Note: The bidder shall submit carpet area measurement sheet along with the application/bid.

The bidder shall submit Carpet area measurement sheet on completion of civil work as per Bank's layout. In case, the area measured at site during joint measurement differs with the area approved by the Municipal Corporation, the smaller area will be considered for rent purpose.

1.16 The floor wise area viz. Ground, First, Basement if any, etc with the corresponding rate for rent/taxes should be mentioned in the Price Bid. The number of car parking spaces offered should be indicated separately. Rent shall be quoted on Carpet area basis only, taking into account the parking space, area for installation of AC outdoor units, space for DG set, earthing space, Sign board etc., and no separate rent shall be paid for these facilities.

1.17 **The successful bidder/lessor should arrange to obtain the municipal license/ NOC/ approval for a) Banking activities in the premises and b) Layouts etc from Local Civic Authority/collector/town planning etc. for carrying out the interior furnishing of the premises by the Bank**. Bidder/Lessor should also obtain the **completion certificate** from Municipal authorities after the **completion of interior furniture work.** The required **additional electrical power load of approximately 25-35 KW (As per Bank's requirement) will also have to be arranged by the bidder/lessor at his/her cost** from the State Electricity Board or any other private electricity company in that area etc. NOC and the space required for installation and running of the generator, provision of installation of AC Outdoors Units, Bank's Signage at front & side fascia, space of Earth stations, V-SAT, etc will also have to be provided within the compound by the bidders/lessor at no extra cost to the Bank. Any additional electric load as per requirement of bank will be provided by Landlord at no extra cost to the Bank.

1.18 **Bidder / Lessor should obtain and furnish the structural stability certificate/Fitness Certificate from the licensed structural consultant at his cost and produce it to the bank whenever asked.**

1.19 The bidder/lessor shall obtain / submit the proposal to Municipal Corporation/Collector/town planning etc. for the approval of plans immediately after receipt of approved plans along with other related documents so the interior renovation work can commence, in case of unfurnished premises.

1.20 After the completion of the civil works and submitting all the relevant approvals/NOC, the lease agreement will be executed and the rent payable shall be reckoned from the date of occupation i.e. after fitment period and installation of electricity meter and providing required electric load. The lease agreement will include inter-alia, a suitable exit clause and provision of de-hiring of part / full premises.

1.21 Rent should be inclusive of all present and future taxes whatsoever, municipal charges, society charges, maintenance etc. However GST shall be paid extra at applicable rate and manner.

1.22Uninterrupted supply of water with provision of exclusive underground and overhead water tank of sufficient capacity along with electric pump for lifting of water shall be provided by the owner. Water and Electricity meters along with the main MCCB where the loops from the meter terminate have to be installed at Landlord's cost. Electricity charges will be borne by the Bank, but water supply should be maintained by the Landlord/owner within the rent, provided the requisite connection are arranged by the landlord in the name of Premises owner at his/her own cost. Proper sewerage connection shall be arranged by the owner at his own cost.

1.23 All civil works as per Bank's approved layout plan will be executed by the Landlord at his/her own cost under the supervision of licensed structural consultant before handing over possession to the Bank. Landlord will submit

approved plan, Competent Authority permission, structural stability and soundness certificate before possession by the Bank.

1.24 The Office will use Locker Cabinets, Cash Safe, Gold Safe, fire proof Cabinets and Compactors for storage of records etc. The offered premises should be structurally sound enough to take the additional load of such Lockers and storage units etc. In case of any structural damage to the premises/ building, Bank will not be responsible**.** The owner shall carry out civil, sanitary, repair/ maintenance works and ensure the roof/ walls remains water-tight during the lease period. In case the above repairs are required and the owner/s fails to attend to the same, the Bank will carry out necessary repairs at the risk and cost of the owner(s) and deduct all such relative expenses from the rent payable to the owner(s). Note- Owner of the Building is sole responsible for the construction and stability of Premises. Structural Stability Certificate by licensed Structural Consultant should be given to the Bank at no extra cost. Periodical maintenance of building to be done by owner at his/her own cost.

1.25 Obtaining NOC from local authority regarding fire safety shall be the responsibility of the landlord. Bank shall not be responsible for this in any manner, nor shall any amount / Bill be paid by the Bank for this purpose.

1.26 The decision to identify the successful bidder by the Bank shall be final and No correspondence will be entertained from unsuccessful bidders.

1.27 The SBI reserves the right to use theses premises for other commercial activities also.
