## PRICE BID FORM

## STRUCTURAL AUDIT OF THE STATE BANK INSTITUTE OF LEARNING &amp; DEVELOPMENT (SBILD) , SECTOR-III, SALT LAKE

Sl. No.	Description of item	Quantity	Unit	Rate (Rs.)	Amount (Rs.)
1	Visual inspection of all visible structural members of the building block & Submission of Report (Admin Block & Hostel Block)	No of Buildings	2		
2	Conducting Ultrasonic Pulse velocity test (UPV) on different structural members including submission of report (Considering 20 nos of Points in both building/ 40 nos of points in total which includes both buildings as per requirement)	No	75		
3	Rebound hammer test on concrete on different structural members including submission of report (Considering 20 nos of Points in both building/ 40 nos of points in total which includes both buildings as per requirement)	No	75		
4	Half cell potential test of reinforcement embedded in Hard Concrete on different structural members including submission of report (Considering 10 nos of Points in both building/ 20 nos of points in total which includes both buildings as per requirement)	No	30		
5	Carbonation cheking on Concrete Surface on different structural members including submission of report as per standerd testing method as approved by EIC. (Considering 3 nos of Points in both building/ 6 nos of points in total which includes both buildings as per requirement)	No	10		
6	Conducting Tensile Strength Test of Steel (In-situ by Hardness method) including submission of report (Considering 3 nos of Samples in both building/ 6 nos of Samples in total which includes both buildings as per requirement)	No of Samples	6		
7	Rebar scanning	No	6		
8	Preparation of Structural Drawing of both the Building blocks	No of Building	2		
9	Overall structural stability check of both the buildings and submission of report	No of Building	2		
10	Charges for excavation required for testing for structural stability checking and filling of excavated portion with available materials as per requirement. (This item is provisional only, amount will be paid as per actual work done)	P.S	1		
11	Charges for Scaffolding as per requirement (This item is provisional only, amount will be paid as per actual work done)	P.S	1		
12	Providing Repairing and Retrofitting scheme considering NDT test of Structural Members	No of Building Block	2		
13	Providing Repairing and Retrofitting scheme considering Visual Inspection of other damaged Ornamental Structural Members and other R.C.C structural parts (Such as Chajja , Fins etc.) , of both the buildings	No of Building Block	2		
TOTAL :			Rs.
