The interim bill in proper forms must be duly accompani EB,EC&ED by detail EB,EC&ED measurements, duly endors EB,EC&ED by the Site Engineer / PMC in support of quantities of work done and must show d EB,EC&ED uction for all previous payments, retention money, etc. Advance / ad-hoc payments for work will not be normally made. However, ad-hoc payments may be made at the discretion of Consultant / Bank in case of exigency.

The Consultant / Bank shall issue certificate after due scrutiny of the Contractor's bill stating the amount due to the Contractor from the Bank and the Contractor shall be entitl EB,EC&ED to payment thereof, by the Bank within the period of "honouring certificates" mention EB,EC&ED in these documents.

The amount stat EB,EC&ED in an interim certificate shall be the total value of work properly execut EB,EC&ED and approx. 75% of invoic EB,EC&ED value of material brought, to site for permanent incorporation into the work up to the date of the bill less the amount to be retain EB,EC&ED by the Bank as the retention money and less installments previously paid under these conditions.

The materials to be consider EB,EC&ED for secur EB,EC&ED advance shall be nonperishable in nature and only include the value of the said materials and goods as and from such time as they are reasonably, properly and not prematurely brought to or plac EB,EC&ED adjacent to the work and then only if adequately protect EB,EC&ED against weather or other casualties and consider EB,EC&ED acceptable by the Consultants / Bank. An indemnity bond is to be submitt EB,EC&ED in an appropriate format approv EB,EC&ED by the Bank, whenever Secur EB,EC&ED Advance against materials are pray EB,EC&ED for.

If the Bank has suppli EB,EC&ED any materials or goods to the Contractor, the cost of any such materials or goods will be progressively d EB,EC&ED uct EB,EC&ED from the amount due to Contractor in accordance with the quantities consum EB,EC&ED in the work.

All the interim payments shall be regard EB,EC&ED as payments by way of advance against the final payment only and not as payments for work actually done and complet EB,EC&ED and shall not preclude the requiring of bad unsound and imperfect or unskill EB,EC&ED work to be remov EB,EC&ED and taken away and reconstruct EB,EC&ED or re-erect EB,EC&ED or be consider EB,EC&ED as an admission of the due performance of the contract or any part thereof in any respect or the accruing of any claim, nor shall, it conclude determine or affect in any way the powers of the Bank under these conditions or any of them as to the final settlement and adjustment of the accounts or otherwise or in any other way vary or affect the contract. The final bill shall be submitt EB,EC&ED by the Contractor to the Consultant within one month of the date of certificate of completion furnish EB,EC&ED by the Consultant and payment shall be made after the same is duly verifi EB,EC&ED and certifi EB,EC&ED by the Consultant.

a) <u>FINAL PAYMENT :</u>

The final bill shall be accompani EB,EC&ED by a certificate of completion form the Consultant along with all other documents requir EB,EC&ED to be submitt EB,EC&ED by the Contractor under these conditions. Payment of final bill shall be made after d EB,EC&ED uction of Retention Money as specifi EB,EC&ED in these conditions which sum shall be refund EB,EC&ED in the manner stat EB,EC&ED in these conditions. The acceptance of payment of the final bill by the Contractor would indicate that he would have no further claim in respect of the work execut EB,EC&ED .

46. VARIATION / DEVIATION:

The Contractor may when authoriz EB,EC&ED and shall, when direct EB,EC&ED in writing by the Consultant / Bank, add and or omit or vary the work shown in the drawings or describ EB,EC&ED in the specification or includ EB,EC&ED in the pric EB,EC&ED sch EB,EC&ED ule of quantities. The Contractor on his own accord shall make no addition, omission or variation without such authorization from Bank. A verbal authority or direction by the Consultant / Bank if confirm EB,EC&ED by the Contractor in writing within 7 days shall be deem EB,EC&ED to have been given in writing.

The price of all such additional / non-tender EB,EC&ED items will be work EB,EC&ED out on the basis of rates quot EB,EC&ED for similar items in the contract wherever existing or an engineering rate analysis bas EB,EC&ED on prevalent fair price of labour materials at site of work including wastage and other components as requir EB,EC&ED plus 15% for overhead and profit etc. works contract sales Tax at prevailing rate will be payable extra over the stipulat EB,EC&ED OH / project percentage. The tender rates shall hold good for any increase or decrease in tender quantities.No claim for an extra shall be allow EB,EC&ED unless it has been execut EB,EC&ED by the authorization of Bank / Consultant. No variation shall vitiate the contract.

47. SUBSTITUTION:

Should the Contractor desire to substitute any materials and workmanship he / they must obtain the approval of the Bank / Consultant in writing for any such substitution well in advance. For materials designat EB,EC&ED in this specification by such term as "Equal" or "other approv EB,EC&ED ", etc. Specific approval of the Bank / Consultant shall be obtain EB,EC&ED in writing prior to execution.

48. PREPARATION OF BUILDING WORK FOR OCCUPATION AND SUBSEQUENTLY USE ON COMPLETION:

The whole of the work will be thoroughly inspect EB,EC&ED by the Contractor and deficiencies / defects put right, all windows and doors clean EB,EC&ED including cleaning and oiling, if necessary of all hardware. All floors, staircases

and every part of the building both inside & outside shall be left neat and clean as to ensure imm EB,EC&ED iate occupation to the satisfaction of the Bank.

On completion of above, the contractor shall inform the Bank that he has complet EB,EC&ED the work and it is ready for inspection.

49. CLEARING SITE ON COMPLETION:

On completion of the work the Contractor shall clear away and remove from the site all constructional plant, surplus materials, rubbish and temporary work of every kind and leave the whole of the site and the work clean and in workman like condition to the satisfaction of the Bank / Consultant.

50. DEFECTS AFTER COMPLETION:

The Contractor shall make good from time to time at his own cost and to the satisfaction of the Bank / Consultant all defects, shrinkage, settlements or other faults which may appear within 12 (twelve) months after completion of the work and consider EB,EC&ED as the "defect liability period". In default the Bank may employ and pay other persons to amend and make good such damages, losses and expenses consequent thereon or incidental there to shall be made good and borne by the Contractor and such damages, loss and expenses shall be recoverable from him by the Bank or may be d EB,EC&ED uct EB,EC&ED by the Bank, in lieu of such amending and making good by the Contractor d EB,EC&ED uct from any money due to the Contractor a sum equivalent to the cost of amending such work and in the event of the amount retain EB,EC&ED being insufficient recover the balance from the Contractor from the amount retain EB,EC&ED under these conditions together with any expenses the Bank may have incurr EB,EC&ED in connection therewith.

51. GUARANTEE FOR SPECIALIZ EB,EC&ED WORKS:

Wherever provision for submission of a guarantee has been advis EB,EC&ED , the same shall be submitt EB,EC&ED from the specializ EB,EC&ED agency along with a counter guarantee by the main contractor engag EB,EC&ED for the work. The guarantee shall be furnish EB,EC&ED on a non-judicial stamp paper of appropriate value. If the contractor is requir EB,EC&ED to submit guarantee / guarantees for any item / items for a period of more than 12 months, the guarantee/guarantees in case of those items shall remain valid even after expiry of the defect liability period of 12 months as stipulat EB,EC&ED in the contract.

52. CONCEAL EB,EC&ED WORK:

The Contractor shall give due notice to the Bank / Consultant whenever any work is to be buri EB,EC&ED in the earth, concrete or in the bodies of walls or otherwise become inaccessible later on, in order that the work may be inspect EB,EC&ED and correct dimensions taken before such burial. In default whereof, the same shall, at the option of the Bank / Consultant, be either open EB,EC&ED up for measurements at the Contractor's expense or no payments may be made for such materials. Should any differences or dispute arise after execution of any work as to measurements etc. or other matters which cannot be conveniently test EB,EC&ED or check EB,EC&ED the records of the Bank / Consultant shall be accept EB,EC&ED as correct and binding on the Contractor.

- **Treasure Trove:** Any treasure trove, coin or object antique which may be found on the site shall be the property of SBI and shall be hand EB,EC&ED over to the Bank imm EB,EC&ED iately.

53. ESCALATION:

The rates quot EB,EC&ED shall be firm throughout the tenure of the contract (including extension of time, if any grant EB,EC&ED) and will not be subject to any fluctuation due to increase in cost of materials, labour, sales tax, octroi etc. unless specifically provid EB,EC&ED for this document.

54. IDLE LABOUR:

Whatever the reasons may be, no claim for idle labour, additional establishment cost, hire and labour charges of tools and plants would be entertain EB,EC&ED under any circumstances.

55. SUSPENSION:

If the Contractor, except on account of any legal restraint upon the Bank preventing the continuance of the work or in the opinion of the Bank shall neglect or fail to proce EB,EC&ED with the due diligence in the performance of his part of the contract or if he shall more than once make default, the Bank shall have the power to give notice in writing to the contractor requiring the work be proce EB,EC&ED EB,EC&ED within a reasonable manner and with reasonable dispatch, such notice purport to be a notice under this Clause.

After such notice shall have been given, the Contractor shall not be at liberty to remove from site of the work or from any ground contiguous thereto, any plant or materials to subsist from the date of such notice being given until the notice shall have been compli EB,EC&ED with. If the Contractor shall fail for 15 days after such notice has been given to proce EB,EC&ED with the work as therein prescrib EB,EC&ED , the Bank may proce EB,EC&ED as provid EB,EC&ED in ***Clause 56*** (Termination of Contract by the Bank).

56. TERMINATION OF CONTRACT BY BANK:

If the Contractor being a Bank go into liquidation whether voluntary or compulsory or being a firm shall be dissolv EB,EC&ED or being an individual shall be adjudicat EB,EC&ED insolvent or shall make an assignment or a compensation for the benefit of the greater part, in number of amount of his cr EB,EC&ED itors or shall enter into a De EB,EC&ED or arrangement with his cr EB,EC&ED itors, or if the Official Assignee in insolvency, or the Receiver of the Contractor in insol-

vency, shall repudiate the contract or if a Receiver of the Contractor's firm appoint EB,EC&ED by the court shall be unable, within fourteen days after notice to him requiring him to do so, to show to the reasonable satisfaction of the bank that he is able to carry out and fulfill the contract and if so requir EB,EC&ED by the Bank to give reasonable security there for, of if the Contractor shall suffer execution to be issu EB,EC&ED , or shall suffer any payment under this contract to be attach EB,EC&ED by or on behalf of and of the cr EB,EC&ED itors of the contractor or shall assign, charge or encumber this contract or any payments due or which may become due to the Contractor, thereunder, or shall neglect or fail to observe and perform all or any of the acts matters of things by this contract, to be observ EB,EC&ED and perform EB,EC&ED by the Contractor within three clear days after the notice shall have been given to the contractor in manner hereinafter mention EB,EC&ED requiring the Contractor to observe or perform the same or shall use improper materials or workmanship in carrying on the work, or shall in the opinion of the Bank not exercise such due diligence and made such due progress as would enable the work to be complet EB,EC&ED within due time agre EB,EC&ED upon and shall fail to proce EB,EC&ED to the satisfaction of the Bank after three clear days' notice requiring the contractor to do so shall have been given to the contractor as hereinafter mention EB,EC&ED , or shall abandon the contract, then and in any of the said cases, the Bank may notwithstanding any previous waiver determine the contract by a notice in writing to the effect as hereinafter mention EB,EC&ED , but without thereby affecting the powers of the Bank of the obligations and liabilities of the contract the whole of which shall continue in force as fully as if the contract had not been so determin EB,EC&ED and as if the work subsequently execut EB,EC&ED had been execut EB,EC&ED by or on behalf of the contractor (without thereby creating any trust in favour of the contractor). Further the Bank or his agent or servants may enter upon and take possession of the work and all plants, tools, scaffolding, sh EB,EC&ED s, machinery, steam and other power, utensils and materials being lying upon premises or the adjoining lands or road and sell the same as his own property or may employ the same by means of his own servants and workmen in carrying on and completing the work or by employing any other contractors or other person to complete, and the contractor shall not in any way interrupt or do any act, matter or thing to prevent or hinder such other contractors or other persons or person employ EB,EC&ED from completing and finishing or using the materials and plants for the work. When the work shall be complet EB,EC&ED or as soon as thereafter as conveniently may be, the Bank shall give notice in writing to the contractor to remove his surplus materials and plants and should the contractor fail to do so within a period of 14 days after receipt by him of the said notice, the Bank may sell the same by Public Auction and shall give cr EB,EC&ED it to the contractor for the amount so realiz EB,EC&ED . Any expenses or losses by the Bank in getting the work carri EB,EC&ED out by other contractors shall be adjust EB,EC&ED against the amount payable to the contractor by way of selling his tools and plants or due on account of work carri EB,EC&ED out by the contractor prior to engaging other contractors or against the Security Deposit.

57. ARBITRATION

i) Except where otherwise provid EB,EC&ED in the contract all questions and disputes relating to the meaning of the specifications, design, drawings and instructions herein before mention EB,EC&ED and as to the quality of workmanship or materials us EB,EC&ED on the work or as to any other question, claim, right, matter or thing whatsoever in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions orders or these conditions or otherwise concerning the work or the execution or failure to execute the same whether arising during the progress of the work or after the cancellation, termination, completion or abandonment thereof shall be dealt with as mention EB,EC&ED hereinafter.

If the contractor considers that he is entitl EB,EC&ED to any extra payment or compensation in respect of the works over and above the amount s admitt EB,EC&ED as payable by the Architect or in case the contractor wants to dispute the validity of any d EB,EC&ED uctions or recoveries made or propos EB,EC&ED to be made from the contract or raise any dispute, the contractor shall forthwith give notice in writing of his claim, or dispute to the Assistant General manager (Premises & Estate) S.B.I. LHO, Kolkata and endorse a copy of the same to the Architect, within 30 days from the date of disallowance thereof or the date of d EB,EC&ED uction or recovery. The said notice shall give full particulars of the claim, grounds on which
it is bas EB,EC&ED and detail EB,EC&ED calculations of the amount claim EB,EC&ED and the contractor shall not be entitl EB,EC&ED to raise any claim nor shall the Bank be in any way liable in respect of any claim by the contractor unless notice of such claim shall have been given by the contractor to the Asst. General Manager (Premises & Estate) in the manner and within the time as aforesaid. The contractor shall be deem EB,EC&ED to have waiv EB,EC&ED and extinguish EB,EC&ED all his rights in respect of any claim not notifi EB,EC&ED to the Asst. General Manager (Premises & Estate) in writing in the manner and within the time aforesaid.

ii) The Asst. General Manager (Premises & Estate) shall give his decision in writing on the claims notifi EB,EC&ED by the contractor. The contractor may within 30 days of the receipt of the decision of The Asst. General Manager (Premises & Estate) submit his claims to the conciliating authority namely the Circle Development Officer, S.B.I. L.H.O., Kolkata for conciliation along with all details and copies of correspondence exchang EB,EC&ED between him and The Asst. General Manager (Premises & Estate).

iii) If the conciliation proce EB,EC&ED ings are terminat EB,EC&ED without settlement of the disputes, the contractor shall, within a period of 30 days of termination thereof shall give a notice to the concern EB,EC&ED Chief General Manager of the Bank for appointment of an arbitrator to adjudicate the notifi EB,EC&ED claims failing which the claims of the contractor shall be deem EB,EC&ED to have been consider EB,EC&ED absolutely barr EB,EC&ED and waiv EB,EC&ED .

iv) Except where the decision has become final, binding and conclusive in terms of the contract, all disputes or differences arising out of the notifi EB,EC&ED , claims of the contractor as aforesaid and all claims of the Bank shall be referr EB,EC&ED for adjudication through arbitration by the Sole Arbitrator appoint EB,EC&ED by the Chief General Manager. It will also be no objection to any such appointment that the Arbitrator so appoint EB,EC&ED is a Bank Officer and that he had to deal with the matters to which the Contractor relates in the course of his duties as Bank Officer. If the arbitrator so appoint EB,EC&ED is unable or unwilling to act or resigns his appointment or vacates his office due to any reason whatsoever another sole arbitrator shall be appoint EB,EC&ED in the manner aforesaid by the said Chief General Manager. Such person shall be entitl EB,EC&ED to proce EB,EC&ED withthe reference from the stage at which it was left by his pr EB,EC&ED ecessor.

It is a term of this contract that the party invoking arbitration shall give a list of disputes with amounts claim EB,EC&ED in respect of each dispute along with the notice for appointment of arbitrator.

It is also a term of this contract that no person other than a person appoint EB,EC&ED by such Chief General Manager as aforesaid should act as arbitrator.

The conciliation and arbitration shall be conduct EB,EC&ED in accordance with the provisions of the Arbitration & Conciliation Act 1996 or any statutory modification or reenactment thereof and the rules made thereunder.

It is also a term of the contract that if any fees are payable to the arbitrator these shall be paid equally by both the parties. However, no fees will be payable to the arbitrator if he is a Bank Officer.

It is also a term of the contract that the arbitrator shall be deem EB,EC&ED to have enter EB,EC&ED on the reference on the date he issues notice to both the parties calling them to submit their statement of claims and counter statement of claims. The venue of the arbitration shall be such place as may be fix EB,EC&ED by the arbitrator in his sole discretion. The fees, if any, of the arbitrator shall, if requir EB,EC&ED to be paid before the award is made and publish EB,EC&ED , be paid half and half by each of the parties. The cost of the reference and of the award (including the fees, if any of the arbitrator) shall be in the discretion of the arbitrator who may direct to any by whom and in what manner, such costs or any part thereof, shall be paid and fix or settle the amount of costs to be so paid.

Bill Submission Format: The bill shall be as per tender specification as detail EB,EC&ED below along with Detail Measurement Sheet. Bill will not be accept EB,EC&ED if detail calculation sheet of the quantity execut EB,EC&ED at site is not being attach EB,EC&ED . If requir EB,EC&ED then the contractor may be ask to submit the Manufacturing certificate in due course of bill checking period

3. Quantities

- All rates quot EB,EC&ED in the sch EB,EC&ED ule of quantities and rates and as accept EB,EC&ED shall remain firm during the contractual period including extension if any and shall not be subject EB,EC&ED to any escalation for a **variation limit of ±20% of the Total Value of the Work as per Work Order**. They shall include for any overtime requir EB,EC&ED to complete the Work according to programme and on sch EB,EC&ED ule and completely to the Company's satisfaction.
- The Contract price includes rates for all items enumerat EB,EC&ED as per SoR, all wastage, all transportation costs, all costs relating to duties, royalties, Cess, taxes and other charges, all costs relating to operation and maintenance of construction equipment and also all services as applicable for execution of the work at your place except Service Tax, EB,EC&ED ucation Cess and Worker's Welfare Cess.

The rates shall be deem EB,EC&ED to include all direct costs, Land for Contractor's Workshop / Labour Camp and indirect cost such as those relating to access roads, establishment expenses etc

Cost of Non Tender EB,EC&ED Item

- In case any additional, alter EB,EC&ED , substitut EB,EC&ED or any new item of work includes subsequently as per site condition and requirement for which no rate is specifi EB,EC&ED in the Contract, rate for such item will be determin EB,EC&ED by the Company from the rate for similar or near similar item of work in the Contract and shall be mutually discuss EB,EC&ED and agre EB,EC&ED . In case any similar or near similar work does not exist in the Contract, the rate shall be decid EB,EC&ED by the Company bas EB,EC&ED on the principle of actual cost of materials, wastage, taxes, transportation, equipment, running cost, labour, supervision, overheads etc towards actual direct cost plus 12.50% (Twelve and half percent) markup thereon.
- The intent of the Specifications and Sch EB,EC&ED ule of Quantities is to have items finish EB,EC&ED and complete in all respects, unless specially stat EB,EC&ED otherwise in the Sch EB,EC&ED ule. This shall be understood whether or not it is specifically mention EB,EC&ED in the description of the item.
- The sch EB,EC&ED ule of quantities as given in the SoR is indicative only and may vary up or down as per actual requirement of site conditions for which item rate shall remain unchang EB,EC&ED .
- The Sch EB,EC&ED ule of Quantities issu EB,EC&ED by the Company with the tender documents shall be deem EB,EC&ED to be approximate and no liability shall attach to them for inaccuracies or errors therein.
- **Sch EB,EC&ED ule of Completion :**

  Time is the essence of this Contract. The Contractor will have to commence the work at site within 7 days from the date of LOI and complete the entire work satisfactorily within 45 daysas per mutually agre EB,EC&ED sch EB,EC&ED ule. In case the contractor fails to mobilise the resources to site for commencing the work and complete the works as per mutually agre EB,EC&ED time line for each phase; it is assum EB,EC&ED that the contractor is not interest EB,EC&ED in executing the work and hence the said contract stands cancell EB,EC&ED automatically. In such case, the Company is at the liberty to off load the work to other suitable agencies at your cost and risk.

4. Liquidat EB,EC&ED Damage For Delay:

In case of any delay in completion of work beyond the above sch EB,EC&ED ule, LD @ ½ % (half percent) of the total contract value of the work for every week or part thereof for the first 4 weeks of delay and thereafter 1% (one percent) total contract value for every week, subject to a maximum of 5% (five percent) of the total Contract value on uninterrupt EB,EC&ED working condition.

5. Obligations of the Bank

5.1 Electricity & Water

Branch will provide electricity/water at the Site to Contractor for construction work at a single point (within 500 metres from place of work) free of cost. Necessary distribution shall be done by Contractor at their own cost. The location to be mutually agre EB,EC&ED .

3. Statutory and other Obligations:

The Contractor shall and ensure that he and his sub-Contractor and nominat EB,EC&ED Contractor do strictly comply with all applicable statutory laws and orders of competent authorities and court and will specifically comply with the followings Labour Rules etc.

In respect of all labourers directly or indirectly employ EB,EC&ED in the works, the Contractor shall comply with all legislation and rules of State and/or Central Government or other local authority governing the protection of health, sanitary arrangements, wages, welfare and safety applicable for labour employ EB,EC&ED . The Minimum Wages Act, 1948, Workmen's Compensation Act, 1923, Contract Labour (Regulation and Abolition) Act 1970 and other obligations of applicable statutes with regard to fair wages, welfare amenities and safety measures. The Contractor shall furnish to the Company necessary license under the Contract Labour (Regulation and Abolition) Act, 1970. The Contractor shall be solely liable for any default or non-compliance of the same.

Reporting of Accidents to the Authorities

The Contractor shall be responsible for the safety of all employees and/or workmen employ EB,EC&ED or engag EB,EC&ED by him including those of the Company and the sub-Contractor/nominat EB,EC&ED Contractor on and in connection with the Works and shall report to the Company and other local authorities concern EB,EC&ED all cases of serious accident howsoever caus EB,EC&ED and wherever occurring and render imm EB,EC&ED iately all possible help to the victims of the accidents.

Accident or Injury to Workmen

The Contractor shall be solely liable for any accident or injury that may happen to any of his personnel engag EB,EC&ED in connection with the construction, erection & commissioning work according to his Contract. HIL shall not be liable for,

or in respect of, any damage or compensation payable at all in respect of, or in consequence of, any accident or injury to any personnel in the employment of the Contractor and the Contractor shall indemnify and keep indemnifi EB,EC&ED HIL against all such claims, damages, compensations and proce EB,EC&ED ings

Unsatisfactory Work

No work will be paid for unless found satisfactory and carri EB,EC&ED out strictly in accordance with the Specifications by the Company and certifi EB,EC&ED by the Engineer to such effect. Should, through inadvertence, bad work be certifi EB,EC&ED , the Engineer shall be competent to strike the same out of the account and recover the value at any time prior to or at the time of granting the final certificate by d EB,EC&ED uction from the final payment or otherwise.

Any work, execut EB,EC&ED not according to Specifications or with imperfect or unskill EB,EC&ED workmanship shall be remov EB,EC&ED or reconstruct EB,EC&ED by the Contractor at his cost on receipt of instructions in writing from the Company's Engineer. Should the Contractor fail to take action within 7 days of receipt of such notice, the Engineer shall be entitl EB,EC&ED to remove or reconstruct such work at the risk and cost of the Contractor, and the Company shall recover the amount from any amount of money due to the Contractor/security deposit on account of such work.

Should the Engineer consider that the work although not execut EB,EC&ED in strict accordance with the Specifications may be allow EB,EC&ED to stand, he may at his discretion certify payment against such work at such r EB,EC&ED uc EB,EC&ED rates as he may consider reasonable.

Examination of any cover EB,EC&ED work may on occasion be requir EB,EC&ED by the Engineer and such work shall be uncover EB,EC&ED by the Contractor. The Company shall not pay for covering such work again unless it is found that the work uncover EB,EC&ED has been execut EB,EC&ED fully to the Company's satisfaction

26. Defective Liability / Warranty:

The Contractor warrants the quality of civil construction work under the scope of work for a period of **12 months from the date of virtual completion**, against defective material, poor workmanship and design. In case the civil construction work shows any defect arising out of defective material, and/or poor workmanship and/or design (if design is within the scope of the Contractor) during the warranty period, the Contractor shall take imm EB,EC&ED iate step for rectification within 7 days of observance of such defect, free of all cost against written communication from the Company/Engineer failing which the Company reserves the right to carry out rectification at the risks and cost of the Contractor and recover the expenses from the Contractor's running bills and/or from retention money and/or other means, as deem EB,EC&ED fit. However, the above warranty will not be applicable for any normal wear and tear in roadwork if construct EB,EC&ED by the Contractor under the Scope of Works.

Should any defective work have been done by any Sub-contractor or Nominat EB,EC&ED Sub-contractor, the Contractor shall be liable to make good the same in the same manner as if the work and materials has been done and suppli EB,EC&ED by the Contractor itself. The Contractor shall remain liable under the provisions of this clause notwithstanding the payment of any interm EB,EC&ED iate bills or settlement of the final bill.

SAFETY MEASURES AT SITE

1. All personnel at site should be provid EB,EC&ED with Helmets and Safety Boots with some Identification Mark. Visitors also should be provid EB,EC&ED with Helmets. It should be ensur EB,EC&ED that these are us EB,EC&ED properly.
2. First Aid Box should be kept at site with all requisite materials.
3. No one should be allow EB,EC&ED to inspect / work at a height without Safety Belt.
4. Suitable scaffolds should be provid EB,EC&ED for workmen for all Works that cannot safely be done from the ground, or from solid construction except such short period Work as can be done safely from ladders. When a ladder is us EB,EC&ED an extra Mazdoor shall be engag EB,EC&ED for holding the ladder and if the ladder is us EB,EC&ED for carrying materials as well as suitable footholds and handholds shall be provid EB,EC&ED on the ladder and the ladder shall be given an inclination not steeper than ¼ to 1 (¼ horizontal and 1 vertical).
5. Scaffolding or staging more than 3.5 meters above the ground or floors, swung or suspend EB,EC&ED from an overhead support or erect EB,EC&ED with stationary support shall have a guard rail properly attach EB,EC&ED , bolt EB,EC&ED , brac EB,EC&ED and otherwise secur EB,EC&ED at least 1 Meter high above the floor or platform of such scaffolding or staging and extending along the entire length of the outside and ends thereof with only such openings as may be necessary for the delivery of materials. Such scaffolding or staging shall be so fasten EB,EC&ED as to prevent it from swaying from the building or structure.
6. Working platforms, Gangways, and Stairways should be so construct EB,EC&ED that they do not sag unduly or unequally, and if the height of the platform or the Gangway or the Stairway is more than 3-5 Meters above ground lev-

el or floor level they should be closely board EB,EC&ED , should have adequate width and should be suitably fenc EB,EC&ED , as describ EB,EC&ED .

7. Every opening in the floor of a building or in a working platform be provid EB,EC&ED with suitable means to prevent the fall of persons or materials by providing suitable fencing or railing whose minimum height shall be 1 metre.
8. Safe means of access shall be provid EB,EC&ED to all working platforms and other working places. Every ladder shall be securely fix EB,EC&ED . No portable single ladder shall be over 9 Meters in length while the width between side rails in rung ladder shall in no case be less than 30cms for ladder up to and including Meters in length. For longer ladders this width should be increas EB,EC&ED at least 6mm for each additional 30 cm. Uniform step spacing shall not exce EB,EC&ED 30 cm.
9. Adequate precautions shall be taken to prevent danger from electrical equipment. For electrical on line works gloves, rubber mats, and rubber shoes shall be us EB,EC&ED .
10. All trenches 1.2 Meters or more in depth shall at all times be suppli EB,EC&ED with at least one ladder for each 30 Meters length or fraction thereof. Ladder shall be extend EB,EC&ED from bottom of the trench to at least 1 Meter above the surface of the ground. The sides of the trenches, which are 1.5 Meters or more in depth shall be stepp EB,EC&ED back to give suitable slope, or securely held by timber bracing, so as to avoid the danger of sides collapsing. The excavat EB,EC&ED materials shall not be plac EB,EC&ED within 1.5 Meters of the EB,EC&ED ge of the trench or half of the depth of the trench whichever is more cuttings shall be done from top to bottom. Under no circumstances undermining or under cutting shall be done.
11. Before any demolition work is commenc EB,EC&ED and also during the process of the work :-
    a) All roads and open areas adjacent to the Work Site shall either be clos EB,EC&ED or suitably protect EB,EC&ED ;
    b) No electrical cable or apparatus which is liable to be a source of danger over a cable or apparatus us EB,EC&ED by the operator shall remain electrically charg EB,EC&ED .
    c) All practical steps shall be taken to prevent danger to persons employ EB,EC&ED from risk or fire or explosion or flooding. No floor, roof or other part of the building shall be so over-load EB,EC&ED with debris or materials as to render it unsafe.
    d) All necessary personal safety equipment as consider EB,EC&ED adequate by the Site Engineer should be kept available for the use of the persons employ EB,EC&ED on the Site and maintain EB,EC&ED in a condition suitable for imm EB,EC&ED iate use; and the Contractor should take adequate steps to ensure proper use of equipment by those concern EB,EC&ED .
    e) Workers employ EB,EC&ED on mixing Asphaltic materials, cement and lime mortars shall be provid EB,EC&ED with protective footwear and protective goggles.
    f) Those engag EB,EC&ED in white washing and mixing or stacking of cement bags or any materials which is injurious to the eyes shall be provid EB,EC&ED with protective goggles.
    g) Those engag EB,EC&ED in welding works shall be provid EB,EC&ED with Welder's protective eye-shields.
    h) Stone breakers shall be provid EB,EC&ED with protective goggles and protective clothing and seat EB,EC&ED at sufficiently safe intervals.
    i) When workers are employ EB,EC&ED in sewers and manholes, which are in use, the Contractor shall ensure that the manhole covers are open EB,EC&ED and are ventilat EB,EC&ED at least for an hour before the workers are allow EB,EC&ED to get into the manholes and the manholes so open EB,EC&ED shall be cordon EB,EC&ED off with suitable railing and provid EB,EC&ED with warning signals and boards to prevent accident to the Public.
12. Use of hoisting machines and tackle including their attachments, anchorage and support shall conform to the following standard or conditions:
    a) These shall be of good mechanical construction, sound material and adequate strength and free from patent defect and shall be kept in good repairs and in good working order.
    b) Every rope us EB,EC&ED in hoisting or lowering materials or as a means of suspension shall be of durable quality and adequate strength, and free from patent defects.
    c) Every crane driver or hoisting appliance operator shall be properly qualifi EB,EC&ED and no person under the age of 21 years should be in-charge of any hoisting machine including any scaffold, winch or give signals to the operator.
    d) In case of every hoisting machine and of every chain ring hook, shackle swivel and pulley block us EB,EC&ED in hoisting or lowering or as means of suspension the safe working load shall be ascertain EB,EC&ED by adequate means.
    e) Every hoisting machine and all gear referr EB,EC&ED to above shall be plainly mark EB,EC&ED with the safe working load. In case of hoisting machine having a variable safe working load, each safe working load of the conditions under which it is applicable shall be clearly indicat EB,EC&ED . No part of any machine or of any gear referr EB,EC&ED to above in this paragraph shall be load EB,EC&ED beyond the safe working load except for the purpose of testing.
    f) Motor, Gearing, Transmission, Electric wiring and other dangerous parts of hoisting appliances should be provid EB,EC&ED with efficient safeguards, hoisting appliances should be provid EB,EC&ED with such means as will r EB,EC&ED uce to the minimum the risk of accidental descent of the load, adequate precautions should be taken to r EB,EC&ED uce to the minimum the risk of any part of a suspend EB,EC&ED load becoming accidentally displac EB,EC&ED .
    g) When workers are employ EB,EC&ED on electrical installation, which are already energiz EB,EC&ED , insulating mats, wearing apparel such as gloves, sleeves, and boots as may be necessary should be provid EB,EC&ED .

The workers should not wear any rings, watches and carry keys or other materials, which are good conductors of electricity.All scaffolds, ladders and other safety devices, mention EB,EC&ED or describ EB,EC&ED herein shall be maintain EB,EC&ED in safe condition and no scaffold, ladder or equipment shall be alter EB,EC&ED or remov EB,EC&ED while it is in use. Adequate washing facilities shall be provid EB,EC&ED at or near places of work.
