Two-phase Bihar polls on Nov 6 & 11; counting on 14

Polling this time will be shortest for the state in over a quarter century

ARCHIS MOHAN
New Delhi, 6 October

Polling for the Assembly elections in Bihar will take place in two phases, on November 6 and 11, and the votes will be counted on November 14, Chief Election Commissioner (CEC) Gyanesh Kumar on Monday announced.

The two-phase polling is the shortest in Bihar in over a quarter century, at least since the state was split to carve out Jharkhand. The CEC described the polls as the “mother of all elections” for the number of electors (74.3 million) and the people on poll duty (850,000).

The Assembly polls five years ago, in 2020, were conducted over three phases. The state had polls across five phases in 2015, six phases in 2010, and four and three phases in October and February of 2005, respectively. Kumar attributed the EC’s decision to hold polls across fewer phases to electors’ awareness, an improved law and order situation, and the availability of central armed paramilitary forces. During the poll panel’s visit to Bihar on October 4 and 5, political parties requested holding polls in fewer phases.

Ever since the 2024 Lok Sabha polls, which were a prolonged affair because of an intense heat wave and had led to the deaths of dozens of poll officials and also contributed to a lower voter turnout, the EC has tried to shorten the poll schedules in the subsequent Assembly elections.

The term of the current Bihar Assembly expires on November 22. It will be the first elections to be held after the EC conducted the “special intensive survey”, or SIR, in Bihar, which led to the deletion of 6.85 million voters from the state’s electoral rolls and later an addition of 2.153 million electors. Kumar said the EC had decided to conduct the SIR in the rest of the country, and the poll panel would meet to decide the schedules for the other states, and

Union territories. The next hearing in the petitions challenging the EC’s SIR in the Supreme Court is on Tuesday.

On the deletions from the electoral rolls, Kumar attributed these to voters who were deceased, those who couldn’t prove their citizenship, people with two entries

in the rolls, and those who had migrated from Bihar. He, however, did not give the numbers for each category.

The CEC referred to Supreme Court judgments to point out that the Aadhaar was not a proof of date of birth or domicile or citizenship. According to the poll schedule, of the 243 Assembly constituencies, 121 will go to the polls on November 6 and the rest on November 11. It is the first election after Kumar took over as CEC.

On postal ballots, Kumar said: “It is mandatory to complete counting postal ballots before the last two rounds of vote counting.” To questions on the EC sharing the CCTV footage of polling booths, Kumar said such footage was shared by the high court concerned, where an election petition was filed against the result of a particular poll. According to the Conduct of Election Rules, Form 17A, which carries the names of the electors who have voted at the polling station, is not shared with anyone except courts. The CCTV footage of voting centres is considered an electronic extension of the form and is not shared to protect the identity of those who voted and those who did not.

The CEC argued such information could be used against electors. He recalled that some petitions were filed at the Bombay High Court, seeking such footage, but they were rejected, citing a previous Supreme Court order. Subsequently, the top court too had upheld the order of the Bombay High Court.

In December, the government tweaked an election rule to prevent public inspections of certain electronic documents, such as CCTV camera and webcasting footage as well as the video recordings of candidates to prevent their misuse.

Based on the recommendations of the EC, the Union law ministry amended Rule 93(2)(a) of the Conduct of Election Rules, 1961, to restrict the type of “papers” or documents open to public inspection.

ALL IN A DAY

6 killed as fire ravages Jaipur’s SMS hospital, relatives allege negligence

A massive fire blazed through the neuro ICU of Jaipur’s state-run Sawai Man Singh (SMS) Hospital in the dead of the night, killing six patients on critical care support, officials said on Monday. Eleven patients were being treated in the ICU at the time, said trauma centre in-charge Dr Anurag Dakhad. The fire, which erupted in the storage area around midnight, is suspected to have been caused by a short circuit.

The flames spread fast and rescuers could pull out only five patients. “Six people, two women and four men died, and five are undergoing treatment,” Dhakad said. “Fourteen other patients were admitted in a different ICU, and all were successfully evacuated to safer locations,” he added.

SC notice to Centre, Ladakh on plea challenging Wangchuk’s detention

The Supreme Court on Monday sought response from the Centre and the Union Territory of Ladakh on a writ petition filed by activist Sonam Wangchuk’s wife Gitanjali J Angmo, challenging his detention under the National Security Act and seeking his immediate release.

A Bench of Justices Aravind Kumar and N V Anjaria, however, refused to pass any order on her plea for providing her the grounds of detention and posted the matter for hearing on October 14. “Something has been done for now,” the Bench said. Wangchuk was detained under the National Security Act on September 26, two days after violent protests demanding statehood and Sixth Schedule status for Ladakh.

Industrial push: Govt shifts focus to smaller towns

VIRENDRA SINGH RAWAT
Lucknow, 6 October

To usher in balanced development, the Uttar Pradesh government is focusing on driving industrial growth beyond its major cities, pushing Tier- II, -III towns into spotlight.

While industrial hubs such as Noida, Ghaziabad, Agra, Lucknow, Meerut, Kanpur already have a robust industrial and commercial ecosystem, the smaller towns still lag behind.

To bridge this gap, the UP State Industrial Development Authority (UPSIDA) has taken up the task for promoting an equitable industrial growth across the state. Since UP is targeting to become a \$1 trillion economy by 2030 and a \$6 trillion economy by 2047, fostering industrial and economic expansion in smaller regions has become crucial.

“We have the mandate to promote industrial growth in the Tier-II, -III towns

to boost the state’s Gross State Domestic Product (GSDP) and spur employment as well as self-employment opportunities,” UPSIDA CEO Mayur Maheshwari told *Business Standard*.

UPSIDA has built a robust inventory of industrial grade land in smaller towns for investors. The authority manages 176 industrial areas across 75 districts, covering almost every potential pocket in the land-locked state. Land allotment is carried out through a transparent single window clearance system, while the Nivesh Mitra portal provides quicker resolution of grievances, he added.

In the FY24 and 25, UPSIDA allotted 698 and 798 plots. In FY26, nearly 324 plots have already been allotted, sustaining the momentum. At the UP Ground Breaking Ceremony (GBC) 4.0 in Lucknow in February 2024, about 374 industrial projects worth about ₹35,700 crore were launched in the comparatively backward Purvanchal (Eastern UP) region.

agement through a team of eight women officers and staff, led by Sapna Ikka, senior manager (E&M) and alumna of IIT (ISM) Dhanbad, the spokesperson said.

He added that store operations will be conducted through a modern SAP-based digital management system, ensuring efficiency and transparency.

Harish Duhan, chairman & managing director (CMD) of SECL, said: “The initiative marks a new chapter in SECL’s journey of inclusion. After the successful launch of Coal India’s first woman-operated dispensary in Bilaspur, we are proud to inaugurate another pioneering step in Korba.”

The unit is expected to become a model of inclusive growth in the core industrial sector and inspire similar initiatives across the company.

RAJASTHAN

State to spend ₹23 cr to boost religious tourism

ANIL SHARMA
Jaipur, 6 October

The state’s finance department has approved about ₹23 crore for the renovation, beautification, and development of religious tourist destinations, according to a tourism department official.

The finance department has also granted approval of over ₹4.35 crore for the conservation, restoration, and development of Nahargarh and Amer as iconic tourist destinations, for promoting heritage tourism in Jaipur, they added.

“We want to give a further boost to religious tourism, and for this, we plan to improve the facilities and services for millions of pilgrims and spiritual tourists. The government aims to undertake holistic development of temple towns and temples and the surrounding area by creating pilgrim waiting areas, parking areas, pathway development, pilgrim facilities and amenities,” the official said.

According to the plan, the funds approved by the finance department would be used on renovation and beautification work at various religious sites.

“For the safety and convenience of tourists and devotees, the finance department has granted financial approval of around ₹2 crore for tourism development at the Trinetra Ganesh Temple in Ranthambore, Sawai Madhopur district,” he said.

According to the plan, the tourism department will construct a convenient road from Hammir Mahal to the Trinetra Ganesh Temple. Public amenities such as drinking water facilities among others will also be provided for devotees.

Similarly, financial approval of over ₹1 crore has been granted for development work at the famous Dwarkadhish Temple in Rajasamand district. This will include the construction of a food court, public amenities in the parking lot, painting, and electrification of the complex. Rajasthan attracts millions of domestic tourists and pilgrims every year to its famous temples and religious destinations.

Lawyer tries to hurl shoe at CJI in courtroom; PM condemns incident

BHAVINI MISHRA
New Delhi, 6 October

A lawyer who on Monday hurled an object at Chief Justice of India (CJI) B R Gavai in the courtroom was suspended by the Bar Council of India (BCI).

Justice CJI was hearing the morning mentioning of lawyers’ pleas.

In a post on X, Prime Minister Narendra Modi said, “Spoke to Chief Justice of India, Justice BR Gavai Ji. The attack on him earlier today in the Supreme Court premises has angered every Indian. There is no place for such reprehensible acts in our society. It is utterly condemnable. I appreciated the calm displayed by Justice Gavai in the face of such a situation. It highlights his commitment to values of justice and strengthening the spirit of our Constitution.”

The incident happened in the Supreme Court at around 11:35 am, when Advocate Rakesh Kishore allegedly

After the incident, Chief Justice of India Justice B R Gavai continued with the day’s proceedings

removed his shoes and hurled them at the CJI. Kishore was also heard shouting that India would not tolerate disrespect for Sanatana Dharma. After a brief interruption, Justice Gavai continued with the day’s proceedings. Asking the next lawyer to make submissions, the CJI

remarked, “Don’t get distracted. We are not distracted by this.”

In its suspension notice, the BCI said Kishore’s conduct was “inconsistent” with its rules and the dignity of the court and therefore he was being immediately suspended. Later in the day, Kishore, 71, was allowed to go after being questioned by the Delhi Police for more than three hours.

The Supreme Court registrar, on the instructions of the CJI, refused to press charges against him, sources said.

What Kishore did is said to be in response to the CJI’s remarks in a case related to the restoration of a seven-foot beheaded statue of Lord Vishnu in Khajuraho. CJI Gavai had supposedly asked the petitioner to “go and ask the deity itself” to do something about the missing head.

Solicitor General Tushar Mehta supported the CJI, saying that the statement was blown out of proportion.

AI widely used in Op Sindoor: Army

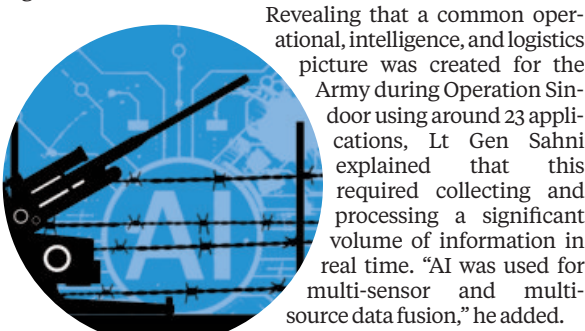

Military-specific large language model to be ready in 6 months

BHASWAR KUMAR
New Delhi, 6 October

Home-grown military software applications and artificial intelligence tools were extensively employed by the Indian Army during Operation Sindoor to accelerate decision-making and enhance battlefield awareness, a senior officer said on Monday, adding that these capabilities will be further upgraded with a military-specific large language model (LLM) expected to become functional within six months.

Clarifying that the tools were not directed at any specific country but developed to give the Army specific capabilities, Lieutenant General Rajiv Kumar Sahni, Director General of Electronics and Mechanical Engineers (DG EME), added that they are meant to be deployed along all of the nation’s borders.

“That capability, in equal measure and when required, will be deployed along all our borders,” Sahni said. Speaking at a briefing in the national capital, the DG EME also underlined that these tools were indigenously developed and trained using data provided by the Army to meet its operational and doctrinal requirements. Underscoring that both the Army and the nation are steadily upgrading their capabilities, Lt Gen Sahni, who served as DG Information Systems before taking charge as DG EME, said, “Our military LLM will be fully functional, post testing and validation, in six months’ time.”

Revealing that a common operational, intelligence, and logistics picture was created for the Army during Operation Sindoor using around 23 applications, Lt Gen Sahni explained that this required collecting and processing a significant volume of information in real time. “AI was used for multi-sensor and multi-source data fusion,” he added. Indigenous AI tools, including small language models, were used to collate and analyse the data. “Threat assessment, intelligence analysis, and (battlefield) situation review—what has transpired in the last three hours—was conducted with the help of AI,” said Lt Gen Sahni, adding that heat maps were also generated at the joint operational control centre to support resource prioritisation during the May 7–10 conflict with Pakistan.

AI tools were also used in precision targeting during Operation Sindoor, with Lt Gen Sahni citing one app—developed by the Army’s Directorate General of Information Systems (DGIS) in collaboration with the India Meteorological Department—that provided 72-hour meteorological forecasts covering areas deep into adversary territory.

“This helped artillery engage with precision at extended ranges,” he said. An electronic intelligence collation application, also developed by the DGIS, was employed during Operation Sindoor. Lt Gen Sahni explained that the AI model was trained using about 26 years of data collected by Indian agencies and armed services. “All of the adversary’s sensors, their frequency and signature, where these systems have moved, which units they are with... We can track all of that. And we have achieved over 90 per cent accuracy.”

However, Lt Gen Sahni underscored that the “human-in-the-loop” approach—where humans remain actively involved in AI-enabled decision-making—was maintained throughout the operation. Responding to questions on Chinese support for Pakistan during Operation Sindoor and their respective AI capabilities, particularly that of Beijing, Lt Gen Sahni said that the Indian Army was focused on building capabilities, without targeting a specific country, and was fully aligned with the Centre’s IndiaAI mission.

Cough syrup deaths: NHRC sends notices to MP, Rajasthan, UP

SANKET KOUL & PTI
New Delhi, 6 October

States are stepping up vigil on prescribing and dispensing cough syrups to children after at least 14 of them died in Madhya Pradesh’s Chhindwara district due to alleged intake of contaminated cough syrups. This comes after the National Human Rights Commission (NHRC) on Monday issued notices to three states—Madhya Pradesh, Rajasthan and Uttar Pradesh, directing them to probe allegations of children’s deaths due to contaminated cough syrup and immediately ban the sale of spurious medicines. The body also asked the Drugs Controller General of India to order an investigation into the supply of spurious drugs and instruct all regional labs to collect the samples of spurious drugs and submit test reports.

Authorities found contaminants such as diethylene glycol (DEG) in a sample of Coldrif cough syrup collected from MP. While the Maharashtra Food and Drug Administration has appealed people to stop the sale or use of a specific batch of Coldrif syrup, Telangana government directed all District Medical and Health Officers to sensitise the public on the alert concerning the particular batch. According to people in the know, several states are checking if the syrup from the indicated batch has been dispensed in their jurisdictions, with some even checking samples of all brands of cough syrup for contamination.

INVITATION FOR EXPRESSION OF INTEREST (EOI) IN RESPECT OF SALE/ASSIGNMENT OF STRESSED LOAN EXPOSURE OF DISTRIBUTION LOGISTICS INFRASTRUCTURE PRIVATE LIMITED ("DLI") TO THE PERMITTED ENTITIES UNDER SWISS CHALLENGE ("DLI")

Bank of Baroda ("BoB"), on behalf of consortium of lenders comprising of Bank of Baroda, Punjab National Bank, Union Bank of India, Bank of India, Asset Reconstruction Company India Limited and State Bank of India (collectively "Lenders" or "Consortium Lenders") invites Expression of Interest ("EOI") from eligible ACRs / NBFCs / All India Financial Institutions or any other transferees (collectively "Permitted Entities" or "Bidders") eligible/permitted in terms of the Master Direction - Reserve Bank of India (Transfer of Loan Exposures) Directions, 2021, as an addendum to time to time ("RBI Master Directions") and any other directions issued by the Reserve Bank of India.

M/s. Distribution Logistics Infrastructure Private Limited ("DLI" or "Company") has availed debts from Lenders led by Bank of Baroda ("Lead Bank") having Fund Based Credit Limit of Rs. 695.27 Crore (Rupees Six Hundred and Ninety-Five Crore and Twenty-Seven Lakh only) as on August 31, 2025.

The Lenders propose to sale/assign the outstanding debts owed by the Company to the Lenders together with all associated rights, benefits and security interest created in their favour ("Lenders Debt") in terms of the RBI Master Directions to the Permitted Entities.

In terms of the RBI Master Directions, the Lenders will undertake a Swiss Challenge Bid Process ("the Bid Process") on "All Cash" basis only. The transfer of Lenders' debt to Successful Bidder shall be on an "as is where is", "as is what is basis", "as is how is", "whatever there is" and "without recourse" basis. The Lenders shall not be held liable or indemnity by the Lenders, based on existing offer in hand ("Anchor Bid"). Considering that the auction is under "Swiss Challenge Method", with the Anchor Bid being the Base Bid, the Anchor Bidder shall have specific preference rights as set out in Bid Process Document. And further, they have right to match the highest bid in the manner as elaborated in Bid Process Document.

To conduct the Bid Process, the Lead Bank (on behalf of Lenders) has mandated BOB Capital Markets Limited ("BOB CAPS") as Process Advisor. All key information relating to the Lenders on the Bid Process and matters incidental thereto, BOB CAPS, on behalf of the Lead Bank, hereby invites EOI from eligible Permitted Entities to acquire the Lenders' Debt.

Name and Address of the Borrower/ Mortgagee	M/s. Distribution Logistics Infrastructure Private Limited ("DLI") Regd. Off.: 113, 1st Floor, Shyam Kamal B Society, 27 Tejpal Road, Vile Parle East, Mumbai - 400057, Maharashtra
Last date for submission of EOI	October 10, 2025 at 5 PM
Details of Dealing Officer/s	Mr Binod Kumar, Assistant General Manager Email: arbanb@bankofbaroda.com
Other Terms and Condition	
The Deal Summary containing the format of EOI, other documents is available on the Lead Bank's website www.bankofbaroda.bank.in and Process Advisors website www.bobcaps.in . Interested Bidders should submit the duly completed EOI (along with duly executed annexures) electronically via email to arbanb@bankofbaroda.com & logistics@bobcaps.in and physically at K/A - Mr. Vinay Tibrewal, Assistant Vice President, BOB Capital Markets Ltd., Office Unit no - 1704, B Wing, Parinee Crescenzo, G Block, Bandra Kurla Complex, Bandra East, Mumbai 400051. The deadline for submission of same is October 10, 2025 by 5.00 PM (IST). Upon submission of duly completed EOI (along with duly executed annexures) as available on Lead Bank's/Process Advisors' website, the Eligible Bidders will be shortlisted and the shortlisted Eligible Bidders would be allowed access to Virtual Data Room ("VDR") for further information including the Information Memorandum (if any) for commencing due diligence in the account of DLI. This will be followed by participation in the E-auction to be conducted on October 27, 2025 from 11.30 a.m. to 12.30 p.m. wherein the Bidders will be required to submit their irrevocable binding bids in accordance with the terms and time set out under the Deal Summary and the Bid Process Document.	
Please note that Bid Process envisaged in this advertisement shall be subject to the final approval of the Competent Authority of the Lenders. Lead Bank/ Lenders/ Process Advisor (on instruction of the Lenders) reserves the right to cancel/modify/withdraw the Bid Process and / or disqualify any Bidders without assigning any reason and without any liability. This is not an offer document and nothing contained herein shall constitute a binding offer or commitment to sale any debt / asset. Any of the terms and conditions of the EOI and Bid Process Document may be amended or changed or the entire Bid Process may be terminated at any stage by the Lenders or BOB CAPS without assigning any reason or basing any liability or compensation. All key information including any amendments in relation to the Bid Process will be available on the Lead Bank's website under "Auction" tab and Process Advisor's website under "Tenders" tab. Bidders must at all times keep themselves apprised of the latest updates / clarifications / amendments / time extensions, if any (including the Bid Process Document) in this regard as uploaded on Lead Bank's / Process Advisor's website. BOB CAPS or Lenders shall not be held liable for any failure on part of Bidders to keep themselves updated of such modifications. Lenders will not assume any operational, legal or any other type of risk relating to the loan exposure.

सार्वजनिक सूचना

भारतीय प्रतिभूति और विनियम बोर्ड (इक्विटी शेयरों का असूचीकरण) विनियम, २००९ ("विनियम") के विनियम २२(६) के अनुसार और प्रतिभूति अनुबंध (विनियमन) अधिनियम, १९५६ के अनुच्छेद २१ए और बीएसई लि. ("एक्सचेंज") के नियमों, उपनियमों और विनियमों के अंतर्गत बनाए गए नियमों के अनुसार, सूचना दी जाती है कि नीचे दी गई तालिका में विद्यमान कंपनी को एक्सचेंज के प्लेटफॉर्म से उसमें उल्लिखित तिथि को असूचीकृत कर दिया गया है।

एक्सचेंज ने भारतीय प्रतिभूति और विनियम बोर्ड (इक्विटी शेयरों का असूचीकरण) विनियम - २००९ के विनियम २२(३) के संदर्भ में सार्वजनिक सूचनाएं जारी की थी, जिनमें कुछ ऐसी कंपनियों को असूचीकृत करने का प्रस्ताव था, जिन्हें पूर्ववर्ती सूचीकरण अनुबंध / सेबी (सूचीकरण दायित्व और प्रकटीकरण आवश्यकताएं) विनियम, २०१५ के विभिन्न खंडों का अनुपालन न किए जाने के कारण / कुछ अन्य कारणों से ६ महीने से अधिक के लिए एक्सचेंज से निर्त्तबित कर दिया गया था। ये कंपनी या तो एक्सचेंज के संवादों / एक्सचेंज द्वारा जारी कारण बताओ सूचना का जवाब देने में विफल रही थीं या अपनी प्रतिभूतियों के व्यापार में निलंबन को रद्द करने के लिए कदम उठाने में विफल रही थीं या जिन्होंने अनिवार्य असूचीकरण के साथ आगे बढ़ने के लिए अपनी सहमति व्यक्त की थी।

इस सार्वजनिक सूचना में असूचीकरण के प्रस्ताव से पीड़ित किसी भी व्यक्ति को एक्सचेंज की असूचीकरण समिति को लिखित रूप में अपना अभ्यावेदन प्रस्तुत करने के लिए उत्त सूचना की तिथि से १५ कार्य दिवस का समय प्रदान किया गया था।

एक्सचेंज की असूचीकरण समिति ने अधिदेवित समय के दौरान प्राप्त कंपनियों और निवेशकों के अभ्यावेदन और मामले में तथ्यों पर विचार करने के बाद, नीचे दी गई तालिका में उल्लिखित कंपनी के मामले में असूचीकरण आदेश पारित किए हैं। एक्सचेंज के अभिलेखों के अनुसार कंपनी का नाम, पते और प्रमोटरों का उल्लेख भी है, तथा साथ ही इसके साथ प्रमोटरों द्वारा सार्वजनिक शेरधारकों को देय उचित मूल्य का उल्लेख भी नीचे दी गई तालिका में किया गया है :

क्रमांक	स्क्रिप्ट कोड	कंपनी का नाम	एक्सचेंज रिकॉर्ड के अनुसार पता	प्रमोटरों द्वारा सार्वजनिक शेरधारकों को भुगतान किया जाने वाला उचित मूल्य (रु.)	एक्सचेंज रिकॉर्ड के अनुसार प्रमोटरों के नाम	असूचीकरण की प्रभावी तिथि
१	५३०८९१	आरकेबी एग्री इंडस्ट्रीज लिमिटेड	कुशल चेम्बर्स, प्रथम तल, एम जी रोड, रायपुर - ५८४०११, कर्नाटक	३२.०७	चंदना भंडारी, शांताबाई भंडारी, विजयराज भंडारी, सुशीला बाई भंडारी, सौभाग्य भंडारी, वीणा भंडारी, अभय कुमार भंडारी, संगीता जितेंद्र लुनिया, सौभाग्य भंडारी एम एचएफएफ, सौभाग्य भंडारी एचयूएफ, संजय कुमार भंडारी, राजमल खेमराज एचयूएफ, पवन कुमार भंडारी, अजय कुमार भंडारी, विजयराज भंडारी एचयूएफ, विजयराज भंडारी एम एचयूएफ, अजय भंडारी, विजयराज भंडारी, विजयराज भंडारी एम (एचयूएफ), विजयराज भंडारी (एचयूएफ), सुशीलाबाई भंडारी, संजय भंडारी, सौभाग्य भंडारी, सौभाग्य भंडारी एम (एचयूएफ), सौभाग्य भंडारी (एचयूएफ), शांताबाई भंडारी, पवन भंडारी, चंदना भंडारी, राजमल खेमराज (एचयूएफ), के एच पीरा सब, शा. राजमल कुशलराज भंडारी, गोपाल सिंह, कुशलराज भंडारी	२६ सितंबर, २०२५

टिप्पणी :

ऊपर दिया गया प्रमोटरों का नाम एक्सचेंज के पास उपलब्ध रिकॉर्डों या संबंधित आरओसी/आरटीए/डिपॉजिटरीज से प्राप्त रिकॉर्डों पर आधारित है। कंपनी को इस बात पर ध्यान देना चाहिए कि अनिवार्य असूचीकरण के परिणामों में शामिल हैं :

- भारतीय प्रतिभूति और विनियम बोर्ड (इक्विटी शेयरों का असूचीकरण) विनियम, २००९ के अनुसार :-
 - कंपनी की प्रतिभूतियाँ सूचीकृत होना बंद हो जाती हैं और इसलिए एक्सचेंज के प्लेटफॉर्म पर व्यापार करने के लिए उपलब्ध नहीं होती हैं।
 - इन असूचीकृत कंपनी के प्रमोटरों के लिए एक्सचेंज द्वारा नियुक्त स्वतंत्र मूल्यांकनकर्ता द्वारा निर्धारित उचित मूल्य के अनुसार सार्वजनिक शेरधारकों से शेर खरीदना आवश्यक होगा।
 - इसके अलावा, भारतीय प्रतिभूति और विनियम बोर्ड (इक्विटी शेयरों का असूचीकरण) विनियम, २००९ के विनियमन २४(१) के अनुसार, असूचीकृत कंपनी, उसके पूर्णकालिक निदेशक, उसके प्रमोटर और उनमें से किसी द्वारा प्रवर्तित कंपनियों अनिवार्य असूचीकरण की तिथि से १० वर्ष की अवधि तक प्रत्यक्ष या अप्रत्यक्ष रूप से प्रतिभूति बाजार में प्रवेश नहीं कर पाएंगी या किसी भी इक्विटी शेयर के लिए सूचीकरण का प्रयास नहीं कर पाएंगी।
 - भारतीय प्रतिभूति और विनियम बोर्ड (इक्विटी शेयरों का असूचीकरण), विनियम, २००९ के विनियम २४(२) के प्रावधानों के अनुसार, जिन कंपनियों का उचित मूल्य सकारात्मक है, उनके मामले में -
 - ऐसी किसी कंपनी और डिपॉजिटरी द्वारा प्रमोटरों/प्रमोटर समूह द्वारा रखे गए किन्हीं इक्विटी शेयरों का हस्तांतरण बिक्री, बंधक आदि के माध्यम से निष्पादित नहीं किया जाएगा और लाभार्थ, राइट्स, वोनस शेयर, स्प्लिट जैसे कॉर्पोरेट लाभों को प्रमोटरों/प्रमोटर समूह द्वारा रखे गए सभी इक्विटी शेयरों के लिए तब तक फ्रीज कर दिया जाएगा, जब तक कि ऐसी कंपनी के प्रमोटरों द्वारा विनियम २३ के उप-विनियम (३) का संबंधित मान्यता प्राप्त स्टॉक एक्सचेंज द्वारा यथा प्रमाणित अनुपालन करते हुए सार्वजनिक शेरधारकों को निकासी विलक्षण प्रदान नहीं किया जाता है।
 - अनिवार्य रूप से असूचीकृत कंपनी के प्रमोटर और पूर्णकालिक निदेशक और किसी भी सूचीकृत कंपनी का निदेशक बनने के पात्र नहीं होंगे, जब तक कि ऊपर खंड (अ) में वर्णानुसार निकासी विलक्षण प्रदान नहीं किया जाता है।
- इस कंपनी को एक्सचेंज के प्रसार बोर्ड में स्थानांतरित कर दिया गया है।
- इस बात पर ध्यान दिया जा सकता है कि सार्वजनिक शेरधारकों को निकासी और उचित मूल्यांकन के लिए स्टॉक एक्सचेंजों को जानकारी प्रदान करने का दायित्व कंपनी के प्रमोटरों पर है। यदि प्रमोटरों द्वारा निकासी नहीं प्रदान की जाती है, तो ऐसी संस्थाओं के विरुद्ध उचित कार्रवाई की जाएगी।

बीएसई लिमिटेड के लिए और उसकी ओर से

A cheetah is depicted in mid-stride, running from left to right across a bar chart. The cheetah's body is white with black spots, and its legs are extended as if in motion. The bar chart consists of 15 vertical bars of varying heights, rendered in a light gray color. The cheetah appears to be running on top of the bars, with its front legs reaching towards the taller bars and its back legs pushing off from the shorter ones. The overall image is in black and white, with the cheetah's spots providing a high-contrast pattern against the gray bars and white background. The bars are arranged in a way that suggests a fluctuating market, with the cheetah's path following the general trend of the data represented by the bars. The cheetah's head is turned slightly towards the right, looking ahead as it runs. The background is a solid light gray, and the entire composition is framed by a thin black border on the left and bottom edges. The text is positioned to the left of the chart, providing context and contact information for the advertisement. The headline is in a large, bold, sans-serif font, while the subtext and contact details are in a smaller, regular font. The overall design is clean and professional, emphasizing the speed and insight of the service being advertised. The cheetah, a symbol of speed and agility, is a fitting visual metaphor for the 'sharp, fast, expert analysis' mentioned in the text. The bar chart, a common tool for financial data visualization, further reinforces the theme of market analysis. The combination of these elements creates a compelling visual narrative that aligns with the advertisement's message. The use of black and white adds a sense of timelessness and sophistication to the overall aesthetic. The layout is balanced, with the text and chart occupying distinct areas that work together harmoniously. The cheetah's position, straddling the boundary between the text and the chart, serves as a visual bridge, connecting the promise of insight to the practical application of market analysis. The advertisement effectively communicates its value proposition through a combination of clear messaging and a striking visual metaphor. The contact information is clearly presented, making it easy for potential customers to reach out. The overall impression is one of a well-thought-out and visually appealing marketing campaign. The advertisement successfully captures the viewer's attention and conveys its key message in a concise and impactful manner. The use of a cheetah and a bar chart is a creative and memorable choice that effectively communicates the service's focus on speed and market insight. The black and white color scheme adds a layer of elegance and professionalism to the design. The layout is well-organized, with a clear hierarchy of information that guides the viewer's eye from the headline to the contact details. The advertisement is a strong example of how to combine visual elements and text to create a powerful and persuasive marketing message. The overall design is both functional and aesthetically pleasing, making it an effective tool for promoting the 'Stocks in the News' service in Business Standard. The cheetah's running posture is dynamic and energetic, reflecting the fast-paced nature of the financial markets. The bar chart's varying heights represent the volatility and complexity of market data, which the service aims to simplify and analyze for its subscribers. The combination of these elements creates a sense of urgency and expertise, positioning the service as a valuable resource for investors and market participants. The advertisement's design is a testament to the power of visual communication in marketing, demonstrating how a well-executed campaign can effectively convey a complex message in a simple and engaging way. The use of a cheetah and a bar chart is a classic example of a visual metaphor, where a familiar image is used to represent a more abstract concept. In this case, the cheetah represents speed and agility, while the bar chart represents market data and analysis. Together, they create a powerful visual statement that resonates with the target audience. The black and white color scheme is a timeless choice that adds a sense of sophistication and credibility to the advertisement. The layout is well-balanced, with a clear focus on the headline and contact information. The overall design is both professional and visually striking, making it an effective tool for promoting the 'Stocks in the News' service in Business Standard. The advertisement successfully communicates its value proposition and provides a clear call to action, making it a compelling piece of marketing collateral. The use of a cheetah and a bar chart is a creative and memorable choice that effectively communicates the service's focus on speed and market insight. The black and white color scheme adds a layer of elegance and professionalism to the design. The layout is well-organized, with a clear hierarchy of information that guides the viewer's eye from the headline to the contact details. The advertisement is a strong example of how to combine visual elements and text to create a powerful and persuasive marketing message. The overall design is both functional and aesthetically pleasing, making it an effective tool for promoting the 'Stocks in the News' service in Business Standard.
