policy and procedures have been aligned to the approach laid down in Basel-II and RBI guidelines.

Credit Risk Management encompasses identification, assessment, measurement, monitoring and control of the credit risk in exposures.

In the processes of identification and assessment of Credit Risk, the following functions are undertaken:

- (i) Developing and refining the Credit Risk Assessment (CRA) Models/Scoring Models to assess the Counterparty Risk, by taking into account the various risks categorised broadly into Financial, Business, Industrial and Management Risks, each of which is scored separately.
- (ii) Conducting industry research to give specific policy prescriptions and setting quantitative exposure parameters for handling portfolio in large / important industries, by issuing advisories on the general outlook for the Industries / Sectors, from time to time.

The measurement of Credit Risk involves computation of Credit Risk Components viz Probability of Default (PD), Loss Given Default (LGD) and Exposure At Default (EAD).

The monitoring and control of Credit Risk includes setting up exposure limits to achieve a well-diversified portfolio across dimensions such as single borrower, group borrower and industries. For better risk management and avoidance of concentration of Credit Risks, internal guidelines on prudential exposure norms in respect

## Pillar 3 Disclosures

of individual companies, group companies, Banks, individual borrowers, non-corporate entities, sensitive sectors such as capital market, real estate, sensitive commodities, etc., are in place. Credit Risk Stress Tests are conducted at half yearly interval to identify vulnerable areas for initiating corrective action, where necessary.

The Bank has also a Loan Policy which aims at continued improvement of the overall quality of assets at the portfolio level, by establishing a commonality of approach regarding credit basics, appraisal skills, documentation standards and awareness of institutional concerns and strategies, while leaving enough room for flexibility and innovation.

The Bank has processes and controls in place in regard to various aspects of Credit Risk Management such as appraisal, pricing, credit approval authority, documentation, reporting and monitoring, review and renewal of credit facilities, management of problem loans, credit monitoring, etc. The Bank also has a system of Credit Audit with the aims of achieving continuous improvement in the quality of the credit portfolio with total credit exposure (FB+NFB limits) above ₹20 Crore/ USD 2 Million or its equivalent and above. Credit Audit covers audit of credit sanction decisions at various levels. Both the pre-sanction process and post-sanction position are examined as a part of the Credit Audit System. Credit Audit also examines identified Risks and suggests Risk Mitigation Measures.

- Insurance entities, Non-financial entities, JVs, Special Purpose Vehicles & Intra-group Adjustments are excluded.
- Investments include Non-Performing Investments and Advances includes Non-Performing Advances.
- The Bucketing structure has been revised based on the RBI guidelines dated March 23, 2016.

## Pillar 3 Disclosures

### DF-4: CREDIT RISK: DISCLOSURES FOR PORTFOLIOS SUBJECT TO THE STANDARDISED APPROACH

As on 31.03.2023

#### Disclosures for Portfolios subject to Standardised Approach

##### Qualitative Disclosures

##### Names of Credit Rating Agencies used, plus reasons for any changes

- (a) As per RBI Guidelines, the Bank has identified CARE, CRISIL, ICRA, India Rating, ACUITE Ratings and Research and INFOMERICs (Domestic Credit Rating Agencies) and FITCH, Moody's and S&P (International Rating Agencies) as approved Rating Agencies, for the purpose of rating Domestic and Overseas Exposures, respectively, whose ratings are used for the purpose of computing Risk-weighted Assets and Capital Charge.

##### Types of exposures for which each Agency is used

- (i) For Exposures with a contractual maturity of less than or equal to one year (except Cash Credit, Overdraft and other Revolving Credits), Short-term Ratings given by approved Rating Agencies are used.
- (ii) For Cash Credit, Overdraft and other Revolving Credits (irrespective of the period) and for Term Loan exposures of over 1 year, Long Term Ratings are used.

##### Description of the process used to transfer Public Issue Ratings onto comparable assets in the Banking Book

The key aspects of the Bank's external ratings application framework are as follows:

- All long term and short term ratings assigned by the credit rating agencies specifically to the Bank's long term and short term exposures respectively are considered by the Bank as issue specific ratings.
- Foreign sovereign and foreign bank exposures are risk-weighted based on issuer ratings assigned to them.
- The Bank ensures that the external rating of the facility/borrower has been reviewed at least once by the ECAI during the previous 15 months and is in force on the date of its application.
- Where multiple issuer ratings are assigned to an entity by various credit rating agencies, the risk weight is determined as follows:
  - If there is only one rating by a chosen credit rating agency for a particular claim, then that rating is used to determine the risk weight of the claim.
  - If there are two ratings accorded by chosen credit rating agencies, which map into different risk weights, the higher risk weight is applied.
  - If there are three or more ratings accorded by chosen credit rating agencies with different risk weights, the ratings corresponding to the two lowest risk weights are referred to and the higher of those two risk weights is applied, i.e., the second lowest risk weight.

Long-term Issue Specific Ratings (For the Bank's own exposures or other issuance of debt by the same borrower-constituent/counterparty) or Issuer (borrower-constituents/counterparty) Ratings are applied to other unrated exposures of the same borrower-constituent/counter-party in the following cases:

- If the Issue Specific Rating or Issuer Rating maps to Risk Weight equal to or higher than the unrated exposures, any other unrated exposure on the same counter-party is assigned the same Risk Weight, if the exposure ranks pari passu or junior to the rated exposure in all respects.
- In cases where the borrower-constituent/counterparty has issued a debt (which is not a borrowing from the Bank), the rating given to that debt is applied to the Bank's unrated exposures, if the Bank's exposure ranks pari-passu or senior to the specific rated debt in all respects and the maturity of unrated Bank's exposure is not later than the maturity of the rated debt.

## DF-5: CREDIT RISK MITIGATION: DISCLOSURES FOR STANDARDISED APPROACHES

As on 31.03.2023

### Credit Risk Mitigation: Disclosures for Standardised Approach

#### (a) Qualitative Disclosures

- **Policies and processes for, and an indication of the extent to which the bank makes use of, on- and off-balance sheet netting**

On-balance sheet netting is confined to loans/advances and deposits, where the Bank have legally enforceable netting arrangements, involving specific lien with proof of documentation. The Bank calculates capital requirements on the basis of net credit exposures subject to the following conditions:

Where bank,

- a) has a well-founded legal basis for concluding that the netting or offsetting agreement is enforceable in each relevant jurisdiction regardless of whether the counterparty is insolvent or bankrupt.
- b) is able at any time to determine the loans/advances and deposits with the same counterparty that are subject to the netting agreement; and
- c) monitors and controls the relevant exposures on a net basis, it may use the net exposure of loans/advances and deposits as the basis for its capital adequacy calculation. Loans/advances are treated as exposure and deposits as collateral.

- **Policies and Processes for Collateral Valuation and Management**

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Part B of this policy deals with Credit Risk Mitigation and Collateral Management, addressing the Bank's approach towards the credit risk mitigants used for capital calculation.

The objective of this Policy is to enable classification and valuation of credit risk mitigants in a manner that allows regulatory capital adjustment to reflect them.

The Policy adopts the Comprehensive Approach, which allows full offset of collateral (after appropriate haircuts), wherever applicable against exposures, by effectively reducing the exposure amount by the value ascribed to the collateral. The following issues are addressed in the Policy:

- (i) Classification of credit risk-mitigants
- (ii) Acceptable credit risk-mitigants
- (iii) Documentation and legal process requirements for credit risk-mitigants
- (iv) Valuation of collateral

## Pillar 3 Disclosures

- (v) Margin and Haircut requirements
- (vi) External ratings
- (vii) Custody of collateral
- (viii) Insurance
- (ix) Monitoring of credit risk mitigants
- (x) General guidelines.

### Description of the main types of collateral taken by the Bank

The following collaterals are usually recognised as Credit Risk Mitigants under the Standardised Approach:

Cash or Cash equivalent (Bank Deposits/NSCs/KVP/LIC Policy, etc.)

Gold

Securities issued by Central / State Governments

Debt Securities rated BBB- or better A3 for Short-Term Debt Instrument

### ▪ Main types of Guarantor Counterparty and their creditworthiness

The Bank accepts the following entities as eligible guarantors, in line with RBI guidelines:

- Sovereign, Sovereign entities [including Bank for International Settlements (BIS), International Monetary Fund (IMF), European Central Bank and European Community as well as Multilateral Development Banks, Export Credit & Guarantee Corporation (ECGC) and Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE)], Public Sector Enterprises (PSEs), Banks and Primary Dealers with a lower risk weight than the counterparty.
- Other guarantors having an external rating of AA or better. In case the guarantor is a parent company, affiliate, or subsidiary, they should enjoy a risk weight lower than the obligor for the guarantee to be recognised by the Bank. The rating of the guarantor should be an entity rating which has factored in all the liabilities and commitments (including guarantees) of the entity.

### Information about (Market or Credit) risk concentrations within the mitigation taken:

The Bank has a well-dispersed portfolio of assets which are secured by various types of collaterals, such as: -

- Eligible financial collaterals listed above
- Guarantees by sovereigns and well-rated corporates,
- Fixed assets and current assets of the counterparty.

### Quantitative Disclosures as on 31.03.2023

## DF-7: MARKET RISK IN TRADING BOOK

As on 31.03.2023

### (a) QUALITATIVE DISCLOSURES:

- (1) The Bank follows Standardised Measurement Method (SMM) for computing capital requirement for Market Risk.
- (2) Market Risk Management Department (MRMD) is functioning as a part of Risk Management Department of the Bank, in terms of Governance structure approved by the Board of the Bank.
- (3) MRMD is responsible for identification, assessment, monitoring and reporting of market risk associated with Treasury Operations.
- (4) The following Board approved policies with defined Market Risk Management parameters for each asset class are in place:
  - (a) Market Risk Management Policy
  - (b) Market Risk Limits Policy
  - (c) Investment Policy
  - (d) Trading Policy
  - (e) Stress Test Policy for Market Risk
- (5) Risk monitoring is an ongoing process and risk positions are analysed and reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (6) Risk management and reporting is based on parameters such as Modified Duration, Convexity, PV01, Option Greeks, Maximum permissible exposures, Value at Risk Limits, Concentration Risk Limits, Lower and upper management Action Triggers, in line with global best practices.
- (7) Forex Open position limit (Daylight/Overnight), Stop Loss Limit, Aggregate Gap Limit (AGL), Individual Gap Limit (IGL) as approved by the Board is monitored and exceptions, if any, is reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (8) Value at Risk (VaR) computation and Back-Testing of VaR number is carried out on daily basis. Market Risk Stress Testing is carried out at quarterly intervals as a complement to Value at Risk. Results are reported to Top Management of the Bank, Market Risk Management Committee and Risk Management Committee of the Board.
- (9) Respective Foreign offices monitor market risk of their investment portfolio, as per the local regulatory and RBI stipulations. Further, Stop Loss limit for individual investments and exposure limits for certain portfolios have been prescribed.
- (10) Bank has submitted Letter of Intent (LOI) to RBI to migrate to advanced approach i.e. Internal Models Approach for calculating capital charge for market risk.

### (b) QUANTITATIVE DISCLOSURES:

#### CAPITAL CHARGE ON MARKET RISK

Bank maintains Capital Charge for Market Risk under the Standardised measurement method as under.

|                                            | (₹ in Crore)      |

## Pillar 3 Disclosures

### DF-8: OPERATIONAL RISK

As on 31.03.2023

#### Qualitative disclosures

##### A. The structure and organisation of Operational Risk Management function

- Operational Risk Management Department functions in SBI as part of the Integrated Risk Governance Structure under the control of respective Chief Risk Officer. In SBI, Chief Risk Officer reports to Risk Management Committee of the Board (RMCB)
- The operational risk related issues in other Group entities are being dealt with as per the requirements of the business model and their regulators under the overall control of Chief Risk Officers of respective entities.
- Policies for control and mitigation of Operational Risk in SBI

##### Domestic Banking Entities (SBI)

The following Policies, Framework Documents and Manuals are in place in SBI:

##### Policies and Framework Documents

- Operational Risk Management policy encompasses Operational Risk Management Framework for systematic and proactive identification, assessment, measurement, monitoring, mitigation and reporting of the Operational Risks.
- Loss Data Management Policy.
- IT Policy and Standards.
- IT Procedures and Guidelines
- Cyber Security Policy
- Information Security Policy
- Business Continuity and Operational Resilience (BC& OR) Policy.
- SBGITC Business Continuity Management System (BCMS) Policy
- Policy on Know Your Customer (KYC) Standards and Anti Money Laundering (AML)/ Combating of Financing of Terrorism Measures.
- Policy on Fraud Risk Management.
- IT Outsourcing and Procurement Policy.
- Policy on Insurance.

##### Manuals

- Operational Risk Management Manual
- Loss Data Management Manual
- Business Continuity and Operational Resilience (BC& OR) Manual
- Business Continuity Management System (BCMS) Plan

### Domestic Non-Banking and Overseas Banking entities

Policies and Manuals, as relevant to the business model of non-Banking entities and as per the requirements of the overseas regulators in respect of Overseas Banking subsidiaries are in place. A few of the policies in place are – Disaster Recovery Plan/ Business Continuity Plan, Incident Reporting Mechanism, Near Miss Events Reporting Mechanism, Outsourcing Policy, etc.

## B. Strategies and Processes

### Domestic Banking entities (SBI)

- To successfully embed the risk culture and operational risk management, Risk Management Committees at various levels at Circles like RMCAOs, RMCCs, and RMCs at the Business and Support Groups (RMC-RB & O, RMC-IBG, RMC-GMU, RMC-CAG, RMC-CCG, RMC-SARG & RMC-IT) are in place in addition to the Operational Risk Management Committee (ORMC) and the Risk Management Committee of the Board (RMCB).
- The process of building a comprehensive database of internal and external losses due to Operational Risks as per Basel defined 8 Business Lines and 7 Loss Event Types is in place. In addition, Near Miss Events and external losses are also captured to improve risk management practices.
- Risk and Control Self-Assessment (RCSA) is a proactive exercise conducted in workshop-based manner to identify gaps, if any, in the existing controls and suggestions are invited for improvement of System & Controls to mitigate the Risks. RCSA also helps in generating risk awareness among staff members. RCSA exercise is carried out across Bank Branches, CPCs and Offices on a yearly basis. Bank also conducts theme based RCSA for Products /Processes. During FY 23, the Bank has conducted 16 Theme-based RCSA exercises and RCSA exercise (sign off) was conducted at the time of launch/ review of 44 products/processes. Based on the RCSA exercise, Mitigation plans are prepared and implemented for activities rated as High & Critical Risks. Feasibility study is carried out by Business owners for suggestions emanated during RCSA exercise for further improvement of System & Controls in the Bank.
- Key Indicators (KIs) have been identified across the Business and Support Groups with threshold and monitoring mechanism. KIs are being monitored at quarterly intervals by the RMCs, the ORMC and the RMCB. Top 10 KIs have been identified during current financial year for close follow up.
- Development of internal systems for quantifying and monitoring operational risk as required under Basel II guidelines is in place.

### Others

The following measures are being used to control and mitigate Operational Risks in the Domestic Banking entities:

- Book of Instructions" (Manual on General Instructions, Manual on Loans & Advances) which contains detailed procedural guidelines for processing various banking transactions. Amendments and modifications to update these guidelines are being carried out regularly through e-circulars/Master circulars. Guidelines and instructions are also propagated through e-Circulars, E-Learning Lessons, Training Programs, etc.
- Updated Manuals and operating instructions relating to Business Process Re-engineering (BPR) units.
- Delegation of Financial powers, which details sanctioning powers of various levels of officials for different types of financial and non-financial transactions.
- Training of staff-Inputs on Operational Risk is included as a part of Risk Management modules in the trainings conducted for various categories of staff at Bank's Apex Training Institutes and State Bank Institute of Learning and Development.
- Insurance cover is obtained for most of the potential operational risks excluding frauds, as per Bank's policy on insurance.

## Pillar 3 Disclosures

- Internal Auditors are responsible for the examination and evaluation of the adequacy and effectiveness of the control systems and the functioning of specific control procedures. They also conduct review of the existing systems to ensure compliance with legal and regulatory requirements, codes of conduct and the implementation of policies and procedures.
- In order to ensure business continuity, resumption and recovery of critical business process after a disaster, the Bank has robust Business Continuity and Operational Resilience Policy and Manuals in place.
- Stringent Implementation of vacation policy.
- Conduct of RCSA-Abridged at remaining Branches where RCSA is not proposed.

### Domestic Non-Banking and Overseas Banking entities

Adequate measures by way of systems and procedures and reporting have been put in place in the Domestic Non-Banking and Overseas Banking entities.

## C. The scope and nature of Risk Reporting and Measurement Systems

- A system of prompt submission of reports on Frauds is in place in all the Group entities.
- A comprehensive system of Preventive Vigilance & Whistle Blowing has been established in all the Group entities.
- Significant risks thrown up in RCSA/RCSA-Abridged exercise at all Branches, Scenario Analysis and loss data/NMEs analysis are reported to Top Management at regular intervals and corrective actions are initiated on an ongoing basis.
- Basic Indicator Approach with capital charge of 15% of average gross income for previous 3 years is applied for Operational Risk, except Insurance Companies, for the year ended 31<sup>st</sup> March 2023.

## DF-9: INTEREST RATE RISK IN BANKING BOOK (IRRBB)

As on 31.03.2023

### 1. Qualitative Disclosures

Interest rate risk refers to impact on Bank's Net Interest Income and the value of its assets and liabilities arising from fluctuations in interest rate due to internal and external factors. Internal factors include the composition of the Bank's assets and liabilities, quality, maturity, existing rates and re-pricing period of deposits, borrowings, loans and investments. External factors cover general economic conditions. Rising or falling interest rates impact the Bank depending on whether the Balance Sheet is asset sensitive or liability sensitive. The Bank identifies the inherent risks associated with the changing interest rates on its on-balance sheet and off-balance sheet exposures in the banking book from both a short-term and long-term perspective.

#### 1.1 Structure and organisation

The Asset-Liability Management Committee (ALCO) is responsible for evolving appropriate systems and procedures for ongoing identification and analysis of Balance Sheet risks and laying down parameters for efficient management of these risks through ALM Policy of the Bank. ALCO, therefore, periodically monitors and controls the risks and returns, funding and deployment, setting Bank's lending and deposit rates, and directing the investment activities of the Bank. The Risk Management Committee of the Board of Directors (RMCB) oversees the implementation of the system for ALM and reviews its functioning periodically and provides direction. It reviews various decisions taken by ALCO for managing interest rate risk.

## 1.2 Scope and nature of risk reporting and measurement systems

RBI has stipulated monitoring of Interest Rate Risk at monthly intervals through a Statement of Interest Rate Sensitivity under Traditional Gap Analysis (IRS-TGA). Accordingly, ALCO reviews IRS-TGA on monthly basis and monitors the Earnings at Risk (EaR) which measures the change in Net Interest Income of the Bank due to parallel change in interest rate on both the assets & liabilities.

RBI has also stipulated to estimate the impact of change in interest rates on economic value of Bank's assets and liabilities through Interest Rate Sensitivity under Duration Gap Analysis (IRS-DGA), which Bank carries out on monthly basis. The impact of interest rate changes on the Market Value of Equity is monitored through IRS-DGA by recognising the changes in the value of assets and liabilities by a given change in the market interest rate. The change in value of equity (including reserves) with 2% parallel shift in interest rates for both assets and liabilities is estimated.

EaR: The immediate impact of changes in interest rates is on Bank's earnings through changes in its Net Interest Income (NII). EaR is useful in calculating the impact of the change in interest rate on the NII for a shorter period of time (impact over a one-year period). The EaR computations include the banking book as well as the trading book.

MVE: A long-term impact of changes in interest rates is on Bank's Market Value of Equity (MVE) or Net Worth through changes in the economic value of its liabilities and off-balance sheet positions. Although these changes in value do not pass through earnings, they have a bearing on Bank's capital position.

The Bank uses MVE approach as part of a framework to manage IRRBB for its domestic and foreign operations. Impact on MVE is assessed for the overall Bank and Banking Book separately. In order to effectively monitor and manage IRRBB, the ALM Policy stipulates separate MVE limits for overall Bank and Banking Book.

## 1.3 Policies for hedging and mitigating risk

The Bank has a policy for undertaking hedge transactions. Depending on the underlying and prevailing market conditions, the Bank enters into hedge transactions for identified assets or liabilities. Derivative instruments like Interest Rate Swaps, OIS, Forward Rate Agreements and Cross Currency Swaps are used as a hedging technique by the Bank.

## 2. Quantitative Disclosures

- 2.1** The following table sets forth, estimated impact on NII due to changes in interest rates on interest sensitive positions as on 31<sup>st</sup> March 2023, assuming a parallel shift in the yield curve.

### Earnings at Risk (EaR)

|                                                                                                           | (₹ in Crore)  |
|-----------------------------------------------------------------------------------------------------------|---------------|
|                                                                                                           | Impact on NII |
| Impact of 100 bps parallel shift in interest rate on both assets & liability on Net Interest Income (NII) | 10,117.34     |
| Impact of 200 bps parallel shift in interest rate on both assets & liability on Net Interest Income (NII) | 20,234.68     |

- 2.2** The following table sets forth, estimated impact on MVE due to changes in interest rates on interest sensitive positions as on 31<sup>st</sup> March 2023, assuming a parallel shift in the yield curve.

### Market Value of Equity (MVE)

|                                                                                                                             | (₹ in Crore)  |
|-----------------------------------------------------------------------------------------------------------------------------|---------------|
|                                                                                                                             | Impact on MVE |
| Impact of 100 bps parallel shift in interest rate on both assets & liability on Market Value of Equity (MVE) - Banking Book | 19,458.89     |
| Impact of 200 bps parallel shift in interest rate on both assets & liability on Market Value of Equity (MVE) - Banking Book | 38,917.78     |

## Pillar 3 Disclosures

### DF-10: GENERAL DISCLOSURE FOR EXPOSURE RELATED TO COUNTERPARTY CREDIT RISK

As on 31.03.2023

#### Qualitative Disclosure:

Credit Risk Management Department of the Bank uses scoring models for setting limits for amounts of counterparty exposure for Domestic Banks, Foreign Banks, Development Financial Institution, Primary Dealers, Small Finance Banks & Payment Banks.

Credit Risk Management Department allocates the exposure limits to all business units, viz., CAG, CCG, R&DB, Global Markets & IBG, who in turn allocate the limits among various operating units under their respective control.

Classification and recognition of collaterals

The Bank will accept, recognise and attribute value to collateral, both for internal sanctioning and/or regulatory capital relief purposes, only when the following conditions are fulfilled:

- There is a legal certainty of enforceability and effectiveness of collateral in all relevant jurisdictions
- All contractual and statutory requirements with respect to the loan and collateral documentation are fulfilled.
- The Bank has obtained a legal charge to the said collateral (including second/subordinate or paripassu charges, in addition to first legal charge).
- The legal mechanism by which the collateral is pledged or transferred ensures that the Bank has the right to liquidate or take possession of it in a timely manner, in the event of a default, insolvency or bankruptcy on the part of the counterparty or any third party.
- The Bank has clear and robust procedures for the timely liquidation of collateral to ensure that any legal conditions required for declaring the default of the counterparty and liquidating the collateral are fulfilled and collateral can be liquidated promptly.

For the purposes of eligibility for IRB capital computation, collaterals are required to satisfy all operational criteria outlined in RBI IRB guidelines.

Counterparty Credit Risk is the risk that the counterparty to a derivative transaction can default before the final settlement of the transaction's cash flow. To mitigate this risk, derivative transactions are undertaken only with those counterparties where approved counterparty limits are in place. Counterparty limits for banks are assessed using internal models considering a number of financial parameters like networth, capital adequacy ratio, rating etc. For corporates, the Derivatives limits are assessed and sanctioned in conjunction with regular credit limit as part of regular appraisal.

|------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Corporate Governance Practices                                   | All Group entities adhere to good Corporate Governance practices.                                                                                                                     |
| Disclosure Practices                                             | All Group entities adhere to / follow good disclosure practices.                                                                                                                      |
| Arm's Length Policy in respect of Intra Group Transactions       | All Intra-Group transactions within the State Bank Group have been effected on Arm's Length basis, both as to their commercial terms and as to matters such as provision of security. |
| Common marketing, branding and use of SBI's Symbol               | No Group entity has made use of SBI symbol in a manner that may indicate to public that common marketing, branding implies implicit support of SBI to the Group entity.               |
| Details of Financial Support,# if any                            | No Group entity has provided / received Financial Support from any other entity in the Group.                                                                                         |
| Adherence to all other covenants of Group Risk Management policy | All covenants of the Group Risk Management Policy have meticulously been complied with by the Group entities.                                                                         |

Intra-group transactions which may lead to the following have been broadly treated as 'Financial Support' #:

- a) inappropriate transfer of capital or income from one entity to the other in the Group;
- b) vitiation of the Arm's Length Policy within which the Group entities are expected to operate;
- c) adverse impact on the solvency, liquidity and profitability of the individual entities within the Group;
- d) evasion of capital or other regulatory requirements;
- e) operation of 'Cross Default Clauses' whereby a default by a related entity on an obligation (whether financial or otherwise) is deemed to trigger a default on itself.

### APPLICATION FORM

(a) Name of the Bidder: \_\_\_\_\_

(b) Form No.: \_\_\_\_\_

(c) Date: \_\_\_\_\_

**QUALIFIED INSTITUTIONS PLACEMENT OF UP TO [●] EQUITY SHARES OF FACE VALUE ₹ 1 EACH (THE “EQUITY SHARES”) FOR CASH, AT A PRICE OF ₹[●] PER EQUITY SHARE (THE “ISSUE PRICE”), INCLUDING A PREMIUM OF ₹[●] PER EQUITY SHARE, AGGREGATING TO ₹[●] BILLION, IN RELIANCE UPON CHAPTER VI OF THE SECURITIES AND EXCHANGE BOARD OF INDIA (ISSUE OF CAPITAL AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2018, AS AMENDED (THE “SEBI ICDR REGULATIONS”) AND THE STATE BANK OF INDIA ACT, 1955, AS AMENDED (“SBI ACT”), AND SUCH ISSUE, (THE “ISSUE”). THE APPLICABLE FLOOR PRICE OF THE EQUITY SHARES IS ₹[●] PER EQUITY SHARE AND OUR BANK MAY OFFER A DISCOUNT OF UPTO 5% ON THE FLOOR PRICE, AS APPROVED BY ITS SHAREHOLDERS.**

Only Qualified Institutional Buyers (“QIBs”) as defined under Regulation 2(1)(ss) of the SEBI ICDR Regulations and which are (a) not excluded pursuant to Regulation 179(2)(b) of the SEBI ICDR Regulations; or (b) not prohibited or debarred by any regulatory authority from buying, selling or dealing in securities or restricted from participating in this Issue under the SEBI ICDR Regulations and other applicable laws, including foreign exchange related laws, (c) eligible to invest in this Issue, are eligible to submit this Application Form. Pursuant to press note No. 3 (2020 Series), dated April 17, 2020, issued by the Department for Promotion of Industry and Internal Trade, Government of India, investments by an entity of a country which shares land border with India or where the beneficial owner of such investment is situated in or is a citizen of such country, may only be made through the Government approval route, as prescribed in the FEMA Rules and shall have to be in conformity with the applicable provisions of FEMA Rules. In addition to the above, with respect to the Issue, Eligible QIBs shall consist of (i) QIBs which are resident in India; or (ii) Eligible FPIs participating through Schedule II of the FEMA Rules. Further, except as provided in (ii) above, other non-resident QIBs including foreign venture capital investors and multilateral and bilateral development financial institutions are not permitted to participate in the Issue. Also, please note that AIFs or VCFs whose sponsor and manager are not Indian owned and controlled in terms of the FEMA Rules are not permitted to participate in this Issue

The Equity Shares offered in the Issue have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”) or any other applicable state securities laws of the United States and, unless so registered may not be offered, sold or delivered within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable U.S. state securities laws. Accordingly, the Equity Shares are being offered and sold (a) in the United States only to persons who are “qualified institutional buyers” (as defined in Rule 144A under the Securities Act ( “Rule 144A”) and referred to herein as “U.S. QIBs”) pursuant to Section 4(a)(2) or another available exemption from registration under the U.S. Securities Act; for avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investors defined under applicable Indian regulations and referred to in the PPD (as defined hereinafter) as “QIBs”; and (b) outside the United States, in “offshore transactions” as defined in and in reliance on Regulation S under the Securities Act (“Regulation S”) and the applicable laws of the jurisdiction where those offers and sales are made. You should note and observe the selling and transfer restrictions contained in the sections entitled “Selling Restrictions” and “Transfer Restrictions” on pages 224 and 233, respectively, in the accompanying preliminary placement document dated July 16, 2025 (the “PPD”).

**ONLY ELIGIBLE QIBs ARE PERMITTED TO PARTICIPATE IN THE ISSUE. ELIGIBLE FPIs ARE PERMITTED TO PARTICIPATE THROUGH SCHEDULE II OF THE FEMA RULES, IN THIS ISSUE, SUBJECT TO COMPLIANCE WITH ALL APPLICABLE LAWS AND SUCH THAT THE SHAREHOLDING OF FPIs DO NOT EXCEED SPECIFIED LIMITS AS PRESCRIBED UNDER APPLICABLE LAWS, INCLUDING THE SBI ACT, IN THIS REGARD. ALLOTMENTS MADE TO AIFs AND VCFs IN THE ISSUE SHALL REMAIN SUBJECT TO THE RULES AND REGULATIONS APPLICABLE TO EACH OF THEM RESPECTIVELY, INCLUDING THE FEMA RULES. FVCIs ARE NOT PERMITTED TO PARTICIPATE IN THE ISSUE.**

Dear Sir/ Madam,

On the basis of the serially numbered PPD of the Bank and subject to the terms and conditions contained therein, and in this Application Form, we hereby submit our Application Form for the Allotment of the Equity Shares in the Issue, on the terms and price indicated below. We confirm that we are an Eligible QIB in terms of Regulation 2(1)(ss) of the SEBI ICDR Regulations and are : (a) not excluded pursuant to Regulation 179(2)(b) of the SEBI ICDR Regulations; or (b) not prohibited or debarred by any regulatory authority from buying, selling or dealing in securities or restricted from participating in this Issue under the SEBI ICDR Regulations and other applicable laws, including foreign exchange related laws; and (c) eligible to invest in this Issue. We are not a promoter of the Bank (as defined in the SEBI ICDR Regulations) or any person related to the promoter of the Bank, directly or indirectly.

| <i>*Foreign portfolio investors as defined under the Securities and Exchange Board of India (Foreign Portfolio Investors) Regulations, 2019, as amended.</i><br><i>** Sponsor and Manager should be Indian owned and controlled.</i> |                                                            |            |                              |

Further, we confirm that we do not have any right under a shareholders' agreement, veto rights or right to appoint any nominee director on the Board. We confirm that we are either an Eligible QIB resident in India, or an Eligible FPI, participating through Schedule II of the FEMA Rules. We confirm that we are not a FVCI participating in this Issue. We specifically confirm that our Bid for the Allotment of the Equity Shares is not in violation of the amendment made to Rule 6(a) of the FEMA Rules by the Central Government on April 22, 2020. We confirm that the bid size / aggregate number of the Equity Shares applied for by us, and which may be Allocated to us thereon will not exceed the relevant regulatory or approved limits and further confirm that our Bid does not result in triggering an open offer under the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, as amended (the "**Takeover Regulations**"). We further understand and agree that (i) our names, address, contact details, PAN and bank account details along with other relevant information as may be required will be recorded by the Bank; (ii) in the event that any Equity Shares are Allocated to us in the Issue, our names (as proposed Allottees) and the percentage of our post-Issue shareholding in the Bank may be disclosed in the Placement Document; and (iii) in the event that Equity Shares are Allotted to us in the Issue, the Bank will place our name in the register of members of the Bank or the relevant depository will record our name in the beneficial owner records maintained by the respective depositories, as a holder of such Equity Shares that may be Allotted to us. Further, we are aware and agree that if we are Allotted more than 5% of the Equity Shares in the Issue, the Bank will disclose our name and the number of Equity Shares Allotted to us on the websites of National Stock Exchange of India Limited and BSE Limited (together referred to as the "**Stock Exchanges**"), and we consent to such disclosure. In addition, we confirm that we are eligible to invest in Equity Shares under the SEBI ICDR Regulations and other applicable laws. We confirm, that we have a valid and existing registration under applicable laws and regulations of India, and undertake to acquire, hold, manage or dispose of any Equity Shares that are Allotted to us in accordance with Chapter VI of the SEBI ICDR Regulations and undertake to comply with the SEBI ICDR Regulations, and all other applicable laws, including any reporting obligations. We undertake that we will submit all such documents, provide such documents and do all such acts, if any, necessary on our part to enable us to be registered as the holder(s) of the Equity Shares that may be Allotted to us. We confirm that the undersigned is duly authorized to apply on behalf of the Bidder and the Bidder has all the relevant approvals for applying in the Issue. We note that the Bank is entitled, in its absolute discretion, in consultation with the BRLMs (as defined hereunder), to accept or reject this Application Form without assigning any reason thereof. We hereby accept the Equity Shares that may be Allocated to us pursuant to the Confirmation of Allocation Note ("**CAN**") and request you to credit the same to our beneficiary account as per the details given below, subject to receipt of this Application Form and the Bid Amount towards the Equity Shares that may be Allocated to us. The amount payable by us as Bid Amount for the Equity Shares applied for in the Issue has been/will be remitted to the designated bank account set out in this Application Form through electronic mode, along with this Application Form prior to or on Bid/Issue Closing Date and such Bid Amount has been /will be transferred from a bank account maintained in our name. We acknowledge and agree that we shall not make any payment in cash or cheque. We are aware that (i) Allocation and Allotment in the Issue shall be at the sole and absolute discretion of the Bank, in consultation with Kotak Mahindra Capital Company Limited, SBI Capital Markets Limited, ICICI Securities Limited, Morgan Stanley India Company Private Limited, HSBC Securities and Capital Markets (India) Private Limited and Citigroup Global Markets India Private Limited ("**BRLMs**"); and (ii) in the event that Equity Shares that we have applied for are not Allotted to us in full or at all, and/or the Bid Amount is in excess of the amount equivalent to the product of the Equity Shares that will be Allocated to us and the Issue Price, or the Bank is unable to issue and Allot the Equity Shares offered in the Issue or if there is a cancellation of the Issue, the Bid Amount or a portion thereof, as applicable, will be refunded to the same bank account from which the Bid Amount has been paid by us. Further, we agree to comply with the rules and regulations that are applicable to us, including in relation to the lock-in and transferability requirements. In this regard, we authorize the Bank to issue instructions to the depositories for such lock-in and transferability requirements, as may be applicable to us.

**By submitting this Application Form, we hereby confirm and agree that the representations, warranties, acknowledgements and agreements as provided in the sections "Notice to Investors", "Representations by Investors", "Issue Procedure", "Selling Restrictions" and "Transfer Restrictions" sections of the PPD are true and correct and acknowledge and agree that these representations and warranties are given by us for the benefit of the Bank and the BRLMs, each of which is entitled to rely on and is relying on these representations and warranties in consummating the Issue.**

**By submitting this Application Form, we hereby represent, warrant, acknowledge and agree as follows: (1) we have been provided a serially numbered copy of the PPD along with the Application Form, have read it in its entirety including in particular, the section "Risk Factors" therein and we have relied only on the information contained in the PPD and not on any other information obtained by us either from the Bank, the BRLMs or from any other source, including publicly available information; (2) we will abide by the PPD and the Placement Document, this Application Form, the CAN and the terms, conditions and agreements contained therein; (3) that if Equity Shares are Allotted to us pursuant to the Issue, we shall not sell such Equity Shares otherwise than on the floor of a recognised stock exchange in India for a period of one year from the date of Allotment; (4) we will not have the right to withdraw our Bid or revise our Bid downwards after the Bid/Issue Closing Date; (5) we will not trade in the Equity Shares credited to our**

beneficiary account maintained with the Depository Participant until such time that the final listing and trading approvals for the Equity Shares are issued by the Stock Exchanges; (6) Equity Shares shall be Allocated and Allotted at the sole and absolute discretion of the Bank in consultation with the BRLMs and the submission of this Application Form and payment of the corresponding Bid Amount by us does not guarantee any Allocation or Allotment of Equity Shares to us in full or in part; (7) the number of Equity Shares Allotted to us pursuant to the Issue, together with other Allottees that belong to the same group or are under common control as us, shall not exceed 50% of the Issue. For the purposes of this representation: The expression 'belong to the same group' shall derive meaning from Regulation 180(2) of the SEBI ICDR Regulations i.e. entities where (i) any of them controls, directly or indirectly, through its subsidiary or holding company, not less than 15% of the voting rights in the other; (ii) any of them, directly or indirectly, by itself, or in combination with other persons, exercise control over the others; or (iii) there is a common director, excluding nominee and independent directors, amongst the Eligible QIBs, its subsidiary or holding company and any other Eligible QIB; and 'control' shall have the same meaning as is assigned to it under Regulation 2(1)(e) of the Takeover Regulations; (8) We agree to accept the Equity Shares applied for, or such lesser number of Equity Shares as may be Allocated to us, subject to the provisions of the SBI Act and other applicable laws and regulations, the terms of the PPD and the Placement Document, this Application Form, the CAN upon its issuance and the terms, conditions and agreements mentioned therein and request you to credit the same to our beneficiary account with the Depository Participant as per the details given below.

We acknowledge that the Equity Shares have not been and will not be registered under the Securities Act, and may not be offered or sold within the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. By submitting this Application Form and checking the applicable box above, we hereby represent that we are either (i) a U.S. QIB, or (ii) located outside the United States and purchasing the Equity Shares in an "offshore transaction" as defined in and in reliance on Regulation S and the applicable laws of the jurisdiction where those offers and sales are made.

By submitting this Application Form, we further represent, warrant and agree that we have such knowledge and experience in financial and business matters that we are capable of evaluating the merits and risks of the prospective investment in the Equity Shares and we understand the risks involved in making an investment in the Equity Shares. No action has been taken by us or any of our affiliates or representatives to permit a public offering of the Equity Shares in any jurisdiction. We satisfy any and all relevant suitability standards for investors in Equity Shares, have the ability to bear the economic risk of our investment in the Equity Shares, have adequate means of providing for our current and contingent needs, have no need for liquidity with respect to our investment in Equity Shares and are able to sustain a complete loss of our investment in the Equity Shares. We acknowledge that once a duly filled Application Form is submitted by an Eligible QIB, whether signed or not, and the Bid Amount has been transferred to the Escrow Account, such Application Form constitutes an irrevocable offer and cannot be withdrawn or revised downwards after the Issue Closing Date. In case Bids are being made on behalf of an Eligible QIB and this Application Form is unsigned, we confirm that we are authorized to submit this Application Form and provide necessary instructions for transfer of the Bid Amount to the Escrow Account, on behalf of the Eligible QIB.

\*Name should exactly match with the name in which the beneficiary account is held. Bid Amount payable on Equity Shares applied for by joint holders shall be paid from the bank account of the person whose name appears first in the application. Mutual Fund Bidders are requested to provide details of the bids made by each scheme of the Mutual Fund. Each Eligible FPI is required to fill a separate Application Form. Further, any discrepancy in the name as mentioned in this Application Form with the depository records would render the application invalid and liable to be rejected at the sole discretion of the Bank and the BRLMs.

\*\* In case you are an Eligible FPI holding a valid certificate of registration and eligible to invest in the Issue, please mention your SEBI FPI Registration Number.

\*\*\* Allotments made to AIFs and VCFs in the Issue are subject to the rules and regulations that are applicable to each of them respectively, including in relation to lock-in requirement. AIFs and VCFs should independently consult their own counsel and advisors as to investment in and related matters concerning the Issue.

The Bid Amount should be transferred pursuant to this Application Form only by way of electronic fund transfers, towards the Escrow Account. Payment of the entire Bid Amount should be made along with this Application Form on or before the closure of the Issue Period i.e., prior to or on the Bid/Issue Closing Date. All payments must be made in favor of **“Escrow Account State Bank of India QIP 2025”**. The payment for subscription to the Equity Shares to be allotted in the Issue shall be made only from the bank account of the person subscribing to the Equity Shares and in case of joint holders, from the bank account of the person whose name appears first in this Application Form.

You are responsible for the accuracy of the bank details mentioned below. You are aware that the successful processing of refunds, if any, shall be dependent on the accuracy of the bank details provided by you. The Bank and the BRLMs shall not be liable in any manner for refunds that are not processed due to incorrect bank details.
